

H. COUNCIL TRENHOLM STATE TECHNICAL COLLEGE DENTAL CLINIC

The Dental Assisting Program has an operational dental clinic whereby students are trained to assist the dentist in various procedures pertinent to their education. Anyone wishing to receive dental treatment at a minimal cost may make an appointment by calling Cecile Mathews at 334-420-4427. Please keep in mind when making your appointment we are a teaching clinic times and procedures are limited to the educational needs of our students. This clinic in no way should be considered as your primary dental care facility. Referrals are made upon request.
