FAST FACTS

IN BRIEF

H. Council Trenholm State Community College (Trenholm State) located in Montgomery, Alabama, serves as an educational and economic asset for the state of Alabama by offering associate degrees and certificate programs that prepare students for further education, fulfilling careers and life-long learning. Our students reflect our diverse local and global community, and the College integrates the strengths of many cultures, age groups, lifestyles and learning styles into the life of the institution. The College provides affordable access to higher education, supports the success and achievements of students, and maintains vibrant partnerships and pathways with educational institutions, community organizations, and local businesses and industries. The College is part of the Alabama Community College System, a statewide system of postsecondary colleges governed by the Alabama Board of Trustees.

OUR MISSION

Trenholm State Community College's mission is to provide comprehensive and accessible educational opportunities, including academic transfer and technical programs, designed to promote economic development, enhance workforce development, and improve the quality of life for the community.
