H. Councill Trenholm State Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate degrees. Contact the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of H. Councill Trenholm State Community College.

Equal Opportunity In Education and Employment
It is the official policy of the Alabama Community College System and H. Councill Trenholm State Community College that no person shall, on the grounds of race, color, disability, sex, religion, creed, national origin, age or any other protected class as defined by federal and state law be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program, activity, or employment.
Welcome to Trenholm State Community College!

It is with great excitement that I welcome you to Trenholm State Community College. Our vision is to prepare students to meet the challenges of an evolving job market and to serve as the region’s leading educational catalyst for growth in workforce development.

We have been a part of the River Region community since our founding in 1966. Our programs continue to prepare students for high skilled jobs. Trenholm State offers a variety of programs that lead to an associate degree or certificate in various disciplines.

As you explore our catalog and website (www.trenholmstate.edu), I hope you find that Trenholm State can provide you with both the academic and technical foundation that leads to a rewarding educational experience.

Best wishes,

Sam Munnerlyn
President

History of Trenholm State

H. Councill Trenholm State Technical College was created through the consolidation of John M. Patterson State Technical College and H. Councill Trenholm State Technical College in April 2000. The Trenholm Campus was designated as the main campus of the combined institutions. Both institutions were accredited by the Council on Occupational Education, which granted approval for the merger in March 2002.

In December 2014, Trenholm State was granted initial accreditation by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate degrees. Transfer credit for eligible courses is retroactive to January 1, 2014.

Patterson Site

The John M. Patterson State Technical School was established as a result of the 1947 passage of Regional Vocational and Trade School Act 673 by the Alabama State Legislature. The Montgomery County Board of Revenue and the City of Montgomery purchased 43 acres of land at the junction of the Southern Bypass and U.S. 231 South in 1961. The school opened on September 4, 1962. Patterson was named a technical college by action of the State Board of Education in 1974.

Trenholm Campus

H. Councill Trenholm State Technical College was authorized by the Alabama State Legislature in May 1963. Construction was completed and classes began in August 1966, with the City of Montgomery and the Montgomery County Board of Revenue contributing to construction costs. The College was named for the late Dr. Harper Councill Trenholm, a past president of Alabama State University.

Organization and Administration

H. Councill Trenholm State Community College is a two-year public institution of higher education operating as part of the two-year Alabama Community College System (ACCS). The organization and administration of H. Councill Trenholm State Community College is under the supervision and direction of a Board of Trustees appointed by the Governor of the State of Alabama.

The ACCS Board of Trustees is composed of the Governor, who serves as chair by virtue of her elected office. The other board members are appointed from eight districts, with one state-wide member and an ex-officio liaison from the State Board of Education.

For the purpose of assisting the ACCS Board of Trustees in carrying out its authority and responsibilities for each of the colleges, a Chancellor is appointed who also serves as Chief Executive Officer of the Alabama Community College System (ACCS). The Chancellor serves at the pleasure of the ACCS Board of Trustees but it is customary for the Chancellor to have a multi-year contract.

The College President is appointed by the ACCS Board of Trustees and heads the College's organizational structure. Specific areas of operation include the following: Student Services; Instructional Services; Development Planning/Research; Finance and Administrative Services, and Information Technology. Each of these areas functions under the guidance of a Dean or Director who reports directly to the President. The President reports to the Chancellor and is responsible for operating the college within the ACCS Board of Trustees policies and all applicable state and federal laws. This organizational structure is in compliance with the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) as well as policies and guidelines of the ACCS Board of Trustees.

A College Advisory Council composed of representatives of area industry, business and management assists the Administration. The Council serves in an advisory capacity to the President in promoting the interest and general welfare of the College.

**Trenholm State Community College - 2019-20 College Catalog/Student Handbook**
Introduction to the College

Trenholm State Community College serves as an educational and economic asset for the state of Alabama by offering associate degrees and certificate programs that prepare students for further education, fulfilling careers and life-long learning. Our students reflect our diverse local and global community, and the College integrates the strengths of many cultures, age groups, lifestyles and learning styles into the life of the institution. The College provides inclusive and affordable access to higher education, supports the success and achievements of all students, and maintains vibrant partnerships and pathways with educational institutions, community organizations, and local businesses and industries. The College is part of the Alabama Community College System (ACCS), a statewide system of postsecondary colleges governed by the ACCS Board of Trustees.

The College operates two campuses, the Patterson Site and the Trenholm Campus, and provides educational services for Montgomery and the surrounding area.

H. Councill Trenholm State Community College is authorized by the State of Alabama to provide vocational, technical, academic, and lifelong educational opportunities; promote economic development; and enhance the quality of life for the people of central Alabama. The College operating as a single entity, integrating all programs and services where feasible into a single delivery system, is committed to providing comprehensive academic and technical services to its community.

Through its open door admission policy and special recruitment efforts, H. Councill Trenholm State Community College helps multitudes of disadvantaged students obtain real educational opportunities, offering promising students a better beginning. The college’s efforts are focused by its mission and vision statements and guided by the values and goal statements developed and reviewed regularly by its employees as part of the college’s annual planning process.

Vision

Through our commitment to educational excellence, students will be prepared to meet the challenges of a global society and the college will serve as the region’s leading catalyst for economic and workforce development.

Mission

Our mission is to provide comprehensive and accessible educational opportunities, including academic transfer and technical programs, designed to promote economic development, enhance workforce development, and improve the quality of life for the community.

Goals

Student Success Pathways

GOAL 1: Trenholm State Community College will increase efforts to provide programs and services that enhance active learning to ensure achievement of students’ educational and career goals.

Workforce Pathways

GOAL 2: Trenholm State Community College will ensure that academic, career and technical degrees, certificates and credentials result in marketable student employment by strengthening career pathways, ensuring curricular relevance and expanding partnerships

Transfer Pathways

GOAL 3: Trenholm State Community College will provide clear and direct educational pathways by delivering flexible, relevant and quality transfer programs and related support services that result in a seamless transfer to four-year institutions.

Institutional Growth and Sustainability

GOAL 4: Trenholm State Community College will maintain financial stability and expand infrastructure and technology to establish state-of-the-art learning environments that facilitate career development and student success.
Values

Trenholm State Community College administrators, faculty and staff embody the highest academic and institutional commitment to students and the community by exhibiting the following 13 values:

1. **Academic rigor**: We are committed to standards of academic rigor that assures students a high-quality education that fosters personal and intellectual growth for productive careers and meaningful lives.

2. **Access**: We promote an accessible and affordable education designed to optimize opportunities for student participation.

3. **Accountability**: We create an accountable environment that continually builds an exceptional community college through shared governance, collaboration, and a commitment in the delivery of our mission.

4. **Communication**: We encourage dialogue and the freedom to have an open exchange of ideas for the common good.

5. **Diversity**: We recognize and value diversity in its many forms as a representation of the richness of the human experience.

6. **Excellence**: We set and model high standards for students and our faculty, staff, administrators, and community partners.

7. **Innovation**: We strive to be a creative and inquisitive community based on the pursuit of knowledge, wisdom, and discovery.

8. **Integrity**: We hold ourselves accountable to the communities we serve and seek to model personal and intellectual integrity in all we do.

9. **Leadership**: We are committed to identifying the unique strengths of our faculty and staff by encouraging leadership and supervision that recognize individuals who utilize their talents in support of our students.

10. **Life-long learning**: We are committed to promoting the educational growth and development of all individuals through a variety of postsecondary professional, technical, and academic programs and services.

11. **Professionalism**: We value professionalism through our clear sense of commitment, perspective and direction.

12. **Quality-driven**: We are dedicated to a supportive learning community that uses learning outcomes to measure success and guide innovative curricular and program improvements to meet individual and group needs.

13. **Student success**: We are committed to the success of our students by adhering to the highest levels of academic and professional standards.

College Service Area

The College service area consists of primarily a six county area located near the center of the State of Alabama. The service area includes the area of Macon County, west of a line drawn north to south through the city of Franklin; Elmore County, excluding correctional education and the Central Alabama Community College site in Tallassee; Montgomery County; the area of Bullock County, west of a line drawn north to south through the city of Union Springs; Lowndes County and Autauga County, in cooperation with Wallace Community College-Selma. The area consists of urban, suburban, and rural populations.

College Operating Hours

Normal Office Hours shall be:

- 7:30 a.m. - 5:30 p.m. Monday - Thursday
- 7:30 a.m. - 11:30 a.m. Friday
- as needed on Saturday - Sunday

Mission and Goals

The fundamental mission of the Student Services Division is to demonstrate a strong commitment to student success by providing a learning environment in which individuals from varied backgrounds, with diverse goals and needs, are afforded both the conditions and opportunities for student success, not as an aside from instruction, but in partnership with and as a compliment to the educational opportunities afforded to students. Student Services goals are listed below. The belief of each member of the Student Services staff at H. Councill Trenholm State Community College is that all people have the opportunity to reach their maximum potential. Dedicated to this belief, and in support of the educational mission of the College, the division assists students with admissions, registration and financial aid, advisement, assessment, achieving success, disabilities services, student activities, and career planning.

Coordinated by the Dean of Students, these functions service the student and compliment classroom instruction by insuring that each student has the opportunity for success.

- Work in concert with faculty to develop a holistic individual.
- Offer professional development opportunities that will enhance the recruitment and retention for students.
- Increase enrollment through assertive recruiting and retention strategies.
- To offer an array of social, cultural and educational activities to students to create a feeling of belonging.
- To develop an on-going comprehensive public relations campaign utilizing news releases, brochures, billboards, college website, civic speaking engagements, recruitment videos, college view book, television and radio commercials and other printed and electronic publications.

Roles

- To accommodate students in gaining access to the College by providing admission, registration, counseling, advising, placement testing and other support services.
- To facilitate the successful movement of the student through the educational process to completion of the student’s identified goal (personal enhancement, specific job skill(s) improvement, career preparation and/or development, or continuation of an undergraduate education).
- To maintain a system of accurately recording, safely maintaining and efficiently retrieving student records.
- To provide a program of financial assistance to students.
- To enhance development of the student’s mind, body and character by providing a program of student activities that compliment classroom instruction and/or other curricula endeavors.
- To assist in satisfying the College’s and community’s need for information relative to students served.
- To participate in the governing system of the College, particularly in the areas of student life, long-range planning and due process in student discipline.

Orientation to College ORI-101

All new and returning students, who have not previously taken Orientation to College (ORI-101) course at Trenholm State Community College, are required to take ORI-101 during their first term of enrollment. No exception will be made. ORI-101 College orientation classes taken at another institution will not be accepted for transfer credit at Trenholm State.

Orientation to College (ORI-101) is designed to provide information that will aid a new student in his/her transition to college and stimulate an excitement for learning. Students are engaged, equipped and empowered to excel in their college studies and are introduced to college policies, procedures, requirements, and services as well as knowledge of the physical environment of the campus and the college community at large. Focus provided through Orientation to College (ORI-101) includes: critical thinking, improvement of technology skills, social skills, leadership skills, oral and written communication skills, commitment to studies and more. Students are encouraged to make wise use of all services made available in the Office of Student Services. Every student enrolled is assigned a faculty advisor and students are encouraged to discuss their academic and career plans, problems, and challenges with their faculty advisors.

College Orientation for Dual Enrolled Students

Dual enrolled students must attend an orientation session during their first term of enrollment. Through attendance and participation, dual enrolled students are informed of the College’s policies and procedures as well as practices designed to help with study and test-taking skills, time management, and more. This is non-credit and does not substitute for ORI-101.

Advising

The primary purpose of advising is to support students in their pursuit of meaningful educational and career programs that will assist them in fulfilling goals. Advising is provided for each student at Trenholm State. Program advisors are available to provide information about courses, programs, activities/events and careers. Advisors also assist students with transfers to another program of study at the College. Prior to each semester, all students are encouraged to consult with their program advisor to plan their course of study, review their degree plan for a timely graduation. Program advisors are available in each program to advise students who may wish to enroll.

Students are assigned to their advisors through the Office of Admissions and Records with input from the program coordinator or division chair of the student’s respective program of study. The Director of Admissions and Records also provides academic advisement services. Program graduates are awarded Associate in Science, Associate in Arts, Associate in Applied Science Degrees, Certificates and Short Term Certificates. For information on academic advisement, contact the Office of Admissions and Records at (334) 420-4306.
Career Planning and Job Placement

It is the practice of H. Councill Trenholm State Community College to provide career education training, counseling, and assessments that will lead students and alumni down a successful career path. Career planning assistance is available to all students and alumni who wish to make a career choice or change.

Additionally, the Career Center provides students with direct access to work-study, internships, externships, co-op part-time and full-time employment opportunities through an online database, Trenholm Careers and via email. An attempt is made to refer students to positions that will benefit them financially and educationally. Other services include resume, cover letter, and interview preparation, mock interviews, career fairs, internship and co-op opportunities, business dress advice, career and employer literature, on-campus interviews, and employment developmental skill workshops. Students and alumni in need of assistance should contact the College’s Career Center at (334) 420-4499 or careers@trenholmstate.edu.

Student Success Center

This Student Success Center (SSC) is designed to provide a range of services to include tutoring, counseling, mentoring, faculty/staff awareness activities, career services, collaboration and resource sharing and academic support services.

The mission of the Student Success Center (SSC) is to provide a consolidated and integrated center to enhance the academic development of students and reinforce the student-centered learning environment at Trenholm State. With an emphasis on academic readiness skills and best practices, the SSC is committed to student persistence and graduation from the institution. Furthermore, through proactive, intrusive and innovative solutions, the Student Success Center provides opportunities for students to achieve learning goals and develop as life-long learners.

Learning Resource Centers

The Library Learning Resource Center located on the Trenholm Campus houses the library that maintains a collection of print and non-print materials and an archival collection. A satellite library is located on the Patterson Site that maintains a smaller collection of print and non-print materials and an archival collection. A satellite library is located on the Patterson Site that maintains a smaller collection of print and non-print materials and an archival collection. The Library Learning Resource Center/Library Tower can be contacted at (334) 420-4455 and the Patterson Site Library can be contacted at (334) 420-4357. The email address is lstaff@trenholmstate.edu and the website is www.trenholmstate.edu/library.

American with Disabilities Act (ADA)

The College complies with the Americans with Disabilities Act of 1990 and the Rehabilitation Act of 1973. Documented information is required. Students with disabilities may be eligible for services such as untimed testing, tutors, and individualized registration assistance. The College has an ongoing partnership with state and private rehabilitation agencies as well as with a variety of counseling services and outreach agencies. If you have a disability that might require special assistance, please contact the ADA Coordinator at (334) 420-4326 or 4316.

Note: A Telecommunication Device for the Deaf (TDD) is available for hearing-impaired individuals and may be accessed through the Office of Admissions and Records at (334) 420-4310 or (334) 420-4301.

Depending on medical needs, early registration may be provided for students with disabilities. Any student with a documented disability may take advantage of priority registration. This can be arranged through the Dean of Students by calling (334) 420-4316.

ASSESSMENT SERVICES

ACCUPLACER Testing

The ACCUPLACER Testing is designed to ensure proper course enrollment and enhance probable success in math, English, and reading and to verify that new students have the skills necessary to succeed in courses required for their chosen major (See information under Testing/Re-Testing). Each college in the Alabama Community College System shall require a comprehensive assessment of students upon admission to the college and prior to enrollment in associate degree, diploma, or certificate programs. Students who enroll in associate degree, certificate, or short term certificate programs that require math or English may be assessed through the administration of the ACCUPLACER computerized assessment instrument, and placed at the appropriate developmental level as indicated by the assessment results. The ACCUPLACER testing is free of charge to students who will take the ACCUPLACER test for the first time. The ACCUPLACER test scores are valid for three years from the date of the original assessment. The ACCUPLACER test results are a prerequisite for initial enrollment unless an exemption applies.

Policy on Placement Testing

Students are required to take the Accuplacer placement test in English and math prior to enrollment in classes unless appropriate exemptions are on file with the Admissions Office (see the Accuplacer section of this catalog). Prospective students are strongly urged to schedule and complete the placement test prior to registration, as results will be used to determine placement in courses at registration. Students whose Accuplacer scores indicate the need for developmental courses must register for the indicated developmental courses the first term. There is no fee for the first Accuplacer test, but students who retest must pay a 10.00 fee and complete remediation.

The following students are exempt from all or part of the placement test requirements:

- students within five years of high school graduation who earned eligible GPA and grades in fourth year math and English
- students who have scored 165 or higher on the GED College Ready within the last five years

Policy on Placement Testing

Students are required to take the Accuplacer placement test in English and math prior to enrollment in classes unless appropriate exemptions are on file with the Admissions Office (see the Accuplacer section of this catalog). Prospective students are strongly urged to schedule and complete the placement test prior to registration, as results will be used to determine placement in courses at registration. Students whose Accuplacer scores indicate the need for developmental courses must register for the indicated developmental courses the first term. There is no fee for the first Accuplacer test, but students who retest must pay a 10.00 fee and complete remediation.

The following students are exempt from all or part of the placement test requirements:

- students within five years of high school graduation who earned eligible GPA and grades in fourth year math and English
- students who have scored 165 or higher on the GED College Ready within the last five years
• students who have an associate or higher degree;
• students who transfer degree-creditable English and/or mathematics courses with a grade of “C” or better;
• students in programs for which English or mathematics is not required;
• students who have completed equivalent developmental course work at another Alabama Community College System institution within the last five years;
• students who have documentation of assessment and acceptable scores on the Accuplacer or COMPASS within the last five years;
• transient students;
• audit students;
• senior citizens;
• students who are taking non-credit courses only

ACCUPLACER Re-Testing
Each section of the ACCUPLACER test may be repeated at a charge of $10.00 per section. NOTE: ACCUPLACER test scores may be transferred to the College from another higher education institution. The student must request that an official copy of their scores be sent to the Office of Admissions and Records prior to testing.

A study guide for the assessment is on the Future Student link of the College website www.trenholmstate.edu. Any questions about the ACCUPLACER test should be directed to the Student Success Center at (334) 420-4418.

Ability-to-Benefit Testing
An applicant can enter certain programs without a high school diploma or GED certificate. Applicants applying to H. Councill Trenholm State Community College under this provision must pass the Ability-to-Benefit Test. The College will notify all applicants prior to enrollment each semester of the time, date, and place for the scheduled Ability-to-Benefit examination. For additional information, please contact the Office of Admissions and Records at (334) 420-4306.

The Consolidated Appropriations Act of 2012 (Public Law 112-74) eliminated eligibility to receive Title IV student financial aid assistance to ability-to-benefit students without a high school diploma or GED, or who completed secondary education in a home or private setting effective July 1, 2012. Therefore, new students seeking enrollment without a high school diploma or recognized equivalent (GED), or who fail to meet the home or private school requirements will no longer be eligible to receive federal financial aid as of July 1, 2012.

If testing or retesting for the Ability to Benefit, all three sections of the test must be taken in one testing session. The fee for retesting the Assessment is $24.00 and must be paid in the Cashier’s Office. Please discuss taking a retest with testing personnel before paying the fee. Retest scores will replace previous scores.

Financial Aid and Veterans Affairs
The financial aid program at Trenholm State Community College provides an equal opportunity for students of all economic levels to attend college. Financial aid is awarded based on student eligibility, individual need, college costs and availability of funds.

The financial aid programs offered at the College include the following:
1. Federal Pell Grant Program (FPELL)
2. Federal Supplemental Educational Opportunity Grant (FSEOG)
3. Federal Work-Study Program (FWS)
4. Leveraging Educational Assistance Partnership Program (LEAP)
5. Institutional Scholarships
6. Senior Adult Waiver Program.

In addition, students who qualify may apply to the Agencies listed below for financial assistance.
1. Veterans Administration Vocational Rehabilitation (Disabled Veterans)
2. Alabama Department of Rehabilitation Services
3. Alabama G. I. Dependents’ Scholarship Program
4. Alabama National Guard Educational Assistance Program (ANGEAP)
5. Veterans Benefits
6. Workforce Innovation Opportunity Act (WIOA)

The College is fully approved by the State Approving Agency to offer training to eligible veterans. Any veterans interested in receiving benefits must first complete the admission requirements to enroll at the College. Veteran benefits are not awarded until all admission requirements are met.

The Financial Aid Office is OPEN DAILY Monday through Thursday - 8:30 am until 4:30 pm and Friday - 8:30 am until 11:30 am. For additional information, please contact the Financial Aid Office at (334) 420-4321.

Guidance and Counseling
Students are encouraged to utilize services of the counselors available in the Student Success Center. Additionally, students are encouraged to read the Student Handbook. The Placement Office and faculty advisors/instructors are available to assist students in making relevant career decisions and in selecting an appropriate course of study. The Student Success Center provides life-planning strategies and assists with study skills, time management and decision-making skills. When personal difficulties interfere with academic success, counselors/advisors can offer counseling and referrals to other agencies. Contact the Student Success Center at (334) 420-4418.

Admissions and Records
The Office of Admissions and Records coordinates the admission of qualified student body. The Office processes student applications, inform students of available program offerings, disseminates appropriate brochures, literature, etc. to interested students, verifies student qualifications for specific certificate and degree programs. The Office provides transcripts of student academic records (official and student copies), facilitates registration each semester for credit classes, and verifies and certifies student enrollment status. In addition, the Office processes grade changes, certificates and
Admissions and Records Policies

degrees, curriculum updates, degree plans, and changes in student information. Specific registration information is contained in instructions distributed to applicants and students before each semester begins.

Admissions Policy Statement

It shall be the policy of Trenholm State Community College to admit all applicants who meet the established admission criteria. Admission decisions will be made without regard to an applicant’s race, color, disability, sex, religion, creed, national origin, or age. This policy grants admission to first-time college applicants, transfer applicants, transient applicants, audit applicants, accelerated high school applicants, international applicants, and applicants seeking readmission.

Enrollment Schedule

Applicants may enter the college at the beginning of each term: fall (August), spring (January), or summer (May). Applicants are encouraged to apply for admission to the College prior to the term for which they wish to enroll. Applicants are encouraged to visit the College’s website www.trenholmsstate.edu to complete and submit an admission application online. Admission applications can also be obtained from the Office of Admissions and Records on both campuses and should be returned to the Office of Admissions and Records on the Trenholm or Patterson Site. Admission

General ID Policy

An applicant must provide one of the following forms of identification for admission to Trenholm State Community College:

- Unexpired Alabama Driver’s License or instruction permit
- Unexpired Alabama identification card
- Unexpired U.S. Passport
- Unexpired U.S. Permanent Resident Card
- Resident Alien Card - Pre-1997
- Unexpired Driver’s License or instruction permit from another state or possession that verifies lawful presence, dated 2000 and beyond
- U.S. Alien Registration Receipt Card (Form I-151) prior to 1978
- BIA or tribal identification card with photo
- I-797 Form with expiration date
- VISA acceptable to the United States

For the protection of the public and to assist in maintaining state and local security, persons who are not citizens of the United States may not be admitted to any Alabama Community College System institution for the purpose of enrolling in flight training, or in any segment or portion of a flight training program, until appropriate certification and approval have been received from the Office of the Attorney General of the United States, pursuant to Section 113 of the Aviation Transportation and Security Act, regulations of the Immigration and Naturalization Service, and all other applicable directives. Applicants who fail to satisfy the forms of identification requirement will not be admitted to any ACCS institution.

All male students between the ages of 18 and 26 must show proof of registration with the U.S. Selective Service System in accordance with 36-26-15.1 of the Code of Alabama of 1974 (as amended).

Required Admission Documentation

Degree-seeking students must provide:

- Admission application
- Primary form of identification
- Proof of high school graduation
- Official transcript - high school or GED®
- Official transcript(s) - all other colleges attended,
- ACT scores (for placement purposes only)
- Students who have achieved a minimum of a Baccalaureate degree are only required to submit a transcript from the granting institution. The College does require official transcripts of other undergraduate coursework earned elsewhere if that coursework is to be used toward earning a degree or fulfilling prerequisites.

Non-degree seeking students (who are high school graduates or GED® recipients) must provide:

- Admission application
- Primary form of identification
- Proof of high school graduation
- Official transcript - high school or GED®
- Students who have achieved a minimum of a Baccalaureate degree are only required to submit a transcript from the granting institution.

Non-degree seeking students (who are non-high school graduate or does not have a GED) must provide:

- Admission application
- Primary form of identification
- Official transcript - high school (if attended)
- Official transcript - all other colleges attended (if attended)
- Required Assessment Score (State Board Procedure 801.05: Admission: Non-High School Graduate)
- Students who have achieved a minimum of a Baccalaureate degree are only required to submit a transcript from the granting institution.

In order to be official, transcripts and/or GED scores must be mailed directly from another school to Trenholm State Community College. The College also accepts official hand-delivered transcripts, which MUST be in an unbroken sealed envelope and must be marked “OFFICIAL” NOT “ISSUED TO STUDENT”.

Mailing Address:

Trenholm State Community College
Office of Admissions and Records
Post Office Box 10048
Montgomery, Alabama 36108

Non-degree seeking in Truck Driving Training

An applicant must provide the following documentation at the time of registration:

- Completed Application for Admissions, which includes proof of residency.
- Department of Transportation (DOT) physical which indicates no physical or mental limitations which could impair the individual’s ability to drive a truck. The physical must be dated within two (2) years of one’s registration date and must be documented on
the proper DOT physical form.

- The drug screen must indicate negative results and be dated within 30 days of registration. The results should be mailed to:
  Trenholm State Community College
  Truck Driver Training
  P.O. Box 10048
  Montgomery, AL 36108
- Motor Vehicle Report (MVR), which may be obtained from the Department of Public Safety, 50 North Ripley Street, Montgomery, AL 36104. The MVR must be dated within 30 days of applicant’s registration.
- A Current Driver’s License.
- Applicants enrolled in the Truck Driving program are subject to random drug testing. The applicant is responsible for all costs related to the DOT physical and drug screen. Tuition, books and fees are due at the time of registration. The cost ranges from $1,500.00 to $1,662.00 for Alabama residents. Out-of-state residents will be charged double this amount.

Admission Status Types

There are two types of admission status: 1) unconditional and 2) conditional. Students who have submitted all required documentation may be admitted as unconditional status. Students who have not submitted all required documentation may be admitted as conditional status. Failure to provide documentation by the end of the first semester, as determined by local institutional calendars, will prevent a student from future registration and official transcript release.

Admission Classification

1. First Time: A student who has no prior post-secondary experience, attending any institution for the first time.
2. Transfer: A student entering the institution for the first time, having previously attended a post-secondary institution. The student may transfer with or without credit. Acceptance of transfer credits is based upon Trenholm State Community College policy.
3. Transient: A student enrolled at another college or university who is taking classes at an ACCS institution for the express purpose for transferring credit back to the home college or university.
4. International: A student who is a citizen of another country.
5. Dual Enrollment and Dual Credit: A secondary education student who is earning college credit while still in high school. Dual enrollment credit may be applied toward a high school diploma.
6. Early College Education Program: A secondary education student who is earning college credit while still in high school. Dual enrollment credit may be applied toward a high school diploma, a technical or health certificate.

Admission to an ACCS institution does not ensure admission to any individual program or course.

If all required admissions records have not been received by the College prior to issuance of first term grades, the grades will be reported on the transcript, but the transcript will read CONTINUED ENROLLMENT DENIED PENDING RECEIPT OF ADMISSIONS RECORDS. This notation will be removed from the transcript only upon receipt of all required admissions records.

First-time Student Admission

Applicants who have not previously attended any regionally or nationally accredited college will be considered first-time college applicants or “native” applicants. A student, who has no prior post-secondary experience and attending any institution for the first time, must submit an application for admission, appropriate ID, and an official high school transcript, or official GED transcript.

A first-time student who does not have on file the official high school transcript or official GED transcript and any additional documents required may be granted conditional admission. No first-time student shall be allowed to enroll for a second semester unless all required admission records have been received prior to registration for the second semester. If all required admissions records have not been received by the College prior to issuance of first term grades, the grades will be reported on the transcript, but the transcript will read CONTINUED ENROLLMENT DENIED PENDING RECEIPT OF ADMISSIONS RECORDS. This notation will be removed from the transcript only upon receipt of all required admissions records.

Transfer Student Admission

An applicant who has previously attended another duly accredited postsecondary institution will be considered a transfer student. To be classified as degree eligible, a transfer student must have submitted an application for admission and official transcripts from all duly accredited postsecondary institutions attended and any other documents required for first-time students. Even though transcripts from non-duly accredited institutions may not be required for admission to the College, transcripts from all institutions are required for recipients of federal student aid. A duly accredited institution is accredited by one of the six regional accrediting bodies recognized by the U.S. Department of Education.

A transfer student who does not meet the requirements in the previous paragraph will be classified as a non-degree eligible student/ability to benefit student or conditional. An applicant who has completed the baccalaureate degree will be required to submit only the transcript from the institution granting the baccalaureate degree.

A transfer student who does not have on file official transcripts from all postsecondary institutions attended and any additional documents required may be granted conditional admission. No transfer student shall be allowed to enroll for a second semester unless all required admissions records have been received prior to registration for the second semester.

If all required admissions records have not been received prior to issuance of first semester grades, the grades will be reported on the transcript, but the transcript will read CONTINUED ENROLLMENT DENIED PENDING RECEIPT OF ADMISSIONS RECORDS. This notation will be removed from the transcript only upon receipt of all required admissions records.

Initial Academic Status of Transfer Students

A transfer student whose cumulative grade point average at the transfer institution(s) is 2.0 or above on a 4.0 scale will be admitted on Clear Academic status. A transfer
student who is admitted on Clear Academic status is subject to the same standards of academic progress as a “native” student. Grades accrued at other regionally accredited colleges are not included in the Grade Point Average (GPA) calculation at the College.

A transfer student who is admitted on Academic Probation retains that status until the applicant has attempted at least 12 semester credit hours.

If the Cumulative GPA at the College is below 1.5 at the conclusion of the semester in which the applicant has attempted a total of 12 or more semester credit hours, the student will be suspended for one semester. The transcript will read SUSPENDED--ONE TERM.

If the Cumulative GPA at the College is 1.5 or above at the conclusion of the semester in which the transfer student admitted on Academic Probation has attempted a total of 12 semester credit hours and earned a cumulative 2.0 or higher GPA, the student’s status will become Clear.

**Transient Students**

Students who attended another college/university and who wish to earn credits for transfer to that parent college may be admitted to Trenholm State Community College as transient students. Students must submit an application for admissions and a letter or Transient Permission Form from the parent institution to certify that the credits earned at the College will be accepted as part of their academic program. The official letter or Transient Permission Form must be properly signed by the dean, registrar, or advisor at the parent college and must contain the specific college course(s) students have been approved to take. Transient students are not required to file transcripts of their previously earned credits at other colleges/universities.

**International Admission**

An international applicant must provide the following documentation to the Office Admissions and Records prior to being issued an I-20 form:

1. A completed Application for Admission
2. A VISA recognized and accepted by the United States Government
3. An official translated copy of the student’s high school transcript and college transcript(s), if applicable; all foreign transcripts and credentials must be evaluated by World Education Services (WES). The web site is www.wes.org. International students must request that their previous high school and college(s), if applicable, mail all official transcripts to WES. Once credentials are evaluated, WES will send the students’ official transcripts to Trenholm State Community College
4. Official transcript showing a minimum of 500 on the paper-based Test of English as a Foreign Language (TOEFL) or 173 computer-based or minimum score ranging from 5.5-6.0 on the IELTS (International English Language Testing System) as determined by the college, or a total score of 61 on the Internet-based TOEFL. The web site is www.toefl.org
5. The TOEFL score may be waived for students from the following countries: Australia, Bahamas, Bermuda, Canada (verify from transcript), England, Ireland, Jamaica, New Zealand, Scotland, Antigua and Barbuda, Barbados, Grenada, Belize, Dominica, Malawi, St. Lucia, St. Kitts, Nevis, Nigeria, Tanzania, the Gambia, Tobago, Trinidad, and Virgin Islands. All other waivers must be submitted to the Chancellor for approval with substantial documentation. Students who have successfully completed a college-level English course may be exempt from the TOEFL requirement;
6. Signed, notarized statement declaring that the student or a sponsor they will be fully responsible for the international student financial obligations while attending college; (Recent bank statements that indicate sufficient funds to cover financial obligations must be included); Please note that Trenholm State Community College offers no financial assistance or scholarships for international students;
7. Documentation demonstrating adequate health and life insurance inclusive of a repatriation which must be maintained during all periods of enrollment; and, 8. Transient or transfer international students must submit a Transient/Transfer Clearance Form signed by the international student advisor at the institution from which the prospective student comes. Transient or transfer international students must submit a copy of the Form I-20 from the institution from which the student transfers.

**Dual Enrollment and Dual Credit for High School Student Admission**

Institutions within the Alabama Community College System are authorized to establish dual enrollment/dual credit programs with local boards of education in the College service area. Courses offered by Alabama Community College System shall be of postsecondary level, or as stipulated in a contract for services between the two levels. Trenholm State Community College admits students from within its service area for dual enrollment/dual credit. An applicant is eligible for dual enrollment/dual credit if the applicant meets the following criteria:

- The student must meet the entrance requirements established by Alabama Community College System
- The applicant must have a 2.5 Grade Point Average in completed high school courses.
- The applicant must have written approval of the appropriate principal and/or the local superintendent of education.
- The applicant must be in either grade 10, 11, or 12, or have an exception granted by Trenholm State upon the recommendation of the local Board of Education’s Superintendent or his/her designee in accordance with Alabama Administrative Code 290-8-9-.17 regarding gifted and talented applicants.
- Applicants may enroll in occupational/technical courses/programs in accordance with Alabama Community College System guidelines.
- Students enrolled in courses offered during the normal high school day, on or off the high school campus, shall have prior permission of the students’ Principal, Superintendent, and the President of Trenholm State Community College.
- Parental permission and travel for courses offered other than the students’ high school campus during the normal school day will be administered under the auspices of local boards of education.
- Six semester credit hours at the postsecondary level shall equal one credit at the high school level in the same or a related subject. Articulation agreements shall be entered between Trenholm State and the local boards of education.
Early College Education Program for Admission

The purpose of the Early College Enrollment Program (ECEP) is to provide an opportunity for qualifying high school students to earn the Alabama High School Diploma with an Advanced Career and Technical Education Endorsement and college credits toward an approved career technical or health certificate or degree that meets local, regional, or state high-skill, high-wage, and high-demand critical workforce training needs.

Career Technical program applicants must:

1. Submit a completed ECEP application and complete the ACCUPLACER Test by May 1 prior to entering fall semester, or March 1 prior to entering summer semester (no spring entry).
2. Complete the 10th grade prior to admission. Students may enter the ECEP only as beginning high school juniors or as beginning high school seniors.
3. Declare a major in postsecondary career technical education program.
4. Earn the required 9th and 10th grade high school units specified for the Advanced Career and Technical Education diploma endorsement option.
5. Have a 2.5 grade point average (on a 4.0 scale) in required high school courses.
6. Score 480 or above on the SAT I verbal and 480 or above on the SAT I math; or score 20 or above on the English and math portions of the ACT assessment; or score at or above the level on the ACCUPLACER Test required for placement into English 101 and Math 112/116.
7. Participate in a student/parent interview conducted by the ECEP Admissions Committee.

Health program applicants must:

1. Submit a completed application for the college and the health program by April 15 of the sophomore year.
2. Earn the required 9th and 10th grade high school units specified for the Advanced Career and Technical Education diploma endorsement option.
3. Earn two secondary Health Science elective credits prior to entering ECEP.
4. Have a minimum of a 3.0 cumulative grade point average (on a 4.0 scale) in required high school health science courses specified for the Advanced Career and Technical Education diploma endorsement option.
5. Score 480 or above on the SAT I verbal and 480 or above on the SAT I math; or score 20 or above on the English and math portions of the ACT assessment; or score at or above the level on the ACCUPLACER Test required for placement into English 101 and Math 112/116 as determined by college policy.
6. Participate in a student/parent interview conducted by the ECEP Admissions Committee.
7. Have a 95 percent high school attendance record by the completion of 10th grade year.
8. Complete a physical exam and pass drug tests as required by program policy.

Notes: (1) A student’s discipline record will be reviewed and taken into consideration in the admission decision. (2) Meeting minimal requirements does not guarantee acceptance. Student applications for the program are scored based on criteria established by the State ECEP Admissions Committee and the Alabama Community College System.

Senior Citizen Admission

Alabama residents 60 years of age or older may attend classes tuition free on a space-available basis. Such persons must follow standard admissions procedures and meet all course prerequisites as stated in the College Catalog. The tuition waiver covers tuition only in college-credit courses. A college-credit course is defined as a course measured in both credit hours and scheduled weekly contact hours that is part of an organized and specified program leading to an associate degree, certificate or short-term certificate. The Senior Adult Waiver does not cover books, fees, supplies, tools or repeated courses. Persons who qualify must register for courses the first day of class, each semester.

Selective Admission Programs

Practical Nursing, Diagnostic Medical Sonography, Medical Radiologic Technology

Individuals who are seeking admission to selective admissions programs (Practical Nursing, Diagnostic Medical Sonography, and Medical Radiologic Technology) must meet all admissions requirements of the College. In addition, these programs have separate admissions application and several admissions requirements that must be met by a publicized application deadline. Advisors in those programs are available to answer questions and assist students in understanding these requirements; however, responsibility for meeting all admissions requirements for these programs is the sole responsibility of the student.

Selective admissions programs are highly competitive. Meeting minimum admissions requirements ensures that students’ applications will be considered but does not guarantee program acceptance. Students are selected based on an objective scoring system for each program; students selected for admission to the programs generally exceed minimum admissions requirements. Prospective students should contact program faculty or staff or visit the program section of the College website for up-to-date information.

Audit Students

Applicants may apply for admissions to credit courses on a non-credit or audit basis. Students must meet all applicable admissions requirements. Standards of performance for each class will be defined by the individual instructor. A grade of “AU” will be given to denote an audit. Students must declare their intention to audit a class at the time of registration. A course may be changed from CREDIT to AUDIT or from AUDIT to CREDIT only during the official drop/add period of each semester.

Non-Credit Students

An applicant enrolling exclusively in non-credit courses may be granted admissions to the College via the Continuing Education Department. For additional information, please contact (334) 420-4235.

Readmission

All new and returning students must see their assigned advisors prior to registering for classes. Students returning to the College after a break in enrollment of two consecutive terms are required to update admissions
information in the Office of Admissions and Records. In addition, returning students must submit official transcripts from all regionally accredited colleges attended since the last date of attendance at Trenholm State Community College. Applicants are subject to fulfilling the requirements of the curriculum that is current at the time of readmission.

Change of Name

Academic records at Trenholm State are permanently maintained by student name. Name changes will not be made for an inactive student. A student may maintain academic records under the name used at the time of admission. There is NO requirement that a student must make a name change. A student who wishes to change his or her name must complete the Readmission/Information Change form in the Office of Admissions and Records. The student must provide proof of a divorce decree or a marriage license. If the aforementioned are not available, a valid Driver’s License AND social security card will be required.

Change of Curriculum or Program of Study (Major)

A student accepted and enrolled in a particular program of study who seeks to pursue another program of study must meet the requirements for admissions to the new program. A student who changes a program of study will follow the program requirements of the College catalog which is current at the time of the program of study change. Students are cautioned that changing a program may negatively impact the student’s financial aid status.

Enrolled students who are Title IV recipients are allowed only two changes of major after declaring the initial major. All periods of students’ enrollment count when determining Satisfactory Academic Progress (SAP), even periods in which the student did not receive Federal Student Aid (FSA). After declaring the initial major, all students, including Title IV recipients, are only allowed two changes of major before completing a Program of Study not to exceed 150% of the current major. Students who are pursuing an Associate Degree may not be able to complete a second Associate Degree at the College on Title IV aid. Students who wish to change their program of study must obtain the proper form from the Office of Admissions and Records. This form must also be signed by the Office of Financial Aid.

RECORDS AND REGISTRATION

General Principles for Transfer of Credit

Coursework transferred or accepted for credit toward a certificate or a degree must represent collegiate coursework relevant to the student’s degree plan. In assessing and documenting equivalent learning and qualified faculty, Trenholm State uses recognized guides which aid in the evaluation for credit. Such guides include those published by the American Council on Education, The American Association of Collegiate Registrars and Admissions Officers, and the National Association of Foreign Student Affairs.

The College’s Director of Admissions and Records is charged with initial evaluation of transcripts for potential transfer of credit. The Director of Admissions and Records has the authority to approve transfer credit applicable to a student’s degree plan when (a) the transferred course meets the General Principles for Transfer of Credit as previously outlined and (b) the course name, level, description, and learning outcomes substantially match that of the course for which credit is awarded in the student’s degree plan. In addition, the Director of Admissions and Records may grant transfer credit for a specific course in a student’s degree plan when the transferred course is of a higher level and has the specific course (or one with substantially similar learning outcomes) as a prerequisite. For example, the Director of Admissions and Records may grant credit for MTH 100 (Intermediate Algebra) if the student earned a grade of C or better in MTH 112 (College Algebra) for which MTH 100 is a prerequisite.

Other potentially transferable courses are evaluated for credit toward the student’s degree plan cooperatively by the Director of Admissions and Records and designated faculty member. For general education courses, the designated faculty member is the lead academic instructor credentialed in the discipline. For technical courses in the student’s major, the designated faculty member is the corresponding Program Coordinator. In determining whether credit is awarded, the Director of Admissions and Records and designated faculty member consider evidence such as the course description, the credentials of the instructor who taught the course, and the curriculum and learning outcomes detailed in the course syllabus. Credit is awarded when the evidence affirms that the student has achieved the knowledge, skills, and experiences comparable to those attained by students who successfully complete the required course at Trenholm State.

The College will accept courses completed at other duly accredited colleges for transfer credit only when the student earned a passing grade of “C” or higher in the course and the course is part of the student’s degree plan at Trenholm. Higher grades may be required by the College for selected courses provided the higher grades are also required in courses for native students.

- Transfer credit accepted for course work completed at another institution will reflect the letter grade earned and is not included in Trenholm State’s GPA calculation.
- Transfer credit( s) will be evaluated during the first term of enrollment, only if transferrable grades are “C” or better. College transcripts will only be evaluated when all transcripts are received.
- Awarding of transfer credit to fulfill graduation requirements will be based on the applicability of the credits to the requirements of the degree pursued.
- Credit may be extended based on a comprehensive evaluation of demonstrated and documented competencies and previous formal training. (See section on Alternative Sources of Credit).

Courses completed at Trenholm State may transfer to other duly accredited colleges and to the technical divisions of community colleges. Credits may transfer to the academic divisions of community colleges or to four-year colleges/universities. However, the decision on the acceptance of transfer credits always rests with the receiving college. All requests concerning transfer courses should be directed to the college/university to which a student plans to transfer.

Credit for Prior Learning

It is the philosophy of Trenholm State Community College that a student should not be required to repeat
a learning experience for knowledge or skills currently possessed by the applicant. Therefore, if prior learning can be appropriately documented, the applicant may be awarded credit or advanced placement.

**Statewide Articulation**

Trenholm State Community College has established articulation agreements with local school systems. High school graduates who have grades of “A” or “B” in specific occupational programs and have fulfilled all requirements of the Statewide Articulation Agreement may be eligible for college course credit. Credit awarded through an articulation agreement will be indicated on the student’s transcript.

**College Level Examination Program**

Trenholm State Community College accepts credits earned from the College Level Examination Program (CLEP) provided that there is a course equivalent in the student’s degree plan. Credit will be indicated on the student’s transcript as “EC” (exemption/CLEP). A listing of minimum acceptable CLEP scores is available in the Office of Admissions and Records. The College does not administer CLEP tests. If a CLEP test is available for a particular course, credit by departmental examination will not be given.

**Military Credit**

Defense Activity for Non-Traditional Education Service Credit may be granted for any military service school or for any United States Armed Forces Institute/Defense Activity for Non-Traditional Education Services (USAFAI/DANTES). Subject tests that have been satisfactorily completed and are determined to have a course equivalent in the student’s degree plan will be accepted. Credit will be indicated on the applicant’s transcript as “ED” (exemption/DANTES). Additional information on DANTES credit is available from the Office of Admissions and Records.

**Advanced Placement**

Advanced course placement or college credit may be awarded in specific subject areas for successful completion of Advanced Placement examinations administered to high school students by the College Entrance Examination Board. With a score of three (3) or higher, a student may receive credit for a course in the subject area corresponding to the test. A maximum of 30 credit hours may be awarded for Advanced Placement. Credit will be indicated on the student’s transcript as “EA” (exemption/advanced placement). Additional information on advanced course placement is available in the Office of Admissions and Records.

**Credit by Department Examination**

Theory courses are available for credit by department examination. Credit by examination requires the approval of the instructor of the particular course and the Dean of Instruction. Not all courses are available for credit by examination. See an instructor within the department for a list of courses available for credit by examination.

The following guidelines apply to the granting of credit by examination:

- Students may not receive credit by examination for a course they have previously audited or for which they have received a grade other than a “W” (Withdrew). In addition, they may not receive credit by examination for a course if they have earned credit for an equivalent or more advanced course. Transitional courses are not eligible for credit by examination.
  - A student is eligible to attempt credit by examination for any particular course only once.
  - If a course has a theory and a lab/clinical component, a student must pass a written test and a performance test to receive credit by examination. A student must first pass the written exam before being allowed to take the performance component.
  - A $45.00 non-refundable fee must be paid, per written examination, at the time the request is made for credit by examination. The cost for the performance exam will vary depending on the supplies necessary for completing the exam.
  - A grade of seventy-five percent (75%) must be achieved on the test in order to be awarded credit by examination.
  - The maximum number of credit hours that may be earned for credit by examination is twenty-five percent (25%) of the credit hour requirements for any program of study. Credit(s) will be indicated on the applicant’s transcript as “CR.”

**Industry-Recognized Credentials**

Credit(s) may be awarded for prior learning that has been verified and assessed through an industry-recognized credentialing process. Individual departments may identify specific licensure and/or certification that will be accepted for course credit. The departmental faculty and the appropriate Dean will establish specific course credits to be awarded for specific industry credentials. The department must verify the credentials of the applicant requesting credit and attach supporting documentation for review by the appropriate Deans. There is no fee for evaluation of industry-recognized credentials.

**Portfolio Review**

The request for credit by portfolio review will be evaluated by a Prior Learning Assessment (PLA) certified assessor and a department advisor to determine if the applicant has sufficient experiences to be eligible for credit pursued. Upon recommendation to the appropriate Deans, a faculty committee will be assigned to provide assistance to the student in gathering and preparing supporting documentation for the portfolio. The faculty committee and a PLA certified assessor will evaluate the student’s portfolio, conduct an interview with the applicant and recommend action on the request for credit. Final approval for awarding of credit by portfolio review rests with the appropriate Deans. The student portfolio must contain the following:

1. Title page;
2. Detailed outline or table of contents;
3. Course outline(s) for the course(s) credit is requested;
4. Detailed resume to include education, employment history, continuing education units, professional activities, association memberships, civic and social activities, and honors;
5. A typed narrative in manuscript style, should include a detailed explanation of activities listed in the resume and a description of theoretical and
applied knowledge, as it relates to the specific course outcomes;
6. Verification to include documents such as transcripts, professional certificates, CEUs, letters of reference from employers and colleagues, professional evaluations, testimonials, job position descriptions, a listing of professional activities, and other pertinent documentation;

The following guidelines apply to the granting of credit for prior learning:

1. The portfolio process must begin before midterm of the student’s first semester;
2. A student is eligible to apply for credit for prior learning only once;
3. Students may not receive credit for prior learning for a course they have previously audited or for which they have received a grade. In addition, they may not receive credit for prior learning for a course, if they have earned credit for an equivalent or more advanced course;
4. A $75 non-refundable portfolio assessment fee must be paid upon recommendation of the appropriate Dean to establish a faculty committee and to evaluate the student’s portfolio;
5. The maximum credit that may be awarded for prior learning is twenty-five percent (25%) of the technical credit hour requirements for any program of study. Credit will be indicated on the applicant’s transcript as “EL” (exemption/life experiences);
6. The portfolio review process will not be available for any course for which credit by examination is available;
7. A Prior Learning Assessment (PLA) certified assessor will administer all written exams and some performance exams. The form of the examination, the method of administering it, and the time requirements for the examination are at the discretion of the course instructor and/or the department from which credit is pursued.

**Registration**

Registration is held each semester according to scheduled dates and procedures published on the College’s website www.trenholmstate.edu and the College Calendar. Students are responsible for registering each semester. Trenholm State may withhold the privilege of a student’s registration for the following reasons:

- Unpaid Fees
- Library Books
- Incomplete Admissions Records

A schedule of classes is published on the College’s website www.trenholmstate.edu each semester. All new and returning students must see their assigned advisor prior to registering for classes. All currently enrolled students may register online. It is advisable for students to plan their schedules two or three terms in advance. This allows the student to fulfill prerequisites in preparation for advanced courses or sequences taught only once or twice a year. Students should have a degree plan on file in with their program advisor during the first term of enrollment. Students should work closely with advisors and instructors to follow the required degree plan for their program.

All new students must begin the enrollment process in the Office of Admissions and Records. New students will meet with their program advisors for advising. Additionally, program advisors will assist students in selecting classes and completing the registration process. During advising, students should obtain a copy of their degree plan. Students should follow their degree plans since it is their responsibility to make sure that courses are taken in proper sequence. In addition, any required prerequisite course must be completed before registering for requisite courses.

**Online Registration**

Online registration is available to all returning students through their student logins. Prior to online registration, returning students should meet with their program advisors to ensure they are registering for appropriate courses.

**Late Registration**

Any registration which is completed after the beginning of classes is considered late. Late registration is permitted during a designated period (drop/add) and every effort should be made to avoid late registration. Many courses may be full, at this time, and it may be difficult to cover any missed material. Applicants will not be admitted after the drop/add period has ended. Students may have an opportunity to register for mini-term courses.

**Time and Location of Courses**

Trenholm State Community College offers most courses and instructional programs with both day and evening schedules. Some courses are offered at sites away from the two campuses. All courses meet the same standards and have the same requirements regardless of the time or place offered.

**Prerequisites**

A student who fails a course in a sequence cannot take the succeeding course before making up the failure. Prerequisites for a course must be met before the course is taken.

**Dropping and Adding Classes**

Adding classes to a student’s schedule is permitted only during the first three days of the Fall and Spring Semester. During the summer, the addition of classes is permitted only on the first day of the term. Students who wish to add or drop classes during the drop/add period must obtain the proper form from the Office of Admissions and Records.

**Course Substitution**

Generally, completion of the curriculum, as defined by program faculty, is required to be awarded a degree or certificate. It may be acceptable, on occasion, to substitute a different course/s for a course required in the curriculum.

Course substitutions will be made when the resulting substitution is relevant to the course it replaces and maintains the integrity of the academic program. No more than 25% of the total credit hours required in a degree or certificate program may be substituted. Credit for course substitutions required for a degree or certificate...
must be recommended by the program coordinator and approved by the Division Chair, Director of Admissions and Records, and Dean of Instruction.

The Program Coordinator must submit a Course Substitution Request form listing the required course(s) and the requested Substitution course(s) to the appropriate Division Chair. Upon completion, the Division Chair forwards the request to the Director of Admissions and Records and the Dean of Instruction.

Withdrawal Policy

If a student officially withdraws or is unofficially withdrawn (breaks the Attendance Policy) prior to 70% of the semester/term, he/she will receive a grade of “W.” If a student officially withdraws from a course after attending 70% of the semester/term, and the student is failing the class at the time of withdrawal, a grade of WF must be assigned. If a student officially withdraws from a course after attending 70% of the semester/term and is passing, a grade of WP must be assigned. Refer to the Student Calendar for the specific 70% date which is listed as “Last Day to Withdraw without any Academic Penalty.” If a student never attended or the class is cancelled, the class will be deleted and no grade will be assigned.

Official Class Withdrawal or Official Complete Withdrawal After Drop/Add Period

A student who wishes to withdraw officially from a class or withdraw officially from the College should do the following:

1. Obtain the appropriate Official Withdrawal form via My Trenholm Portal on the College’s website;
2. Complete the Official Withdrawal form, listing all enrolled courses and obtain the appropriate instructors’ signatures and grades;
3. Obtain official withdrawal clearance from the Office of Financial Aid, and
4. Submit the completed Official Withdrawal form to the Office of Admissions and Records.

Partial Withdrawal

Students who do not completely withdraw from the college but drop a class during the regular drop/add period will be refunded the difference in the tuition paid and the tuition rate applicable to the reduced number of hours, including fees appropriate to the classes dropped. There is no refund due to a student who partially withdraws after the official drop/add period. The last day to drop/add is published as part of the college calendar and conforms to the guidelines issued by the Alabama Community College Office.

Complete Withdrawal

Students who officially or unofficially withdraw from all classes for which they are registered before the first day of classes for the semester/term will be refunded the total amount of tuition and other refundable fees. The “first day of class” is the first day classes are offered within any term configuration, including, but not limited to, full terms, split terms, mini-terms and weekend terms. Students who officially or unofficially withdraw completely on or after the first day of classes, but prior to the end of the third week of classes will be refunded according to the withdrawal date, as follows:

- Total Withdrawal before the official first day of classes: 100% refund
- Total Withdrawal during first week: 75% refund
- Total Withdrawal during second week: 50% refund
- Total Withdrawal during third week: 25% refund
- Total Withdrawal after the end of the third week: NO REFUND

An administrative fee not to exceed 5% of tuition and other refundable institutional charges shall be assessed for each withdrawal within the period beginning the first day of class and ending at the end of the third week of class. The first official day of classes is indicated on the College calendar as the day that classes begin. There is only one first day of class. This day may not be the first day on which all classes begin. The calendar also indicates the last day to drop/add. For calculating refunds during the fall and spring sixteen-week terms, a “week” is defined as seven calendar days, i.e. the first day of class running seven calendar days (inclusive of Saturday and Sunday). Refunds of shorter than sixteen weeks, such as summer terms, mini-terms, split terms and weekend terms, will reflect a prorated week based on the number of days in the term.

Example: Classes begin June 14, student withdraws June 17.

- Fourth day = 75% Refund due.
  - Tuition/fees paid: $648.00
  - Administrative Fee: - 32.40
  - Round to nearest dollar $453.60
  - Refund amount: $454.00

Title IV Refunds (General)

When a Federal Pell, and/or Federal SEOG Grant recipient begins attending class and completely withdraws from the College before 60 percent of the semester/term has passed, the Business Office will determine the amount of the Grant(s) that the student earned as of the student’s withdrawal date.

The student’s date of withdrawal is either the date that the student began the withdrawal process prescribed by the College or the date, as determined by the College, that the student otherwise provided official notification to the College, in writing or verbally, of his or her intent to withdraw. If a student ceases attendance without providing official notification to the College, the midpoint of the payment period or the last data of an academically related activity in which the student participated is used as the date of withdrawal. This withdrawal determination usually occurs on a weekly basis but no later than 30 days after the end of each payment period. However, if a student receives the final grade of “F”, the instructor is required to complete the “Earned “F” Verification form to verify that the student actually earned the “F” grade.
Earned “F” Verification form must be submitted to the Office of Admissions and Records at the same time that final grades are entered each semester. Consequently, any student receiving the final “F” grade has actually earned this grade by either failing the course after attending 70% of the term or has not mastered the course material.

Financial Aid Overpayment Policy

In accordance with C.F.R. 668.61, if there is a financial aid overpayment, the student must make satisfactory repayment arrangements with the U. S. Department of Education within 45 days.

For additional information concerning Financial Aid at Trenholm State Community College, telephone the Financial Aid Office at (334) 420-4321 or write the Financial Aid Office at PO Box 10048, Montgomery, Alabama, 36108.

Ineligibility for Refund

Students who are withdrawn by Trenholm State Community College for disciplinary reasons, for non-payment of tuition and fees, or for other similar reasons, are not eligible for a refund.

Bookstore

Trenholm State’s Bookstore is available online only. Trenholm State has partnered with e-Campus.com for student book needs. Students must order their books through their “My Trenholm” portal. Many classes have the option to buy new or used books, rent textbooks, or rent digital eBooks. Students will be personally responsible for all unallowable charges to financial aid, such as duplicate book purchases. Disabled Veterans using benefits under the Chapter 31 Program will be subject to cancellation when enrollment in the course is inadequate for that term or when no qualified instructor is available. In the event that Trenholm cancels a class, enrolled students are entitled to a full refund of the related tuition and fees within forty-five (45) days (1) from the date of cancellation.

Course Cancellation Policy

Any course listed in the schedule of courses offered will be subject to cancellation when enrollment in the course is inadequate for that term or when no qualified instructor is available. In the event that Trenholm cancels a class, enrolled students are entitled to a full refund of the related tuition and fees within forty-five (45) days (1) from the date of cancellation.

Assignment of Class Instructor

The College reserves the right to change instructors listed to teach courses due to class cancellation, splits, or other conditions which might necessitate the reassignment of instructors. Students should be cautioned that the listing of an instructor’s name to teach a course in the schedule of classes is no guarantee that the instructor will teach the course.

Repetition of Courses

Students may repeat courses for which they have previously registered. If a course is repeated, only the last grade awarded for the course will be used in the calculation of the cumulative grade point average (GPA) for the purpose of fulfilling graduation requirements. A course may be considered in the calculation only once to satisfy the credit hours required for graduation. Some sources of financial aid will not pay tuition for repeated courses.

Transitional Courses

Transitional courses are required for students who score below the standard established on the ACCUPLACER test. Based on placement assessment scores, students may be required to take transitional courses in English, reading, math, and/or algebra. Students who do not take the algebra portion of the placement assessment will not be
required to complete MTH-098, Elementary Algebra, if applicable. Transitional students placing into Reading 083 should enroll in this class during their first term of enrollment. If this is not possible, the student must enroll no later than his/her second term of enrollment.

Through transitional courses, students will have the opportunity to strengthen their academic skills in order to be successful in college-level courses. Since transitional courses are preparatory in nature, they are not creditable toward a degree or certificate. Enrollment in transitional courses may increase the length of time in a program. A grade of “D” is NOT considered a passing grade in a transitional course. A student must earn a minimum final course average of 70, a grade of “C,” to pass a transitional course.

Independent Study Classes

In certain unusual circumstances, the appropriate academic officer (Dean), upon recommendation of the Division Director and instructor, may permit a student to take a course by independent study. Permission will be based on such factors as future course availability, completion for graduation, and the student’s academic record. The student’s grade point average will be considered before approval to take a course by independent study is granted. A student will not be allowed to take more than one independent study course per semester. Transient students and other students whose GPAs are unknown will not be allowed to take any courses by independent study.

Student Classification

Students who have earned less than 30 credit hours are classified as freshmen. Students who enroll for less than twelve (12) credit hours are classified as part-time students. Part-time students’ programs of study should conform to the general curriculum requirements of all students. Students registered at the College for twelve (12) credit hours or more are classified as full-time students.

Attendance Policy

Class attendance is essential to the educational process at Trenholm State Community College. The College subscribes to the philosophy that students will achieve academic success in direct proportion to class attendance. We also subscribe to the belief that the ability to manage one’s own attendance and punctuality is a critical component of job readiness that each student must master. Therefore, students are responsible for attending all classes, being punctual, and performing assignments as prescribed by the instructor and appropriate course syllabus.

The attendance policy applicable to a specific instructional program may be more restrictive than the College policy and therefore has precedence. These policies may be influenced by the requirements of external agencies and will be noted in individual course syllabus. Faculty are required to verify attendance at a requested time in order to complete reporting data as required to comply with federal financial aid regulations to include: VA, WIOA, Title IV, Scholarship Recipients, and others. Additionally, it is essential that registered students who discontinue attending class before the last official withdrawal day, which is the beginning of academic penalty, must be reported to the Office of Records utilizing the Notification of Unofficial Withdrawal Form.

Attendance Policy for Online Courses

Electronic interaction among learners and the instructor is a vital and essential part of distance education. Students must actively participate in all aspects of the course, which may include electronic discussions (online forums and/or chat sessions), by providing input and responding to questions presented by the instructor throughout the course.

According to the College attendance policy (see the College Catalog), students must demonstrate a minimum level of participation to receive college credit for a course. For online courses, students must attend a mandatory on-campus orientation session and must log in to the online course website during the first week of the beginning course date. Failure to do so will result in withdrawal from the course. Students must also complete an on-campus midterm and final exam/evaluation. Specific courses may require additional on-campus tests, labs, or other activities as indicated in the course syllabus. If a student cannot appear on campus at the required time, it is up to that student to contact the instructor in advance to make appropriate arrangements for an approved proctored session. All costs associated with proctoring and with travel to and from the campus or proctor location are the responsibility of the student.

Active, weekly participation in the online course through completion of assignments or participation in online course activities is mandatory. Activities and assignments required for students to demonstrate active weekly participation are determined by the online course instructor and are listed in the course syllabus. They may include discussion forums, chat sessions, group projects, quizzes, homework, tutorials, or any other activity that requires student engagement in the learning process. Students who fail to log in and complete required assignments for any three weeks (consecutive or not) during fall or spring semester (any two weeks in the summer term) will be withdrawn from the course. For official records (including financial aid), the last date of attendance for a student withdrawn from an online class will be the last day the student demonstrated active participation in the course.

If a student officially withdraws or is withdrawn (breaks the participation policy) prior to completing 70 percent of the term (see the current semester calendar), he/she will receive a grade of “W.” A student who breaks the participation policy after 70 percent of the term has been completed will receive zeros on all assignments missed. No makeup work is allowed after the 70 percent point in the term unless the student is able to document justifiable extenuating circumstances.

Attendance Policy for Clock Hour Programs

Federal regulations require that attendance in programs classified as “clock hour” programs be measured hourly. Therefore, students must “clock in” and “clock out” so that their attendance can be measured by the hour. For each clock hour program, a minimum number of hours (generally equivalent to half the number of hours required during an award year) must be completed before students can receive the next disbursement of Federal aid. Thus, each hour missed delays the next disbursement.
Details regarding attendance requirements for clock hour programs will be provided to students by the program instructors and in the course syllabus.

**Formal Attendance Appeal Policy**

If a student has reason to believe that the recorded attendance in a particular course is wrong, the student must make an informal effort to correct the error with the instructor who recorded the attendance. If the informal efforts of the student and faculty member have not produced a satisfactory resolution, a formal appeal is in order. See the Formal Attendance Appeal Process below. The recorded attendance change must be made within one semester after the attendance was initially recorded. Attendance changes after one semester must be done through the Formal Attendance Appeal Process. The instructor is responsible for securing all changes required on the Attendance Record before submitting the document to the Office of Admissions and Records. Students are not allowed to secure these changes.

If the informal efforts of the student and faculty member have not produced a satisfactory resolution, a formal appeal is in order. A written appeal should be initiated by the student prior to the last day of classes of the semester following the semester in which the attendance was recorded. After this deadline, the appeals will not be considered. The following procedures should be followed for formally appealing a recorded attendance:

1. The student should first contact the instructor and request verification of the attendance and how it was determined.
2. If the student does not receive satisfaction from the instructor, the student may confer with the program coordinator and the faculty member in an attempt to reach closure. If the appeal is resolved at this point, a “memorandum of record” should be prepared by the program coordinator and be retained on file.
3. If closure is not reached, the student may file a formal attendance appeal to the Dean of Instruction. This must be done in writing and dated prior to the one semester time limit. The appeal must state the name of the course, the reason for the request, the dates involved, and the name of the instructor who recorded the attendance, to include all previous attempts to resolve the situation.

The dean will assign an ad hoc Attendance Appeals Committee for deliberation. The Chairperson of the department or the program coordinator will chair the Committee. The Committee shall consist of two full-time faculty members, one faculty member from the discipline and one faculty member from outside the division and a college counselor (or designee). The Committee will review the student’s appeal letter, transcript, instructor’s roll book, tests, papers, reports, projects, and any other documentation. A vote will be taken by the committee to attempt resolution. If no resolution is achieved, a formal hearing will be scheduled where the student and faculty member will be requested to present their sides of the matter. After deliberating, the Committee will make a recommendation to the appropriate dean to either support or change the recorded. The dean will notify the student of the decision and/or action within 3-5 days following the hearing.

**Grades**

Letter grades are assigned according to the following system for all courses for which students have registered.

<table>
<thead>
<tr>
<th>Grade</th>
<th>Numerical Range</th>
<th>Quality Pts</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
<td>90-100</td>

<td>0</td>
<td></td>
</tr>
</tbody>
</table>

Satisfactory grades are “A”, “B”, “C” and “D.” However, a grade of “D” is NOT considered a passing grade in a transitional course or in some programs of study. A student must earn a minimum final course average of 70, a grade of “C”, to pass a transitional course. Some programs may have a more stringent grading system due to external agencies/accreditation requirements.

If a student withdraws after the 70% point of the term, a grade of “WP” will be assigned if the student is passing the course at the time of withdrawal. Refer to the Student Calendar for the specific 70% date listed as “Last Day to Withdraw without Any Academic Penalty.” If a student never attended or the class is cancelled, the class will be deleted and no grade will be assigned.

**Incomplete (I) Grade**

With the permission of the appropriate dean, an “I” may be assigned when a student’s work in a course is incomplete because of circumstances beyond the student’s control but is otherwise of passing quality. Unless the deficiency is made up within the following term, the “I” automatically becomes an “F.” An “Incomplete Grade Contract” form must be signed by the student, instructor, program coordinator, and the appropriate dean. The instructor is responsible for securing all signatures required on this form before submitting it to the Office of Admissions and Records along with the Class Attendance Roster. Students are not allowed to secure these signatures.

An incomplete grade (“I”) does not count toward
course work completed and is not counted as courses attempted; therefore, it does not negatively impact on the incremental measurement of progress. A GRADE OF “I” - INCOMPLETE - IS NOT COUNTED IN HOURS ATTEMPTED AND EARNED. However, the grade that replaces the “I” grade is counted in hours attempted and hours earned once it is removed. An “I” grade is intended to be only an interim course grade. Unless the deficiency is made up within the following term, the “I” automatically becomes an “F.”

Earned “F” Verification Procedure

If a student receives the final grade of “F,” the instructor is required to complete the “Earned “F” Verification” form to verify that the student actually earned the “F” grade. The Earned “F” Verification form must be submitted to the Office of Admissions and Records at the time that final grades are entered each semester. Consequently, any student receiving the final “F” grade has actually earned this grade by either failing the course after attending 70% of the term or has not mastered the course material.

Students who officially or unofficially withdraw prior to 70% of the semester receive the “W” grade. Students who officially withdraw after attending 70% of the semester and are passing the course work will receive the “WP” grade. If students are not passing the course work after attending 70% of the semester, the “WF” grade will be assigned. If there are any Title IV recipients who withdraw or are withdrawn before completing 61% of the semester, a Return to Title IV Calculation is performed. If a Title IV recipient withdraws or is withdrawn after 60% of the term, then the student has actually earned all Title IV Funds. All instructors who submit a final grade of “F” for a student are required at the time of reporting the “F” grade to complete the “Earned “F” Verification” form to verify that the student actually earned the “F” grade.

NOTE: This Earned ‘F’ Verification Procedure has been in place at the College since March 18, 2004.

Grade Point Average (GPA)

To obtain a numerical measure of the quality of a student’s work, quality points are assigned to grades as indicated below:

- **A** - 4 Quality Points
  - 3 semester hours of “A” = 3 x 4 = 12 quality points
- **B** - 3 Quality Points
  - 3 semester hours of “B” = 3 x 3 = 9 quality points
- **C** - 2 Quality Points
  - 3 semester hours of “C” = 3 x 2 = 6 quality points
- **D** - 1 Quality Points
  - 3 semester hours of “D” = 3 x 1 = 3 quality points
- **F** - 0 Quality Points
  - 3 semester hours of “F” = 3 x 0 = 0 quality points

The grade point average (GPA) of a student is determined by multiplying the number of quality points for each grade received by the number of credit hours for that course. The total number of quality points is divided by the total number of credit hours attempted, excluding courses with W, S, U, I, and AU designations. Example: 30 quality points divided by 12 semester hours attempted = 2.5 GPA.

Grade Changes

If a student has reason to believe that the letter grade earned in a particular course is wrong, the student must make an informal effort to correct the error with the instructor who issued the grade. If the informal efforts of the student and faculty member have not produced a satisfactory resolution, a formal appeal is in order. See the Formal Grade Appeal Process below. The grade change must be made within one semester after the grade was initially earned. Grade changes after one semester must be done through the Formal Grade Appeal Process. The instructor is responsible for securing all signatures required on the Grade Change Request form before submitting the form to the Office of Admissions and Records. Students are not allowed to secure these signatures.

Grade Report

Students may access their grade reports and view their academic status via “My Trenholm” on the College website, www.trenholmstate.edu, at the end of each term. The grade report becomes a part of the student’s official transcript. The grade report will be withheld if there is an outstanding financial obligation to the College. If any student suspects that a grade may have been recorded in error, the student should schedule a conference with the instructor of that particular course. This must be done by the last day of the next term. If an error has been made, it will be corrected and reflected on the student’s transcript.

If resolution is not attained, the student may appeal to the program coordinator. The program coordinator may resolve concerns or may convene an Ad Hoc Appeal Committee to review the concern. The Committee will make a decision and forward a recommendation to the Dean of Instruction. If a resolution is not obtained, the student may file a written appeal to the Dean of Instruction.

Formal Grade Appeal Process

If the informal efforts of the student and faculty member have not produced a satisfactory resolution, a formal appeal is in order. A written appeal should be initiated by the student prior to the last day of classes of the semester following the semester in which the grade was issued. After this deadline, the appeals will not be considered.

The following procedures should be followed for formally appealing a grade:

1. The student should first contact the instructor and request verification of the grade and how it was determined.
2. If the student does not receive satisfaction from the instructor, the student may confer with the program coordinator and the faculty member in an attempt to reach closure. If the appeal is resolved at this point, a “memorandum of record” should be prepared by the program coordinator and be retained on file.
3. If closure is not reached, the student may file a formal grade appeal to the Dean of Instruction. This must be done in writing and dated prior to the one semester time limit. The appeal must state the name of the course, the reasons for the request, the dates involved, and the name of the instructor who issued the grade, to include all previous attempts to resolve the situation.

The dean will assign an ad hoc Grade Appeals Committee for deliberation. The Chairperson of the department
or the program coordinator will chair the Committee. The Committee shall consist of two full-time faculty members, one faculty member from the discipline and one faculty member from outside the division and a college counselor (or designee). The Committee will review the student’s appeal letter, transcript, instructor’s roll book, tests, papers, reports, projects, and any other documentation. A vote will be taken by the committee to attempt resolution. If no resolution is achieved, a formal hearing will be scheduled where the student and faculty member will be requested to present their sides of the matter. After deliberating, the Committee will make a recommendation to the appropriate dean to either support the grade as awarded or to change the grade. The dean will notify the student of the decision and/or action within 3-5 days following the hearing.

**Standards of Academic Progress**

**Required Credit Hours, Grade Point Averages (GPAs) and Required Pace of Completion**

A student enrolled in an Associate Degree or Certificate Program requiring more than 26 credit hours must meet the following standards:

- After attempting 0-21 credit hours, must earn a 1.50 GPA and complete 58% of the enrolled hours
- After attempting 22-32 credit hours, must earn a 1.75 GPA and complete 62% of the enrolled hours
- After attempting 33 or more credit hours, must earn a 2.00 GPA and complete 67% of the enrolled hours

Students enrolled in Certificate Programs 26 credit hours or less must meet the following standards:

- After attempting 1-17 credit hours, must earn a 1.50 GPA and complete 58% of the enrolled hours
- After attempting 18 or more credit hours, must earn a 2.00 GPA and complete 67% of the enrolled hours

All hours attempted, including those in which the student withdrew, will be included in this calculation, even if financial aid was not received.

**Exceptions to Standards of Academic Progress**

Standards of academic progress shall apply to all students unless otherwise noted:

- Exemptions: Programs which are subject to external licensure, certification, and/or accreditation or which are fewer than four semesters in length may have higher academic standards;
- Transfer students on Academic Probation must adhere to these standards of academic progress;
- Special standards of academic progress have been established for students enrolled in institutional credit courses (transitional courses) and for students who wish to remain eligible to receive Title IV Financial Aid. (See Satisfactory Academic Progress detailed in the Financial Aid Section)

**Intervention for Student Success**

When a student is placed on academic probation, one term academic suspension, or one year academic suspension, the College may advise the student to take the minimum course load and refer the student to Student Success Center for intervention in study skills and tutorials. Other services may be available on a case-by-case basis.

**Application of Standards of Progress**

1. When the cumulative GPA of a student is at or above the GPA required for the total number of credit hours attempted, the student’s status is CLEAR.
2. When the cumulative GPA of a student is below the GPA required for the number of credit hours attempted, the student is placed on ACADEMIC PROBATION.
3. When the cumulative GPA of a student on Academic Probation remains below the GPA required for the total number of credit hours attempted, but the semester GPA is 2.0 or above, the student remains on ACADEMIC PROBATION.
4. When the cumulative GPA of a student on Academic Probation remains below the GPA required for the total number of credit hours attempted, and the semester GPA is below 2.0, the student is suspended for one term. The transcript will read SUSPENDED-ONE SEMESTER.
5. The student suspended for one term may appeal. If, after appeal, the student is readmitted without serving the one semester suspension, the transcript will read SUSPENDED-ONE SEMESTER/READMITTED ON APPEAL.
6. The student readmitted on appeal will remain on ACADEMIC PROBATION until a 2.0 grade point average is earned.
7. A student on Academic Probation after being suspended for one semester (whether the student has served the suspension or has been readmitted on appeal) without having since achieved Clear academic status and whose Cumulative GPA falls below the level required for the total number of hours attempted, but whose semester GPA is 2.0 or above, will remain on ACADEMIC PROBATION until the student achieves the required GPA for the total number of hours attempted. Readmission to the College does not mean that a student is automatically eligible to receive financial assistance.
8. A student returning from one semester or one year suspension and, while on academic probation, fails to obtain the required GPA for the number of hours attempted and fails to maintain a semester GPA of 2.0, will be placed on one year’s suspension.
9. The student may appeal a one-term or one-year suspension.
10. The permanent student record will reflect the student’s status (except when the status is “clear”). When appropriate, the record will reflect ACADEMIC PROBATION, SUSPENDED ONE SEMESTER, ACADEMIC SUSPENSION, ONE YEAR SUSPENSION, ONE SEMESTER/READMITTED ON APPEAL, OR ONE YEAR SUSPENSION READMITTED ON APPEAL.

All applicable academic designations except “Clear” will appear on the student’s transcript.

**Process for Appeal for Readmission**

If a student declares no contest to the facts leading to suspension, but wishes to request consideration for readmission, the student may submit a request in writing for an “appeal for readmission” to the Admissions Committee within 3-5 days of notice of suspension. The
A. If fewer than three (3) calendar years have lapsed since the term for which the student wishes to declare academic bankruptcy, the student may declare academic bankruptcy on all coursework taken during the one semester, provided he/she has taken a minimum of 18 semester credit hours since the bankruptcy term occurred. All coursework taken, even hours completed satisfactorily during the term for which academic bankruptcy is declared, will be disregarded in the cumulative grade point average.

B. If three (3) or more calendar years have lapsed since the most recent semester for which the student wishes to declare bankruptcy, he/she may declare academic bankruptcy on all coursework taken prior to 18 semester credit hours of coursework since the bankruptcy term occurred. All coursework taken, even hours completed satisfactorily, during semester(s) for which academic bankruptcy is declared will be disregarded in the cumulative grade point average.

When academic bankruptcy is declared, the term “ACADEMIC BANKRUPTCY” will be reflected on the transcript for each semester affected. The transcript will be stamped “ACADEMIC BANKRUPTCY IMPLEMENTED.” All individual courses and grades will remain on the permanent transcript. Academic Bankruptcy cannot be considered by the Financial Aid Office when calculating Satisfactory Academic Progress.

Additionally, a copy of the written decision shall be provided to the student.

Standards of Academic Progress - Transfer Student

A transfer student who is admitted on CLEAR academic status is subject to the same standards of academic progress as “native” students. Grades accrued at other regionally accredited colleges and universities are not included in grade point average calculation.

A transfer student admitted on ACADEMIC PROBATION retains that status until the student has attempted at least 12 credit hours. If, at the conclusion of the semester in which the student has attempted a total of 12 or more credit hours and the Cumulative GPA is below 2.0, the student is suspended for one semester. The transcript will read SUSPENDED ONE SEMESTER.

At the conclusion of the semester in which the transfer student was admitted on ACADEMIC PROBATION, has attempted a total of 12 or more credit hours, and the Cumulative GPA at the College is 2.0 or above, the student’s status is CLEAR. For additional information regarding transfer credit see the “Admissions” section of this catalog.

Application of Standards of Progress for Institutional Credit Courses

Institutional credit courses are those which are not creditable toward a formal degree and include Training for Existing Business and Industry, Continuing Education and courses numbered below the 100 series.

Course Forgiveness

If a student repeats a course, the second grade earned (excluding grades of “W”) will replace the first grade in the calculation of the cumulative grade point average. A non-satisfactory grade (“F”) will replace the first grade, even if the first grade is passing. The grade point average during the semester in which the course was first attempted will not be affected. See Financial Assistance section in Catalog regarding eligibility. The student’s transcript will list all courses for which a student has enrolled.

Academic Bankruptcy

A student must complete a request for Academic Bankruptcy listing the courses he/she wishes to bankrupt. This form must be signed by the Director of Admissions and Records and a Financial Aid Officer. A student may declare academic bankruptcy only once. Implementation of academic bankruptcy at the College does not guarantee that other college/universities will approve such action. This determination will be made by the respective transfer college/university. A student may declare academic bankruptcy under the following conditions:

A. If fewer than three (3) calendar years have lapsed since the term for which the student wishes to declare
color, gender, sexual orientation, age, religion, national or ethnic origin, disability, or veteran status in its educational programs, activities, admissions or employment practices. Harassment is a serious offense and can constitute but not limited to the following: unwanted comments; unwanted jokes, touching-groping or sexual suggestions; sexual favors for grades or services.

The following are outlined:

A. No person shall engage in any act of intimidation or harassment, physical force or violence that is directed against any person or group of persons because of their ethnicity, race, national origin, religion, gender, sexual orientation or preference, disability or political beliefs.

B. No person shall use the telephone (land line, cell, or computer), social media outlets, or electronic mail to harass another. Participation in such acts is subject to college disciplinary action and punishable by law.

C. No person shall be subjected to unwanted sexual advances and/or activity by students, faculty, or staff. Such acts may result in probation, suspension, expulsion, or subjecttion to grievance proceedings.

If a student feels that he/she has been discriminated against and/or harassed, please contact the Counselor and/or Dean of Students, in Building F-Student Services Building on the main campus.

Sexual Assault

Sexual assault is defined as (1) “sexual penetration, no matter how slight, of the genital, anal, and/or oral opening of the victim by any part of the perpetrator’s body or by the use of an object, without the victim’s consent or against the victim’s will where the victim: (a) is forced or has reasonable fear that the victim or another will be injured if the victim does not submit to the act; (b) is incapable of giving consent or is prevented from resisting due to physical or mental incapacity, which includes, but is not limited to the influence of drugs or alcohol; or (c) suffers from a mental or physical disability,” (2) the “intentional touching of the victim’s intimate parts (primarily genital area, groin, inner thigh, buttock, or breast) without or against the victim’s consent. This touching is either directly on the body part or on the clothing covering that body part, or if the victim is forced to touch the intimate areas of the perpetrator.” This policy also applies to gang assault whether directly or indirectly involved.

Participation in such acts is subject to college disciplinary action and punishable by law. Such acts may carry a sanction of probation, suspension, or expulsion.

Search and Seizure

Students have the right to secure their personal possessions against invasions of privacy and unreasonable search and seizure, subject to restrictions imposed by the Dean of Students and Department of Safety. However, the college reserves the right to enter occupied class rooms and/or buildings for health and safety inspections, illegal drug and alcohol suspicion, suspicion of a weapon, perceived harboring of a fugitive, in cases of emergency, and when entry is granted by authorities of the criminal justice system.

Harboring a Fugitive

The safety of an H. Council Trenholm State Community College student is, largely, the responsibility and actions of the student. A student shall not harbor an individual in a campus building/facility or classroom, of any campus that is owned or rented by H. Council Trenholm State Community College that is being sought after by campus or external law enforcement. Harboring a fugitive also extends to allowing persons to sit in, or hide in cars. Such acts will result in suspension/expulsion.

Privacy

Students have the right to confidentiality of information relating to personal views, beliefs, and political associations that may be obtained by administrators, instructors, counselors, advisors, and officials of the college in the course of their work.

Confidential Records

Student educational records are considered confidential and may not be released without the written consent of the student. Educational records include those records that contain information directly related to a student that are maintained as official working files by the institution. The institution can, under FERPA Law, release student information to institutional personnel that shares similar or like educational interests, to include disciplinary records, unless the disciplinary report originated as a part of a criminal act in the Department of Safety. Examples include, transcripts, personnel records, and disciplinary records. College employees have access to student information only for legitimate use in the completion of their position responsibilities.

Some information is considered public (sometimes called Directory Information) and can be released without the student’s permission; however, the student may opt to consider this information confidential. Directory information includes name, address, and telephone, date of attendance, degrees received, and major program. The institution may release records in compliance with a court order or subpoena but only after notifying the student or parent(s) of dependent students.

Student requests to withhold Directory Information may be submitted to the Assistant Dean of Information Technology.

Freedom From Retaliation

The faculty member (whether in the classroom or in individual conference) fosters relevant free discussion, inquiry, and expression. A student is free to take reasonable exception to the information offered in any course of study and to reserve judgment about matters of opinion without threat of undue censure by the faculty member. Information about student views, beliefs, and political associations which the faculty member acquires in the course of their work as instructor, advisor, and counselor is considered confidential. Faculty members are required to inform students of the content and requirements of each course and the criteria by which student performance is to be evaluated. A student is responsible for learning the prescribed content of the course in which he or she enrolls. The faculty member evaluates student performance in the classroom solely on an academic basis and not on a student’s philosophies or conduct in matters unrelated to academic performance. A student who contends to have
encountered a prejudiced academic evaluation may use the college’s Student Grievance Procedure as a means of seeking redress. (See Due Process). Academic honesty is a primary responsibility of the student. Students found guilty of academic dishonesty will incur sanctions as prescribed by the college’s student judicial system.

Redress of Grievances

Any time a student’s rights as outlined herein are violated, the student has the right to petition for redress through grievance procedures. A grievance is defined as the claim of an individual student that there has been a violation, misinterpretation or misapplication of a rule, policy or procedure in relation to institutional policies and procedures.

H. Councill Trenholm State Community College assures prompt and impartial consideration to any complaints, which its students may have during the course of their matriculation at the college. When circumstances require such process to be sought, students are encouraged to submit complaints or grievances in accordance with the following procedures:

Students may use this procedure without penalty or fear of reprisal.

1. Student should make an attempt to resolve the issue with the faculty or staff member verbally and in writing.
2. Student should attempt to resolve the issue with the faculty/staff member’s immediate supervisor both verbally and in writing.
3. Student should provide a written complaint to the Grievance Officer, Dean of Student Services, or designee in person or by mail.
4. Upon receipt of the complaint, the Dean of Students or designee will within five (5) working days schedule a conference with the student filing the grievance or complainant.
5. If there is no resolution in the conference, the Dean of Students will within three (3) working days schedule a judicial hearing and forward the complaint to the appropriate judicial council. The ADA Compliance Officer, if necessary, will become a part of the process at this juncture.
6. The judicial council’s decision can be appealed in writing to the Dean of Students within five (5) working days to be heard by the Appellate Judicial Council of the college.
7. The Appellate Council will hold a hearing within (5) working days of the appeal.
8. The Appellate Council’s decision can be appealed to the President of the college within two (2) working days, for a final decision.

College Description of Policies and Procedures Relating to Student Conduct

Students and student organizations are expected and required to abide by local, state and federal laws. Students and their organizations must be aware that legal charges may be brought against them both within the college judicial system and in the civil or criminal court system. The college administration is responsible for establishing a procedure for reviewing and taking institutional action against students and student organizations found guilty of off-campus violations of local, state and federal laws. While the college does not act as a policing agent for students when they are off campus, the college reserves the right to take action if a student’s or student organization’s behavior is judged to be contrary to the pursuit of the educational mission of the college or if the continued presence of the student or the organization poses a threat to their well-being or to the rights and property of members of the college community.

All students who represent the college through affiliation with any H. Councill Trenholm State Community College organization and/or athletic team, or any college sponsored activity are required to be in good standing as a H. Councill Trenholm State Community College student. Depending upon the severity of the offense(s), and/or decisions rendered by the appropriate disciplinary committee and Dean of Students, students who are found guilty of violating the Student/Collegiate Codes of Conduct and are sanctioned to disciplinary probation, suspension, or expulsion are not allowed to serve in the capacity of affiliate or representative. Affiliation and representation include, but are not limited to the following: Student Government Association, and clubs and organizations. The Dean of Students assumes general responsibility for student life and services offered by the college. In this capacity, it is the Dean’s responsibility to assure that students are informed of behaviors and activities that are unbecoming and/or unwelcome by the college, some of which are listed and discussed in this section. The following are code of conduct issues, but not limited to, violations related to the Trenholm Student:

Academic Dishonesty

Cheating includes:

- Submitting material that is not the student’s as part of course performance, such as copying from another student’s exam or the reciprocal of that matter;
- Using information or devices that are not allowed by the faculty; such as using formulas or data from a home computer program, or using unauthorized materials for a take-home exam;
- Obtaining and using unauthorized material, such as a copy of an examination before it is given;
- Fabricating information, such as the data for a lab report;
- Violating procedures prescribed to protect the integrity of an assignment, test, or other evaluation;
- Collaborating with others on assignments without the faculty’s consent;
- Cooperating with or helping another student to cheat;
- Participating in or performing other forms of dishonest behavior, such as having another person take an examination in your place; or altering exam answers and requesting the exam be regarded; or communicating with any person during an exam, other than the exam proctor of faculty. (Such acts will be considered a severe infraction and carry a possible sanction of suspension in semester (s) length or expulsion)

Plagiarism includes:

- Directly quoting the words of others without using quotation marks or indented format to identify them.
- Using sources of information (published or unpublished) without identifying them.
- Paraphrasing materials or ideas of others without identifying the sources.
• Using themes, essays, term papers, tests and other similar requirements that are not the work of the student submitting them.

• When direct quotations are used, they must be indicated and when the ideas of another are incorporated in papers they must be appropriately acknowledged.

• When a student is unsure about something that he/she wants to do or the proper use of materials, a faculty member should be consulted for clarification.

Generally, if a student writes while looking at a source or while looking at notes taken from a source, a footnote should be given. Whenever any idea is taken from a specific work, even when the student writes the idea entirely in his/her own words, there must be a footnote giving credit to the author responsible for the idea. The student should never retain a sentence pattern and substitute synonyms for the original words. Paraphrasing means the alteration of sentence pattern and changing of words. Any direct quotation should be footnoted or documented in an acceptable fashion. Methods of documentation vary, and it is possible to cite in the text itself, rather than in a footnote. The student should give credit in a manner specified by the instructor. (Such acts will be considered a severe infraction and carry a possible sanction of suspension in semester (s) length or expulsion)

Unauthorized/Illegal Web/Computer Use

Trenholm allows and encourages the use of Trenholm owned computer resources. This use, is a granted privilege, not a right. Student use must be in accordance with all applicable laws, policies, and standards regarding acceptable use. Areas of concern include but are not limited to:

• Discriminating or libelous statements.
• Threatening, Bullying and/or Harassing via email and social media outlets
• Copyright infringements (“illegal downloading”)
• Obscene, offensive or threatening materials
• Usage primarily for financial gain or compensation not relevant to Trenholm’s mission
• Computer Hacking to access institutional records to change grades, alter account balances, etc

Failure to comply with this policy may result in charges being brought both within the college’s judicial system and in the civil or criminal court system. (Such acts will be considered a severe infraction and carries a possible sanction of suspension in semester (s) length or expulsion)

Aiding and Abetting

No person shall help, assist, facilitate, or promote the commission of a crime or college violation. This prohibition encompasses all assistance rendered by words, acts, encouragement, support, actual or constructive to render assistance or aid in the accomplishment thereof, by encouraging, counseling, or inciting its commission. Anyone who by any word, deed, or act directly or indirectly urges, encourages, supports or otherwise instills in the mind of another the will to so act shall be considered a principal in the commission of said crime and shall be punished in the same manner. (Such acts will be considered a severe infraction and carries a possible sanction of suspension in semester (s) length or expulsion)

Alcoholic Beverages

A. No student may consume or possess any alcoholic beverages, containers, or bottles in college buildings, at college sponsored functions (on or off campus) or on any property or public/private location belonging to H. Councill Trenholm State Community College.

B. The possession, sale, distribution or furnishing of alcoholic beverages is prohibited in college buildings, or on any property or public/private location belonging to H. Councill Trenholm State Community College.

C. Students who behave in an intoxicated manner as a result of the use of alcohol or require staff assistance shall be subject to disciplinary action.

D. The playing of games (or competitions) involving the use or consumption of alcoholic beverages is prohibited on the campus or at events sponsored or supervised by the college whether home or a visiting institution.

E. Common source containers are prohibited on college owned/rented property.

F. Possession of any alcohol paraphernalia is prohibited.

G. Empty alcoholic beverage containers (bottles, cans, etc.) are prohibited in/on college owned or controlled property. (Such acts will be considered a severe infraction and carries a possible sanction of suspension in semester (s) length or expulsion)

Drinking Age Law, Alabama

Effective Oct. 1, 1986, it is illegal for any person under the age of 21 to possess or be sold, given, or furnished beer or light wine. The law has serious consequences for persons who provide or sell beer/ alcoholic beverages to individuals under the legal age of 21, as well as for underage drinkers.

Brands and Tattoos

No individual or organization may participate in or require others to be branded or tattooed. Students are prohibited to do tattoos/brands on the campuses of H. Councill Trenholm State Community College. Such acts are a form of hazing and carry a sanction of suspension/expulsion.

Hazing

Hazing is doing favors, being physically or verbally abused, branded, etc. to gain admittance into a club/organization. By the statue of the State of Alabama, fraternities and sororities are prohibited on community college campuses. It is prohibited for students to form groups that are not sanctioned by the college. Sanctioned Trenholm clubs and organizations that participate in any form of hazing will be subjected to suspension/expulsion. This is not a practice at Trenholm and all violators are to be reported to the Dean of Students and in cases of an emergency to campus security or a faculty/staff member.

Criminal Acts

Students who are arrested by authorities because of violation of criminal law are subject to suspension until the matter is settled by the police department or by the court. The nature of the offense and the settlement will determine what action, if any, will be taken by the college. The student may also be subject to the college’s disciplinary process. (Such acts will be considered
a severe infraction and carries a possible sanction of suspension in semester (s) length or expulsion.

Deception

It is unacceptable and illegal for any person to:

A. Misuse college records, forms, or documents by forgery, unauthorized alteration or reproduction, or any other means.
B. Provide false information, either written or oral, to the college or to any administrator of the college. (Students who falsify housing and or admissions records are also subject to removal/or disciplinary action.)
C. Attempt to perpetrate a fraud against the college or the members of the college community.
D. Misrepresent information or lie. Participation in such acts is subject to college disciplinary action and punishable by law. (Such acts will be considered a severe infraction and carries a possible sanction of suspension in semester (s) length or expulsion)

Destruction of College Property

Destruction or attempted destruction or damage to college property, property of the area surrounding the college, or property belonging to a member of the college community is strictly prohibited. Every person who shall maliciously destroy, disfigure, or cause to be destroyed, disfigured, or injured the property of another, either real or personal, shall be subject to arrest and/or criminal prosecution. Students are expected to respect the property of the college and that of others. Destruction of such property, deliberate or through carelessness, will be considered a serious breach of H. Councill Trenholm State Community College’s standards. Participation in vandalism may result in a student’s arrest and prosecution by campus and/or county authorities as well as suspension/expulsion from the college. The college will request restitution. (Such acts will be considered a severe infraction and carries a possible sanction of suspension in semester (s) length or expulsion)

Arson

Any person who willfully and maliciously sets fire to, or burns, or causes to be burned; who is a party to destruction by explosion from combustible material; or who aids, counsels, or procures the burning or destruction of any state-supported school building in this state, whether in use or vacant, shall be guilty of arson and subject to expulsion.

Any person observing or witnessing the destruction by fire of any state-supported school building, whether occupied or vacant, which fire was the result of his or her act of an accidental nature, and who willfully fails to sound the general alarm or report such fire to local fire department or other local authorities, shall be guilty of a felony and, upon conviction thereof, shall be sentenced to the State penitentiary for not less than two (2) or more than ten (10) years. Any person, who by reason of his age comes under the jurisdiction of juvenile authorities and who is found guilty under section 1 (subsection 1 hereof) of this act shall not be eligible for probation unless and until at least six (6) months confinement has been served in a state reform school. (Such acts will be considered a severe infraction and carries a possible sanction of suspension in semester (s) length or expulsion)

Fires

It is illegal to possess, sell, furnish, or use any incendiary device without proper authorization. Setting or causing to be set any unauthorized fire in or on college property is also prohibited. Violations of these regulations may result in prosecution under the Alabama Criminal Code and/or expulsion from H. Councill Trenholm State Community College. (Such acts will be considered a severe infraction and carries a possible sanction of suspension in semester (s) length or expulsion)

Fire Drills, False Alarms and Sprinklers

No person shall:

A. Fail to evacuate a building or refuse to respond immediately to a fire alarm.
B. Ring any bell or operate/tamper with/or trigger any mechanical or electrical apparatus for the purpose of creating a false fire alarm.
C. Operate/tamper with/discharge/or remove any fire extinguishing equipment, emergency signs, exit signs, sprinkler system, identification of rooms or smoke detector without proper authorization.
D. Re-enter a building until it has been declared safe to do so by the appropriate staff.
E. Not comply with officials conducting the drills

Participation in such acts is subject to college disciplinary action and punishable by law. (Such acts will be considered a severe infraction and carries a possible sanction of suspension in semester (s) length or expulsion)

Fireworks

No person shall possess or explode firecrackers or other types of fireworks or explosives of any kind in any building or on any property owned or controlled by the college. Participation in such acts is subject to college disciplinary action and punishable by law. (Such acts will be considered a severe infraction and carries a possible sanction of suspension in semester (s) length or expulsion)

Disorderly Conduct or Assembly

A. No person shall assemble on campus for the purpose of causing a riot, destruction of property, or a disorderly diversion, which interferes with the normal operation of the college. (This section does not deny individuals the right to peaceful, non-disruptive assembly.)
B. No person or group of people shall obstruct the free movement of other persons about the campus or interfere with the use of college facilities.
C. The abuse or unauthorized use of sound amplification equipment in or out of doors is prohibited. (The use of such equipment must be authorized by the appropriate department).
D. Rowdy behavior, indecent language, excessive noise or drunken or drug induced behavior is prohibited.
E. Disorderly and/or obscene conduct or a breach of the peace on any college property or public function affiliated with the college is prohibited. This includes disorderly conduct in a school sponsored assembly. Participation in such acts is subject to college disciplinary action and punishable by law. (Such acts will be considered a moderate or severe infraction and carries a possible sanction of suspension in semester (s) length or expulsion)
Disruption of Classes and College Functions

Any person who, without authority, disrupts classes or other educational functions with vociferous vulgar language, loud music, fights, confrontations with students/faculty/staff on the campus or in off-campus sites shall be arrested for disturbing the peace, turned over to civil authorities, and shall be subject to disciplinary action which may result in suspension or expulsion. This is also referenced to excessive talking and horse playing in assemblies sponsored by the college.

Disruptive Behavior

A. No person shall threaten to, or actually push, strike, or physically assault any member of the college community or any guest to the campus.
B. Students who maliciously provoke or participate in fights will be subject to disciplinary action which may result in one or more of the following penalties: arrest, disciplinary warning, probation, suspension, or expulsion.
C. Conduct, which materially interferes with the normal operation of the college is prohibited.
D. Conduct and/or expressions which are obscene, intimidating, or which are blatantly offensive to the prevailing standards of an academic community are prohibited. Participation in such acts is subject to college disciplinary action and punishable by law. Such acts carry sanctions of probation, suspension, or expulsion.

In cases of disturbance, the following policy shall be instituted:

1. All students of the college should report to their classes whether perpetrators of the disturbance report for class or not. The basic expectation of college employees is to carry out their official responsibility. This also includes student employees.
2. On the day or days of the disruption, teachers are to check classrooms carefully and send a written report of all absences to the Dean of Instruction/designee.

Emergencies, Campus

In regular operation of every institution, it is inevitable that there will be occasions when the routine operations are interrupted and in extreme instances, suspended altogether. Such occasions may be due to weather, fire, strikes, or organized student demonstrations. In such situations, it is important for students, faculty, and employees to assure that all functions and services of the college continue. In such cases, all involved should follow directives of the Department of Safety.

Emergencies, Off-Campus

All off-campus emergencies are to be reported to the site monitor of the off-campus site. In most cases, each site has a police officer employed by the college. In cases where an officer is not present, local authorities should be contacted.

Dress

H. Councill Trenholm State Community College students are expected to dress in a manner representative of an educational institution. Special occasions (e.g. convocations; employment/career fairs; graduation; coronations; plays; luncheons; banquets, speeches for class/assembly) dictate that business (e.g. shirt and tie; business suit; blazer and skirt or slacks; dress) or formal wear (e.g. dinner dress, formal, business suit, or tuxedo). Female students are also expected to present themselves in appropriate dress at all times. Inappropriate dress might include unreasonably short dresses, midriff tops, short shorts, halter-tops, or other apparel of a revealing nature that is worn publicly into the classroom, or to special occasions as defined in the preceding paragraphs.

Drug-Free Schools/Campuses

H. Councill Trenholm State Community College acknowledges and adheres to the laws of the state of Alabama. The college also complies with the Drug-Free Schools and Communities Act Amendments of 1989.

In accordance with federal and state laws, at H. Councill Trenholm State Community College the following will apply:

Drugs

A. The possession of any drug controlled by federal or state laws is prohibited.
B. In compliance with state and federal law, it is illegal to possess, consume, use, or distribute (or intend to distribute or use) any drug controlled by federal or state laws on the campus of H. Councill Trenholm State Community College or at event sponsored or supervised by the college.
C. The manufacture, intent to manufacture, furnish, or intent to furnish drugs controlled by federal or state law is prohibited.
D. The sale, intent to sell, purchase, intent to purchase, deliver, and intent to deliver drugs controlled by federal or state law is prohibited.
E. Possession or use of any drug related paraphernalia is also prohibited. The college reserves the right to initiate judicial action if drug violations occur on or off-campus. Students found to be in violation of the drug policy will be subjected to disciplinary action, which will result in expulsion.
Admissions and Records Policies

Failure to Comply

A. Failure to respond or properly identify oneself pursuant to a request by properly identified officials of the college while in the performance of their duties.
B. Failure to report to the office of a college official for a conference, meeting, or appointment by the official.
C. Failure to appear as a witness in a disciplinary case when properly notified.
D. Failure to comply with any disciplinary condition imposed on a person by any judicial body or administrator.
E. Failure to comply with the directions of a campus security officer.

Participation in such acts is subject to college disciplinary action and carries a sanction of probation, suspension, or expulsion.

False Representation of the College

No person or group of persons shall claim, without proper authorization, to speak, act, or solicit in the name of the college or one of its organizations. As a member of a community of educated persons, a student is expected to exercise reasonable self-discipline and judgment when speaking or acting as a citizen.

Financial Obligations

Students are expected to meet their financial obligations with the college in accordance with the designated deadline dates. If obligations are not met, then the student may be subjected to a reduction in funds, will not be included in commencement exercises, and will not be granted a college transcript.

Forbidden Objects

The following objects are disallowed in all public areas of the college, unless authorized by appropriate officials:

1. Pets;
2. Laboratory animals, either dead or alive;
3. Open flames (e.g., candles) or any combustible decoration or device
4. Alcoholic beverages and/or beverage containers. (See Alcohol Policy)
5. Athletic equipment such as bats, weights, balls, etc.
6. Firearms, fireworks, and weapons of any kind.

Fraud

It is unacceptable and illegal for any student to partake in:

A. False representation of a matter of fact, whether by words or by conduct.
B. False or misleading allegations or by concealment of that which should have been disclosed.
C. Deceive another so that he/she shall act upon it to his/her advantage.
D. Intentionally alter the truth for the purpose of inducing another in reliance upon it to part with some valuable thing in an effort to surrender a legal right.

Participation in such acts is subject to college disciplinary action removal from the dormitory, fines, and punishable by criminal and campus law.

Gambling

Gambling is not permitted on the premises of H. Councill Trenholm State Community College or at any activity sponsored by the college whether on or off-campus. Violators are subject to arrest and prosecution by civil authorities as well as to college disciplinary action, which may result in one of the following penalties: disciplinary warning, probation, suspension, expulsion, or dismissal from classes. Unauthorized playing of games for money or other items of value is prohibited. Possession of such may result in probation, suspension, or expulsion.

Immoral Relationships

Students who engage in immoral or illicit acts on campus will be subject to disciplinary action. Such acts include the use of obscene gestures, improper body exposures, stripping, vulgar language to or in the vicinity of students, staff members, administrators, or faculty or visitors of the college. Said sanctions will apply: probation, suspension, expulsion.

Insubordination

Students are expected to respect persons in authority. To disagree or hold a different point of view is normal, but the rule of mutual respect should prevail. Gross disrespect to persons in authority will not be tolerated. By Federal Statue, it is unlawful to threaten faculty of an educational institution. If a student verbally threatens a faculty member, then the student can be arrested, subjected to college disciplinary proceedings, and bound over to the courts of Montgomery County. Violators will be subject to disciplinary action, which may result in one of the following penalties: disciplinary warning, probation, suspension, or expulsion.

Joint Responsibility

All persons who knowingly act in concert to violate college regulations have individual and joint responsibility for such violations and such concerted acts are prohibited.

Moral Turpitude

An act of baseness, vileness or depravity which brings shame to the college and is in contradiction to the letter and spirit of the college's Code of Conduct, good citizenship and ethics is strictly prohibited. Violators will be subject to disciplinary action.

Parking Regulations

All parking restrictions on the campus of H. Councill Trenholm State Community College are landmarked throughout the campus. Students are prohibited to park in employee or reserved parking. Handicapped signs are strategically placed around campus for the convenience of those needing such accommodations. All students enrolled at H. Councill Trenholm State Community College are to affix parking decals on all vehicles driven on campus as well as off-campus locations.

Pets

To protect the interest and safety of students and employees, it is the policy of the college not to allow pets in any college building, including but not limited to administrative buildings, classroom buildings and gathering halls. “Pets” are considered dangerous animals,
domestic or wild, in the company of a student, faculty member, guest, or visitor to the college, and does not apply to service dogs. If the policy is violated, the student is subject to dismissal from classes, suspension, and/or expulsion.

**Picketing**

It shall be unlawful for any person, singly or in convert with others, to engage in picketing or mass demonstration in such a manner as to obstruct or unreasonably interfere with free ingress or egress to and from any public premises, state property, county or municipal courthouses, city halls, office buildings, jails, or other public buildings owned by the State of Alabama, or any county or municipal government located therein or thereon conducted or so as to obstruct or unreasonably interfere with free use of public streets, sidewalks, or other public ways adjacent or contiguous thereto. Any person guilty of violating this act shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be fined not more than five hundred dollars ($500), or imprisoned in jail not more than six (6) months, or both such fine and imprisonment.

**Restrooms**

Restrooms are designated separately for men, women and gender-neutral (designed for use by any gender). All individuals are required to utilize the gender-specific or gender-neutral restrooms as appropriate. Gender-neutral restrooms must be locked upon entry and there is a notice to that effect on the doors. Any individual utilizing the opposite gender’s restroom will be subject to disciplinary action. Gender-neutral restrooms are located as follows:

**Trenholm Campus:**
Administrative Building
1225 Air Base Blvd
Montgomery, Alabama 36108

Patterson Site:
Building J
3920 Troy Hwy.
Montgomery, AL 36116

Learning Resource Center
4th floor
3086 Mobile Highway
Montgomery, AL 36108

**Smoking**

Smoking is not permitted in the auditoriums, classrooms, lecture rooms, dining hall, gathering halls, gymnasiums, or any other buildings at H. Councill Trenholm State Community College. Any person that smokes has to do so within 35ft of any building. Participation in the reverse of this act is subject to college disciplinary procedures.

**Solicitation - Vendors**

College property, although recognized as state property, is considered “specialized use” state property and, therefore, subject to reasonable restrictions and guidelines designed to foster the purposes to which the institution is dedicated. Rules are promulgated to enhance the purposes of the educational institution and to protect the individual rights of students and those members of the general public wishing to give students the opportunity to purchase their services or goods. Adherence to the following:

A. No group or individual may conduct a sales campaign on any campus/center of the college, to include-but not limited to, classrooms, administrative buildings, or any other campus location.
B. Private individuals, student or non-resident student, may not conduct a sales campaign in classrooms, administrative buildings, or at any other campus location.
C. Door-to-door sales are prohibited. Placing door hangers on classroom doors or signs on cars in college owned parking lots is prohibited.
D. Nothing herein shall be construed as prohibiting commercial solicitation to individual students by telephone, mail, or email.

Violators are subject to college discipline and may be punishable by law.

**Students Riding in Automobiles**

The college assumes no responsibility or liability regarding students riding in or parking private vehicles on campus. It is a privilege for students to drive on the campus of H. Councill Trenholm State Community College. The college reserves the right to revoke that privilege at any time for reasons not limited to excessive parking tickets, reckless driving, and parking in restricted areas.

**Theft**

No person shall take, attempt to take, or keep in his/her possession items, not legally possessed by him/her, including but not exclusively, items of college property, or items belonging to students, faculty, staff, student groups, or visitors to the campus, without proper authorization. No person shall sell a textbook that is not his/her own without written permission of the owner.

Participation in such acts is subject to college disciplinary action to include a maximum sanction of expulsion and punishable by law. The college assumes no responsibility for theft of a student’s personal property.

**Trademark Guidelines**

Campus clubs and organizations and individual students may use the H. Councill Trenholm State Community College name, trademarks, or logos only with the written approval of all the following (but not limited to): the President, Dean of Students, Executive Cabinet, and the Director of Public Relations in accordance with the established college policy.

**Unauthorized Entry and Use -- College Facilities or Equipment**

A. No person shall make unauthorized entry into any college building office, parking lot, or other facility. Nor shall any person remain, without authorization, in any building after normal closing hours.
B. Unauthorized use of equipment is prohibited. This includes unauthorized use of computers and computer programs. Attempts to access restricted records and programs are prohibited. Such actions are a violation of the Student Code of Conduct.
C. Unauthorized entry into vehicles is prohibited.
D. Unauthorized use of bathrooms, exits, or windows is prohibited.
E. Unauthorized use or duplication of keys is prohibited.
F. Unauthorized use or possession of any parking permit (hang tag) is prohibited.
G. No person shall enter or attempt to enter any dance, social, athletic event or any other recognized college organization without credentials for admission (i.e. ticket, identification card, invitation, etc.). Credentials should be that of the person seeking to gain admittance.

Participation in such acts is subject to college disciplinary action punishable by law, and may result in a fine, probation, suspension, or expulsion.

Violation of Law

Violation of local, state, or federal law on the campus is prohibited. Violations off campus which constitute either an aggravated misdemeanor or felony will be presumed to affect the student’s ability to function as a member of the college community and the student will be subject to disciplinary action by the college. Additionally, Trenholm Community College has the right to sanction its students for off-campus violations. Trenholm State Community College has the right to sanction each student violator regardless of court hearings, upcoming court dates, or outcomes of such hearings.

Weapons and Firearms

It shall be a felony for any person to possess, carry, whether openly or concealed, any gun, rifle, pistol, or other firearm of any kind, or any dynamite cartridge, bomb, grenade, mine, or powerful explosive (s) on educational property. Weapons of any type are not permitted in any area under college control or at any activity registered with the college. Violators will be subject to arrest and subject to prosecution by civil authorities. College disciplinary action also applies and the student may be expelled from the college.

Note: Violators are subject to college disciplinary action which will mandate expulsion and will be punished by law.

Student Code Of Conduct/Definition Of Terms

To maintain an atmosphere on the Trenholm State Community College campus and host sites that is conducive to academic pursuits and fosters the growth and development of all members of the college community, a series of procedures and regulations governing student conduct and behavior has been established. Included in the procedures and regulations, which collectively are known as the Student Code of Conduct, are statements concerning expectations regarding student conduct, guarantees of student rights, and procedures for adjudicating allegations concerning student misconduct. The penalties for violation of these regulations are also contained in the Student Code of Conduct.

All students at Trenholm State Community College are expected to read and become familiar with all sections of the Student Code of Conduct. Each student is individually responsible for adhering to the regulations contained in the Code. A student who is found to have violated these regulations will be subject to disciplinary action, ranging from a disciplinary warning to suspension/expulsion. The severity of the sanction is dependent upon the severity of the offense as determined by the judicial officer, the Dean of Students/designee, or the appropriate judicial council.

Discipline will be levied in all instances except those in which a qualified, licensed, mental health professional has communicated to the college in writing that the actions were caused by severe psychological problems sufficient to warrant the immediate withdrawal of the individual from the college. In each instance, the individual may not re-enroll at Trenholm State Community College for at least two full academic semesters and then only upon the written recommendation of the mental health professional.

Principles for Collegiate Conduct

Trenholm State Community College Collegiate Code of Conduct is designed to address the principal behaviors and conduct which are expected of students, faculty, and staff as they interact in a diverse learning environment. It is intended to enhance a student’s success in the classroom as well as in their campus life.

The tenets for this covenant are:

Integrity
Respect and embrace the principles of academic honesty

Philosophy
Embrace an academic philosophy for positive progress toward competency in goals, critical and logical thinking and a commitment to excellence.

Class Attendance
Participate actively in classroom and other learning environments and commit to becoming a lifelong learner.

Diversity
Celebrate the similarities and differences in our cultures, races and ethnic origins.
Philosophy of Student Conduct and Discipline

The student disciplinary function of Trenholm State Community College is an integral part of the educational mission of the college. Learning responsible behavior and self-discipline are part of the educational process. The college expects its students to obey national, state, and local laws, to abide by the regulations of the college, to respect the rights and privileges of others, to support the purposes and standards of the institution, and to conduct themselves in a manner that brings no discredit to them or to the institution. In the event that students fail to demonstrate such behavior, the college has the obligation and right to discipline them. The acceptance of this implied right of the college by parents, guardians, and/or students is a prerequisite for enrollment as a student at Trenholm State Community College. The college’s judicial system and other components of the program emphasize the development of each individual’s acceptance of his or her own personal and social responsibilities.

Behavior, which is not in keeping with standards acceptable to the college community, is often symptomatic of attitudes, misconceptions, and emotional crises. Addressing aforementioned traits is an essential component of the disciplinary process. An educational approach to discipline is employed whenever possible. The college judicial system and appeals process are designed to provide and help maintain an atmosphere within the college community that is conducive to academic pursuits. Stringent disciplinary measures against a student or a group of students, such as suspension or expulsion, are instituted only when lesser remedies are inconsistent with the college’s mission.

The college, however, recognizes its responsibilities to all members of the community (i.e. students, faculty, staff, guests of the college, and members of the local community). The protection of personal and institutional rights and property, therefore, is a primary focus of the disciplinary process.

Honor Code

I will be honest in all of my academic course work and will not indulge in or tolerate the academic dishonesty of my counterparts or peers. I will not partake in any type of misconduct, misrepresentation, or immoral behavior that will harm, damage or endanger any person, property or myself or reflect negatively against me or hinder my academic continuance. I will strive to achieve excellence and to complete degree requirements without hesitation. I am a valuable part of the Trenholm State Community College family, and proud of it.

On the campus of Trenholm State Community College, the Dean of Students collaborates with all involved to provide a safe environment for students. The office of the Dean of Students is located in Building F, Student Services Building on the Trenholm Campus.

Code Violations

(A at the end of each violation are the sanction(s) that may be imposed by the college)

1.00 Abduction and/or Kidnapping. Enticing, persuading or forcible seizing and carrying of any student, faculty, staff or college official from one place to another without that person’s consent. (Suspension/Expulsion)

1.10 Academic Dishonesty. Misconduct, dishonesty, misrepresentation, immoral behavior that will harm, damage or endanger any person or property or hinder academic continuance. (Probation/suspension/expulsion)

1.20 Aiding and/or Inciting. Aiding, abetting, persuading, and/or procuring another person or persons to commit any act of misconduct in the college community or environment; the persuading or aiding of another person to breach the peace on college premises or at functions sponsored, approved by, or participated. (criminal court sanctions/suspension/probation/expulsion) in by any member of the college. Gatherings of groups of students on/off of the premises in such a manner which causes damage to public or private property, causes injury to persons, or interferes with the orderly functioning of
the college or with the normal flow of traffic or ordinary procedures. (Warning/Probation/Suspension)

1.30 Alcoholic Beverages. The use, consumption, possession, purchase, sale, and/or distribution of alcoholic beverages on college property, in cars or other vehicles, or at any of the college’s activities (whether on- or off-campus) are prohibited, except as expressly permitted by the college regulations, exceptions or local, state, and federal laws. (Fine not to exceed $500, probation, suspension, or expulsion)

1.31 Alcohol/Drug Intoxication. Appearing in public on the college/host site premises while intoxicated or under the influence of alcohol or illicit drugs is strictly prohibited. This includes any disorderly conduct regardless of whether such conduct results in injury to persons or property, as a result of intoxication. (Fine not exceed of $500, probation, suspension, expulsion)

1.40 Animals (pets). Having pets or other animals (e.g. dogs, cats, snakes, birds, hamsters, etc.), with the exception of seeing-eye dogs (when accompanied by their owner) and tropical fish in an aquarium or other approved containers in buildings, including classrooms, and offices, except when needed in connection with a handicap person or with the written permission of the Dean of Students, is prohibited. (fine not to exceed $500, probation, suspension, or expulsion).

Willfully starting a fire in college buildings or on college property, which includes but is not limited to bonfires and cookouts, without the proper authorization of the college Safety Director and the Dean of Students is prohibited. Compliance with local and state fire codes must be assured and verified. (Suspension/Expulsion)

1.60 Assault. The intentional harassment, degradation, threat or intimidation of another in an attempt to commit a battery or the intentional placing of another in reasonable apprehension of receiving a battery. This includes engaging in, attempting or intending to engage in any form of mental, physical, verbal or mental abuse, coercion, which is directed toward another person or group of people which creates an intimidating, fearful or offensive environment in the classrooms, offices, and on the college premises. (arrest, criminal adjudication, probation, suspension, or expulsion) In General, physical contact is not required.

1.70 Attempted Offenses. An attempt to commit an act on college property, or involving members of the college community (that is faculty, staff, student, or campus visitor) in an offense that would be in violation of any law, code of conduct, rule, regulation of local, state or federal criminal code. (fine, warning, probation, suspension, or expulsion)

1.80 Battery. The unlawful application of force to the person of another is strictly prohibited. (fine, arrest, criminal adjudication, suspension, expulsion)

1.81 Aggravated Battery. An unlawful act of violent injury to the person of another, accompanied by circumstances of aggravation, such as the use of a deadly weapon is prohibited. (Expulsion)

1.90 Classroom, And General Violations. Students must comply with campus life regulations. Any combination of three infractions committed during a semester will result in disciplinary actions. The following are prohibited:

A. Children in classrooms
B. Loud music
C. Playing video games in a gathering
D. Horse playing
E. Vandalism
F. Engaging in barbering and cosmetology practices on the outside of classrooms, buildings
G. Sexual Activity in/around classrooms, buildings
H. Fighting
I. Disrespect of instructors, administrators, staff, housing staff, to include custodial staff
J. Defacing property
K. Inappropriate dress
L. Loitering/Littering
M. Disrespecting others
N. Drugs/ alcohol use/possession/sale/intent to distribute
O. Gang Activity; fights of more than two on one; signs; paraphernalia
P. Spreading harmful rumors
Q. Cell phone usage in classrooms/assemblies
R. Unauthorized selling of tapes, dvds, cds, snacks, food, clothing, merchandise, etc.
S. Joyriding/tampering with/on college or state owned property
T. Bullying and Harassing

Such acts or synonymous acts are prohibited and carry sanctions such as a warning, community service, fine not to exceed $500 (Unless the infraction is destruction or defacing property and restitution is a larger sum), probation, suspension, expulsion, or a combination thereof.

2.00 Contempt Of Hearing. Contempt of hearing violation includes (1) the failure to appear before a judicial body after receiving the proper notification of a scheduled disciplinary hearing or conference, (2) willful disobedience to, or displaying open disrespect for a college judicial board member such as the use of profanity, threatening behavior, or derogatory remarks, comments, and/or gestures, and (3) failure to comply with disciplinary conditions as sanctions imposed by a judicial body or judicial administrative officer or staff person. Contempt charges will require the student to pay a disciplinary fine (to be determined by the appropriate council) forfeiture of due process rights, probation, suspension, or expulsion.

2.10 Damage to Property/Destruction of Property. Damage, vandalism or destruction to property owned or leased by the college or personal property belonging to an individual, including but not limited to, car vandalism, walking on roofs of a university building, defacing structures and facilities, littering, unauthorized biking, skate boarding in inappropriate areas, marking, egging, littering, painting, spraying, hallways, lobby areas, classrooms, doors, bricks, and sidewalks without the proper authorization is prohibited. (probation, community service, suspension, fine, or expulsion)
2.20 Dangerous, Threatening, and/or Unsafe Behavior. Any conduct or behavior, which threatens or endangers the health or safety of any person in the college environment. This includes, but is not limited to, verbal threats to injure or harm another, horse playing, practical jokes, abductions, and kidnapping. (probation, community service, suspension, fine, or expulsion)

2.30 Disorderly Conduct, Obstruction, and/or Disruption. Disorderly conduct is any offensive or annoying act that disrupts the peace. It includes but is not limited to conduct which is offensive or annoying to others or is disruptive to the rights of others. It includes excessive noise, misuse of musical instruments, noise producing devices, talking excessively loud, failure to properly dispose of trash or food trays, shouting, loud stereo or radio sets; horseplay, practical jokes, and general annoyances; throwing any dangerous objects in a college facility or from the window of a college facility or onto the premises of the college. Breaking lines during registration, at campus events and activities, and so on, is deemed disorderly conduct. The intentional obstruction, interruption, hindrance, or disruption of teaching, research, administration, ceremonies, disciplinary proceedings, or other university tasks and activities; interfering with duties of a student, faculty/staff member or college official; withholding information vital to any investigation carried out by an authorized agent of the college; creating excessive noise which can be heard in other areas of the campus and which interferes with the normal operations of the college; creating excessive noise which can be heard in other areas of the campus and which interferes with the normal operations of the college is prohibited. In so much as students are responsible for the behavior of their guests, students may receive sanctions if they permit their guests to behave disorderly on campus. (probation, community service, suspension, fine, or expulsion)

2.40 Distribution of Illicit Printed Material. Distribution of printed materials that are libelous, derogatory, scurrilous, sexually explicit, pornographic, or that encourages violations of public laws or college regulations is prohibited. (probation, community service, suspension, fine, or expulsion)

2.50 Drugs (Illegal)/ Drug Paraphernalia. The consumption, sale, distribution, manufacturing, purchase, passing of, or being in the presence of or the vicinity of illegal drugs, narcotics, the accessory to, or aiding and abetting of any controlled substances, are strictly prohibited from all locations of the college, and beyond the premises according to all local, state, and federal laws. Illegal drugs also include all prescription drugs without a valid medical prescription. Drug paraphernalia is strictly prohibited at the college. Paraphernalia is defined as all equipment, products, and materials of any kind used to facilitate planting, propagating, cultivating, growing, manufacturing, converting, processing, preparing, packaging, storing, concealing, playing with injecting, ingesting, inhaling, or otherwise introducing a controlled substance into the body. The scope of this prohibition includes drugs or paraphernalia that is on the person or in the possession of a student on property owned or controlled by the college and/or at events and activities sponsored by the college, and involves related incidents that are subject to prosecution under local, state, and federal laws. The illegal possession of and/or use of drugs, or drug paraphernalia includes, but is not limited to roach clips, bongs, masks, scales, balances, sandwich bags or plastic bags and their corners, sifters, syringes, spoons, chamber pipes, homemade pipes, film canisters, diluents, spray cans, carburetor pipes, paint, pipes, using screens, water pipes, and any other equipment, products and materials that can be directly linked to the usage of controlled substances. Improper behavior or conduct on the campus which is a result of the use of illegal drugs which means that one who, having consumed or used drugs, experiences a loss of the normal use of his/her mental and/or physical faculties is restricted. (Expulsion)

2.60 Failure to Comply. Failure to comply with the directions of college officials (including campus security) acting in the performance of their duties; failure to promptly identify oneself to college officials when requested; failure to comply with disciplinary sanctions are prohibited. This includes direct disobedience of a lawful order of a college official, as well as failure to evacuate a building during a fire alarm, drill, or when otherwise so ordered by a college official, fire department staff, or local law official. (probation, community service, suspension, fine, or expulsion)

2.70 Forgery, Dishonesty, Fraudulent Acts, and/or Misrepresentation. Forgery of names, signatures, documents (personal, public, and/or private) will not be tolerated. Forgery, deceptive acts, misrepresentation and/or dishonest acts include, but are not limited to materials, alteration, and misuse of college documents, records, or student identification cards, or documents and records belonging to another, cheating, plagiarism, or other forms of academic dishonesty; tampering with the election of any college recognized student organization; malfeasance or misuse of elective or appointive office in a student organization, its members, or the welfare of the college community; and fraudulently issuing worthless checks to the college. Lying, knowingly giving false information to the college or its officials, other forms of dishonesty in college-related affairs is also prohibited. The scope includes, but is not limited to the following: lying, fraudulently obtaining, altering, falsifying, transferring, looting, selling or misusing or attempting intended misuse of an ID card, validation sticker, or any college document or service. (probation, suspension, fine, or expulsion)

2.80 Guest’s Behavior. Students are responsible for the behavior of their guests whom they invite to the campus or permit to visit on the campus. If a guest is found to be in violation of the Code of Conduct while in the company of the student host or with the student host’s knowledge, applicable charges will be brought against the guest, as well as against the student host or the host student organization. (probation, community service, suspension, fine, or expulsion)

2.90 Harassment (Verbal and/or Physical). The excessive physical annoyance of or the use of verbally abusive language by any person on college-owned or controlled property (on or off-campus sites) or while on the premises of, or while in attendance of college-sponsored or supervised events is considered to be harassment and is prohibited. The scope of any form of harassment includes language to physical acts which degrade, insult, taunt, or challenge another person by any means of communication, verbal, so as to provoke a violent response, communication of threat, defamation of character, use of profanity, verbal assaults, derogatory
3.00 Hazing.
It is strictly prohibited for a person or organization to, in the course of another person’s initiation into or affiliation with any organization, intentionally or recklessly engage in conduct which creates a substantial risk of physical and/or mental injury to such other person or to a third person. This includes asking favors or demanding services from a person seeking to join a college sponsored club/organization (probation, community service, suspension, fine, or expulsion)

3.10 Health and Safety Violations.
This means any behavior which creates a risk or danger to others of the college community, throwing objects from windows or balconies, failure to keep one’s room in a condition that is safe and sanitary, unlawful disposal of toxic chemicals, or failure to maintain reasonable security (probation, community service, suspension, fine, or expulsion)

3.20 Identity Disclosure/Identification Cards.
Failure to carry a valid college student identification card (when possession is in reason) while on the college property or failure to present it to a college official, security officers, administration, and staff members upon request is unacceptable. Fraudulently obtaining, transferring, selling, loaning, fabricating, manufacturing, falsifying, altering, misusing or attempting or intending to misuse one’s ID card is prohibited. Presenting a false name or other identification, including false or invalid ID card, to a college official, while in the performance of their duties is prohibited. (probation, community service, suspension, fine, or expulsion)

3.30 Indecent, Obscene, Immoral Behavior, and/or Profanity.
Conduct, which is disorderly, lewd, indecent and/or portrayed on the premises of the college or at college sponsored or supervised activities on/off campus will not be tolerated.

Such acts include the use of obscene gestures, improper body exposures, stripping, vulgar language to or in the vicinity of students, staff members, administrators, or faculty or visitors of the college or when visiting other colleges and/or venues. (probation, community service, suspension, fine, or expulsion)

3.40 Moral Turpitude.
An act of baseness, vileness or depravity which brings shame to the college and is in contradiction to the letter and spirit of the college’s Code of Conduct, good citizenship and ethics is strictly prohibited. (probation, community service, suspension, fine, or expulsion)

3.50 Motor Vehicles, Traffic Violations, Parking Violations.
Violation of properly constituted rules and regulations governing the use of motor vehicles (e.g. automobiles, motorcycles, etc.) on college-owned or controlled property on/off-campus locations or at college sponsored or supervised activities is prohibited. This also includes driving and parking on grass and sidewalks. Traffic tickets of the same offense will increase on the second and third offenses. Failure to obey traffic and parking regulations is punishable by the college’s Department of Safety. (probation, community service, suspension, fine, or expulsion)

3.60 Rape.
Forcing or coercing another, regardless of sexual gender, personal affiliation, and/or affiliation with the college to engage in the act of sexual intercourse without that person’s consent, or when the sexual intercourse is deemed without the person’s consent because the person (victim) is incapable of understanding the nature of the act by reason of stupor or abnormal condition of the mind produced by an intoxicating or narcotic agent administered by the offender. (Expulsion)

Tampering with safety equipment is a serious violation of the Code of Conduct and is subject to expulsion and/or criminal prosecution. Making a statement verbally/writing a false fire or bomb alert, by any means including a telephone call or by a warning device, theft, removal of, or tampering with security cameras, fire extinguishing or safety equipment, exit signs, smoke alarms and detectors, fire hoses, sprinkler systems, hoses, fire mischief, or violation of college guidelines regarding fire safety, or standard safety (e.g., failure to follow evacuation procedures or obstructing the evacuation of a building during a fire, fire drill, or any other type of emergency) is strictly prohibited. (suspension, fine, or expulsion)

3.80 Sexual Assault.
The forcing of or attempting to force another person regardless of sexual gender, personal affiliation, and/or affiliation with the college, to participate in sexual intercourse and/or other sexual activities against his/her will is prohibited. Such misconduct includes verbal coercion, threats and physical restraint, also will not be tolerated. Disciplinary sanction for such acts will lead to expulsion. Violators also are subject to criminal prosecution.

3.90 Sexual Battery.
The forcing of or forceful intention of engaging in sexual misconduct by physical contact and/or excessive force (with or without a weapon) which leads to physical pain toward another person regardless of sexual gender, personal affiliation, and/or affiliation with the college, without his/her consent or when such sexual contact is deemed offensive to the victim, will not be tolerated by the college. Disciplinary sanction for such acts will lead to expulsion.

4.00 Sexual Harassment.
Regardless of sexual gender, personal affiliation, and/or affiliation with the college, sexual harassment is defined as unwelcome and unsolicited sexual advances, requests for sexual favors or other verbal, visual or physical conduct or communication with sexual overtones that the victim deems offensive. Sexual harassment includes, but is not limited to unsolicited, deliberate, or repeated sexual flirtation, advances or propositions verbally/written; verbal abuse of a sexual nature; display of sexually suggestive pictures or objects; and/or offensive or abusive physical contact of a sexual nature. If such acts occur with student to student; faculty/staff to student; student to faculty/staff; or faculty/staff to faculty/staff, an incident reporting form should be completed and submitted to the
office of the Dean of Students to begin an investigation. Such acts are taken seriously by the college and will not be tolerated; therefore, if these acts are alleged by a victim or transmitted as a rumor and the accusations are deemed as false, then the person(s) alleging the accusations will then be subjected to like disciplinary proceedings (to include sexual assault and battery). (probation, suspension, fine, or expulsion)

4.10 Solicitation. Unauthorized selling, collection of monies, and promotion (flyers) on campus or within college buildings is not permitted without permission of the Dean of Students. Students may not act as agents for business firms which entail solicitation or the receiving of business offers or goods on college property. Further, students may not solicit on behalf of the college without the permission of the Dean of Students. Use of any college facilities for business purposes of any nature, (e.g. the selling of food, clothing, jewelry, merchandise, favors, manicures/pedicures, hair perming/styling/braiding, barbering, babysitting etc.) are prohibited. (probation, community service, suspension, fine, or expulsion)

4.20 Theft/Misappropriation. Theft is defined as the wrongful taking of money or property without the consent of the owner, and/or the secreting of anything stolen, regardless of where the theft occurred; stealing from another person, agency, institution, or the college; the taking of property belonging to another, with the intent of converting the property to one’s personal use; the unauthorized taking or consumption of food from a campus event; unauthorized use of another’s credit card; and failure to return another’s personal property upon request or within a reasonable period of time. Misappropriation, the taking of property belonging to another by mistake and/or without the owner’s permission, but with no intent to convert the property to one’s personal use is not permitted. This includes unauthorized moving or relocation of college furniture to one’s own room or to some other area, illegal and/or unauthorized possession or sale of any property without the proper authorization, and possession of property which has been reported lost or stolen. (probation, community service, suspension, fine, or expulsion)

4.30 Trespassing. Unauthorized presence on, in or within any building or property owned or operated by the college (including technology labs, shop areas, gymnasiums, fitness center, field houses, classrooms, offices, buildings, etc.), or the unauthorized entry into or remaining in a facility, or in a private room or office under the control of another, after having been asked to leave. Unauthorized campus visitors will be subject to arrest and criminal proceedings. (probation, community service, suspension, fine, or expulsion)

4.40 Unauthorized Use/Entry Of College Facilities. Unauthorized use of equipment, occupancy of, or unauthorized entry into or exiting from college facilities is prohibited. Unauthorized entry/exit includes the entering and/or occupying and improper exiting of college facilities that are locked, closed or restricted for use to certain or all persons. Unauthorized entry or exiting into and from residence halls, without proper permission into living quarters or other buildings and/or structures or college premises, or the aiding and assisting of such is prohibited. (probation, community service, suspension, fine, or expulsion)

4.50 Weapons/Firearms. The use, possession, consumption, or display of weapons, firearms, or explosives is strictly prohibited on the premises of the college. Weapons include, but are not limited to the following: rifles, shotguns, ammunition, handguns, air guns, BB guns, bowie knives, daggers, switchblade knives, butcher knives, metallic or brass knuckles, explosives (including dangerous chemicals), water guns, play guns, firecrackers, propelled missiles, fireworks. The possession or use of items that resemble guns, knives, or other weapons are also strictly prohibited. When course content and classroom assignments require the use of such items, Divisional Deans should give prior written approval to the Dean of Students as a matter of record. (Expulsion)

Disciplinary Procedure for Trenholm State Community College

Authority

By virtue of the approved by-laws and policies of the Trenholm State Community College, the President of the college is charged with the responsibility of maintaining “appropriate standards of conduct” for students. This duty has been delegated to the Dean of Students or his designee. The Dean of Students or his/her representative is further authorized to expel, dismiss, suspend and place limitations on continued attendance and to levy penalties for disciplinary violations. The Dean of Students is aided by judicial councils.

Judicial Council

Three committees are appointed to hold hearings for students accused of violating the regulations of the college:

Inter-Student Services Disciplinary Council:

Composed of Student Services professionals (Dean of Students-presiding officer/designee) hears all informal cases and in some instances cases of formal proceedings, involving infractions that will constitute sanctions of probation, fines, suspension from school in length, and/or community service. The Council sometimes can be composed of various Student Services professionals that can hear a formal case, and also in rare cases in which the Administrative Judicial Council sends a case(s) back to a lower council. The Council also serves as an appellate council.

Student Judicial (court) Council:

Composed of Student Government Association members (Chief Justice of the SGA-presiding officer; Faculty member and staff member advisor) Council hears cases that the Dean of Students considers to be minor/moderate infractions that will constitute sanctions of probation, fines, and/or community service. Council makes recommendation to the Dean of Students to either uphold, reject, or modify sanctions imposed in the informal hearing.

Administrative Judicial Council:

Composed of a quorum of the executive cabinet of the college (Dean of Students-presiding officer-ex officio
member), the Council hears cases that the Dean of Students constitutes to be severe infractions that may lead to a recommendation of suspension or expulsion. Before proceedings began, council reserves the right to send the case back to a lower council based on the merit (s) of the infraction per reading all reports. Council also serves as an appellate council.

Note: The Dean of Students also reserves the right to meet an appellate council.

Infraction per reading all reports. Council also serves as case back to a lower council based on the merit (s) of the Students constitutes to be severe infractions that may lead member), the Council hears cases that the Dean of Students. The complaint or an official incident that is in direct violation of the Trenholm State Community College code of conduct. The notification will outline the time and place of the informal hearing, and if the student does not attend he/she invokes his/her rights to formal proceedings.

A. The student (s) involved shall be notified within three (3) working days in writing by the Dean of Students that a report has been filed involving him/her in an incident that is in direct violation of the Trenholm State Community College code of conduct. The notification will outline the time and place of the informal hearing, and if the student does not attend he/she invokes his/her rights to formal proceedings.

B. The student, at the informal hearing, is presented with charges, given an opportunity to respond to the charges presented, given an opportunity to confront his/her accuser, and an opportunity to accept/reject the proposed discipline (sanction) by the appropriate council via a signed document materialized by the Division of Student Services.

C. If sanctions are necessary and the student does not accept the discipline (sanction), based on evidence and/or witnesses that are requested by the accused to be presented/heard in formal proceedings, hearing procedures are then invoked within three (3) working days of signing the form invoking rights to formal proceedings. A time and place of the hearing will be sent to the student (s) and the appropriate council will hear the case. If the student does not sign the disciplinary form, the student automatically has the right to remove a student from campus and off campus sites until more official proceedings can materialize. In cases involving the Dean of Students, the Dean’s designee will be the presiding officer.

Disciplinary Procedures

The following rules of procedures for adjudicating alleged violations of the Trenholm State Community College Student Code of Conduct are established for use by the Student Services Disciplinary and Appeals Committees. The administration of sanctions at the college is an educational process that is not designed to be punitive, and will experientially demonstrate its intent to be of a fair, appropriate, truthful, and due processed procedure. Disciplinary procedures may be initiated by the college (Dean of Students) or by the designee of the Dean of Students. The complaint or an official incident report must be investigated prior to judicial proceedings being invoked. If a student is suspended for a semester or academic year, or expelled from the institution (permanent separation) the registrar, financial aid director, and fiscal affairs director will be notified by the Dean of Students to administratively withdraw the student from Trenholm State Community College. However, a permanent file will be maintained by the office of the Dean of Students and the Office of the Registrar.

Judicial Process

A. To ensure that Trenholm State Community College is strictly adhering to FERPA Laws, disciplinary hearings are private and confidential involving the student and the council. Hearings are closed to the campus community, media, and the general populous. The Dean of Students’ assignment of cases to the appropriate judicial council determines the hearing officer.

B. The format begins with the presentation of charge (s) and proceeds with:

D. Call for the accused to respond to the charge(s), present witnesses and/or evidence

E. Supporting testimony and information on the charge (s).

F. Presentation of the accuser’s testimony, witnesses, and/or evidence

G. Examination and questioning of accused, accuser, and possibly the witness/advisor by the members of the council

H. Deliberation by the council

I. Decision by the council to include:

J. Recall of precedent of prior sanctions made on like infraction (s)

K. Finding on a question of guilt or innocence

L. Sanctions, if any rendered to the presiding officer

M. Presiding officer renders the decision verbally to the accused, then the accuser (both parties are bound to strict confidentiality rules; if not, student (s) will be
Due Process

The following due process procedures are afforded to all ID card carrying students at Trenholm State Community College who are involved in cases which may result in disciplinary sanctions:

A. The student(s) shall be notified in writing that he/she has been perceivably involved in an incident that is in violation of the Trenholm State Community College code of conduct. The notification will be submitted to the student(s) within three (3) working days and will provide the date, time, and place of the judicial hearing.

B. The individual will be permitted to face and question his/her accuser(s) and witnesses testifying against him/her at the hearing. At the discretion of the hearing officer, both the accused and the accuser have the right to provide evidence and witnesses to prove otherwise or to speak on their behalf.

C. After due consideration of the appropriate judicial council, the council shall render to the presiding officer a verbal and/or written decision.

D. The student, if opposed to the sanction(s) rendered by a council, has the right to reject the sanction and invoke appeal proceedings.

E. The student has to provide in writing within three (3) working days of the hearing, to the Dean of Students, the basis of the appeal, new evidence, and/or new witnesses. An appeal will not be granted, unless the aforementioned are not evident.

F. The Dean of Students will decide if an appeal is warranted, and if so, notify the student and the appropriate council to schedule a date, time and location within three (3) working days of the hearing, and send the case to the appropriate council for an appeal hearing.

G. If an appeal hearing is granted, and the appellate council makes the recommendation to the Dean of Students, the student has the right to submit his/her case to the President of the college. The President will then advise the Dean of Students of a recommendation to be carried out regarding the case or correspond with the student(s) directly.

H. If the student is still not satisfied with the decision, the student has the right to submit their case to the President of the Alabama Community College System (please see ACCS Policy on the Student Services web page).

I. In cases where the student(s) has been adjudicated/pending cases in the courts of counties, state, or federal entities, and also involved in a breach of Trenholm State Community College’s code of conduct, the student’s(s) case outside of the college will determine the fate of the student’s(s) matriculation at Trenholm State Community College. The college will continue its case involving the student(s) after the external case against him/her is settled, and said student(s) might be suspended until that time.

Note: In cases in which the Dean of Students constitutes an emergency, Due Process proceedings will be foregone temporarily, and the student(s) will be removed from all premises of Trenholm State Community College until order is restored. Infractions of the college’s rules, regulations, and sanctions consisting of fines, reprimands, probation, and work assignments will not become a part of a student’s permanent record.

Rights Of Victims

In a judicial hearing, both the accused student and the victim have rights.

The rights of the victim are listed below:

- To choose whether to charge the student with a violation of the law. The victim may also formally charge him/her with a violation of the Student or Collegiate Code of Conduct, resulting in an informal hearing with a judicial council or formal hearing before the appropriate Student Services Disciplinary Council.
- To have a person(s) of their choice accompany them throughout the judicial process.
- To submit a victim impact statement to the hearing officer of the Student Life Disciplinary Council prior to a penalty being imposed.
- To have past unrelated behavior excluded from the hearing.
- To be informed of the results of disciplinary hearing, in compliance with the Campus Police and Student Right to Know Act with the permission of the Dean of Students.
- To have adjustments made in residence hall living arrangements if necessary. Trenholm State Community College has an obligation to protect members of the college community from physical harm or from a student whose continued presence on campus presents a clear and present danger to themselves or others. Notwithstanding the victim’s right to bring charges, the college reserves the right to investigate and take appropriate action against a student accused of a violent physical or verbal assault.

Responsibility of the Accused Student

- A student accused of alleged violations of the Student or Collegiate Codes of Conduct is notified to appear in the Office of Judicial Affairs for an informal hearing (conference) with the Dean of Students or notification is given in reference to a specific date and time to appear before the appropriate committee for a formal hearing.
- If the student accepts responsibility for the violation, he/she may request to waive all further hearings and accept the decision of the Judicial Officer (Dean of Students/designee) as final and binding for all purposes.
- The student may request that his/her case be heard by the appropriate council. In the event that the request is approved for a formal hearing, the Dean of Students will conduct a hearing to determine responsibility if the student denies the charges, and /or impose a penalty when responsibility is determined. The option to have a case heard by a council is not available during holidays, between semesters, or when a council is not available to meet.
- The student may request that the Dean of Students to adjudicate his/her case. The Dean of Students will conduct a hearing to determine responsibility if a student denies the charge(s), and/or to impose a sanction when responsibility is determined.
Rights of the Accused Student Violator

When a student is charged with violation of the Student or Collegiate Codes of Conduct, disposition of the student’s case shall be according to constitutional requirements of due process and in keeping with the judicial procedures outlined below.

Students charged with violations of the Trenholm State Community College Student or Collegiate Codes of Conduct are entitled to:

A. Be presented a written specification of charges.
B. Have a fair and impartial hearing.
C. Know the nature of the evidence against them and names of witnesses scheduled to appear at the time of the hearing.
D. Present evidence and witnesses in their behalf.
E. Be accompanied at a hearing by an advisor of their choice. When a student is accused of violating the Student or Collegiate Codes of Conduct and criminal charges are pending against the student, an attorney may be present.

If a student does not have present criminal charges pending, however, an attorney will not be allowed to be present during any disciplinary proceedings. When an attorney is present, his/her role is limited and passive. The attorney cannot actively participate in the hearing or ask questions of the witnesses or judicial council members. The attorney’s role is to advise the student regarding self-incrimination and to observe the proceedings.

F. Be present at the hearing during the presentation of any evidence or material on which a decision will be made. If the student fails to attend the hearing, it will be held in the student’s absence. Failure to appear after proper notification may result in suspension from the college.
G. Refuse to answer questions.
H. Ask questions of witnesses through the hearing officer only.
I. Have a decision based on evidence presented and the vote of the committee.
J. Be presented a written notice of results of the hearing.
K. A Student Advisor. Students who are alleged to have violated the Trenholm State Community College Student or Collegiate Codes of Conduct can request assistance in the identification of an advisor by contacting the Office of the Dean of Students. Students may seek advice from an individual chosen by the student. Advisors may aid the accused student in the following ways:

- Develop a fair and logical defense.
- Inform the accused student on hearing procedures.
- Be present at the hearing. Space will be made available for the advisor to sit with the accused.
- Advise the accused during the hearing at the appropriate time only and on appropriate matters relating to the hearing. The advisor is not allowed to speak during the hearing proceedings, and may not conduct the defense of in any way actively participate in the hearing.
L. Request an appeal of a decision of suspension or exclusion from the college, according to established guidelines.

Judicial Sanctions

Terms And Definitions

Admonishment. A warning to the student to refrain from any and all actions that may result in disciplinary action. No sanctions are given, unless the student violates the Trenholm State Community College rules and regulations or Student or Collegiate Codes of Conduct.

Campus-Community Service. A sanction imposed upon a student as a result of a violation of the Student or Collegiate Codes of Conduct. Service is provided by the student to a specific on-campus area or department of the college for a specific amount of hours as imposed by the judicial body. Monetary compensation is not provided. A service contract is to be signed detailing the tenets of the service to completed. NOTE: Failure to complete required campus service will result in the student being placed on a disciplinary hold, fine, or suspension from the college.

Exonerate. To clear the accused of any and all blame, with all charges being dismissed or dropped.

Fine. A monetary payment imposed as punishment for an offense. Payment must be made to the college for violations of the Student or Collegiate Codes of Conduct. NOTE: A disciplinary fine may range from $25.00 (twenty-five dollars) to $500.00 (five hundred dollars), depending upon the severity of the offense(s).

Probation. A specified amount of time, involving restrictions, after which college authorities will determine if the student’s behavior has improved. During this time period, the student may receive additional disciplinary measures resulting in suspension, if he/she is involved in violations of any type of the college Student or Collegiate Codes of Conduct and/or the breaking of any laws. The types of probation are Regular and Indefinite. NOTE: Probationary statuses range from one (1) semester through graduation. A violation of a probationary status may result in the student being immediately suspended from the college.

Loss Of Privileges. A student who receives a judicial sanction will be notified in writing of the specific privilege(s), which he/she has lost. The privileges may include removal/eviction from on-campus facilities, events, sporting, activities, and restrictions from affiliation and or representing the college. The written notification shall include the time period for which the student has lost certain privileges.

Pre-Hearing Suspension. The Dean of Students or designee may suspend students from the college pending a scheduled judicial hearing, given the severity of the infraction.

Research Assignments. Based on the nature of the offense, students may be required to complete a research assignment as a part of the service agreement on a topic related to the offense committed. The research assignment must be typed, completed and submitted by the deadline specified. It must be thorough, comprehensive, and scholarly. The completed project must also conform to other specifications that may be given by the Dean of Students or judicial body. NOTE: Failure to comply with the terms of this sanction will result in a fine or temporary suspension from the college until all matters are agreed upon by the student and the appropriate official or all requirements have been completed.
Restitution. Compensation, reimbursement of, or a required replacement of a loss, injury, or property (personal or private) by the student in violation. Restitution must be made within a specified time period. Failure to pay full restitution to the appropriate party will result in the student being placed on disciplinary hold and/or suspension. NOTE: Restitution is due in full, prior to or within the 30th day from official notification to the offender, unless otherwise approved by a judicial administrator.

Suspension. Dismissal from the college for a specific period of time following severe acts of violation of the Student or Collegiate Codes of Conduct or violation of a present probationary status. Suspensions are recorded on the student’s permanent record. Students suspended from the college are required to return their student identification card and room keys and may not return to campus for the duration of their suspension, except to conduct official business with an administrative officer or faculty member, and then only with prior permission of the Dean of Students/designee. If a student returns to the campus without permission during the period of suspension, his or her eligibility to return to Trenholm State Community College will be threatened and he/she will be subject to arrest. During the period of suspension, the student is not eligible or entitled to receive any college services. His or her name is deleted from the roster of enrolled students and from the faculty class roll. The student will not get credit for course assignment, papers, projects, make-up work, or other course-related work during the period of suspension. During the period of suspension, therefore, the student’s relationship with the college is terminated, and he or she is, in fact persona non-gratis. If a student is suspended from the college, a letter will be sent to his or her parents and the registrar, financial aid personnel, and fiscal affairs will be notified to administratively withdraw the student. Following a fully served suspension period, a student who wishes to re-enter the college must make a written request to be re-admitted to the college. The student must present a typed letter to the Dean of Students no later than (30) days prior to the beginning of the semester for which he/she is asking to be allowed to return (e.g. letter must be received 30 days before the fall semester is to begin if this is the semester the student wishes to return to the college.)

The Dean of Students will review the file of the student and determine the student’s eligibility to return to the college following a suspension period. Regardless of the fact that a student has served the specified amount of a suspension period, it is left to the Dean of Students’ discretion whether to allow re-admittance. The types of suspension are as follows: Suspension; Interim Suspension; Indefinite Suspension; Expulsion. They are defined below:

A) Suspension. Suspension period begins with an existing semester and continues through that semester or a portion of that semester; however, suspension may become effective at the beginning of a specified semester (usually the following semester) and continue through that semester and future ones.

All students and student organizations returning to “active” status at Trenholm State Community College following a disciplinary suspension will be placed on mandatory “Probationary Status” for up to one calendar year. Any violations of the probationary status within this time period may result in an additional suspension effective immediately and continuing throughout the time period recommended by the appropriate judicial council.

B) Interim Suspension. Suspension that is immediately sanctioned when charges are alleged. The suspension will remain in effect until the disciplinary hearing is held or the student has completed requirements of the sanction imposed. Suspensions of this type are usually temporary; however, if the student is found guilty of the violation(s), or fails to satisfy the requirements of the sanction imposed, the interim suspension may be changed to another sanction, including suspension or expulsion.

C) Indefinite Suspension. Dismissal or Suspension from the college to be served for a period of not less than (1) one year.

D) Expulsion. Permanent separation from the college. Expulsion is the most severe sanction that can be imposed upon a student for a violation. The student who receives a sanction of expulsion is not eligible to apply for readmission to the college and will not be allowed on the main campus or off-site campus for any reason. When a student is expelled from the college, the student’s relationship with the college is permanently severed, unless criminal acts and/or restitution is pending and the student is persona non-gratis. The student(s) should understand that an arrest will be warranted if to be found on the premises of Trenholm State Community College.

Special Notation to Students
Each violation of the Trenholm State Community College Student or Collegiate Codes of Conduct is treated separately from any other case. Disciplinary sanctions will vary accordingly, depending upon the severity of each offense. All sanctions will be determined on an individual basis; however, all mitigating circumstances are reviewed and taken into consideration by the appropriate Judicial Council, the Dean of Students or designee. Therefore, students may or may not receive similar sanctions for offenses of the same or similar nature.

Appendix: A. Disabled Student Services Grievances
A grievance is defined as the claim of an individual employee or student that there has been a violation, misinterpretation or misapplication of a rule, policy or procedure in relation to policies or the laws. The grievance procedures outlined in the faculty, staff, and students handbooks may be used by any faculty, staff, or student to resolve disability complaints.

Trenholm State Community College assures prompt and impartial consideration of any complaints, which an individual may experience in the college environment. When the circumstances require, faculty, staff, or students are encouraged to submit complaints or grievances in accordance with the procedures outlined below. Faculty, staff, or students may use this procedure without penalty or fear of reprisal. Particular attention must be given to the time period shown for each step of the grievance process. For example:

- Request for accommodations, academic adjustments, auxiliary aids, and services for individuals with disabilities are as follows:
- Request for accessible location for classrooms or offices due to a physical disability.
- Request for extended time due to a learning disability.
Informal Grievance Procedure (Disabled Student Services)

1. A grievance should be filed in writing, with the name and address of the person filing it and a briefly description of the alleged violation.
2. A grievance should be filed within 60 days of the alleged violation or such time after the complainant becomes aware of the alleged violation. (Processing of allegations of discriminations, which occurred before this grievance procedure was in place, will be considered on a case-by-case basis in a prompt and equitable manner.)
3. The investigation shall be conducted by the Dean of Students, consulting the American with Disabilities Act Compliance Officer. The investigation shall be informal but thorough, affording all interested persons and their representatives an opportunity to submit evidence relevant to a grievance.
4. A written determination as to the validity of the grievance and a description of the resolution, if any, shall be issued by the Americans with Disabilities Act Compliance Officer and acopy forwarded to the complainant no later than 10 days after its filing.
5. The Dean of Students and the Americans with Disabilities Act Compliance Officer shall maintain the files and records of Trenholm State Community College relating to the complaints filed.

Formal Grievance Procedure (Disabled Support Services)

If the informal grievance process has not led to a mutually satisfactory resolution of the problem at the written request of the faculty, staff, or student, the Dean of Students will refer the matter to the Administrative Council. The Administrative Council will be comprised of three full-time, non-academic employees appointed by the Dean of Students. The committee’s purpose is to review the grievance thoroughly and render a decision. The committee’s decision can be appealed to the Dean of Students and an appeals process shall be invoked within three (3) business of the request.

After a thorough review of the grievance, the committee shall have five (5) working days to render a written decision to the Dean of Students. The Dean of Students shall review the recommendation and make a written recommendation to the President. The decision will be communicated within ten (10) working days to the faculty, staff, or student that filed the grievance or the appeal. The decision of the President shall be final for the college. The student has the right to submit their case to the Office of the Chancellor of the Alabama Community College System (ACCS).

VA Complaint Policy

Any complaint against the school should be routed through the VA GI Bill Feedback System by following the link: http://www.benefits.va.gov/GIBILL/Feedback.asp. The VA will then follow up through the appropriate channels to investigate the complaint and resolve it satisfactorily.

General Education Requirements

Since general education courses provide students with a solid understanding of a wide variety of subjects and methods of learning, the general education courses are required of all students seeking an Associate in Applied Science (AAS) Degree. General education courses also provide students with an exposure to broader and more varied intellectual concepts, thereby impacting each program by providing more quality and enhancing marketability of graduates.

To ensure preparedness of all students seeking an AAS, the College has developed the following general education competencies which are assessed throughout the year in identified general education courses: computer literacy skills, computational skills, oral communication skills, and written communication skills.

Graduation Requirements

Associate in Arts Degree

A student shall be awarded the Associate in Arts degree upon satisfactory completion of the requirements of a specific program in accordance with policies of the Alabama Community College System. A student must:

1. Satisfactorily complete an approved program of study, including prescribed general education courses.
2. Earn a 2.0 cumulative grade point average in all courses attempted. The calculation of the grade point average for graduation shall not include grades earned for transitional courses. All grades earned in courses which have been repeated will be calculated into the cumulative grade point average. However, only the last grade awarded in a course will be used in calculating the cumulative grade point average for graduation purposes.
3. Complete at least 25% of the total semester hours at the College.
4. Must satisfy all requirements for graduation within one calendar year from the last term of attendance. This timeframe includes credits earned at other colleges.
5. Fulfill all financial, academic, and admissions obligations to the College.
6. Submit an “Intent to Graduate” form, with graduation fee (if applicable), to the Office of Admissions and Records at the time of registration for the final semester of enrollment. This form must have the completed degree plan attached.

Associate in Science Degree

A student shall be awarded the Associate in Science
Admissions and Records Policies

A student must:

- Satisfactorily complete an approved program of study, including prescribed general education courses.
- Earn a 2.0 cumulative grade point average in all courses attempted. The calculation of the grade point average for graduation shall not include grades earned for transitional courses. All grades earned in courses which have been repeated will be calculated into the cumulative grade point average. However, only the last grade awarded in a course will be used in calculating the cumulative grade point average for graduation purposes.
- Complete at least 25% of the total semester credit hours at the College.
- Must satisfy all requirements for graduation within one calendar year from the last term of attendance.
- Fulfill all financial, academic, and admissions obligations to the College.
- Submit an “Intent to Graduate” form, with graduation fee (if applicable), to the Office of Admissions and Records at the time of registration for the final semester of enrollment. This form must have the completed degree plan attached.

Associate of Applied Science Degree

A student shall be awarded the Associate in Applied Science degree upon satisfactory completion of the requirements of a specific program in accordance with policies of the Alabama Community College System. A student must:

- Satisfactorily complete an approved program of study, including prescribed general education courses.
- Earn a 2.0 cumulative grade point average in all courses attempted. The calculation of the grade point average for graduation shall not include grades earned for transitional courses. All grades earned in courses which have been repeated will be calculated into the cumulative grade point average. However, only the last grade awarded in a course will be used in calculating the cumulative grade point average for graduation purposes.
- Complete at least 25% of the total semester hours at the College.
- Must satisfy all requirements for graduation within one calendar year from the last term of attendance.
- Fulfill all financial, academic, and admissions obligations to the College.
- Submit an “Intent to Graduate” form, with graduation fee (if applicable), to the Office of Admissions and Records at the time of registration for the final semester of enrollment. This form must have the completed degree plan attached.

Multiple Degrees

To receive a second Associate Degree from Trenholm State Community College, a student must earn a minimum of twenty (20) semester credit hours beyond the requirements for the first degree and which are a part of the program requirements for the second degree. Also, a student must meet all other graduation requirements.

Regular Certificate

A student may be granted a regular certificate upon satisfactory completion of the requirements of the specific program in accordance with the Alabama Community College policies. To earn a Regular Certificate a student must:

- Satisfactorily complete an approved program of study.
- Earn a 2.0 or above cumulative grade point average in all courses attempted. The calculation of the grade point average for graduation shall not include grades earned in transitional courses. All grades earned in courses repeated will be calculated into the grade point average. However, the last grade earned in a course will be used in calculating the cumulative grade point average for graduation purposes.
- Complete at least 25% of the total semester credit hours required in the program at Trenholm State Community College.
- Must satisfy all requirements for graduation within one calendar year from the last term of attendance.
- Fulfill all financial, academic, and admissions obligations to the College.
- Submit an “Intent to Graduate” form, with graduation fee (if applicable), to the Office of Admissions and Records at the time of registration for the final semester of enrollment. This form must have the completed degree plan attached.

Short Term Certificate

To earn a Short Term Certificate a student must:

- Satisfactorily complete an approved program of study.
- Earn a 2.0 or above cumulative grade point average in all courses attempted. The calculation of the grade point average for graduation shall not include grades earned in transitional courses. All grades earned in courses which have been repeated will be calculated into the grade point average. However, the last grade earned in a course will be used in calculating the cumulative grade point average for graduation purposes.
- Complete all credit hours required in the program at Trenholm State Community College.
- Fulfill all financial, academic, and admission obligations to the College.
- Submit an “Intent to Graduate” form, with graduation fee (if applicable), to the Office of Admissions and Records at the time of registration for the final semester of enrollment. This form must have the completed degree plan attached.

Teach-Out When Closing a Degree Program or Certificate Program

In the event that Trenholm State Community College should decide to close a degree program or a certificate program, the College will make every effort to teach out currently enrolled students. The College will inform the community that no additional students will be accepted into the program. Students who have not completed their
programs will be advised by faculty regarding suitable options including transfer to comparable programs. The College may offer the courses required for graduation by students enrolled in the program at the time of closure until all those students have had an opportunity to complete their degrees.

**Intent to Graduate/Commencement Ceremony**

A student is responsible for submitting an “Intent to Graduate” form the semester before the student plans to graduate. The Intent to Graduate form is located on the College’s website at www.trenholmstate.edu under Current Students tab and on the Student Forms page.

All candidates wishing to participate in the commencement ceremony will be charged a graduation fee of $45.00, which qualifies them to receive a document cover, mortar board, gown and tassel and the opportunity to march in the commencement ceremony. All candidates will receive their degrees six to eight weeks after the semester in which they graduate.

All candidates are encouraged to participate in the annual commencement ceremony which will be held in May of each year. Candidates not wishing to participate in the commencement ceremony will also be charged a graduation fee of $45.00. Graduates will receive their degree, six to eight weeks after the ceremony.

Candidates for graduation must submit an “Intent to Graduate” form regardless of whether the candidate intends to participate in the commencement ceremony. This must be done the semester before the student plans to graduate. This insures that the candidate’s status as a graduate is recorded on his/her transcript. Degrees must bear the signatures of the College president, chancellor of the Alabama Community College System (ACCS) and governor of the State at the time of the student’s graduation.

**Honors and Awards**

**Dean’s List**

A Dean’s List shall be compiled at the end of each semester. The requirements for the Dean’s List shall be:

- A grade point average for the term of 3.5 to 3.99 on a 4.00 scale.
- A completion of 12 credit hours of college-level work for the semester. Transitional courses do not count toward the minimum course load requirement.

**President’s List**

A President’s List shall be compiled at the end of each semester. The requirements for the President’s List shall be:

- A grade point average for the term of 4.0 on a 4.0 scale.
- A completion of 12 credit hours of college-level work for the semester. Transitional courses do not count toward the minimum course load requirement.

**Associate in Science (AS) and Associate in Arts (AA)**

College Transfer - Course work leading to the Associate in Arts (AA) and the Associate in Science (AS) degrees are designed to prepare students to transfer to a four-year college or university to pursue a Bachelor of Arts or a Bachelor of Science degree. Students are assigned to advisors in the General Education and Social Sciences Division. Degree plans have been outlined in the catalog to guide students in the choice and sequence of particular courses.

**Associate in Applied Science Degree (AAS)**

The Associate in Applied Science degree is a specialized degree in a specific technical field. The degree is awarded on the basis of completion of an approved Degree Plan which includes specific technical courses from the technical area plus designated general education requirements. Requirements are listed with the program descriptions.

**Certificate**

Each Certificate program is designed to prepare the student for employment in one of a number of technical or skilled jobs in a specific occupational area. Each program requires in-depth technical preparation supported by related general education courses. The award is based upon completion of an approved Degree Plan.

**Short Term Certificate**

Each Short Term Certificate program is designed to provide specialized preparation in a specific technical skill. The program requires a number of closely related technical courses. The Short Term Certificate is appropriate for an individual who plans to enter a job requiring specific technical skills or for a currently employed individual who needs to develop a new skill or to upgrade an existing skill. The award is based upon completion of an approved Degree Plan.

**Definition of Academic Major/Area of Concentration**

A “major” refers to the student’s selected field of concentration.

**Commencement Honors**

Candidates for commencement will be recognized in the printed program for academic achievement. Recognition will be given according to the following designations:

**Associate in Applied Science (AAS), Associate in Arts (AA) or Associate in Science (AS)**

- Graduation with Honors (3.50 - 3.69 cumulative GPA)
- Graduation with High Honors (3.70 - 3.89 cumulative GPA)
- Graduation with Highest Honors (3.90 - 4.00 cumulative GPA)

**Certificate**

- Graduation with Distinction (3.50 - 4.00 cumulative GPA)

In order to be eligible for any academic honor, a candidate must have completed a minimum of thirty (30) semester hours of credit at Trenholm State.
Enrollment Verification

Trenholm State Community College has authorized the National Student Clearinghouse to act as the agent for all verifications of student enrollment and provide verification of degrees. Requestors should use www.studentclearinghouse.org for enrollment verification and www.degreereview.org for degree verification. The telephone number is (703) 742-4200, Monday – Friday, from 9:00 a.m. to 7:00 p.m., Eastern Standard Time. The fax number is (703) 742-4239. The email address is enrollmentverify@studentclearinghouse.org. The mailing address is listed below.

National Student Clearinghouse
2300 Dulles Station Blvd., Suite 300
Herndon, VA 20171

Through Enrollment Verify, the National Student Clearinghouse will process enrollment verifications, on your behalf, for the following types of companies:

- Credit Issuers: verification for students who have applied for student cards.
- Travel Companies: verification for students who have applied for discounted student travel.
- Housing Providers: verification for students who have applied to rent property.
- Scholarship Providers: verification for students who have been awarded scholarships.
- Consumer Product Companies: verification for students who have applied for student discounts when purchasing computers, books, etc.
- Requests by Students and Parents: many companies, including health insurers, ask student directly to provide proof of current enrollment. Students and parents can use the National Student Clearinghouse Enrollment Verify website to download or print certifications.

Family Educational Rights and Privacy Act of 1974 (FERPA)

Student Records Policy

Federal law governs how colleges and universities supervise student educational records. Trenholm State Community College adheres to the Family Educational Rights and Privacy Act (FERPA) of 1974. This act is designed to protect the privacy of students’ educational records. FERPA also establishes the rights of students to inspect and review their educational records; it provides guidelines for the correction of inaccurate or misleading data through informal and formal hearings; and establishes the rights of students to file complaints with the FERPA Office. Students will be notified by publication of the regulations in the College Catalog/Student Handbook. The College shall not permit access to or allow the release of education records or personally identifiable information contained therein, other than directory information as defined within the paragraph titled ‘Directory Information,’ without the written consent of the student, to any party other than the following:

- Other school officials and teachers of the College who have been determined by the College to have legitimate educational interests;
- Officials of schools or school systems in which the student seeks or intends to enroll, upon the condition that the student may receive a copy of the record, if desired, and have an opportunity for a hearing to challenge the content of the record;
- Certain authorized representatives of federal departments/agencies or state educational authorities for purposes of audits, evaluative studies, etc. Data collected will be protected in a way which prevents personal identification except when specifically authorized by federal law;
- State and local officials or authorities to which such information is specifically required to be reported or disclosed pursuant to State statute adopted prior to November 19, 1974;
- Organizations conducting studies for, or on behalf of, educational agencies or institutions for the purpose of developing, validating, or administering predictive tests, administering student aid programs and improving instruction, if such studies are conducted in such a manner as will not permit the personal identification of students by persons other than representatives of such organizations and such information will be destroyed when no longer needed for the purpose for which it is conducted;
- Accrediting organizations in order to carry out their accrediting functions;
- Parents of a student who is a dependent for income tax purposes;
- A lawful subpoena or court order;
- Other appropriate persons in an emergency to protect the health or safety of the student or others. Students shall have access to all such information in accordance with the procedures outlined in this statement with the exceptions specified within the following paragraph.

Definition of Educational Records

Student educational records are defined as those records, files, documents and other materials which contain information directly related to a student and are maintained by the College or by a person acting for the College. Specifically excluded from the definition of “educational records” and not open to student inspection are the following materials:

- Records of instructional, supervisory and administrative personnel that are in the sole possession of the maker and accessible only to the maker or a designated assistant to the maker;
- Records of campus security, except in those instances where they have been transmitted within the College for administrative purposes;
- Records which are created or maintained by a physician, psychiatrist, psychologist or other recognized professional or paraprofessional acting in capacity or assisting in that capacity.
- Records created, maintained or used only in connection with the provision of treatment to the student will not be available to anyone other than persons providing such treatment or who could not be involved officially within the College, but such records are available to a physician or appropriate professional of the student’s choice.

Definition of Student

For the purpose of this policy, a “student” is defined as any person who is or has been officially enrolled in and is attending or has attended any course offered at the College. This definition does not include prospective students.
Directory Information

The following categories of information with respect to each student have been designated by the College as directory information which may be made available to the public, absent a student’s request that any such information should not be released without the student’s prior consent:

- Student’s name, address, telephone number
- Date and place of birth
- Dates of attendance
- Educational agencies or institutions most recently attended by the student
- Program of study, degree desired and classification
- Participation in officially recognized clubs, organizations and activities
- Degrees and awards received.

If a student has an objection to any of the aforementioned information being released during a given semester or academic year, the student should notify, in writing, the Dean of Students during the first three weeks of the semester or academic year.

Location of Records

The College has designated the following officials as responsible for student records within their respective areas of responsibility:

<table>
<thead>
<tr>
<th>Type</th>
<th>Location</th>
<th>Person Responsible</th>
</tr>
</thead>
<tbody>
<tr>
<td>Permanent Records</td>
<td>Office of Admissions and Records</td>
<td>Director of Admissions and Records</td>
</tr>
<tr>
<td>Admissions Records</td>
<td>Office of Admissions and Records</td>
<td>Director of Admissions and Records</td>
</tr>
<tr>
<td>Financial Records</td>
<td>Business Office</td>
<td>Dean of Finance</td>
</tr>
<tr>
<td>Financial Aid Records</td>
<td>Office of Financial Aid</td>
<td>Financial Aid Officer</td>
</tr>
<tr>
<td>ADA/504</td>
<td>Office of Student Services</td>
<td>Dean of Students</td>
</tr>
</tbody>
</table>

These officials shall hereinafter be referred to as “records officials.” Each official is responsible for maintaining a listing of student records. The listing shall indicate the location and general content of the records. A student’s request concerning his/her records or files, including requests that information not be disclosed to the public, requests for disclosure to third parties and requests for access by the student shall be directed to the appropriate records official listed above. Forms for all such requests may be obtained from these officials. The appropriate records official will also attempt to resolve any challenges to the records at an informal hearing with the student. If an agreeable solution is not reached, the records officials will refer the student and his/her challenge to the College Hearing Officer, who shall set a hearing within ten (10) days for the final decision.

To inspect a personal folder or file, a student shall submit a written request signed by the student to the appropriate records official, and if not personally submitted by the student, then the student’s signature shall be acknowledged by the affidavit of a Notary Public. The request for inspection shall be acted upon within forty-five (45) days from the date the request is received. If in the opinion of the appropriate records official, inspection can reasonably be accomplished by providing copies of said documents, such copies shall be made and provided to the student.

Limitations of Access

The right of inspection of personal information described in the above paragraph does not include:

- Financial records of the parent(s) of the student or any information contained therein,
- Confidential letters and statements of recommendation which were placed in the education records prior to January 1, 1975, if such letters or statements are not used for purposes other than those for which they were specifically intended, or
- Other confidential records, access to which has been waived by the student in accordance with policy concerning waivers.

Challenging the Contents of the Records

After inspecting his/her record, a student may request an explanation to challenge any part of the contents of such record. The student shall submit a written request for a hearing in the same manner and under the same procedures as provided within the preceding section titled, “Location of Records.”

The request for hearing should identify the item or items in the file to be challenged and state the grounds for the challenge, e.g., inaccuracy, misleading information or inappropriateness, etc. The records official shall examine the contested item, shall hear the person responsible for placing the item in the file, if appropriate and possible, and shall examine any documents or hear any testimony the student wishes to present. The records official may decide that the contested item should be retained, deleted or revised or the records official may refer the matter to the hearing officer who shall set a hearing within ten (10) days for a final decision. In the event, any part of the challenged item will be retained; the student shall be allowed to place a written explanation in his/her file. A written decision shall be hand-delivered or mailed to the student within ten (10) days from the date such hearing is concluded, either by the records official or the hearing officer.

Waiver of Access

A person applying for admission may waive the right of access to confidential statements concerning his/her application for admissions, financial aid, employment, honorary recognition(s) or any other benefit made available by the College. No such application shall be denied because of the student’s failure or refusal to sign such waiver.

Providing Records to Third Parties

The general policy of Trenholm State Community College is to refuse access to student records to third parties.
without the written consent of the individual student. Should a student wish to have such records released, a written request must be directed to the proper records official specifying the records to be released, the person and address to whom records are to be released, and a request for copies to the student, if desired. Trenholm will then transfer or grant access to the information. A record of requests of access, the legitimate interest involved, and action taken will be placed in the student’s file for all requests of the file, except those from school officials as noted in paragraph one.

The Director of Admissions and Records will supervise the inspection of individual student records, and the student’s record file shall not be taken from the designated records office. The student may obtain one unofficial copy of his/her academic record in writing. An unofficial copy is defined as copy that does not bear the official seal of the College embossed on the record, but otherwise an official copy when released by the College’s records official.

The Director of Admissions and Records, or designee, is the only person authorized to reproduce copies of official transcripts. Transcripts of records received from other colleges or universities become the property of Trenholm State Community College. Records of documents received from third parties will not be reproduced.

Annual Notification of FERPA Rights

The College is required by the provisions of the Family Educational Rights and Privacy Act (FERPA) to provide students annual notification of their FERPA rights. Students will be notified by publication of the regulations in the College Catalog/Student Handbook. FERPA information is available on the College’s website.

A student who believes his or her FERPA rights have been violated can file a complaint with the Family Policy Compliance Office at the U.S. Department of Education.

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, D.C. 20202-5920
Phone: 1-800-USA-LEARN (1-800-872-5327)

Records Retention and Disposal

All records are safely secured at the College and are retained and disposed of in accordance with policies established by the Alabama Department of Archives and History and the Alabama Community College System.

Changes in the Policy

This statement is subject to change by any additional Federal regulations or court decisions that may modify or negate any portion of these regulations. This statement of policy will be published in future College publications, where applicable.

Transcript Policy

The transcript policy of the College includes the following:

- In compliance with the Family Educational Rights and Privacy Act (FERPA), the College does not release transcripts of a student’s work except upon

Request for official transcripts should be sent to:

Trenholm State Community College
Office of Admissions and Records
P.O. Box 10048
Montgomery, Alabama 36108

Name, dates of attendance, social security number, fee (if any), and the address to which the transcript is to be sent are to be included in the request. NOTE: Students with name changes should include ALL former names.

The Office of Admissions and Records does not issue or reproduce transcripts from other institutions. Requests for transcripts of work where the student previously attended must be directed to those institutions.

Request Official Transcripts Online

To request an OFFICIAL transcript online:

1. Log in to “My Trenholm” using your student ID number and PIN
2. Click on Student Information Center on the Main Menu
3. Click on Student Records
4. Click on Transcript Request
5. A new window will open with instructions prompting you to complete the request

In-State Tuition Rates

Students or prospective students described in either Part A or Part B below shall be eligible for “In-State” tuition rates.

A. Resident Students

A “resident student” is a person who:

1. is a citizen of the United States who has been a legal resident of the State of Alabama for at least one year immediately preceding registration, or whose non-estranged spouse has been a legal resident of the State of Alabama for such period, or (in the case of dependent students) whose parents or legal guardian has been a legal resident of the State of Alabama for such a period; or

2. is a member of the Armed Forces of the United States and officially stationed in Alabama at the time of registration, or whose non-estranged spouse, or (in the case of dependent students) whose parents or legal guardian is a member of the Armed Forces of the United States and officially stationed in Alabama at the time of registration, or who has, or whose non-estranged spouse has, been discharged from the Armed Forces and has formally declared Alabama as his or her state of domicile; or

3. currently resides in Alabama and is an “immigrant,” that is, a non-citizen admitted for permanent residence who has been issued an Alien Registration Receipt Card by the Immigration and Naturalization Service; or

4. currently resides in Alabama and is a “Parolee,” that is, a non-citizen who has been “paroled” into the United States at the discretion of the United States Government and who has been issued an “I-94 Card” stamped “Parolee.” (Examples are Cubans and Vietnamese who have left their native countries for political reasons); or

5. currently resides in Alabama and is an “Entrance,” that is, a non-citizen who has been allowed into the United States at the discretion of the United States Government and who has not been issued an Alien Registration Receipt Card. (Examples are Cambodian refugees and Haitians).

B. Non-Resident Students Eligible for In-State Tuition Rates

Also eligible for In-State tuition rates, whether or not he or she is a resident of Alabama, is a person who:

1. is a dependents* whose parent(s)* or legal guardian* has taken full-time permanent employment in Alabama; or

2. is not a dependents* but who holds full-time permanent employment in Alabama or whose non-estranged spouse* holds permanent full-time employment in Alabama; or

3. is incarcerated in a State or Federal correctional institute in Alabama; or

4. is eligible for in-state tuition in a state contiguous to Alabama which has a reciprocal tuition agreement with the State of Alabama Board of Education.

NOTE: * Neither the student nor parent, guardian, or spouse need be a resident of Alabama. The term “dependent” shall be defined in accordance with the Internal Revenue Code.

VA Certificate of Compliance

It is hereby resolved that Trenholm State Community College in the State of Alabama is in compliance with Section 702 – Tuition under Veteran’s Access Choice and Accountability Act of 2015, providing for resident (in-state) tuition and fees for the following:

• A Veteran using educational assistance under either chapter 30 (Montgomery G.I. Bill – Active Duty Program) or chapter 33 (Post 9/11 G.I. Bill), of title 38, United States Code, who lives in the State of Alabama while attending a school located in the State of Alabama (regardless of his/her formal State of residence) and enrolls in the school within three years of discharge from a period of active duty service;

• Anyone using transferred Post – 9/11 G.I. Bill benefits (38 U.S.C. § 3319) who lives in the State of Alabama while attending a school located in the State of Alabama (regardless of his/her formal State of residence) and enrolls in the school within three years of the transferor’s discharge from a period of active duty service;

• A spouse or child using benefits under the Marine Gunnery Sergeant John David Fry Scholarship (38 U.S.C. § 3311 (b) (9) who lives in the State of Alabama while attending a school located in the State of Alabama (regardless of his/her formal State of residence) and enrolls in the school within three years of the Service member’s death in the line of duty following a period of active duty service.

• Anyone described above while he or she remains continuously enrolled (other than during regularly scheduled breaks between courses, semesters, or terms) at the same school. The person so described must have enrolled in the school prior to the expiration of the three-year period following discharge or death described above and must be using educational benefits under either chapter 30 or chapter 33, of title 38, United States code.

Out-of-State Tuition Rates

Any student who does not fall into one of the categories described in the preceding section for In-State tuition eligibility shall be subject to payment of tuition and fees at the “Out-of-State” rate. The Out-of-State tuition rate is 2.00 times that of the In-State tuition rate.
Graduation Fee

A $45.00 non-refundable Graduation Fee is due at the time the Intent to Graduate Form is submitted during registration for the last term of attendance.

Library Card / ID Fee

Each student is issued one Library Card/ID the first semester of enrollment at no cost. Students must wear their ID at all times while on campus. Loss of an ID must be reported to the College Library at 420-4455. There will be a $30.00 charge for a replacement ID.

Liability Insurance Fee

The Liability Insurance Fee for all Health Services Programs and the Early Child Care and Education Program is $16.25 per year. The insurance fee for the Emergency Medical Technician/Paramedic Program is $34.40 per clinical course.

Payment

All students, except sponsored students, are required to pay the full amount of tuition and fees at the time of registration. Sponsored students whose expenses are paid by agencies such as Vocational Rehabilitation Service, Alabama Veterans Affairs, employers, etc. must have written authorization from the appropriate agency on file in the Financial Aid Office in order to register for classes without personally paying the tuition and fees.

Students not completing payment at the time of registration will have that registration voided and will have to repeat the full registration process. Students may not attend classes until all tuition and fees have been paid.

H. Councill Trenholm State Community College accepts cash, Visa, MasterCard or Discover for payment.

Payment Plan

Trenholm State Community College offers a tuition payment plan solution through NelNet Business Solutions. This service provides students an opportunity to spread their tuition costs into affordable monthly payments with no interest. Payment options are flexible and setup fees are affordable. To enroll visit www.mycollegepaymentplan.com/trenholm.

Refund Policy

Partial Withdrawal

Students who do not completely withdraw from the college but drop a class during the regular drop/add period will be refunded the difference in the tuition paid and the tuition rate applicable to the reduced number of hours, including fees appropriate to the classes dropped. There is no refund due to a student who partially withdraws after the official drop/add period. The last day to drop/add is published as part of the College calendar and conforms to the guidelines issued from the Alabama Community College Office.

Complete Withdrawal

Students who officially or unofficially withdraw from all classes for which they are registered before the first day of class for the semester/term will be refunded the total amount of tuition and other refundable fees. The “first day of class” is the first day classes are offered within any term configuration, including, but not limited to, full terms, split terms, mini-terms and weekend terms. Students who officially or unofficially withdraw completely on or after the first day of class, but prior to the end of the third week of class will be refunded according to the withdrawal date, as follows:

<table>
<thead>
<tr>
<th>Withdrawal Date</th>
<th>Refund Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>Complete Withdrawal before the official first day of class</td>
<td>100% refund</td>
</tr>
<tr>
<td>Complete Withdrawal during first week</td>
<td>75% refund</td>
</tr>
<tr>
<td>Complete Withdrawal during second week</td>
<td>50% refund</td>
</tr>
<tr>
<td>Complete Withdrawal during third week</td>
<td>25% refund</td>
</tr>
<tr>
<td>Complete Withdrawal after the end of the third week</td>
<td>NO REFUND</td>
</tr>
</tbody>
</table>

An administrative fee not to exceed 5% of tuition and other refundable institutional charges shall be assessed for each withdrawal within the period beginning the first day of class and ending at the end of the third week of class. The first official day of class is indicated on the College calendar as the day that classes begin. There is only one first day of class. This day may not be the first day on which all classes begin. The calendar also indicates the last day to drop/add. For calculating refunds during the fall and spring sixteen-week terms, a “week” is defined as seven calendar days, i.e. the first day of class running seven calendar days (inclusive of Saturday and Sunday). Refunds of shorter than sixteen weeks, such as summer terms, mini-terms, split terms and weekend terms, will reflect a prorated week based on the number of days in the term.

Example:

<table>
<thead>
<tr>
<th>Classes begin June 14, student withdraws June 17.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fourth day = 75% Refund due.</td>
</tr>
<tr>
<td>Tuition/fees paid: $648.00</td>
</tr>
<tr>
<td>x 0.75</td>
</tr>
<tr>
<td>$486.00</td>
</tr>
<tr>
<td>Administrative Fee: -32.40</td>
</tr>
<tr>
<td>Round to nearest dollar $453.60</td>
</tr>
<tr>
<td>Refund amount: $454.00</td>
</tr>
</tbody>
</table>

Financial Aid Return of Title IV Funds Policy

1. If a student totally withdraws from school, he/she will be evaluated for earned aid based on the percentage of time he/she has been enrolled in the term.
2. If a student has received more aid than earned at the point of withdrawal, the student must repay the Title IV fund.
3. If the student has earned aid that has not been disbursed according to the percentage of time enrolled in the term, the student may be eligible for a
post-withdrawal disbursement.

4. If a student fails to attend any classes for which he/she is enrolled, no financial aid will be awarded for those courses. Students must drop all non-attended classes during drop/add to avoid out-of-pocket expense.

5. If a student owes a repayment to Title IV for grant aid, the student’s portion of the repayment may be reduced by 50%.

Financial Aid Overpayment Policy

In accordance with C.F.R. 668.61, if there is a financial aid overpayment, the student must make satisfactory repayment arrangements with the U. S. Department of Education within 45 days.

For additional information concerning Financial Aid at Trenholm State Community College, telephone the Financial Aid Office at (334) 420-4321 or write the Financial Aid Office at PO Box 10048, Montgomery, Alabama, 36108.

Ineligibility for Refund

Students who are withdrawn by Trenholm State Community College for disciplinary reasons, for non-payment of tuition and fees, or for other similar reasons, are not eligible for a refund.

Refund Payment

Refunds are processed after the drop/add period. Students paying tuition and fees by cash will be issued a refund check. The check will be mailed to the home address of the student. Students paying tuition and fees by credit card will have the amount of the refund credited to their account.

Refund for Alabama National Guard and Reservists Called to Active Duty

Students who are active members of the Alabama National Guard or reservists or who are active duty military who are called to active duty by executive order of the President of the United States or a State Governor in the time of national crisis may receive a refund of tuition and other appropriate institutional charges at the time of withdrawal. If a National Guard Student is receiving Title IV funding, a recalculation must be performed as required by Federal Title IV regulations, which could result in less than a 100% refund.

Exceptions to Refund Policy

The President has the authority to make exceptions to the refund policy in the event of the death of a student or of a family member or other catastrophic event requiring the student to leave the institution.

Returned Checks

Two-year colleges have been authorized by the Alabama Community College System Board of Trustees to charge for each check that is issued to the institution and is returned for insufficient funds or other reasons. A fee will be charged for any check written to the College, which is returned. The current amount of the returned check fee allowed by state law is $30.00, which is the maximum allowed by state law. The College utilizes a third-party to collect and process returned checks.

Students with returned checks will be placed on processing hold until all charges have been paid and will remain on a “cash-only” basis thereafter.

Failure to Receive Financial Aid Disbursement Check

All students are required to maintain current mailing address information through the Office of Admissions and Records. If a student fails to receive a financial aid disbursement check which has been mailed, a 21-day waiting period will be in effect from the date the check was mailed before the replacement process will be initiated.

Books and Supplies

Students must purchase their own textbooks, workbooks, equipment, materials, and supplies as specified for their particular major. Trenholm State’s Bookstore is available online only. Trenholm State has partnered with e-Campus.com for student book needs. Students must order their books through their “My Trenholm” portal or http://trenholmstate.ecampus.com/. Many classes have the option to buy new or used books, rent textbooks, or rent digital eBooks. Students will be personally responsible for all unallowable charges to financial aid, such as duplicate book purchases. Disabled Veterans using benefits under the Chapter 31 Program will need to come to the Business Office to purchase their books in order to obtain the required signatures. Orders will be delivered directly to the student’s home. Detailed ordering instructions can be found on the Trenholm State website under the Bookstore section or by following this link http://www.trenholmstate.edu/uploads/files/e-Campus_detailed_ordering_instructions.pdf.

Any specialty items such as tools, supplies, or equipment for Financial Aid awards limited to Veteran Affairs (VA) and Workforce Innovation and Opportunity Act (WIOA) may be ordered through Trenholm State’s Business Office located on the Trenholm campus.

Bookstore Return Policy

Items purchased from the online bookstore may be returned in accordance to e-Campus.com Return and Refund Policies. Students are responsible for shipping books back to e-Campus. Return and Refund Policies can be found on http://trenholmstate.ecampus.com/help/topic/after-you-order/2.
Purpose

The purpose of student financial aid at H. Councill Trenholm State Community College is to assist students who have financial need to help meet the cost of their education. The College believes that no individual should be denied an education because of inadequate financial aid resources. Consequently, financial aid is available at the College for those students who apply and qualify.

Application Procedures

In order to determine eligibility for Federal Student Aid (FSA) Programs, the student must file the Free Application for Federal Student Aid (FAFSA). The fastest and easiest way to apply is online at www.fafsa.gov. The Federal Processing Center will determine the student’s initial eligibility based on a standard formula established by Congress. However, final eligibility for financial aid is determined at the College by the financial aid staff. The student is also required to complete both the College’s Admission Application and the admissions process before any Federal funds can be awarded.

Approximately three to five business days after completing the FAFSA online, the College and the student will receive from the Federal Processing Center either an electronic response in the form of an Institutional Student Information Report (ISIR) or a paper response in the form of a Student Aid Report (SAR). Upon receiving a SAR, the student is not required to submit the SAR to the Financial Aid Office for evaluation provided the College’s Federal School Code 005734 is listed on the Student Aid Report. However, the student is responsible for following up with the Financial Aid office.

If the ISIR/SAR has been selected for verification, the student will be asked to provide documents to check the accuracy of the information. The Financial Aid staff may assist the student with correction(s), if required.

All transfer students applying for Federal Student Aid (FSA) must request an academic transcript from each postsecondary institution previously attended to be sent to the Office of Admissions and Records at the College. The student’s financial aid file will not be complete until all required documents are received at the College.

Each term, Federal Student Aid (FSA) credit balance checks are disbursed fourteen (14) days after the first day of classes to those students who have this type of balance. Federal Student Aid (FSA) disbursements are mailed to the recipients’ home addresses on file in the Office of Admissions and Records.

Effective fall 2015, Trenholm State Community College began paying Federal Pell Grant awards in two (2) disbursements beginning with the fall semester, which constitutes the first semester of the award year, to financial aid recipients enrolled in credit-hour programs, as measured in credit-hours attempted. Financial aid recipients enrolled in clock-hour programs, as measured in cumulative clock-hours required to complete and expressed in calendar time, will also receive one half of their scheduled Pell Grant award during their first semester enrolled. Future disbursements will be made based on the number of clock hours completed by financial aid recipients enrolled in clock-hour programs at the College.

Recipients must reapply for Federal Student Aid (FSA) on or after October 1 of each year for the next fall semester.

Student Eligibility

To receive Federal financial aid, a student must:

- Have either a high school diploma or GED certificate or completed a high school education in a homeschooled setting approved under state law;
- Be enrolled as a regular student in an eligible program;
- Be a U.S. Citizen or eligible noncitizen with a valid Social Security Number;
- Demonstrate financial need;
- Maintain Satisfactory Academic Progress (SAP) once enrolled at the College;
- Sign a statement of educational purpose/certification statement on refunds and defaults;
- Not be in default on any loan or owe a refund on any grant made at any institution under Title IV of the Higher Education Act of 1965, as amended (Title IV, HEA Program);
- Register with Selective Service if male between the ages of 18 and 25.

The amount of Federal Student Aid (FSA) a student is eligible to receive is based on the Expected Family Contribution (EFC) assigned by the Federal Processing Center, the cost of attendance at the College, the enrollment status of the student and other information provided by the student.

The Priority Dates, at the College, for filing the Free Application for Federal Student Aid (FAFSA) each year are as follows: January 1, for the upcoming fall semester, November 2 for the upcoming spring semester and March 1 for the upcoming summer term.

Types of Assistance

The College participates in the following Federal Student Aid (FSA) Programs as authorized by Title IV of the Higher Education Act of 1965, as amended (Title IV, HEA Program):

- The Federal Pell Grant;
- The Federal Supplemental Educational Opportunity Grant (FSEOG);
- The Federal Work-Study Program (FWSP);

The College also participates in the State of Alabama Leveraging Education Assistance Partnership Program (LEAP) which is referred to as the Alabama Student Assistance Program (ASAP). Additional information about this Program can be obtained by contacting the Financial Aid Office at (334) 420-4292.

Federal Pell Grant Program

The Federal Pell Grant Program is the largest grant program available. A Federal Pell Grant, unlike a loan, does not have to be repaid. Federal Pell Grants are awarded usually to eligible undergraduate students who have not earned a bachelor’s degree or professional degree and who are enrolled in an eligible program. A professional degree is usually earned in a field such as medicine, law, or dentistry after earning a bachelor’s degree. In some cases, a Federal Pell Grant may be awarded for attending a post-baccalaureate teacher certificate program; however, this program is not offered at the College.
Federal Pell Grant amounts can change yearly. The maximum award for the 2019-2020 award year will be $6,195 for the scheduled Pell award for full-time students with an EFC of “0”. The maximum Pell award is also given for any Federal Pell Grant eligible children of military personnel killed in Iraq or Afghanistan after September 11, 2001. In order to receive these funds, a student must have been under 24 years of age or enrolled at least part time in college at the time of the parent’s or guardian’s death. Also effective July 1, 2010, students who are not eligible for a Federal Pell Grant but their parent or guardian met the same post-September 11, 2001 conditions stated above will be eligible to receive an Iraq or Afghanistan Service Grant equal to the amount of a maximum Federal Pell Grant for the award year, except that the amount will not exceed the cost of attendance for that award year.

To receive a Federal Pell Grant, a valid Institutional Student Information Record (ISIR) or Student Aid Report (SAR) must be processed by the Federal Processing Center while the student is still enrolled. Any ISIR or SAR received after the deadline date as specified on the FAFSA will not be eligible for payment except in some cases where verification has been initiated prior to the deadline. Federal Pell Grant can be received only up to a maximum of 12 semesters as a full-time student, or the equivalent of 600%. Additional information about the Federal Pell Grant may be obtained from the Financial Aid Office at (334) 420-4322.

Federal Supplemental Educational Opportunity Grant (FSEOG) Program

Federal Supplemental Educational Opportunity Grant (FSEOG) is a federally-funded program that is provided by the U.S. Department of Education for the purpose of assisting undergraduate students with exceptional financial need meet the cost of a postsecondary education. The FSEOG funds are awarded to the College and are administered by the financial aid office at Trenholm State Community College.

At Trenholm State, FSEOG funds are awarded to eligible students with demonstrated exceptional financial need. FSEOG recipients must be undergraduates enrolled in an eligible program leading to a degree or certificate at the College. Students with the lowest Expected Family Contributions (EFC) who will also receive the Federal Pell Grant are eligible to be selected for FSEOG awards.

Applicants must complete the Free Application for Federal Student Aid (FAFSA) to apply for assistance through the FSEOG Program based on the availability of this fund at the College. If funds are available, students may receive FSEOG and LEAP/ASAP funds in the same semester/term.

Additional information about FSEOG may be obtained from the Financial Aid Office at (334) 420-4292.

Federal Work-Study Program (FWSP)

The Federal Work-Study Program (FWSP) provides part-time employment primarily on campus. This Program allows students the opportunity to work and earn a portion of the money they need to finance their education. The Federal Work-Study Program is available to eligible students enrolled full-time or part-time. In addition, the Program provides meaningful job experience while students matriculate at the College. Students must complete the Free Application for Federal Student Aid (FAFSA) in order to apply. Priority is given to those applicants who apply by the published priority dates and based on the availability of these funds at the College. Additional information about this program may be obtained from the Financial Aid Office at (334) 420-4322.

Leveraging Education Assistance Partnerships Program (LEAP), also known as the Alabama Student Assistance Program (ASAP)

The Leveraging Education Assistance Partnership Program (LEAP) provides a limited amount of State funds to eligible Alabama residents who demonstrate need and who are enrolled at least half time. This Program is also known as the Alabama Student Assistance Program (ASAP).

Applicants must complete the Free Application for Federal Student Aid (FAFSA) to apply for assistance through the LEAP/ASAP Program based on the availability of this fund at the College. If funds are available, students may receive FSEOG and LEAP/ASAP funds in the same semester/term.

Additional information about LEAP/ASAP may be obtained from the Financial Aid Office at (334) 420-4322.

Student Loan Program

H. Councill Trenholm State Community College does not participate in the Federal Direct Subsidized, Unsubsidized and Direct Plus Loan Programs.

The College withdrew from the Federal Family Education Loan Program (formerly, Guaranteed Student Loan Program) in August 1989. However, student borrowers who transfer to Trenholm may qualify for in-school deferments if enrolled at least as a half-time student. An in-school deferment is a temporary suspension of student loans payments.

Trenholm State Community College has authorized the National Student Clearinghouse to act as the agent for all verifications of student enrollment. In order to receive an in-school deferment, requesters should use www.studentclearinghouse.org. The telephone number for the National Student Clearinghouse is (703) 742-4200, Monday – Friday, from 9 a.m. to 7 p.m. (Eastern Standard Time). The FAX number is (703) 742-4239. The email address is enrollmentverify@studentclearinghouse.org. The mailing address is: National Student Clearinghouse, 2300 Dulles Station Blvd., Suite 300, Herndon, VA 20171.

Transfer students who participated in the Student Loan Program at another college are encouraged to continue to communicate with their lenders. Student loan lenders cannot help the student borrowers without knowing the nature of their problems and keeping in contact with previous lenders may prevent student borrowers from defaulting on their student loans. Additional information on deferments can be obtained from the Financial Aid Office at (334) 420-4321.
Scholarships

The College offers a limited number of scholarships to qualified students. A scholarship application may be obtained in the Financial Aid office or from your high school counselor’s office. Properly completed applications should be submitted to the Financial Aid office by the announced deadline. Scholarships are awarded by semester based upon availability. The scholarships awarded by the College cover the cost of tuition and fees only. Additional information about scholarships can be obtained from the Financial Aid Office at (334) 420-4317. The following types of scholarships are offered at the College:

Institutional Scholarships

A limited number of Institutional Scholarships are awarded to high school graduates, GED recipients and first-time Trenholm students with a Cumulative Grade-Point Average (CGPA) of 2.5 or above. Specific application procedures and guidelines are available in the Financial Aid office. The completed scholarship application must be submitted to the Financial Aid office, with the required documentation, by the specified deadline dates. All Institutional Scholarship recipients must maintain a 2.5 Cumulative Grade-Point Average (CGPA). For additional information, contact the Financial Aid Office at (334) 420-4317.

Achievement Scholarships

Achievement scholarships are awarded to interested students currently enrolled at the College who have earned a minimum of 12-credit hours with a Cumulative Grade-Point Average (CGPA) of 3.50 or better. Specific application procedures and guidelines are available in the Financial Aid office. The completed scholarship application must be submitted to the Financial Aid office, with the required documentation, by the specified deadline dates. Achievement Scholarship recipients are required to maintain a 3.50 Cumulative Grade-Point Average (CGPA) throughout their enrollment at the College. For additional information, contact the Financial Aid Office at (334) 420-4317.

Career Technical Scholarships

Career Technical scholarships are available to students through recommendation of a career technical center director. The director will have the authority to approve one scholarship on an annual basis during the months of April and May of each year. In order to be eligible for consideration, students must have a Cumulative Grade-Point Average (CGPA) of 2.5 or better, complete the College’s Application for Admissions, Scholarship Application form and the Free Application for Federal Student Aid (FAFSA). These documents and any other required documents are due by the specified deadlines. For additional information, contact the Financial Aid Office at (334) 420-4317.

Trenholm State Foundation Scholarships

The Trenholm State Foundation annually awards scholarships to help students achieve their goals of becoming highly-trained competitors in the workforce. Applicants must meet the following criteria:

- Must be a U. S. citizen or eligible noncitizen
- Must be a full-time student (12 credit hours or more per semester) at Trenholm State Community College
- Must have a minimum Cumulative Grade Point Average (CGPA) of 2.5 or better
- Must submit a 500-word essay (typed) to include his/her career goals, why he/she should be considered for a scholarship and the need for a scholarship

The following types of scholarships are available through the Foundation:

- Dr. H. Councill Trenholm Scholarship (Financial Need)
- Jerry Joyce First-Generation College Student Memorial Scholarship
- Samuel Munnerlyn Student Leadership Scholarship
- Dr. Anthony L. Molina Memorial Academic Excellence Scholarship
- Mary and Marshall Anderson Health Services Technology Memorial Scholarship
- Mary and Marshall Anderson Academic Excellence in Health Services Technology Memorial Scholarship
- Beverly D. Ross Special Needs/Hardship Scholarship

Individuals may contact the Financial Aid office at (334) 420-4317 or the Foundation’s office at (334) 420-4281 for additional information. You may visit us online at http://www.trenholmstate.edu/alumni/foundation/.

Senior Adult Waiver Program

Alabama residents 60 years of age or older may attend classes tuition free on a space-available basis. Seniors who wish to apply for the Senior Adult Waiver Program must follow standard admissions procedures and meet all course prerequisites as stated in the College Catalog. This waiver covers tuition only in college-credit courses. A college-credit course is defined as a course measured in both credit hours and scheduled weekly contact hours that is part of an organized and specified program leading to a formal award at the College, i.e., associate degree, certificate or short-term certificate. The Senior Adult Waiver does not cover books, fees, supplies, tools or repeated courses. Seniors who qualify can register for courses on the official day that classes begin each semester/term. For additional information, please contact the Financial Aid office at (334) 420-4317.

Veterans Benefits

Veterans Educational Benefits are available to qualified Veterans, Dependents of Veterans, National Guard members and Reserve members. To receive VA Educational Benefits, all recipients must be enrolled in an approved course of study. Benefits differ according to the Chapter of VA Educational Benefits for which the student qualifies.

Students receiving VA Educational Benefits are responsible for registering only for courses that are included on their respective degree plan.

Students receiving VA Educational Benefits must promptly notify the VA Certifying Official, located in the Financial Aid office on either the Patterson Site or the Trenholm campus, when withdrawing from a class or all classes. Failure to do so may result in an overpayment from the Department of Veterans Affairs. The student is liable for the overpayment.
To continue receiving VA Educational Benefits, Veterans must attend their scheduled classes. Instructors will report students who are excessively absent to the Office of Admissions and Records and VA benefits may be reduced accordingly. The Department of Veterans Affairs may require approximately 60 to 90 days to process educational benefits. As a result, Veterans should be prepared to pay tuition and fees at registration.

Students utilizing VA education benefits shall not be charged a penalty, including assessment of late fees, denial of access to classes, libraries, or other institutional facilities, or be required to borrow additional funds because of the individual’s inability to meet their financial obligations due to the delayed disbursement of a payment to be provided by the Department of Veterans Affairs.

For additional information, please contact the Financial Aid office at (334) 420-4292.

**FEDERAL BENEFITS**

**Federal Tuition Assistance**

Tuition Assistance (TA) is a Department of Defense (DOD) program. VA does not administer TA. TA rules vary by branch of service and can even vary between units depending on whether the unit is active, reserve, or National Guard. If a service member receives TA funds and withdraws during the semester, the State Refund Policy will be applied to determine if TA funds need to be returned to the Department of Defense. For additional assistance, TA recipients should contact their Education Services Officer.

**Chapter 31 Vocational Rehabilitation**

A veteran may be eligible for Vocational Rehabilitation (Chapter 31) benefits if he or she:

- Received, or will receive, a discharge other than dishonorable conditions;
- Incurred or aggravated a service-connected disability which entitles him or her to VA disability compensation; and
- Is in need of vocational rehabilitation because his or her disability creates an employment handicap.

**Chapter 30 Montgomery GI Bill Active Duty**

The Montgomery GI Bill (Active Duty), also known as Chapter 30, is a program of education benefits generally for individuals who entered active duty for the first time after June 30, 1985, and have contributed to the College Fund.

**Chapter 33 Post 9/11**

The Post 9/11 GI Bill is a program for individuals who served on active duty on or after September 11, 2001. The benefits are payable for training pursued on or after August 1, 2009. No payments can be made under this program for training pursued before that date.

**Chapter 1606 Montgomery GI Bill Reserves**

This Program provides benefits for members of the Selected Reserve and National Guard who enlisted, re-enlisted, or extended their enlistment for a period of six years after July 1, 1985.

**Chapter 1607 Reserve Educational Assistance Program (REAP)**

The Chapter 1607 program provides educational assistance to members of the reserve components called or ordered to active duty in response to a war or national emergency which was declared by the President or Congress.

**Chapter 35 Survivors And Dependents (DEA)**

Sons, daughters and spouses of veterans may be eligible for educational assistance if the veteran died while in service, died as a result of a service-connected disability, became permanently and totally disabled as a result of a service-connected disability, or died while disability was in existence. Benefits are paid at the single rate.

**Military Spouse Career Advancement Accounts (MyCAA)**

MyCAA is a Department of Defense program that provides up to $4,000 of financial assistance for military spouses who are pursuing degree programs, licenses, or credentials leading to employment in portable career fields.

**Operation Family Shield**

Operation Family Shield Scholarship Program was established in 2003 for spouses and dependents of the Alabama National Guard or reservists called to active duty. The Scholarship has been expanded in support of Operation Noble Eagle, Operation Iraqi Freedom, and the Global War on Terrorism.

**How To Apply**

Apply for Federal Veterans Education Benefits online at www.vets.gov.

- Veterans must complete form 22-1990
- Dependents complete form 22-5490

When transferring to a new school or changing your program of study:

- Veterans complete form 22-1995
- Dependents complete form 22-5495

Before making an application for educational benefits at Trenholm State Community College, the Veteran must also complete the following:

**Step 1:** An Application for Admissions to the College

A Transcript Request Form (s) and submit to high school and colleges attended

- A Transcript Request Form to request GED transcript

Sit for the ACCUPLACER Assessment, if applicable

**Step 2:** Report to the VA Certifying Official located in the Financial Aid Office on either the Patterson site or the Trenholm campus and submit the following documents:

- Chapter 30 (Montgomery GI Bill) submit certified copy of DD214 form
Chapter 35 (Veteran Dependents) submit Certificate of Eligibility form
Chapter 1606/1607 (Reserve or Guard) submit Notice of Basic Eligibility Form (NOBE)
Chapter 33–Post 9/11 Veterans submit Certificate of Eligibility
Chapter 31–Disabled Veterans submit Authorization and Certification Certificate

NOTE: Veterans benefits cannot be certified until the Veteran meets with a VA Certifying Official at the College.

Veterans’ benefits cannot be received for courses previously paid, unless an improved grade is required, or for auditing courses. The Veteran will not be paid for courses in which an “I” (Incomplete) was previously received or for courses which are not a part of the declared major unless approved as a substitute for a required course by the appropriate Dean. All Veterans should contact the VA Certifying Official prior to registration in order to complete the proper forms for VA certification. If the enrollment period is temporarily interrupted, the VA Certifying Official will recertify when notification of re-enrollment is received from the Veteran.

Specific details and applications are available in the Financial Aid Office, on either campus (334) 420-4292. Additionally, the Department of Veterans Affairs located at 345 Perry Hill Road, Montgomery, Alabama may be contacted. For more information about benefits, visit http://gibill.va.gov, or contact the Veterans Affairs at 1-888-442-4551. The telephone number for Monthly Verification (IVR) is 1-877-823-2378. The telephone number regarding non-education benefits is 1-800-827-1000.

VA Complaint Policy

Any complaint against the school should be routed through the VA GI Bill Feedback System by following the link: http://www.benefits.va.gov/GIBILL/Feedback.asp. The VA will then follow up through the appropriate channels to investigate the complaint and resolve it satisfactorily.

STATE BENEFITS

Alabama G.I. Dependents Scholarship Program

The Alabama Department of Veterans Affairs offers financial assistance to eligible dependents of disabled Veterans (child, stepchild, spouse or un-remarried widow or widower) who are living or deceased. Qualifying Veterans must have been permanent civilian residents of Alabama prior to entry into military service. Other qualifying veterans’ categories are former Prisoners of War (POW), declared Missing in Action (MIA) and those who died in service.

The Alabama G. I. Dependents Scholarship Program does not pay for non-credit courses, transitional (remedial) courses and facility and special building fees. In addition, the G. I. Dependents’ Scholarship Program does not cover supplies or textbooks for non-credit and/or transitional (remedial) courses. The student is responsible for paying these charges.

Veterans Service Officers of the Alabama Department of Veterans Affairs maintain an office in each county of the State. They can provide information and assist in filing the required forms. Their offices are located usually in the county courthouse. The Alabama Department of Veterans Affairs may be contacted directly at the following address: Alabama G. I. Dependents’ Scholarship Program, Department of Veterans Affairs, Post Office Box 1509, Montgomery, Alabama 36102-1509. The telephone number is (334) 242-5077.

Alabama National Guard Education Assistance Program (ANGEAP)

The Alabama National Guard Education Assistance Program (ANGEAP) is designed to provide financial assistance to Alabama National Guard members. For additional information and applications, the National Guard member should contact his/her National Guard Unit.

Purple Heart Waiver

The Purple Heart Waiver is a waiver of undergraduate tuition and fees for Purple Heart recipients.

A public institution of higher education may waive undergraduate tuition and fees for each veteran who is the recipient of the Purple Heart and who satisfies all of the following: Enroll as a full-time, part-time, or summer school student in an undergraduate program that culminates in a degree or certificate.

• Is currently, and was at the time of the military action that resulted in the awarding of the Purple Heart, a resident of this state.
• Submits to the public institution of higher education the DD-214 form issued at the time of separation from service as documentation that he or she has received the Purple Heart.

College Financial Plan

Trenholm State Community College has agreed to comply with the principles of Executive Order 13607, Establishing Principles of Excellence for Educational Institutions Serving Service Members, Veterans, Spouses, and Other Family Members (E.O. 13607), of their commitment to use the College Financial Plan Form to provide each of their prospective veteran and service member students with a personalized form that contains standardized information describing the cost of the educational program and the amount of that cost that may be covered by available Federal educational benefits and financial aid. Please log onto http://www.trenholmstate.edu/current-students/my-trenholm/ to view a personalized College Financial Plan Form.

Entitlement to Benefits

Trenholm State Community College certifies veterans and dependents enrollment status, programs and academic progress. All questions concerning payment are to be referred to the Department of Veterans Affairs at (334) 442-4551 or by sending an electronic inquiry by going to: https://gibill.custhelp.com/app/utils/login_form/redirect/ask.

Workforce Innovation and Opportunity Act (WIOA)

The Workforce Innovation and Opportunity Act (WIOA) is a federally-funded program which provides training/retraining to eligible individuals who are unemployed.
underemployed, unskilled or recently dislocated from a job because of a layoff or plant closing. Additional information on the WIOA Program may be obtained by contacting the Montgomery CareerLink Office at (334) 286-1746 or the State Employment Service in your home county.

**Trade Adjustment Assistance (TAA) Program**

The Trade Adjustment Assistance (TAA) Program provides assistance to workers in companies affected by imports from foreign countries, shifts in production to certain foreign countries and to certain secondary workers. The Program provides affected workers with both rapid and early assistance and the opportunity to engage in long-term training while receiving income support. Approved workers apply for individual services and benefits through their local One-Stop Career Centers to determine individual TAA eligibility for services and benefits. Those who are qualified and seek training are then referred to local training institutions. Additional information may be obtained by contacting the Alabama Employment Office at (334) 286-1746.

**Alabama Department of Rehabilitation Services**

Students who have learning, physical or mental disabilities which interfere with their ability to work or attend college may be eligible for assistance through the Alabama Department of Rehabilitation Services. Rehabilitation services may provide assistance with all or part of the costs associated with college attendance. For additional information, contact Rehabilitation Services at the following address: Alabama Department of Rehabilitation Services, 602 South Lawrence Street, Montgomery, Alabama 36116, or by contacting the Alabama Rehabilitation Services at (334) 293-7019.

**Taxpayer Relief Act of 1997**

The Taxpayer Relief Act of 1997 provides tax relief for qualified taxpayers or for the qualified parent or guardian taxpayer of a qualified student dependent. Certain eligible expenses that are incurred for studying at Trenholm State Community College may result in a credit against tax liability.

There are three tax credits available to help you offset the costs of higher education by reducing the amount of your income tax: The Hope Credit, American Opportunity Credit, and the Lifetime Learning Credit, also referred to as education credits. The Hope and Lifetime Learning Credits may not be claimed at the same time for the same student. For additional information, see Internal Revenue Service (IRS) Publication 970, Tax Benefits for Education at www.irs.gov.

For those who have made tuition payments to the College, a Tuition Statement (IRS Form 1098-T) will be mailed to them by January 31 of the following year. The Tuition Statement reports the amounts paid to the College, during the previous year, for tuition and related fees and provides the name and the telephone number of the Trenholm State contact person.

**Financial Aid Satisfactory Academic Progress (SAP) Policy**

Students who receive assistance from the Federal Pell Grant Program, Federal Work-Study Program (FWSP), Federal Supplemental Educational Opportunity Grant (FSEOG) Program, Alabama Student Assistance Programs (ASAP) and Veterans Educational Benefits are required to make Satisfactory Academic Progress toward the goal of completing their declared degree or certificate program.

Effective with the 2011 fall semester, Satisfactory Academic Progress (SAP) will be checked at the end of each payment period. In addition, Satisfactory Academic Progress (SAP) is also checked when students complete a warning period and/or when awards are revised. The progress of students who received federal and state financial aid funds will be measured against the following Satisfactory Academic Progress Standards and will be subject to the following policies:

**Required Credit Hours, Grade Point Averages (GPAs) and Required Pace of Completion**

A student enrolled in an Associate Degree or Certificate Program requiring more than 26 credit hours must meet the following standards:

- After attempting 0-21 credit hours, must earn a 1.50 GPA and complete 58% of the enrolled hours
- After attempting 22-32 credit hours, must earn a 1.75 GPA and complete 62% of the enrolled hours
- After attempting 33 or more credit hours, must earn a 2.00 GPA and complete 67% of the enrolled hours

Students enrolled in Certificate Programs 26 credit hours or less must meet the following standards:

- After attempting 1-17 credit hours, must earn a 1.50 and complete 58% of the enrolled hours
- After attempting 18 or more credit hours, must earn a 2.00 and complete 67% of the enrolled hours.

All hours attempted, including those in which the student withdrew, will be included in this calculation, even if financial aid was not received.

**Transfer/Re-Admit Students**

All transfer and re-admit students to the College, must meet the minimum grade-point standards indicated above in order to be eligible for financial aid. Students who do not meet these standards will be ineligible to receive Title IV funds at the College.

In addition, students who transfer to Trenholm are required to submit an official copy of their academic transcript(s) from all previously attended postsecondary institution(s). Initially, the transcript from the last college attended will be considered to evaluate Satisfactory Academic Progress of transfer students who apply for Federal Student Aid. After the Director of Admissions and Records completes the evaluation of these transcripts, transfer credits that apply to the student’s major at the College will be included in the hours attempted and hours earned for future Satisfactory Academic Progress evaluations. However, transfer students’ GPAs are not included in the Satisfactory Academic Progress evaluations.
Financial Assistance

Financial Aid Probation and/or Warning

According to the Satisfactory Academic Progress Policy, only one appeal per academic year may be submitted. If this is the first time that the student is not making satisfactory academic progress, he/she may be granted a one-time Financial Aid Warning period and awarded financial assistance during this period. At the end of the Financial Aid Warning period, the student must meet the Satisfactory Academic Progress requirements in order for the Financial Aid Warning status to be lifted and to continue receiving financial aid. During the warning period, please note that your academic transcript will indicate “Probation” but if this is the first time that this indication is noted on your transcript then know that this is actually a financial aid warning period.

Financial Aid Suspension (Termination of Aid)

Students who do not successfully establish Satisfactory Academic Progress during the Financial Aid Warning Period will be placed on Financial Aid Suspension and become ineligible for any additional financial aid at that point. If a student is re-admitted to the College upon academic appeal, financial aid will remain suspended until one of the following criteria is met:

1. The student either meets the Financial Aid SAP requirements or
2. The student presents to the Financial Aid Appeals Committee evidence of extenuating circumstance(s) deemed, by this Committee, to be sufficient to justify an exception to the SAP Policy. As a result, the student will be placed on Financial Aid Probation and financial aid will be reinstated for this period.

Otherwise, the student must bring his/her academic record into compliance with the Financial Aid Satisfactory Academic Progress requirements before financial aid can be reinstated.

Appeal Process & Extenuating Circumstances

Any student placed on Financial Aid Suspension may appeal his/her status by submitting a letter to the Financial Aid Appeals Committee stating in writing any unusual circumstances that had a bearing on his/her academic performance along with providing supporting documentation. Some examples of extenuating circumstances and supporting documentation may include: death of an immediate love one – copy of the death certificate or the obituary; auto accident – copy of police report and/or note from a physician; prolonged illness – documentation from the attending physician. The appeal should also address what has changed in your situation that will now allow you to meet the Satisfactory Academic Progress by the end of the subsequent payment period. All appeals must be addressed to the Financial Aid Appeals Committee and submitted to the Director of Financial Aid in writing within ten days following the date of the notification sent to the student. This written appeal should explain reasons for non-compliance with the Satisfactory Academic Progress Standards, include an academic plan of study developed with her/his major advisor for bringing her/his grades into compliance with the policy, and steps that will be taken to prevent a reoccurrence of failure to meet SAP. If an appeal is approved, the student will be placed on Financial Aid Probation and awarded financial assistance for this period. Only one appeal per academic year may be submitted.

Attendance/Audits

At the beginning of each term, the faculty must identify the names of those students who fail to attend their classes. Those students’ names are deleted from any pending financial aid credit balance submissions until attendance can be verified by the faculty member. Students will not receive financial aid for any classes they audit or for any classes they never attend.

Monitoring Progress

Academic progress will be monitored at the end of each semester and/or term.

Repeating Courses

A student receiving Title IV aid may repeat courses; however, the repeated hours will be included in the Financial Aid SAP calculations as hours attempted and hours earned. A federal financial aid recipient cannot repeat a previously passed course more than one (1) time either as a single course or in a block of courses. For this purpose, “passed” means any grade higher than an “F” regardless of any program policy requiring a higher grade to be considered passed for the course.

Transitional (Remedial) Courses

A Title IV recipient who has enrolled in a transitional (remedial) course and failed may not enroll in the same course more than three (3) times and continue to receive financial assistance. If the Title IV recipient enrolls in the same transitional (remedial) course more than three (3) times, financial aid will not pay for this subsequent enrollment in this course. A Title IV recipient may not be paid for more than 30-semester credit hours of transitional (remedial) work. Transitional (remedial) courses are counted in the hours attempted and hours earned.

Grades:

W - Withdrawal

A grade of “W” is assigned to a student who officially withdraws** or is unofficially withdrawn*** from the College or from a course prior to 70 percent of the term being completed. This specified 70% date is included in the Student Calendar for each term and is listed as “Last Day to Withdraw Without Any Academic Penalty.” It is the responsibility of the student to become familiar with the Student Calendar in order to know the exact date to withdraw without penalty. A student who officially withdraws or is unofficially withdrawn from the College after 70 percent of the semester has been completed will receive the grades that he/she has earned at that time of withdrawal, either a “WP” or a “WF” grade. A student cannot be withdrawn administratively after 70% of the semester. Grades of “W”, “WP” and “WF” earn zero quality points and, for financial aid purposes, are counted in hours attempted.

Students who withdraw from classes after receiving Title IV Aid face the possibility of being placed on either Financial Aid Warning or Financial Aid Suspension. Additionally, financial aid recipients who completely withdraw are subject to the Federal Return of Title IV Funds Policy (R2T4). This Policy may require Title IV recipients who completely withdraw from all classes before completing 60% of either the semester or the term to repay a portion of any grant funds received to the Title IV Programs.
** Financial Assistance **

** Officially Withdraws - means that student receives, completes, and returns all appropriate withdrawal forms to the Office of Admissions and Records.

*** Unofficially Withdrawn - means that the student has stopped attending classes after the first day of classes and has been withdrawn by the instructor.

** Withdrawal - Passing/Failing (WP or WF) **

Students who officially withdraw or are unofficially withdrawn after attending 70% of the semester and are passing the course work will receive the “WP” grade. If students are not passing the course work after attending 70% of the semester, the “WF” grade will be assigned. The hours attempted for these grades are included in the Financial Aid SAP calculations.

** I - Incomplete **

With the permission of the Dean of Instruction, a grade of Incomplete (“I”) may be assigned when a student’s work in a course is incomplete because of circumstances beyond the student’s control, but is otherwise of passing quality. An Incomplete (“I”) grade does not count toward course work completed and is not counted as course work attempted. Therefore, the Incomplete (“I”) grade does not negatively impact on the incremental measurement of progress. Although the Incomplete (“I”) grade is NOT counted in hours earned or attempted, the grade that replaces the “I” is counted in both hours earned and attempted, once the “I” is removed.

An “I” grade is intended to be only an interim course grade. Unless the deficiency is made up within the following semester, the “I” automatically becomes an “F” when grades are processed at the end of the next semester. At the time that final grades are entered each semester, an Incomplete Grade Contract form must be signed by the student, instructor, division chair and the Dean of Instruction and submitted to the Office of Admissions and Records.

** Earned “F” Grade and Verification Procedure **

If a student receives the final grade of “F”, the instructor is required to complete the Earned “F” Verification form to verify that the student actually earned the “F” grade. The Earned “F” Verification form must be submitted to the Office of Admissions and Records at the time that final grades are entered each semester to verify that the “F” grade was earned. The grade of “F” is counted in hours attempted and results in zero hours earned.

** Program Completion **

The maximum timeframe allowed to complete a program of study without financial aid penalty cannot exceed 150% of the published length of a specific program as measured in either credit hours attempted in credit-hour programs or cumulative clock hours required to complete as measured in clock-hour programs. Beginning Fall 2012, full-time students can only receive Title IV aid for a total of 12 semesters. This timeframe is increased for part-time students.

** Change of Curriculum of Study **

All periods of students’ enrollment count when determining Satisfactory Academic Progress (SAP), even periods in which the student did not receive Federal Student Aid (FSA). After declaring the initial major, all students, including Title IV recipients, are only allowed two changes of major before completing a Program of Study, not to exceed 150% of the current major. Students who are pursuing an Associate Degree may not be able to complete a second Associate Degree at the College on Title IV Aid.

** Suspension and Termination of Aid **

Students who do not successfully establish Satisfactory Academic Progress during a Financial Aid Warning Period will be placed on Financial Aid suspension and may become ineligible for any additional financial aid at that point.

A student who wishes to be considered for financial aid after termination of Federal Financial Aid must bring his/her academic record into compliance with the qualitative, quantitative measures and the required completion ratio while attending Trenholm at one’s own expense. When the student is again in compliance with the Satisfactory Academic Progress (SAP) Policy, the student’s financial aid status will be reversed.

** Students’ Rights and Responsibilities **

- Students have the right to obtain information about financial assistance programs available at the College.
- Students have the right to discuss financial aid decisions with personnel in the Office of Student Financial Aid.
- Students have the right to appeal financial aid decisions.
- Students receiving financial aid are responsible for registering only for courses that are in their degree plan.
- Students are responsible for following application and/or reapplication procedures.
- Students are responsible for informing the Office of Financial Aid of any change in their enrollment status.
- Students are responsible for understanding the Federal Financial Aid Satisfactory Academic Progress Policy.

Additional information may be obtained by contacting the Financial Aid Office at (334) 420-4321.

** Federal and State Refund Policies **

** Federal Refund Policy **

Financial Aid recipients who are awarded Federal Student Aid (FSA) funds and completely withdraw, dropout or otherwise fail to complete the semester will be subject to the Return of Title IV Funds Refund Policy (R2T4). The term “Title IV Funds” refers to the Federal Student Aid (FSA) Programs authorized under the Higher Education Act of 1965, as amended (Title IV, HEA Program) which includes Federal Pell Grant and Federal Supplemental Educational Opportunity Grant (FSEOG).

The percentage of Title IV aid earned is found by dividing the number of calendar days completed by the student, at the time of withdrawal, by the number of calendar days in the semester. If more than 60% of the semester is completed, the student is considered to have earned 100% of the Title IV aid disbursed. The amount of Title
IV aid earned is found by multiplying the amount of aid disbursed for the semester by the percentage of Title IV aid earned. If the amount earned is less than the amount of aid disbursed, the difference must be returned to the appropriate Title IV Program. If the student earned more than what was disbursed, a late disbursement may be due to the student. If the amount earned equals the amount disbursed, no further action is required.

The responsibility to return amounts unearned to the Financial Aid Programs may be shared by both the College and the student. The College is required to return, to the Department of Education, the lesser of the total amount of unearned Title IV funds or an amount equal to the student’s institutional charges multiplied by the percentage of Title IV aid unearned, no later than 45 days after it is determined that the student withdrew. If the College returns less than the amount of unearned aid, the student must return the difference. If the student is required to return unearned aid, this is considered an overpayment and the amount is reduced by 50%.

Within 45 days of determining the student’s date of withdrawal, the College will send notification to the student of any overpayment. After receiving the written notification, the student is permitted 45 days to make satisfactory payment arrangements with the United States Department of Education. While the overpayment is due, the student will remain eligible for financial aid for 45 days.

State Refund Policy

The State Refund Policy applies if a student attends the College and receives Federal, State or Federal Tuition Assistance aid and the withdrawal date is before or during the first three weeks of the term. The refund is calculated as follows:

Partial Withdrawal

Students who do not completely withdraw from the college but drop a class during the regular drop/add period will be refunded the difference in the tuition paid and the tuition rate applicable to the reduced number of hours, including fees appropriate to the classes dropped. There is no refund due to a student who partially withdraws after the official drop/add period. The last day to drop/add is published as part of the College calendar and conforms to the guidelines issued from the Alabama Community College Office.

Complete Withdrawal

Students who officially or unofficially withdraw from all classes for which they are registered before the first day of class for the semester/term will be refunded the total amount of tuition and other refundable fees. The “first day of class” is the first day classes are offered within any term configuration, including, but not limited to, full terms, split terms, mini-terms and weekend terms. Students who officially or unofficially withdraw completely on or after the first day of class, but prior to the end of the third week of class will be refunded according to the withdrawal date, as follows:

Complete Withdrawal before the official first day of class

Complete Withdrawal during first week

Complete Withdrawal during second week

Complete Withdrawal during third week

Complete Withdrawal after the end of the third week

An administrative fee not to exceed 5% of tuition and other refundable institutional charges shall be assessed for each withdrawal within the period beginning the first day of class and ending at the end of the third week of class. The first official day of class is indicated on the College calendar as the day that classes begin. There is only one first day of class. This day may not be the first day on which all classes begin. The calendar also indicates the last day to drop/add. For calculating refunds during the fall and spring sixteen-week terms, a “week” is defined as seven calendar days, i.e. the first day of class running seven calendar days (inclusive of Saturday and Sunday). Refunds of shorter than sixteen weeks, such as summer terms, mini-terms, split terms and weekend terms, will reflect a prorated week based on the number of days in the term.

Example: Classes begin June 14, student withdraws June 17. Fourth day = 75% Refund due.

Tuition/fees paid: $648.00
x .75
$486.00
Administrative Fee: - 32.40
Round to nearest dollar $453.60
Refund amount: $454.00

Revision and Cancellation of Financial Aid

The College reserves the right to review, revise or cancel a financial aid award at any time due to changes in financial or academic status or the student’s failure to comply with applicable Federal and/or State laws and/or Regulations or College policies. In addition, a financial aid award is subject to revision should the annual allocation of funds from the Federal government be reduced below the anticipated funding level for a program(s) or should budget limitations be placed upon funds which are intended for student financial aid purposes. In addition, students cannot receive need-based assistance in excess of their determined financial need.

Payment Plan

Trenholm State Community College offers a tuition payment plan solution through Nelnet Business Solutions. This service provides students an opportunity to spread their tuition costs into affordable monthly payments with no interest. Payment options are flexible and setup fees are affordable.

To enroll visit www.mycollegepaymentplan.com/trenholm.

The information contained in this section of the College Catalog is subject to change.

Adult Education Division

H. Councill Trenholm State Community College offers GED preparation services in Bullock, Elmore, Macon, and Montgomery counties. Trenholm State offers flexible class times to meet the needs of the College’s service area.

Adult Education classes are available at no charge to persons who did not complete high school or who are functioning below a high-school level. Individuals interested in adult education must be at least 17 years of age and not enrolled in high school. The program services lower level learners and higher-level learners preparing to take the General Education Development (GED) exam for high school equivalence. Trenholm’s program is designed to offer opportunities for students to enhance basic skills in language, math, science, social studies, reading, writing, and computer literacy. The program also offers services to non-English speaking adults by affording them the opportunity to attend English as a Second Language (ESL) classes.

Other adult education services include a self-study program, GED Prep Online and the WorkKeys® Assessment, a system that measures “real-world” skills critical to job success. Persons interested in adult education programs or services should contact the administrative office at 334-420-4348 or 334-420-4351 to speak with a staff member about classes and other opportunities.

GED Testing

H. Councill Trenholm State Community College is an official GED State Test Center. Two forms of identification are required: a state-issued picture I.D. and a social security card. The minimum age to take the GED Test is 17. AN APPOINTMENT IS REQUIRED TO TAKE THE GED TEST. To schedule a GED test date, please go online to www.ged.com to register, pay and select a test date that is convenient for you.

Continuing Education

The vision of the Continuing Education Division at Trenholm State Community College is to become the preferred provider for workforce development training, professional development and community service.

The mission of the Continuing Education Division is to deliver quality, relevant workforce education, professional development, and personal enrichment training that will enhance the quality of life for individuals.

The purpose of the Continuing Education Division is to extend the resources of Trenholm State Community College and provide programs and services with an emphasis on work skills upgrade, work-related training, or personal development in response to business, industry, and community needs.

Non-Credit Continuing Education courses are:

- Offered during the day, evening and weekends
- Offered in many different time spans, 6 to 8 weeks or up to 6 months
- Open to all age groups

For more information, visit www.trenholmsstate.edu or call (334) 420-4240.

Testing Services

The following testing services are available at H. Councill Trenholm State Community College. Please call the numbers listed below for additional information.

Commercial Driver’s License Road Test
420-4409

Certified Electronic Technician (CET)
420-4284

High School ACT Exams
420-4256

National Radio and Telecommunication Engineers
Class I, II, III & IV Electronic Technician Testing
420-4284

Federal Communications Commission (FCC)
GRE License Testing
420-4284

EPA Refrigerant Recovery Exam
420-4361

ACCUPLACER Testing
420-4326

Ready-to-Work

The Ready-to-Work Program provides participants with basic skills and competencies that are required for quality employment with most businesses and industries in Alabama. Successful completion of this program results in the award of an Alabama Certified Worker Certificate. Participants in the program must meet certain eligibility requirements. For information, call (334) 420-4400.

Student Success Center

This Student Success Center (SSC) is designed to provide a range of services to include tutoring, counseling, mentoring, faculty/staff awareness activities, career services, collaboration and resource sharing and academic support services.

The mission of the Student Success Center (SSC) is to provide a consolidated and integrated center to enhance the academic development of students and reinforce the student-centered learning environment at Trenholm State. With an emphasis on academic readiness skills and best practices, the SSC is committed to student persistence and graduation from the institution. Furthermore, through proactive, intrusive and innovative solutions, the Student Success Center provides opportunities for students to achieve learning goals and develop as life-long learners.
Work Ethics

Trenholm State adopted the Work Ethics Program to expose its students to current practices in work ethics. The program supplements a strong Community and business curriculum to assist in placing Trenholm State graduates among the model employees sought by local, national, and global businesses and other organizations.

The Work Ethics Program addresses ten key areas: attendance, character, teamwork, appearance, attitude, productivity, organization, communication, cooperation, and respect. Students complete various modules and workshops that help demonstrate the behaviors sought. Also, each focus area is presented to students on both campuses through electronic messages, media screen reminders, and freshman class sessions where students engage in exercises and discussions.

Trenholm State adopted this Program from the Georgia Department of Community and Adult Education, but tailored it to fit its own culture and environment. To ensure a thorough assessment of the program outcomes, an inter-departmental team has been assigned to work with the Work Ethics Program to evaluate the target goals, critical success factors, total involvement, and continuous improvement mechanisms.

Title III Program

The Title III, Part B, Strengthening Historically Black Colleges and Universities (HBCU) program is funded by the U.S. Department of Education and is one of many initiatives funded by the federal government as part of a mission to ensure equal access to education and to promote educational excellence for all Americans. The purpose of the program is to provide financial assistance to strengthen the physical plants, financial management, academic resources, and endowment-building capacity. The Title III Program is specifically designed to assist HBCUs in funding activities that will help the College to fulfill its mission and continue to fulfill the goal of quality in educational opportunity.

The House of Representatives passed H.R. 3221 (“The Student Aid and Fiscal Responsibility Act of 2009”) on September 17, 2009. H.R. 3221 amends HEA, Title III, Part F to annually provide mandatory funding for the Historically Black Colleges and Universities (HBCUs) and other minority-serving institutions.

Workforce Training Solutions

Workforce Training Solutions serves as a catalyst to deliver up-to-date workforce development programs for students and incumbent workers in need of educational upgrading and skills training that meet the current and future economic development and labor needs of the region. Our mission is to understand the needs of our customers, we provide innovative training to match current and emerging business requirements. Customized training is based on the unique needs of each employer. For further information contact the Workforce Development Administrative Assistant at (334) 420-4400.

Upward Bound

The Upward Bound Program, funded by the U.S. Department of Education, is designed to assist high school students in graduating from high school and preparing for success in college. Upward Bound offers students ongoing support and a wide variety of opportunities to gain experience and skills. Opportunities include academic classes, life skills, mentoring, volunteer community participation, 4-H enrollment, cultural events, college assistance, ACT preparation, and tutoring. For more information, contact Ms. Geneva Patterson, Trenholm State Community College Upward Bound program, on the Trenholm Campus at 334-420-4330.

General Education Statement

H. Councill Trenholm State Community College’s General Education program provides the courses necessary for the completion of the associate of arts and associate of science degrees designed for transfer. General Education also supports all other programs at Trenholm State by providing students with the critical values and range of knowledge and skills in the arts and sciences. Trenholm State graduates will demonstrate competency in basic mathematics, writing, oral communication, and basic computer usage. Students also discover certain basic principles, concepts, and methodologies both unique to and shared by the various disciplines. In addition, students learn the modes of inquiry of the major disciplines, and General Education leads them through learning activities in experiencing and appreciating the creative arts, in understanding multicultural and diverse perspectives, and in achieving insights gained through experiences involving ethical and social issues. Through these learning experiences, students develop self-understanding and become life-long learners.

General Education competencies expected and measured by the College include the following:

Computer Literacy Skills
Students will apply technology to communicate with others, perform online research, and prepare business and technology information resources.

Computational Skills
Students will accurately solve applied mathematical problems involving technical, scientific, and/or business-related concepts.

Oral Communication Skills
Students will demonstrate the ability to transmit ideas clearly and information orally in a way that is appropriate to the topic, purpose, and audience.

Written Communication Skills
Students will create documents that are unified, coherent, well-supported, and error-free.

Developmental Education

Developmental education courses are offered to meet three types of needs. First, they prepare individuals for admission to occupational/technical programs. Second, they assist students who have begun course work but are now experiencing difficulties or would like to improve efficiency. Finally, developmental courses provide an opportunity for individuals who are interested in improving their skills in particular areas but are not necessarily enrolled in a program. Students can enroll in courses to meet these three needs both during the regular school year and during the summer term.

Developmental courses are the first step toward a successful college experience for many students. Students who enroll in these courses learn to become independent and successful learners so they will meet their personal, educational, and professional goals. Additionally, developmental education is designed to improve academic skills, such as critical thinking, and essentials such as reading, writing, and mathematics. These courses also aim to help students achieve the following:

- develop academic survival skills;
- set personal, educational, and career goals;
- use technology in academic and workplace settings; and
- learn the academic culture of the college.

* Tax not included. Prices are subject to change without prior notice; cost of books may vary considerably among suppliers. The length of the program is based on full-time status of 12-15 credit hours per term. Enrollment in transitional-level general education courses will alter the length of the program.
Degree Requirements

Students in the Associate of Arts degree program usually transfer to a four-year institution in such fields as Art, Elementary or Secondary Education, Health, Physical Education and Recreation, Music, or Theater.

Students in the Associate of Science degree program usually transfer to a four-year institution in the Natural Sciences, the Professional Sciences, Mathematics, Computer Science, Business Administration, or Nursing fields.

As part of a transfer degree, students will take freshman- and sophomore-level general education courses in a wide range of disciplines.

All students enrolled at the institution are required to complete a specific number of semester hours in English Composition (Area I); Humanities and Fine Arts (Area II); Natural Sciences and Mathematics (Area III); and History, Social, and Behavioral Sciences (Area IV). These courses are referred to as CORE courses.

In addition to CORE courses, students will choose Electives (Area V), which will more specifically prepare them for transfer in their particular fields of interest.

Area I: Written Communication (6 hours)

- English Composition I and English Composition II

Area II: Humanities and Fine Arts (*12 credit hours)

- Must complete at least three semester hours in Literature.
- Must complete at least three semester hours in Arts.
- Must complete a six-hour sequence in Literature or History

Area III: Natural Science & Mathematics (11 credit hours)

- Must complete three semester hours in Mathematics at the Pre-Calculus Algebra (MTH-112) or Finite Math (MTH-110) level or above. (Prerequisites and/or developmental courses may be required for some students before enrolling in these courses).
- Must complete eight semester hours in the Natural Sciences, which must include laboratory experiences:

Area IV: History, Social, and Behavioral Sciences

(*12 credit hours)

- Must complete at least three semester hours in History.
- Must complete a six-hour sequence in Literature or History.
- The remaining semester hours are to be selected from among other disciplines in the Social and Behavioral Sciences.

Areas I-IV: Minimum general education requirements (41 credit hours)

- The Alabama Articulation and General Studies Committee (AGSC) approved CORE courses, including courses not offered by Trenholm State, transferred from another college will meet requirements for Areas I-IV.

Area V: Pre-professional, Pre-major, and Elective Courses (**19-23 credit hours)

- For additional courses, students must consult with their advisors to obtain Articulation Degree Plans for their specific areas of concentration. The Articulation Degree Plan will list specific course requirements for transfer. However, since acceptance of transfer credits is ultimately determined by the senior institution, a student planning to transfer must consult with his/her advisor as well as the catalog of the institution to which he/she plans to transfer to ensure transfer credit. For additional course information of professional/pre-major courses, the Alabama Articulation and General Studies Committee / STARS may be utilized to determine course transferability.

Additional degree requirements:

- ORI-101 (one credit hour) is required of all new students to Trenholm State.

Areas I-V: General studies curricula (60 credit hours)**

Maximum program semester credit hours (64)***

* Students must complete a six-hour sequence in Literature or History

** See the Articulation Degree Plan for specific course requirements for Areas II, III, and IV.

*** Respective programs of study for baccalaureate degrees at Alabama public universities range from 120 to 128 semester credit hours in length. Depending on the total hours allocated for the bachelor’s degrees, institutions in the Alabama Community College System are authorized to provide 50 percent of the total (60-64).
## Associate of Arts

### General Education Requirements (18-19 hours)

#### Area I - Written Composition (6 hours)
- **ENG-101** English Composition I 3
- **ENG-102** English Composition II 3

**Note:** Must complete ENG-101 and ENG-102

#### Area II - Humanities & Fine Arts (12 hours)
(Humanities and Arts disciplines include but are not limited to Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

**Note:** Must complete at least 3 semester hours in Literature* and at least 3 semester hours in the Arts. The remaining semester hours are to be selected from Humanities and/or Fine Arts.

Note: Must complete ENG-101 and ENG-102

Area II - Humanities & Fine Arts (9 hours)

(Humanities and Arts disciplines include but are not limited to Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

Note: Must complete at least 3 semester hours in Literature and at least 3 semester hours in the Arts. The remaining semester hours are to be selected from Humanities and/or Fine Arts.

Arts:
- ART-100 Art Appreciation 3
- MUS-101 Music Appreciation 3

Humanities:
- PHL-106 Intro to Philosophy 3
- PHL-206 Ethics & Society 3
- REL-100 History of World Religions 3
- REL-151 Survey of Old Testament 3
- REL-152 Survey of New Testament 3
- SPA-101 Intro Spanish I 3
- SPA-102 Intro Spanish II 3
- SPH-106 Fundamentals of Oral Comm 3
- SPH-107 Fundamentals of Public Speaking 3

Literature:
- ENG-251 American Literature I 3
- ENG-252 American Literature II 3
- ENG-261 English Literature I 3
- ENG-262 English Literature II 3
- ENG-271 World Literature I 3
- ENG-272 World Literature II 3

Area III - Natural Science & Mathematics (7 hours)
(In addition to Mathematics, disciplines in the Natural Sciences include Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

Note: Must complete at least 3 semester hours in Mathematics at the Pre-Calculus Algebra or Finite Math level or higher. Must complete at least 4 semester hours in the Natural Sciences which must include laboratory experiences.

Mathematics:
- MTH-110 Finite Mathematics 3
- MTH-112 Precalculus Algebra 3

Natural Sciences:
- BIO-101 Introduction to Biology I 4
- BIO-102 Introduction to Biology II 4
- BIO-103 Principles of Biology I 4
- BIO-104 Principles of Biology II 4
- PHS-111 Physical Science I 4
- PHS-112 Physical Science II 4
- PHY-120 Introduction to Physics 4

Area IV - History, Social & Behavioral Sciences (6 hours):
(Social and Behavioral Sciences include, but are not limited to Anthropology, Economics, Geography, Political Science, Psychology, and Sociology.)

Note: Must complete at least 3 semester hours in History and at least 6 semester hours in other disciplines in the Social and Behavioral Sciences.

History:
- HIS-101 Western Civilization I 3
- HIS-102 Western Civilization II 3
- HIS-121 World History I 3
- HIS-122 World History II 3
- HIS-201 United States History I 3
- HIS-202 United States History II 3

Social and Behavioral Sciences:
- PSY-200 General Psychology 3
- PSY-210 Human Growth and Development 3
- SOC-200 Introduction to Sociology 3
- POL-200 Introduction to Political Science 3
- POL-211 American National Government 3

Area V: Pre-professional/College Requirements:
(Courses appropriate to the degree requirements and major of the individual student and electives.)

College Requirements:
- ORI-101 Orientation to College 1

Total Credit Hours: 29

</tr>
<tr>
<td>CIS-103</td>
<td>INTRODUCTORY COMPUTER SKILLS II</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course is for students without a high school diploma or GED. This course is not creditable toward associate degree requirements. This course is designed to focus on the development of computer skills suited to the needs of students in non-degree occupational programs. The course will generally use software packages appropriate to occupational programs and may include such topics as word processing, database, basic graphics, spreadsheets or other features typically needed in the field. Upon completion, the student will be able to demonstrate proficiency by the completion of appropriate assignments and occupation-specific applications. This course is offered each term.</td>
<td></td>
</tr>
<tr>
<td>CIS-146</td>
<td>MICROCOMPUTER APPLICATIONS</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course is an introduction to the most common microcomputer software applications. These software packages should include typical features of applications, such as word processing, spreadsheets, database management, and presentation software. Upon completion, students will be able to utilize selected features of these packages. This course will help prepare students for the MOS and IC3 certification. This course or an equivalent is a CORE course for the AAT CIS program.</td>
<td></td>
</tr>
</tbody>
</table>
### CIS-149  INTRODUCTION TO COMPUTERS

**PREREQUISITE:** None

This course is an introduction to computers that reviews computer hardware and software concepts such as equipment, operations, communications, programming and their past, present and future impact on society. Topics include computer hardware, various types of computer software, communication technologies and program development using computers to execute software packages and/or to write simple programs. Upon completion, students should be to describe and use the major components of selected computer software and hardware.

### ENG-099  INTRODUCTION TO COLLEGE WRITING

**PREREQUISITE:** None

Emphasis is placed on providing students with additional academic and noncognitive support with the goal of success in the students' paired ENG-101 class. The material covered or practiced in the ENG-099 course is complementary to and supportive of material taught in ENG-101 and the needs of the ENG-099 students.

### ENG-100  VOCATIONAL TECHNICAL ENGLISH I

**PREREQUISITE:** None

This course is designed to enhance reading and writing skills for the workplace. Emphasis is placed on technical reading, job-related vocabulary, sentence writing, punctuation, and spelling with substantial focus on occupational performance requirements. Upon completion, students should be able to identify main ideas with supporting details and produce mechanically correct short writings appropriate to the workplace. This course is NOT creditable toward associate degree requirements. This course will be offered every fall term.

### ENG-101  ENGLISH COMPOSITION I

**PREREQUISITE:** Satisfactory placement scores or successful completion of ENR-098

English Composition I provides instruction and practice in the writing of at least six (6) extended compositions and the development of analytical and critical reading skills and basic reference and documentation skills in the composition process. English Composition I may include instruction and practice in library usage. This course will be offered each term.

### ENG-102  ENGLISH COMPOSITION II

**PREREQUISITE:** A grade of “C” or better in ENG-101 or equivalent.

English Composition II provides instruction and practice in the writing of six (6) formal, analytical essays, at least one of which is a research project using outside sources and/or references effectively and legally. Additionally, English Composition II provides instruction in the development of analytical and critical reading skills in the composition process. English Composition II may include instruction and practice in library usage. This course will be offered each term.

### ENG-130  TECHNICAL REPORT WRITING

**PREREQUISITE:** ENG-101

This course provides instruction in the production of technical and/or scientific reports. Emphasis is placed on research, objectivity, organization, composition, documentation, and presentation of the report. Students will demonstrate the ability to produce a written technical or scientific report by following the prescribed process and format. This course will be offered each term.

### ENG-251  AMERICAN LITERATURE I

**PREREQUISITE:** ENG-102 or equivalent.

This course is a survey of American literature from its inception to the middle of the nineteenth century. Emphasis is placed on representative works and writers of this period and on the literary, cultural, historical, and philosophical forces that shaped these works and that are reflected in them. Upon completion and in written compositions, students will be able to interpret the aesthetic and thematic aspects of these works, relate the works to their historical and literary contexts, and understand relevant criticism and research.

### ENG-252  AMERICAN LITERATURE II

**PREREQUISITE:** ENG-102 or equivalent.

This course is a survey of American literature from the middle of the nineteenth century to the present. Emphasis is placed on representative works and writers of this period and on the literary, cultural, historical, and philosophical forces that shaped these works and that are reflected in them. Upon completion and in written compositions, students will be able to interpret the aesthetic and thematic aspects of these works, relate the works to their historical and literary contexts, and understand relevant criticism and research.

### ENG-261  ENGLISH LITERATURE I

**PREREQUISITE:** ENG-102 or equivalent.

This course is a survey of English literature from its the Anglo-Saxon period to the Romantic Age. Emphasis is placed on representative works and writers of this period and on the literary, cultural, historical, and philosophical forces that shaped these works and that are reflected in them. Upon completion and in written compositions, students will be able to interpret the aesthetic and thematic aspects of these works, relate the works to their historical and literary contexts, and understand relevant criticism and research.

<tr>
<td></td>
<td>This course is intended to give an overview of topics in finite mathematics together with their applications, and is taken primarily by students who are not majoring in science, engineering, commerce, or mathematics (i.e., students who are not required to take Calculus). This course will draw on and significantly enhance the student’s arithmetic and algebraic skills. The course includes sets, counting, permutations, combinations, basic probability (including Baye’s Theorem), and introduction to statistics (including work with the Binomial Distributions and Normal Distributions), matrices and their applications to Markov chains and decision theory. Additional topics may include symbolic logic, linear models, linear programming, the simplex method and applications. This course will be offered each term.</td>

</tr>
<tr>
<td></td>
<td>PREREQUISITE: All core mathematics courses in Alabama must have as a minimum prerequisite high school Algebra I, Geometry, and Algebra II with an appropriate mathematics placement score. An alternative to this is that the student should successfully pass with C or higher (S if taken as pass/fail) Intermediate College Algebra. This course emphasizes the algebra of functions - including polynomial, rational, exponential, and logarithmic functions. The course also covers systems of equations and inequalities, quadratic inequalities, and the binomial theorem. Additional topics may include matrices, Cramer’s Rule, and mathematical induction.</td>
<td></td>

</tbody>
</table>
MUS-214 MUSIC THEORY LAB IV
PREREQUISITE: MUS-213
COREQUISITE: MUS-212, if ear training lab is a separate course.
This course provides the practical application of chromatic musical materials and simple twentieth-century practices through sight singing; melodic, harmonic and rhythmic dictation; and keyboard harmony. Topics include chromatic and atonal melodies; complex rhythmic patterns in simple, compound and asymmetric meters; chromatic chords and twentieth-century harmony. Upon completion, students should be able to write, sing and play chromatic and atonal melodies, complex rhythms and meters, four-part chromatic harmony and simple twentieth-century chord structures.

ORI-101 ORIENTATION TO COLLEGE
PREREQUISITE: As required by program.
This course aids new students in their transition to the institution; exposes new students to the broad educational opportunities of the institution; and integrates new students into the life of the institution.

PHL-106 INTRODUCTION TO PHILOSOPHY
PREREQUISITE: As required by program.
This course is an introduction to the basic concepts of philosophy. The literary and conceptual approach of the course is balanced with emphasis on approaches to ethical decision making. The student should have an understanding of major philosophical ideas in an historical survey from the early Greeks to the modern era.

PHL-200 ETHICS IN THE WORKPLACE
PREREQUISITE: As required by program.
This course is a survey of the ethical principles involved in the workplace with emphasis on common modern problems. The perspectives of workers, supervisors, management, owners, and consumers are considered. The student should have an understanding of the ethical issues unique to the work environment.

PHL-206 ETHICS AND SOCIETY
PREREQUISITE: As required by program.
This course involves the study of ethical issues which confront individuals in the course of their daily lives. The focus is on the fundamental questions of right and wrong, of human rights, and of conflicting obligations. The student should be able to understand and be prepared to make decisions in life regarding ethical issues.

PHL-210 ETHICS AND THE HEALTH SCIENCES
PREREQUISITE: As required by program.
This course is a study of ethical issues related to the health sciences such as contraception, abortion, and eugenics; human experimentation; truth in drugs and medicine; death and dying; and other health related issues. The student should be able to clarify relevant ethical considerations and have a philosophical basis for decisions on right and wrong, good and bad, rights and responsibilities.

PHL-210 ETHICS AND THE HEALTH SCIENCES
PREREQUISITE: As required by program.
This course is a study of ethical issues related to the health sciences such as contraception, abortion, and eugenics; human experimentation; truth in drugs and medicine; death and dying; and other health related issues. The student should be able to clarify relevant ethical considerations and have a philosophical basis for decisions on right and wrong, good and bad, rights and responsibilities.

PHS-111 PHYSICAL SCIENCE
PREREQUISITE: As required by program.
This course provides the non-technical student with an introduction to the basic principles of geology, oceanography, meteorology, and Astronomy. Laboratory is required.

PHS-112 PHYSICAL SCIENCE
PREREQUISITE: As required by program.
This course provides the non-technical student with an introduction to the basic principle of chemistry and physics. Laboratory is required.

PHY 112 PRINCIPLE OF PHYSICS
PREREQUISITE: MTH 100
This course introduces the student to the basic principles of physics with an emphasis on electricity and magnetism. The course is designed to provide the student with not only a basic knowledge of electricity and magnetism but also an understanding of real-world applications. To prepare the student to understand electricity and magnetism, additional topics include forces, work, energy, power, sound, and the atomic nature of matter. Topics in electricity and magnetism include electrical forces and fields, currents, electrical circuits, magnetic forces and fields, capacitance, electromagnetic induction and transformers.

PHY-115 TECHNICAL PHYSICS
PREREQUISITE: MTH-103 or MTH-100
Technical Physics is an algebra based physics course designed to utilize modular concepts to include motion, forces, torque, work energy, heat, waves/sound, and electricity. Results of physics education research and physics applications in the workplace are used to improve the student’s understanding of physics in technical areas. Upon completion, students will be able to define motion and describe specific module concepts, utilize microcomputers to generate motion diagrams, understand the nature of contact forces and distinguish passive forces, work cooperatively to set up laboratory exercises and demonstrate applications of module-specific concepts.

Program Information
The Accounting Program at Trenholm State Community College provides students with the fundamentals of accounting principles and procedures. These principles and procedures facilitate careers in public and private accounting, including both State and Federal government entities.

The major areas studied in the Accounting Technology Department include the following: business functions, basic and advanced accounting principles, managerial accounting, advanced accounting application on microcomputer (computerized managerial); payroll accounting applications, income tax accounting principles and procedures, intermediate accounting, computerized QuickBooks accounting, governmental & not-for-profit accounting; electronic calculations, and more.

Accounting, Bookkeeping, Payroll, Financial and Auditing Clerks held more than 1,760,300 million jobs in 2014 and are employed in every industry. Trenholm State offers a complete program to prepare students for entry level positions in the business community as an accounting apprentice, assistant or accountant trainee.

Occupational Choices
Accounting, bookkeeping, payroll, and auditing clerks work with financial records. Other clerks in the accounting field who perform similar duties include: a bookkeeper; accounts receivables, payable, inventory control personnel; and account collectors; billing and posting clerks and machine operators; brokerage clerks; credit authorizers, checkers, and clerks; payroll and timekeeping clerks; procurement clerks; and tellers in the banks and credit unions.

Average Full-Time Wage
In the median wage and salary annual earnings of accounting, bookkeeping, payroll, financial and auditing clerks were $17.91 per hour. Salaries ranged from $22,940 to $57,920. Employment opportunities are expected to grow and earnings can range from entry level positions to much higher incomes for certified and experienced individuals.

</tbody>
</table>
BUS-252  ACCOUNTING CASE STUDIES  
PREREQUISITE: BUS-241 and BUS-242
This course includes a practical application of accounting knowledge through a series of case studies. The case study method of learning places emphasis on the preparation for, and classroom discussion described in the case. Upon completion of this course, the student will be able to apply accounting knowledge in a variety of situations.

BUS-253  INDIVIDUAL INCOME TAX  
PREREQUISITE: None
This course focuses on the fundamentals of the federal income tax laws with primary emphasis on those affecting the individual. Emphasis is on gross income determination, adjustments to income, business expenses, itemized deductions, exemptions, capital gains/losses, depreciation, and tax credits. Upon completion of this course, the student will be able to apply the fundamentals of the federal income tax laws affecting the individual.

BUS-263  THE LEGAL AND SOCIAL ENVIRONMENT OF BUSINESS  
PREREQUISITE: None
This course provides an overview of the legal and social environment for business operations with emphasis on contemporary issues and their subsequent impact on business. Topics include the Constitution, the Bill of Rights, the legislative process, civil and criminal law, administrative agencies, trade regulations, consumer protection, contracts, employment and personal property.

BUS-271  BUSINESS STATISTICS I  
PREREQUISITE: MTH-100
This is an introductory study of basic statistical concepts applied to economic and business problems. Topics include the collection, classification, and presentation of data, statistical description and analysis of data, measures of central tendency and dispersion, elementary probability, sampling, estimation and introduction to hypothesis testing.

BUS-296  BUSINESS INTERNSHIP CO-OP  
PREREQUISITE: Permission of Instructor
This course provides work experience with a college-approved employer in an area related to the student’s program of study. Emphasis is placed on integrating classroom learning with related work experience. Upon completion, students should be able to evaluate career selection, demonstrate employability skills, and satisfactorily perform work-related competencies.

ECO-231  PRINCIPLES OF MACROECONOMICS  
PREREQUISITE: None
This course is an introduction to macroeconomic theory, analysis, and policy applications. Topics include the following: scarcity, demand and supply, national income analysis, major economic theories concerning monetary and fiscal policies as stabilization measures, the banking system, and other economic issues or problems including international trade.

ECO-232  PRINCIPLES OF MICROECONOMICS  
PREREQUISITE: None
This course is an introduction of the microeconomic theory, analysis, and applications. Topics include scarcity; the theories of consumer behavior, production and cost, markets, output and resource pricing, and international aspects of microeconomics.
Program Information

The Associate of Applied Science Degree in Business Administration, Entrepreneurship Option at Trenholm State Community College provides the knowledge and skills necessary to prepare graduates for a career in business administration that will ultimately create career pathways enabling students to transfer to baccalaureate degree programs. Furthermore, it will provide a concentration in entrepreneurship.

The Business Administration program will also translate for seamless articulations to the Bachelor of Science in Business Administration programs at partnering universities. Graduates and program completers will be academically prepared to advance their vocations, but also prepare for matriculation to higher education. This program will provide students with a robust program that provides academic rigor. The program will provide not only an associate degree but also a short certificate. The entrepreneurship options will provide students with the skills necessary to take a business idea from conception through funding and development. Entrepreneurs are more than just business owners or CEOs; they create a tangible product or an intangible service to help the people they have defined as their target market. Entrepreneurs who take their own ideas and run with them might end up as business owners, CEOs, managers or consultants.

Occupational Choices

The entrepreneurship option prepares students for startup of a new small business from the beginning. The Business Employment Dynamics section of Bureau of Labor Statistics website states, “Entrepreneurship plays a vital role in the growth of the U.S. economy. New business establishments make an important contribution to the economy”. Small businesses are typically the entry point for entrepreneurs as they develop ideas and build a customer base before deciding whether to expand.

Average Full-Time Wage

For the entrepreneurship option after continuing and completing a bachelor degree, the median pays for the above listed career options considering all levels of the careers vary from $58,000 to $68,000 annually. The Bureau of Labor Statistics projects," Employment of entrepreneurship occupations is projected to grow 7.9 percent from 2016 to 2026, about as fast as the average for all occupations, which will result in about 254,000 new jobs”.

| BUS-100  | INTRODUCTION TO BUSINESS               | 3            |
| PREREQUISITE: None. |
| This is a survey course designed to acquaint the student with American business as a dynamic process in a global setting. Topics include the private enterprise system, forms of business ownership, marketing, factors of production, personnel, labor, finance, and taxation. |

| BUS-186  | ELEMENTS OF SUPERVISION                | 3            |
| PREREQUISITE: None. |
| This course is an introduction to the fundamentals of supervision. Topics include the functions of management, responsibilities of the supervisor, management-employee relations, organizational structure, project management, and employee training and rating. |

| BUS-215  | BUSINESS COMMUNICATION                 | 3            |
| This course covers written, oral and nonverbal communications. Topics include the application of communication principles to the production of clear, correct, and logically organized faxes, e-mail, memos, letters, resumes, reports, and other business communications. |

| BUS-241  | PRINCIPLES OF ACCOUNTING I             | 3            |
| PREREQUISITE: MTH-098 or satisfactory placement score. |
| This course is designed to provide a basic theory of accounting principles and practices used by service and merchandising enterprises. Emphasis is placed on financial accounting, including the accounting cycle, and financial statement preparation analysis. |

| BUS-242  | PRINCIPLES OF ACCOUNTING II            | 3            |
| PREREQUISITE: BUS-241. |
| This course is a continuation of BUS 241. In addition to a study of financial accounting, this course also places emphasis upon managerial accounting, with coverage of corporations, statement analysis introductory cost accounting, and use of information for planning, control, and decision making. |

| BUS-275  | PRINCIPLES OF MANAGEMENT               | 3            |
| PREREQUISITE: None. |
| This course provides a basic study of the principles of management. Topics include planning, organizing, staffing, directing, and controlling with emphasis on practical business applications. |

| BUS-276  | HUMAN RESOURCE MANAGEMENT              | 3            |
| PREREQUISITE: BUS-275. |
| This course provides an overview of the responsibilities of the supervisor of human resources. Topics include the selection, placement, testing, orientation, training, rating, promotion, and transfer of employees. |

| BUS-279  | SMALL BUSINESS MANAGEMENT              | 3            |
| PREREQUISITE: BUS-275. |
| This course provides an overview of the creation and operation of a small business. Topics include buying a franchise, starting a business, identifying capital resources, understanding markets, managing customer credit, managing accounting systems, budgeting systems, inventory systems, purchasing insurance, and the importance of appropriate legal counsel. |

<p>| BUS-296  | BUSINESS INTERNSHIP                    | 3            |
| PREREQUISITE: Permission of instructor. |
| This course allows the student to apply knowledge and skills in a real-world work place. Evaluation is based upon a well-developed portfolio, job-site visits by the instructor, the employer’s evaluation of the student, and the development and assessment by the student of a learning contract. |</p>

|          | were constructed in previous courses. Additionally, teams of students will compete in a business simulation. As a part of this activity, teams will submit regular “management” reports discussing the results of the decisions they have made. Upon completion, students will be prepared to lead their own venture.
Program Information

The Associate of Applied Science Degree in Business Administration General Business option at Trenholm State Community College provides the knowledge and skills necessary to prepare graduates for a career in business administration that will ultimately create career pathways enabling students to transfer to baccalaureate degree programs. Furthermore, it will provide concentrations in general business, management, and entrepreneurship.

The Business Administration program will also translate for seamless articulations to the Bachelor of Science in Business Administration programs at partnering universities. Graduates and program completers will be academically prepared to advance their vocations, but also prepare for matriculation to higher education. This program will provide students with a robust program that provides academic rigor. The program will provide not only associate degrees but also short certificates. These options will provide multiple career pathways that will be tailored to meet the needs of the student. The general business option is designed to prepare students for a variety of careers within business.

Occupational Choices

The general business option will prepare students for a variety of careers within business organizations. These career options include business analysts, budget analysts, real estate appraisers and assessors, insurance (claims adjusters, appraisers, examiners, and investigators), compensation specialists, benefits specialists, job analysis specialists, cost estimators, fundraisers, Human Resource specialists, insurance underwriters, loan officers, meeting and event planners, training and development specialists, purchasing managers, purchasing buyers and purchasing agents. Other job titles and career options may fall under the general business opportunities as well.

Average Full-Time Wage

For the general business option after continuing and completing a bachelor degree, the median pays for the above listed career options considering all levels of the careers vary from $53,150 to $75,540 annually. The Bureau of Labor Statistics projects that “Employment of business and financial operations occupations is projected to grow 10 percent from 2016 to 2026, faster than the average for all occupations, adding about 773,800 new jobs.”.

Program Information

The Associate of Applied Science Degree in Business Administration Management option at Trenholm State Community College provides the knowledge and skills necessary to prepare graduates for a career in business administration that will ultimately create career pathways enabling students to transfer to baccalaureate degree programs. Furthermore, it will provide concentrations in general business, management, and entrepreneurship.

The Business Administration program will also translate for seamless articulations to the Bachelor of Science in Business Administration programs at partnering universities. Graduates and program completers will be academically prepared to advance their vocations, but also prepare for matriculation to higher education. This program will provide students with a robust program that provides academic rigor. The program will provide not only associate degrees but also short certificates. This option will provide multiple career pathways that will be tailored to meet the needs of the student. The management option prepares students to hold supervisory and management positions.

Occupational Choices

The management option will prepare students for supervisory and management career options in a variety of business organizations. Management career options include opportunities in the business areas of agriculture, food service, lodging, property and real estate, administrative services, compensation and benefits, construction, Human Resources, industrial production, sales, and training and development. Other business areas may fall under the management opportunities as well.

Average Full-Time Wage

For the management option after continuing and completing a bachelor degree, the median pays for the above listed career options considering all levels of the careers vary from $52,030 to $119,120 annually. The Bureau of Labor Statistics projects,“ Employment of management occupations is projected to grow 8 percent from 2016 to 2026, about as fast as the average for all occupations, which will result in about 807,300 new jobs”.

Management

General Education Requirements (18-19 hours)

Area I - Written Composition (6 hours)
ENG-101 English Composition I 3
ENG-102 English Composition II 3
ENG-130 Technical Report Writing 3

Area II - Humanities & Fine Arts (3 hours)
(Humanities and Arts disciplines include but are not limited to: Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

Note: If SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

Arts:
ART-100 Art Appreciation 3
MUS-101 Music Appreciation 3

Humanities:
PHL-106 Intro to Philosophy 3
PHL-206 Ethics & Society 3
REL-100 History of World Religions 3
REL-151 Survey of Old Testament 3
REL-152 Survey of New Testament 3
SPA-101 Intro Spanish I 3
SPA-102 Intro Spanish II 3
SPH-106 Fundamentals of Oral Comm 3
SPH-107 Fundamentals of Public Speaking 3

Literature:
ENG-251 American Literature I 3
ENG-252 American Literature II 3
ENG-261 English Literature I 3
ENG-262 English Literature II 3
ENG-271 World Literature I 3
ENG-272 World Literature II 3

Area III - Natural Science & Mathematics (6-7 hours)
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

Note: 3 semester hours in MTH must be completed. Additional hours can be taken in the Natural Science area.

Mathematics:
MTH-100 Intermediate Algebra 3
MTH-103 Intro to Technical Mathematics 3
MTH-104 Plane Trigonometry 3
MTH-110 Finite Mathematics 3
MTH-112 Precalculus Algebra 3
MTH-116 Mathematical Applications 3

Natural Sciences:
BIO-101 Introduction to Biology I 4
BIO-102 Introduction to Biology II 4
BIO-103 Principles of Biology I 4
BIO-104 Principles of Biology II 4
PHS-111 Physical Science I 4
PHS-112 Physical Science II 4
PHY-120 Introduction to Physics 4

Area IV - History, Social & Behavioral Sciences
(3 hours):
(Social and Behavioral Sciences include, but are not limited to: Anthropology, Economics, Geography, Political Science, Psychology, and Sociology.)

Note: Must complete 3 semester hours.

History:
HIS-101 Western Civilization I 3
HIS-102 Western Civilization II 3
HIS-121 World History I 3
HIS-122 World History II 3
HIS-201 United States History I 3

Program Information

As part of the Business Administration Associate of Applied Science Degree at Trenholm State Community College, the Office Administration program prepares the student for a career in a professional office environment. As the business office relies increasingly on technology, organizations need well-trained, capable individuals to ensure that daily tasks are handled efficiently and effectively. In the Office Administration program, students will learn the technical and interpersonal skills that will make them key players in day-to-day operations. Students will study the current Microsoft Office applications including word processing, spreadsheets, databases, desktop publishing, and other communications technologies, allowing them to develop critical thinking and problem solving skills that will move them to the top of an organization’s must-hire list.

The Office Administration Program at H. Councill Trenholm State Community College covers all aspects of the office profession and incorporates hands-on, in-depth training with current software packages to prepare students for administrative support careers. Students study computers, office systems and procedures, while skills such as communication, organization and interpersonal relations are also emphasized.

Occupational Choices

Employment of office and administrative support occupations is projected to show little or no change from 2016 to 2026. Technology is expected to substitute or supplant some functions that workers in office and administrative support occupations do.

Average Full-Time Wage

The median annual wage for office and administrative support occupations was $35,760 in May 2018, below the median for all occupations of $38,640.

<tr>
<td>ACT-201</td>
<td>ENTREPRENEURISM</td>
<td>3</td>
</tr>
<tr>
<td><strong>PREREQUISITE:</strong> None</td>
<td></td>
<td></td>
</tr>
<tr>
<td>This course covers the important issues and critical steps involved in starting a new business from scratch. Topics covered include developing a business plan, creating a successful marketing strategy, setting up legal basis for business, raising start-up funds, attracting and managing human resources, managing costs, and developing a custom base.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>OAD-103</td>
<td>INTERMEDIATE KEYBOARDING</td>
<td>3</td>
</tr>
<tr>
<td><strong>PREREQUISITE:</strong> None</td>
<td></td>
<td></td>
</tr>
<tr>
<td>This course is designed to assist the student in increasing speed and accuracy using the touch method of keyboarding through classroom instruction and lab exercises. Emphasis is on the production of business documents such as memoranda, letters, reports, tables, and outlines from unarranged rough draft to acceptable format. Upon completion, the student should be able to demonstrate proficiency and an acceptable rate of speed and accuracy, as defined by the course syllabus, in the production of business documents.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>OAD-104</td>
<td>ADVANCED KEYBOARDING</td>
<td>3</td>
</tr>
<tr>
<td><strong>PREREQUISITE:</strong> OAD-103</td>
<td></td>
<td></td>
</tr>
<tr>
<td>This course is designed to assist the student in continuing to develop speed and accuracy using the touch method of keyboarding. Emphasis is on the production of business documents using decision-making skills. Upon completion, the student should be able to demonstrate proficiency and an acceptable rate of speed and accuracy in the production of business documents.</td>
<td></td>
<td></td>

<td>OAD-125</td>
<td>WORD PROCESSING</td>
<td>3</td>
</tr>
<tr>
<td><strong>PREREQUISITE:</strong> OAD-103</td>
<td></td>
<td></td>
</tr>
<tr>
<td>This course is designed to provide the student with basic word processing skills through classroom instruction and outside lab. Emphasis is on the utilization of software features to create, edit, and print common office documents. Upon completion, the student should be able to demonstrate the ability to use industry-standard software to generate appropriately formatted, accurate, and attractive business documents such as memoranda, letters, and reports.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>OAD-133</td>
<td>BUSINESS COMMUNICATIONS</td>
<td>3</td>
</tr>
<tr>
<td><strong>PREREQUISITE:</strong> None</td>
<td></td>
<td></td>
</tr>
<tr>
<td>This course is designed to provide the student with skills necessary to communicate effectively. Emphasis is on the application of communication principles to produce clear, correct, logically-organized business communications. Upon completion, the student should be able to demonstrate effective communication techniques in written, oral, and nonverbal communications.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>OAD-138</td>
<td>RECORD INFORMATION MANAGEMENT</td>
<td>3</td>
</tr>
<tr>
<td><strong>PREREQUISITE:</strong> None</td>
<td></td>
<td></td>
</tr>
<tr>
<td>This course is designed to give the student knowledge about managing office records and information. Emphasis is on basic filing procedures, methods, systems, supplies, equipment, and modern technology used in the creation, protection, and disposition of records stored in a variety of forms. Upon completion, the student should be able to perform basic filing procedures.</td>

This course is designed to introduce the student to the elements and techniques of page design, layout, and typography through classroom instruction and lab exercises. Emphasis is on the use of current commercial desktop publishing software, graphic tools, and electronic input/output devices to design and print high-quality publications such as newsletters, brochures, catalogs, forms, and flyers. Upon completion, the student should be able to utilize proper layout and design concepts in the production of attractive desktop published documents.

This course provides the student with skills needed in performing spreadsheet tasks. Emphasis is on spreadsheet terminology and design, common formulas, and proper file and disk management procedures. Upon completion, the student should be able to design, format, and graph effective spreadsheets.

This course is designed to provide the student with an understanding of the concepts of database management through classroom instruction and lab exercises. Emphasis is on the use of database software for business applications. Upon completion, the student should be able to create and manipulate data files and format output such as documents and reports.

This course focuses on producing business slides and presentations. Emphasis is on software tools, presentation options, design, and presentation considerations. Upon completion, the student should be able to design and produce a business presentation.

This course provides work experience with a college-approved employer in an area related to the student’s program of study. Emphasis is placed on integrating classroom learning with related work experience. Upon completion, students should be able to evaluate career selection, demonstrate employability skills, and satisfactorily perform work-related competencies.

This course provides a basic theory of accounting principles and practices used by service and merchandising enterprises. Emphasis is on financial accounting, including the accounting cycle, and financial statement preparation and analysis. Upon completion of this course, the student will be able to apply basic accounting principles.

This course provides an overview of the legal and social environment for business operations with emphasis on contemporary issues and their subsequent impact on business. Topics include the Constitution, the Bill of Rights, the legislative process, civil and criminal law, administrative agencies, trade regulations, consumer protection, contracts, employment and personal property.

This course provides a basic study of the principles of management. Topics include planning, organizing, staffing, directing, and controlling with emphasis on practical business applications.
Program Information

The Computer Information Systems department at H. Councill Trenholm State Community College is progressive and innovative in its approach to remain viable and current with the trends of computer technology and applications. Students enrolled in the CIS Curriculum will gain knowledge and skills that are valuable to a dynamically, changing workforce, including—but not limited to—soft skills and preparation for industry recognized certifications.

Trenholm State will meet student needs for Information Systems Technology training while providing students with effective and personalized instructional methods in a variety of technical concentrations. The CIS program also emphasizes leadership and teamwork, within and throughout the Plan of Study.

Occupational Choices

At Trenholm State, we teach skills needed by: programmers; computer system analysts; database designers; network designers; Microsoft Certified Desktop Technicians; A+, Security+ and Linux+ Technicians; Cisco CCNA certified networkers; and, Office Technology Specialists with MS Office skills. We also offer others education and training, as well as a full spectrum of soft-skills. Job prospects should be best for college graduates who are up to date with the latest skills and technologies, particularly if they have supplemented their formal education with some relevant work experience and industry recognized certifications. Employers will continue to seek computer specialists who possess a strong background in fundamental computer skills combined with good interpersonal and communication skills. Due to the demand for computer support specialists and systems administrators over the next decade, those who have strong computer skills but do not have a bachelor’s degree should continue to qualify for some entry-level positions. However, certifications and practical experience are essential for persons without degrees.

Average Full-Time Wage

Employment opportunities are expected to grow and earnings can range from entry level positions to much higher incomes for certified and experienced individuals. The average full-time annual wage of a CIS trained IT employee is $52,160 (Computer Support Specialist) to $111,840 (Computer and Information Research Scientist), based on skill level, experience, and field of work. Other job titles include: Computer Network Architect ($101,210); Computer Programmers ($79,840); Computer Systems Analysts ($87,220); Database Administrators ($84,950); Information Security Analysts ($92,600); Network and Computer System Administrators ($79,700); Software Developers ($102,280); and, Web Developers ($66,130). Other titles and skills also are within these job categories, depending on skills, degree, certifications, experience, availability, relocation, and variable factors of employment.

Program Contact

*You must earn a final grade of a 70 (“C”) or above to receive credit for CIS courses. Any final grade of 69 or below will constitute failure (F) in the course, and you will have to repeat the course to attempt to earn the appropriate credit. (This does not include CIS-149 or CIS-146).

Associate of Applied Science
Computer Information Systems

General Education Requirements (18-19 hours)

Area I - Written Composition (6 hours)
ENG-101  English Composition I  3
ENG-102  English Composition II  3
ENG-130  Technical Report Writing  3

Area II - Humanities & Fine Arts (3 hours)

Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.

Note: If SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

Arts:
ART-100  Art Appreciation  3
MUS-101  Music Appreciation  3

Humanities:
PHL-106  Intro to Philosophy  3
PHL-206  Ethics & Society  3
REL-100  History of World Religions  3
REL-151  Survey of Old Testament  3
REL-152  Survey of New Testament  3
SPA-101  Intro Spanish I  3
SPA-102  Intro Spanish II  3
SPH-106  Fundamentals of Oral Comm  3
SPH-107  Fundamentals of Public Speaking  3

Literature:
ENG-251  American Literature I  3
ENG-252  American Literature II  3
ENG-261  English Literature I  3
ENG-262  English Literature II  3
ENG-271  World Literature I  3
ENG-272  World Literature II  3

Area III - Natural Science & Mathematics (6-7 hours)

(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

Note: 3 semester hours in MTH must be completed. Additional hours can be taken in the Natural Science area.

Mathematics:
MTH-100  Intermediate Algebra  3
MTH-110  Finite Mathematics  3
MTH-112  Precalculus Algebra  3

Natural Sciences:
BIO-101  Introduction to Biology I  4
BIO-102  Introduction to Biology II  4
BIO-103  Principles of Biology I  4
BIO-104  Principles of Biology II  4
PHS-111  Physical Science I  4
PHS-112  Physical Science II  4
PHY-120  Introduction to Physics  4
Area IV - History, Social & Behavioral Sciences
(3 hours):
(Social and Behavioral Sciences include, but are not
limited to: Anthropology, Economics, Geography,
Political Science, Psychology, and Sociology.)

Note: Must complete 3 semester hours.

History:
HIS-101 Western Civilization I 3
HIS-102 Western Civilization II 3
HIS-121 World History I 3
HIS-122 World History II 3
HIS-201 United States History I 3
HIS-202 United States History II 3

Social and Behavioral Sciences:
PSY-200 General Psychology 3
PSY-210 Human Growth and Development 3
SOC-200 Introduction to Sociology 3
POL-200 Introduction to Political Science 3
POL-211 American National Government 3

Area V: Pre-Professional/College Requirements:
(Courses appropriate to the degree requirements and
major of the individual student and electives.)

College Requirements:
ORI-101 Orientation to College 1
CIS-146 Microcomputer Applications 3
CIS-117 Database Mgmt Software Apps 3
CIS-149 Introduction to Computers 3
CIS-157 Intro to App Development with Swift 3
CIS-171 Fundamentals of UNIX/Linux I 3
CIS-201 Intro to Computer Programming 3
CIS-207 Introduction to Web Development 3
CIS-209 Advanced Web Development 3
CIS-238 Cloud Computing: Infrastructure/Svcs 3
CIS-268 Software Support 3
CIS-269 Hardware Support 3
CIS-270 Cisco CCNA I: Networking Funds 3
CIS-271 Cisco CCNA II: Routers & Switches 3
CIS-280 Network Security 3
CIS-281 Systems Analysis & Design 3
Elective 3

Area V Credit Hours: 58
Total Credit Hours: 76

ELECTIVES: (Select any nine credit hours from the following
electives to be considered as a concentration; otherwise, your
degree will be an Associate in Applied Science, Computer
Information Systems, no concentration listed). Also, please
note that some courses listed in the “Course Descriptions”
may be offered as needed and may be used as an elective and
substituted on a case-by-case basis.

Networking Concentration
(Cisco Networking)
CIS-272 Cisco CCNA III: Adv Routers/Switches 3
CIS-273 Cisco CCNA IV: WAN Technologies 3
CIS-172 Fundamentals of UNIX/Linux II 3

System Support Concentration
(Microsoft Desktop/Server Support)
CIS-275 Workstation Administration 3
CIS-276 Server Administration 3
CIS-265 End User & Desktop App Support I 3

Programming Concentration
(Object Oriented Programming)
(Choose 9 hours)
CIS-212 Visual Basic Programming 3
CIS-213 Advanced Visual Basic Programming 3
CIS-255 JAVA Programming 3
CIS-256 Advanced JAVA 3
CIS-285 Object Oriented Programming 3

Cyber Security Concentration
(Choose 9 hours)
CIS-211 Principles of Information Assurance 3
CIS-214 Security Testing (Pen Testing) 3
CIS-245 Cyber Defense 3
CIS-246 Ethical Hacking 3
CIS-282 Computer Forensics 3

Program Coding Concentration
(Cross-Reference of Courses-to-Certifications:
CIS171/172: Linux+
CIS207/208: Certified Internet Webmaster
CIS268/269: A+
CIS270/271: CCENT & Network+
CIS272/273: CCNA
CIS280: Security+)
CIS-155 Intro to Mobile App Development or CIS-159 Intro to Graphic Designs
for Apps 3
CIS-220 App Development with Swift I 3
CIS-227 App Development with Swift II 3

AWC Cloud Computing Concentration
CIS-200 Software Design 3
CIS-237 Virtual Infrastr: Install & Configuration 3
CIS-239 Information Storage & Management 3

General Electives not Associated with any Concentration:
CIS-182 Help Desk Applications 3
CIS-203 Introduction to Information Highway 3
CIS-208 Web Authoring Software (DreamWeaver) 3
CIS-222 Database Management System 3
CIS-250 E-Commerce 3
CIS-251 C++ Programming 3
CIS-284 CIS Internship 3
CIS-287 SQL Server 3
CIS-294 Special Topics 3
CIS-299 Directed Studies in CIS 3
OAD-103 Intermediate Keyboarding 3
ACT-201 Entrepreneurship 3

Cross-Reference of Courses-to-Certifications:
### Short Term Certificate
**Computer Information Systems**
#### CISCO Networking Concentration

**Area V: Pre-Professional/College Requirements:**
(Courses appropriate to the degree requirements and major of the individual student and electives.)

**College Requirements:**

<tr>
<td>ACT-201</td>
<td>ENTREPRENEURISM</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None.</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course covers the important issues and critical steps involved in starting a new business from scratch. Topics covered include developing a business plan, creating a successful marketing strategy, setting up the legal basis for business, raising start-up funds, attracting and managing human resources, managing costs, and developing a custom base.</td>
<td></td>
</tr>
<tr>
<td>CIS-103</td>
<td>INTRODUCTORY COMPUTER SKILLS II</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None.</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course is for students without a high school diploma or GED. This course is not creditable toward associate degree requirements. This course is designed to focus on the development of computer skills suited to the needs of students in non-degree occupational programs. The course will generally use software packages appropriate to occupational programs and may include such topics as word processing, database, basic graphics, spreadsheets or other features typically needed in the field. Upon completion, the student will be able to demonstrate proficiency by the completion of appropriate assignments and occupation-specific applications. This course is offered each term.</td>
<td></td>

<td></td>
</tr>
<tr>
<td>CIS-237</td>
<td>VIRTUAL INFRASTRUCTURE: INSTALLATION AND CONFIGURATION</td>
<td>4</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: CIS-171</td>
<td></td>
</tr>
<tr>
<td></td>
<td>Students explore concepts and capabilities of virtual architecture with a focus on the installation, configuration, and management of a virtual infrastructure, an ESX Server, and a Virtual Center. Covers fundamentals of virtual network design and implementation, fundamentals of storage area networks, virtual switching, virtual system management and engineering for high availability.</td>
<td></td>
</tr>
<tr>
<td>CIS-238</td>
<td>CLOUD COMPUTING: INFRASTRUCTURE AND SERVICES</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: CIS-201 and CIS-207</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course focuses on cloud infrastructure, deployment, security models, and the key considerations in migrating to cloud computing. Coverage includes the technologies and processes required to build traditional, virtualized and cloud data center environments, including computation, storage, networking, desktop and application virtualization, business continuity, security and management.</td>
<td></td>
</tr>
<tr>
<td>CIS-239</td>
<td>INFORMATION STORAGE &amp; MANAGEMENT</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: CIS-270</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course focuses on advanced storage systems, protocol, and architectures, including Storage Area Networks (SAN), Network Attached Storage (NAS), Fibre Channel Networks, Internet Protocol SANS (IPSAN), iSCSI, and Content Addressable Storage (CAS).</td>
<td></td>
</tr>
<tr>
<td>CIS-245</td>
<td>CYBER DEFENSE</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: CIS-149 OR Permission of Instructor</td>
<td></td>
</tr>
<tr>
<td></td>
<td>The course provides students with information on the concept of cyber defense. Topics include information relative to legal aspects of cyber-attacks, threats to various levels of national and local social infrastructure, financial systems, personal data, and other direct and indirect threats. As part of this course students explore current and historical cyber threats and U.S. policy regarding infrastructure protection.</td>
<td></td>
</tr>
<tr>
<td>CIS-246</td>
<td>ETHICAL HACKING</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: CIS-149 OR Permission of Instructor</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course emphasizes scanning, testing, and securing computer systems. The lab-intensive environment provides opportunities to understand how perimeter defenses work and how hackers are able to compromise information systems. With awareness of hacking strategies, students learn to counteract those attempts in an ethical manner.</td>
<td></td>
</tr>
<tr>
<td>CIS-250</td>
<td>E-COMMERCE</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: CIS-149 OR Permission of Instructor</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course is an introduction into e-commerce. Topics include marketing, building an e-commerce store, security, and electronic payment systems. Upon completion students will be able to build an e-commerce presence.</td>
<td></td>
</tr>
<tr>
<td>CIS-251</td>
<td>C++ PROGRAMMING</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: CIS-201 OR Permission of Instructor</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course is an introduction to the C++ programming language including object oriented programming. Topics include: problem solving and design; control structures; objects and events; user interface construction; and document and program testing.</td>
<td></td>
</tr>
</tbody>
</table>
CIS-255  JAVA PROGRAMMING  
PREREQUISITE: CIS-201 OR Permission of Instructor
This course is an introduction to the Java programming language. Topics in this course include object-oriented programming constructs, Web page applet development, class definitions, threads, events and exceptions. Upon completion, the student will be able to demonstrate knowledge of the topics through the completion of programming projects and appropriate tests.

CIS-256  ADVANCED JAVA  
PREREQUISITE: CIS-255
This course is a second course of a sequence using the Java programming language. Topics include: Sun’s Swing GUI components, JDBC, JavaBeans, RMI, servlets, and Java media framework. Upon completion, the student will be able to demonstrate knowledge of the topics through programming projects and appropriate exams.

CIS-265  END USER AND DESKTOP APPLICATIONS SUPPORT I  
PREREQUISITE: CIS-149 OR Permission of Instructor
This course covers the knowledge and skills necessary to support desktop operating systems in a corporate or small business environment.

CIS-268  SOFTWARE SUPPORT  
PREREQUISITE: CIS-149 OR Permission of Instructor
This course provides students with hands-on practical experience in installing computer software, operating systems, and troubleshooting. The class will help to prepare participants for the A+ Certification sponsored by CompTIA. This is a CORE course.

CIS-269  HARDWARE SUPPORT  
PREREQUISITE: CIS-149 OR Permission of Instructor
This course provides students with hands-on practical experience in installation and troubleshooting computer hardware. The class will help to prepare participants for the A+ Certification sponsored by CompTIA. This is a CORE course.

CIS-270  CISCO/CCNA I  
PREREQUISITE: CIS-149 OR Permission of Instructor
This course is the first part of a four part curriculum leading to Cisco Certified Network Associate (CCNA) certification. The content of this course is based on current requirements from the CISCO Networking Academy certification standards.

CIS-271  CISCO/CCNA II  
PREREQUISITE: CIS-270 OR Permission of Instructor
This course is the second part of a four part curriculum leading to Cisco Certified Network Associate (CCNA) certification. The content of this course is based on current requirements from the Cisco Networking Academy certification standards.

CIS-272  CISCO CCNA III  
PREREQUISITE: CIS-271 OR Permission of Instructor
This course is the third part of a four part curriculum leading to Cisco Certified Network Associate (CCNA) certification. The content of this course is based on current requirements from the Cisco Networking Academy certification standards.

CIS-273  CISCO CCNA IV  
PREREQUISITE: CIS-272 OR Permission of Instructor
This course is the fourth part of a four part curriculum leading to Cisco Certified Network Associate (CCNA) certification. The content of this course is based on current requirements from the Cisco Networking Academy certification standards.

CIS-275  WORKSTATION ADMINISTRATION  
PREREQUISITE: CIS-149 or Permission of Instructor
This course provides a study of client system administration in a network environment. Topics include installing, monitoring, maintaining, and troubleshooting client operating system software and managing hardware devices and shared resources. Students gain hands-on experience in client operating system installation and basic administration of network workstations.

CIS-276  SERVER ADMINISTRATION  
PREREQUISITE: CIS-275 OR Permission of Instructor
This course introduces network operating system administration. Topics included in this course are network operating system software installation, administration, monitoring, and maintenance; user, group, and computer account management; shared resource management; and server hardware management. Students gain hands-on experience in managing and maintaining a network operating system environment.

<td>NETWORK SECURITY</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: CIS-268, CIS-269 or CIS-270 OR Permission of Instructor</td>
<td></td>
</tr>
</tbody>
</table>

This course provides a study of threats to network security and methods of securing a computer network from such threats. Topics included in this course are security risks, intrusion detection, and methods of securing authentication, network access, remote access, Web access, and wired and wireless network communications. Upon completion students will be able to identify security risks and describe appropriate counter measures.

| CIS-281   | SYSTEM ANALYSIS & DESIGN                  | 3            |
|           | PREREQUISITE: CIS-201 OR Permission of Instructor |

This course is a study of contemporary theory and systems analysis and design. Emphasis is placed on investigating, analyzing, designing, implementing, and documenting computer systems. Upon completion, the student will be able to demonstrate knowledge of the topics through the completion of programming projects and appropriate tests.

| CIS-282   | COMPUTER FORENSICS                        | 3            |
|           | PREREQUISITE: CIS-149 OR Permission of Instructor |

This course introduces students to methods of computer forensics and investigations. This course helps prepare students for the International Association of Computer Investigative Specialists (IACIS) certification.

| CIS-284   | CIS INTERNSHIP                            | 3            |
|           | PREREQUISITE: Within 2 semesters of graduation OR EXPRESS Permission of Instructor |

This course is designed to provide the student with an opportunity to work in a degree/program related environment. Emphasis is placed on the student’s “real world” work experience as it integrates academics with practical applications that relate meaningfully to careers in the computer discipline. Significance is also placed on the efficient and accurate performance of job tasks as provided by the “real world” work experience. Grades for this course will be based on a combination of the employer’s evaluation of the student, and the contents of a report submitted by the student. Upon completion of this course, the student should be able to demonstrate the ability to apply knowledge and skills gained in the classroom to a “real world” work experience.

| CIS-285   | OBJECT ORIENTED PROGRAMMING               | 3            |
|           | PREREQUISITE: CIS-201 OR CIS-212 OR Permission of Instructor |

This course is an advanced object-oriented programming course and covers advanced program development techniques and concepts in the context of an object-oriented language. Subject matter includes object-oriented analysis and design, encapsulation, inheritance, polymorphism (operator and function overloading), information hiding, abstract data types, reuse, dynamic memory allocation, and file manipulation. Upon completion, students should be able to develop a hierarchical class structure necessary to the implementation of an object-oriented software system.

| CIS-287   | SQL SERVER                                | 3            |
|           | PREREQUISITE: CIS-117 OR Permission of Instructor |

This course will provide students with the technical skill required to install, configure, administer and troubleshoot SQL Server client/server database management system. At the completion of this series students will be able to: identify the features of SQL Server and the responsibilities and challenges in system administration; identify the benefits of integrating SQL Server and setup clients for SQL Server; install and configure SQL Server; manage data storage using database devices and partition data using segments; manage the user accounts; manage user permissions; identify the various task scheduling and alerting abilities of SQL Executive; identify the concepts used in replication and implement replication of data between two SQL Services; identify the types of backup and create backup devices; identify the factors effecting SQL Server performance and the need for monitoring and tuning; locate and troubleshoot problems that occur on the SQL Server.

| CIS-294   | SPECIAL TOPICS                            | 3            |
|           | PREREQUISITE: Permission of Instructor    |

This course allows study of currently relevant computer science topics, with the course being able to be repeated for credit for each different topic covered. Course content will be determined by the instructor and will vary according to the topic being covered. Upon completion, the student will be able to demonstrate knowledge of the course topic through completion of assignments and appropriate tests.

| CIS-299   | DIRECTED STUDIES IN COMPUTER SCIENCE      | 3            |
|           | PREREQUISITE: Permission of Instructor    |

This course allows independent study under the direction of an instructor. Topics to be included in the course material will be approved by the instructor prior to or at the beginning of the class. Upon completion, the student will be able to demonstrate knowledge of the topics as specified by the instructor.
Program Information

Child and Human Development professionals nurture and teach young children in child care centers, nursery schools, as well as preschools, public schools, private households, family child care homes, and before- and after-school programs. They are charged to help children explore their interests, develop their talents and independence, build self-esteem and learn how to behave with others primarily using a play-centered curriculum. They capitalize on children’s play to further language development and introduce scientific and mathematical concepts. Specific emphasis is given to serving an ever-expanding multicultural and inclusive population.

At Trenholm State Community College, the student may elect to study either as a part- or full-time student with classes offered in a flexible class schedule. Trenholm State students have the option of utilizing the availability of cooperating community center sites which offer practical laboratory “hands-on” working experience with infant/toddler and preschool children, as well as family child care homes, faith-based centers, after-school programs, and summer enrichment programs. Students pursuing the Child Development Associate Credential are prepared for the final assessment of the CDA credential. The CDA credential is not awarded through Trenholm State Community College. However, the College provides actual preparation for the credentialing process through the National Council for Professional Recognition credential.

Occupational Choices

Child care workers held about 1.26 million jobs in 2016. Many worked part-time. At least 25% child care workers were self-employed; most of these were family child care providers. Twenty-four percent of all child care workers are found in child day care services, and about 20 percent for private households. The remainder worked primarily in local government educational services; nursing and residential care facilities; religious organizations; amusement and recreation industries; private educational services; civic and social organizations; individual and family services; and local government, excluding education and hospitals. Some child care programs are for-profit centers, which may be affiliated with a local or national company.

Preschool and Childcare Center Directors held about 478,500 jobs in 2016. Most worked for child day care services. However, some work for religious or charitable organizations and for elementary and secondary schools that have preschool and childcare programs. Fifty-one percent worked in child day care services, eighteen percent worked for religious, grant-making, civic, professional and similar organizations. Twelve percent worked for elementary and secondary schools; state, local and private schools. The remaining four percent worked for individual and family services.

Teacher assistants held 1.3 million jobs in 2016. They work in both private and public elementary, middle and high schools. They also work in preschools, childcare centers, community centers, and for religious organizations. In 2016, 69% percent of teacher assistants were employed by elementary and secondary schools and 10 percent were employed by child day care services.

CDA Application Fee $425

* Tax not included. Prices are subject to change without prior notice; cost of books may vary considerably among suppliers. Cost of general education books is in addition to the total listed above. The length of the program is based on full-time status of 12-15 credit hours per term. Enrollment in transitional level general education courses will alter the length of the program.
Average Full-Time Wage

Pay depends on the educational attainment of the worker and the type of establishment. Although the pay generally is very low, more education usually means higher earnings. Median hourly wages of child care workers, preschool teachers, and teacher’s assistants in the public schools were $12.33 in 2017. The lowest 10 percent earned $19,970 yearly and the highest 10 percent earned more than $54,780.00 yearly.

The median annual wage of preschool and childcare Teacher assistants was $26,260 yearly.

Additional Requirements

Child and Human Development Program participants must meet the following criteria:

• Student must hold a High School diploma or GED.
• Student must be at least 18 years of age.
• Student must meet all criteria of the State Department of Human Resources for persons working with children to include:
  • completing a health card showing results of tuberculosis tests
  • Suitability determination by the DHR, (issued by Alabama DHR & Alabama Bureau of Investigations ($54.95)
  • ***Mandatory Criminal History Check
  • Alabama Child Abuse and Neglect Clearance (No Charge)
  • Alabama Bureau of Investigations Fingerprint Clearance. ($5.00)
• Ability to stoop, bend, and lift up to 50 pounds.
• Required medical examination report to include TB skin test results
• Students must be at least 19 years of age to complete the required laboratory experiences.
• Students must be Pediatric CPR/First Aid/AED certified upon graduation.
• Student must have photo identification.

***Students must complete the Alabama Child Abuse and Neglect Clearance with no substantiated reports before being placed in cooperating laboratory sites.

As part of ongoing planning and evaluation, the College regularly evaluates student learning outcomes for each program.
Associate of Applied Science  
Child and Human Development  

General Education Requirements (18-19 hours)

**Area I - Written Composition (6 hours)**
- ENG-101 English Composition I 3
- ENG-102 English Composition II 3
- ENG-130 Technical Report Writing 3

**Area II - Humanities & Fine Arts (3 hours)**
(Humanities and Arts disciplines include but are not limited to: Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

Note: If SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

**Arts:**
- ART-100 Art Appreciation 3
- MUS-101 Music Appreciation 3

**Humanities:**
- PHL-106 Intro to Philosophy 3
- PHL-206 Ethics & Society 3
- REL-100 History of World Religions 3
- REL-151 Survey of Old Testament 3
- REL-152 Survey of New Testament 3
- SPA-101 Intro Spanish I 3
- SPA-102 Intro Spanish II 3
- SPO-106 Fundamentals of Oral Comm 3
- SPO-107 Fundamentals of Public Speaking 3

**Literature:**
- ENG-251 American Literature I 3
- ENG-252 American Literature II 3
- ENG-261 English Literature I 3
- ENG-262 English Literature II 3
- ENG-271 World Literature I 3
- ENG-272 World Literature II 3

**Area III-Natural Science & Mathematics (6-7 hours)**
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

Note: 3 semester hours in MTH must be completed. Additional hours can be taken in the Natural Science area.

**Mathematics:**
- MTH-100 Intermediate Algebra 3
- MTH-103 Intro to Technical Mathematics 3
- MTH-104 Plane Trigonometry 3
- MTH-110 Finite Mathematics 3
- MTH-112 Precalculus Algebra 3
- MTH-116 Mathematical Applications 3

**Natural Sciences:**
- BIO-101 Introduction to Biology I 4
- BIO-102 Introduction to Biology II 4
- BIO-103 Principles of Biology I 4
- BIO-104 Principles of Biology II 4
- PHS-111 Physical Science I 4
- PHS-112 Physical Science II 4
- PHY-120 Introduction to Physics 4

**Area IV - History, Social & Behavioral Sciences (3 hours):**
(Social and Behavioral Sciences include, but are not limited to: Anthropology, Economics, Geography, Political Science, Psychology, and Sociology.)

Note: Must complete 3 semester hours.

**History:**
- HIS-101 Western Civilization I 3
- HIS-102 Western Civilization II 3
- HIS-121 World History I 3
- HIS-122 World History II 3
- HIS-201 United States History I 3
- HIS-202 United States History II 3

**Social and Behavioral Sciences:**
- PSY-200 General Psychology 3
- PSY-210 Human Growth and Development 3
- SOC-200 Introduction to Sociology 3
- POL-200 Introduction to Political Science 3
- POL-211 American National Government 3

**Area V: Pre-Professional/College Requirements:**
(Courses appropriate to the degree requirements and major of the individual student and electives.)

**College Requirements:**
- ORI-101 Orientation to College 1
- CIS-146 Microcomputer Applications 3
- CHD-100* Intro to Early Care & Ed of Children 3
- CHD-211* Child Development Seminar 3
- CHD-213 Child Development Trends Seminar 3
- CHD-214 Families and Communities 3
- CHD-215 Supervised Practical Exp in Child Dev 3
- CHD-219* Supervised Practical Experience 2
- Technical Electives 9

* Courses designed to prepare students for Child Development Association (CDA) certification.

<tbody>
<tr>
<td>CHD-100</td>
<td>INTRO TO EARLY CARE &amp; EDUCATION OF CHILDREN</td>
<td>3</td>
</tr>
<tr>
<td>PREREQUISITE:</td>
<td>None</td>
<td></td>
</tr>
<tr>
<td>This course introduces students to the child education and care profession. It is designed to increase understanding of the basic concepts of child development and the developmental characteristics of children from birth through age 8/9 years. This course is the foundation for planning appropriate activities for children and establishing appropriate expectations of young children. This class also offers an opportunity to study the developmental domains (social, emotional, cognitive/language, and physical). Course includes observations of the young child in early childhood settings. (Students may receive college credit (3 credit hours) for CHD 100 if they have obtained the CDA credential previously.)</td>
<td></td>
<td></td>
</tr>
<tr>
<td>CHD-201</td>
<td>CHILD GROWTH AND DEVELOPMENT PRINCIPLES</td>
<td>3</td>
</tr>
<tr>
<td>PREREQUISITE:</td>
<td>None</td>
<td></td>
</tr>
<tr>
<td>This course is a systematic study of child growth and development from conception through early childhood. Emphasis is on principles underlying physical, mental, emotional and social development, and methods of child study and practical implications. Upon completion, students will be able to use knowledge of how young children differ in development and approaches to learning to provide opportunities that supports physical, social, emotional, language, cognitive, and aesthetic development. This is a CORE course. PSY-210 or PSY-211 may be used as a suitable substitute for this course for AAT programs.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>CHD-202</td>
<td>CHILDREN’S CREATIVE EXPERIENCES</td>
<td>3</td>

<td></td>
<td>This course provides students with knowledge of a variety of issues and trends related infant/toddler care issues. Upon completion students should be able to discuss special topics related to current trends and issues in infant/toddler care.</td>
<td></td>
</tr>
</tbody>
</table>
Program Information

Manufacturing & Automation is a rapidly growing career in one of Alabama’s highest-growth industries, manufacturing. With high demand for skilled workers in this industry, Trenholm State offers highly informative programs to prepare students to become Multi-Craft Technicians. This program will give students knowledge in the following areas using the most up-to-date modern equipment: metrology, welding, electrical, programmable logic controllers, machine tool, troubleshooting assembly lines, and robotics maintenance.

The multi-craft technician is responsible for setup, installation, troubleshooting, repair, and testing of complex mechanical/electrical equipment, including automatic machines and process controls, motor control centers and related controls, computer control systems, some with man/machine interfaces, as well as basic plant electrical equipment. This includes preventive maintenance activities related to production and building equipment, machinery and components.

At Trenholm State, the Manufacturing & Automation program is designed to equip a student with the skills and technical knowledge needed to be a success in this interesting and growing field. The students are assigned to specific lab projects which must be completed while studying the theory directly related to the projects.

Occupational Choices

Manufacturing & Automation graduates should find exceptional job opportunities in this field. As the economy grows, the demand for skilled and qualified Multi-Craft employees will increase. Demand for technicians will grow as the number of vehicles in operation increases, reflecting continued growth in the number of multi-car families. Growth in demand will be offset somewhat by slowing population growth and the continuing increase in the quality and durability of automobiles, which will require less frequent service. Additional job openings will be due to the need to replace a growing number of retiring technicians, who tend to be the most experienced workers.

Average Full-Time Wage

The average full-time annual wage for a multi-craft technician is $26,580-$69,550. Employment in the manufacturing field is expected to increase 6 to 10 percent through the year 2026.

* Tax not included. Prices are subject to change without prior notice; cost of books may vary considerably among suppliers. Cost of general education books is in addition to the total listed above. The length of the program is based on full-time status of 12-15 credit hours per term. Enrollment in transitional level general education courses will alter the length of the program.
Associate of Applied Science
Automotive/Advanced Manufacturing
Automotive Manufacturing & Automation

General Education Requirements (16 hours)

Area I - Written Composition (3 hours)
ENG-101 English Composition I 3
ENG-102 English Composition II 3
ENG-130 Technical Report Writing 3

Area II - Humanities & Fine Arts (3 hours)
(Humanities and Fine Arts disciplines include but are not limited to: Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)
Note: If SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

Arts:
ART-100 Art Appreciation 3
MUS-101 Music Appreciation 3

Humanities:
PML-106 Intro to Philosophy 3
PML-206 Ethics & Society 3
REL-100 History of World Religions 3
REL-151 Survey of Old Testament 3
REL-152 Survey of New Testament 3
SPA-101 Intro Spanish I 3
SPA-102 Intro Spanish II 3
SPH-106 Fundamentals of Oral Comm 3
SPH-107 Fundamentals of Public Speaking 3

Literature:
ENG-251 American Literature I 3
ENG-252 American Literature II 3
ENG-261 English Literature I 3
ENG-262 English Literature II 3
ENG-271 World Literature I 3
ENG-272 World Literature II 3

Area III - Natural Science & Mathematics (6-7 hours)
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)
Note: 3 semester hours in MTH must be completed. Additional hours can be taken in the Natural Science area.

Mathematics:
MTH-100 Intermediate Algebra 3
MTH-103 Intro to Technical Mathematics 3
MTH-104 Plane Trigonometry 3
MTH-110 Finite Mathematics 3
MTH-112 Precalculus Algebra 3
MTH-116 Mathematical Applications 3

Natural Sciences:
BIO-101 Introduction to Biology I 4
BIO-102 Introduction to Biology II 4
BIO-103 Principles of Biology I 4
BIO-104 Principles of Biology II 4
PHS-111 Physical Science I 4
PHS-112 Physical Science II 4
PHY-120 Introduction to Physics 4

Area IV - History, Social & Behavioral Sciences
(3 hours):
(Social and Behavioral Sciences include, but are not limited to: Anthropology, Economics, Geography, Political Science, Psychology, and Sociology.)
Note: Must complete 3 semester hours.

History:
HIS-101 Western Civilization I 3
HIS-102 Western Civilization II 3
HIS-121 World History I 3
HIS-122 World History II 3
HIS-201 United States History I 3
HIS-202 United States History II 3

Social and Behavioral Sciences:
PSY-200 General Psychology 3
PSY-210 Human Growth and Development 3
SOC-200 Introduction to Sociology 3
POL-200 Introduction to Political Science 3
POL-211 American National Government 3

Area V: Pre-Professional/College Requirements:
(Courses appropriate to the degree requirements and major of the individual student and electives.)

College Requirements:
ORI-101 Orientation to College 1
ADM-101 Precision Measurement 3
ADM-105 Fluid Systems 3
ADM-110 Blueprint Reading 3
ADM-111 Manufacturing Safety Practices 3
ADM-291 MSSC Safety Course 3
ADM-292 MSSC Quality Practices/Memrnts 3
ADM-293 MSSC Mnf Processes/Practices 3
ADM-294 MSSC Maintenance Awareness 3
AUT-100 Introduction to Automotive Concepts 3
AUT-110 DC Fundamentals 3
AUT-111 AC Fundamentals 3
AUT-114 Intro to Prog Logic Controllers 3
AUT-116 Introduction to Robotics 3
AUT-186 Prin of Ind Mtn WDT/ Mtl Cntrl Tech 3
AUT-221 Adv Programmable Logic Controllers 3
AUT-230 Preventive Maintenance 3
AUT-234 Industrial Motor Controls I 3
AUT-278 Robotic Programming & Welding 3
AUT-286 Co-op 1

Electives:
CIS-146 Microcomputer Applications 3

### Course Descriptions

#### Automotive/Advanced Manufacturing

<table>
<thead>
<tr>
<th>Course #</th>
<th>Course Title</th>
<th>Credit Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>ADM-101</td>
<td>PRECISION MEASUREMENT</td>
<td>3</td>
</tr>
<tr>
<td>PREREQUISITE: None</td>
<td></td>
<td></td>
</tr>
<tr>
<td>This course covers the use of precision measurement instruments utilized in inspection. In addition, basic print reading techniques reverse engineering, and related industry standards required in advanced manufacturing disciplines are covered. Upon completion, students should be able to demonstrate correct use of precision measuring instruments, interpret basic prints and apply basic reverse engineering techniques. Note: This is a suitable substitute for MTT 127.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>ADM-105</td>
<td>FLUID SYSTEMS</td>
<td>3</td>
</tr>
<tr>
<td>PREREQUISITE: None</td>
<td></td>
<td></td>
</tr>
<tr>
<td>This course includes the fundamental concepts and theories for the safe operation of hydraulic and pneumatic systems used with industrial production equipment. Topics include the physical concepts, theories, laws, air flow characteristics, actuators, valves, accumulators, symbols, circuitry, filters, servicing safety, and preventive maintenance and the application of these concepts to perform work. Upon completion, students should be able to service and perform preventive maintenance functions on hydraulic and pneumatic systems.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>ADM-110</td>
<td>BLUEPRINT READING</td>
<td>3</td>
</tr>
<tr>
<td>PREREQUISITE: None</td>
<td></td>
<td></td>
</tr>
<tr>
<td>This course is designed to provide students with a comprehensive understanding of blueprint reading. Topics include identifying types of lines and symbols used in mechanical drawings; recognition and interpretation of various types of views, tolerance, and dimensions.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>ADM-111</td>
<td>MANUFACTURING SAFETY PRACTICES</td>
<td>3</td>
</tr>
<tr>
<td>PREREQUISITE: None</td>
<td></td>
<td></td>
</tr>
<tr>
<td>This course is an introduction to general issues, concepts, procedures, hazards, and safety standards found in an industrial environment. This safety course is to make technicians aware of safety issues associated with their changing work environment and attempt to eliminate industrial accidents. This course will offer credentialing for NCCER Core and OSHA 10 hour.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>ADM-291</td>
<td>MSSC SAFETY COURSE</td>
<td>3</td>
</tr>
<tr>
<td>PREREQUISITE: None</td>
<td></td>
<td></td>
</tr>
<tr>
<td>This course is designed to provide students with knowledge and skills related to safety in a manufacturing environment. Topics covered include: work in a safe and productive manufacturing workplace, perform safety and environmental inspections, perform emergency drills and participate in emergency teams, identify unsafe conditions and take corrective action, provide safety orientation for all employees, train personnel to use equipment safely; suggest process and procedures that support safety of work environment, fulfill safety and health requirements for maintenance, installation and repair; monitor safe equipment and operator performance, utilize effective, safety-enhancing workplace practices.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>ADM-292</td>
<td>MSSC QUALITY PRACTICES AND MEASUREMENT COURSE</td>
<td>3</td>
</tr>
<tr>
<td>PREREQUISITE: ADM-291</td>
<td></td>
<td></td>
</tr>
<tr>
<td>This course is designed to provide students with knowledge and skills related to quality practices and measurement in a manufacturing environment. Topics covered include: participate in periodic internal quality audit activities, check calibration of gages and other data collection equipment, suggest continuous improvements, inspect materials and product/process at all stages to ensure they meet specifications, document the results of quality problems, communicate quality problems, take corrective actions to restore or maintain quality, record process outcomes and trends, Identify fundamentals of blueprint reading, use common measurement systems and precision measurement tools.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>ADM-293</td>
<td>MSSC MANUFACTURING PROCESSES AND PRODUCTION COURSE</td>
<td>3</td>
</tr>
<tr>
<td>PREREQUISITE: ADM-291</td>
<td></td>
<td></td>
</tr>
<tr>
<td>This course is designed to provide students with knowledge and skills related to manufacturing processes and production in a manufacturing environment. Topics covered include: identify customer needs, determine resources available for the production process, set up equipment for the production process, set team production goals, make job assignments, coordinate work flow with team members and other work groups, communicate production and material requirements and product specifications, preform and monitor the process to make the product, document product and process compliance with customer requirements, prepare final product for shipping or distribution.</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
ADM-294  MSSC MAINTENANCE AWARENESS COURSE  
PREREQUISITE: ADM-291  
This course is designed to provide students with knowledge and skills related to maintenance awareness in a manufacturing environment. Topics covered include: prepare preventative maintenance and routine repair, monitor indicators to ensure correct operations, perform all housekeeping to maintain production schedule, recognize potential maintenance issues with basic production systems, including knowledge of when to inform maintenance personnel about problems with: electrical systems, pneumatic systems, hydraulic systems, machine automation systems, lubrication systems, bearings and couplings.

AUT-100  INTRODUCTION TO AUTOMOTIVE CONCEPTS  
PREREQUISITE: None  
An introduction to automotive manufacturing concepts is the focus of this course. This course reviews the history of automotive manufacturing and discusses the automotive manufacturing processes for various automotive assembly and sub-assembly plants. It outlines the historical development of automotive manufacturing in Alabama. Finally, the electro-mechanical systems and body components of a typical vehicle will be examined. This is a CORE course.

AUT-110  DC FUNDAMENTALS  
PREREQUISITE: None  
This course is designed to provide students with a working knowledge of basic direct current (DC) electrical principles. Topics include safety, basic atomic structure and theory, magnetism, conductors, insulators, use of Ohm’s law to solve for voltage, current, and resistance, electrical sources, power, inductors, and capacitors. Students will perform lockout/tagout procedures, troubleshoot circuits and analyze series, parallel, and combination DC circuits using the electrical laws and basic testing equipment to determine unknown electrical quantities. This is a CORE course. This course is also taught as INT-221, ILT-160, and ELT-108. Suitable substitutes for this course are ELT-111, ILT-106, and INT-120.

AUT-111  AC FUNDAMENTALS  
PREREQUISITE: AUT-110  
This course is designed to provide students with a working knowledge of basic alternating current (AC) electrical principles. Topics include basic concepts of electricity, electrical components, basic circuits, measurement instruments, the laws of alternating current, and electrical safety with lockout procedures. Hands on laboratory exercises are provided to analyze various series, parallel, and combination alternating current circuit configurations containing resistors, inductors, and capacitors. Upon course completion, students will be able to describe and explain alternating current circuit fundamentals such as RLC circuits, impedance, phase relationships, and power factors. They should also be able to perform fundamental tasks associated with troubleshooting, repairing, and maintaining industrial AC systems. This course is also taught as INT-223, ILT-161, and ELT-109. Suitable substitutes for this course are ELT-112, ILT-107, and INT-122.

AUT-114  INTRO TO PROGRAMMABLE LOGIC CONTROLLERS  
PREREQUISITE: AUT-234  
This course provides an introduction to programmable logic controllers. Emphasis is placed on, but not limited to, the following: PLC hardware and software, numbering systems, installation, and programming. Upon completion, students must demonstrate their ability by developing, loading, debugging, and optimizing PLC programs. This is a CORE course. This course is taught as INT-184, ILT-194, AND ELT-231.

AUT-116  INTRODUCTION TO ROBOTICS  
PREREQUISITE: None  
This course provides instruction in concepts and theories for the operation of robotic servo motors and power systems used with industrial robotic equipment. Emphasis is on the application of the computer to control power systems to perform work. Student competencies include understanding of the functions of hydraulic, pneumatic, and electrical power system components, ability to read and interpret circuitry for proper troubleshooting and ability to perform preventative maintenance. This is a CORE course. This course is also taught as INT-253 and ILT-218.

AUT-138  PRINCIPLES OF INDUSTRIAL MECHANICS  
PREREQUISITE: None  
This course provides instruction in basic physics concepts applicable to mechanics of industrial production equipment. Topics include the basic application of mechanical principles with emphasis on power transmission, specific mechanical components, alignment, and tension. Upon completion, students will be able to perform basic troubleshooting, repair and maintenance functions on industrial production equipment.

<tr>
<td>AUT-178</td>
<td>GAS TUNGSTEN ARC WELDING</td>
<td>3</td>
<td>This course provides student with knowledge needed to perform gas tungsten arc welds using ferrous and/or non-ferrous metals, according to applicable welding codes. Topics include safe operating practices, equipment identification and set-up, correct selection of tungsten type, polarity, shielding gas and filler metals. Upon completion, a student should be able to identify safe operating practices, equipment identification and setup, correct selection of tungsten type, polarity, shielding gas, filler metals, and various welds on ferrous and/or non-ferrous metals, using the gas tungsten arc welding process according to applicable welding codes. This course is also taught as WDT-228.</td>

<tr>
<td>AUT-180</td>
<td>GAS TUNGSTEN ARC WELDING LAB</td>
<td>3</td>
<td>This course provides student with skills needed to perform gas tungsten arc welds using ferrous and/or non-ferrous metals, according to applicable welding codes. Topics include safe operating practices, equipment identification and set-up, correct selection of tungsten type, polarity, shielding gas and filler metals. Upon completion, a student should be able to identify safe operating practices, equipment identification and setup, correct selection of tungsten type, polarity, shielding gas, filler metals, and various welds on ferrous and/or non-ferrous metals, using the gas tungsten arc welding process according to applicable welding codes. This course is also taught as WDT-268.</td>
</tr>
<tr>
<td>AUT-186</td>
<td>PRINCIPLES OF INDUSTRIAL MAINTENANCE WDLING &amp; METAL CUTTING TECHNIQUES</td>
<td>3</td>
<td>This course provides instruction in the fundamentals of acetylene cutting and the basics of welding needed for the maintenance and repair of industrial production equipment. Topics include oxy-fuel safety, choice of cutting equipment, proper cutting angles, equipment setup, cutting plate and pipe, hand tools, types of metal welding machines, rod and welding joints, and common welding passes and beads. Upon course completion, students will demonstrate the ability to perform metal welding and cutting techniques necessary for repairing and maintaining industrial equipment. This course is also taught as INT-134.</td>
</tr>
<tr>
<td>AUT-208</td>
<td>AUTOMATED SYSTEMS DIAGNOSIS AND TROUBLESHOOTING</td>
<td>3</td>
<td>This course focuses on systematically solving problems in automated systems. Emphasis is placed on safety, test equipment, basic troubleshooting techniques and hands on problem solving. Upon completion, students will be able to use a systematic process to solve complex malfunctions.</td>
</tr>
<tr>
<td>AUT-221</td>
<td>ADVANCED PROGRAMMABLE LOGIC CONTROLLERS</td>
<td>3</td>
<td>This course includes the advanced principals of PLC’s including hardware, programming, and troubleshooting. Emphasis is placed on developing advanced working programs, and troubleshooting hardware and software communication problems. Upon completion, students should be able to demonstrate their ability in developing programs and troubleshooting the system. This course is also taught as ATM-212, ELT-232, ENT-205, IAT-260, IET-232, ILT-196, INR-284.</td>
</tr>
</tbody>
</table>
AUT-230  PREVENTIVE MAINTENANCE  
PREREQUISITE: None
This course focuses on the concepts and applications of preventive maintenance. Topics include the introduction of alignment equipment, job safety, tool safety, preventive maintenance concepts, procedures, tasks, and predictive maintenance concepts. Upon course completion, students will demonstrate the ability to apply proper preventive maintenance and explain predictive maintenance concepts. This course is also taught as INT-126.

AUT-234  INDUSTRIAL MOTOR CONTROLS I  
PREREQUISITE: None
This course is a study of the construction, operating characteristics, and installation of different motor control circuits and devices. Emphasis is placed on the control of three phase AC motors. This course covers the use of motor control symbols, magnetic motor starters, running overload protection, pushbutton stations, multiple control stations, two wire control, three wire control, jogging control, sequence control, and ladder diagrams of motor control circuits. Upon completion, students should be able to understand the operation of motor starters, overload protection, interpret ladder diagrams using pushbutton stations and understand complex motor control diagrams. This course is also taught as INT-122, ELT-209, ILT-209.

AUT-235  INDUSTRIAL MOTOR CONTROLS II  
PREREQUISITE: AUT-234
This course covers complex ladder diagrams of motor control circuits and the uses of different motor starting techniques. Topics include wye-delta starting, part start winding, resistor starting and electronic starting devices. Upon completion, the students should be able to understand and interpret the more complex motor control diagrams and understand the different starting techniques of electrical motors. This course is also taught as ELT-212, INT-213.

AUT-251  INTRODUCTION TO VARIABLE FREQUENCY DRIVES & SERVO CONTROLS  
PREREQUISITE: None
This course provides an introduction to variable frequency drives (VFD) and servo drive technology. Topics include the purpose of VFDs, general operating principles, analog and digital servo drives, and characteristics of practical servo systems. The Lab enables students to program, test, and run drives and motors. The removal and replacement of servo drives will also be discussed. Upon completion students will be able to apply principles of VFD and servo drives. This course is also taught as IAT-243.

AUT-278  ROBOTIC PROGRAMMING AND WELDING  
PREREQUISITE: As determined by program
This program introduces students to the safety and programming associated with robotic welding technology. Topics include robotic weld station familiarity, safety, robotic motions, programming, and welding inspection. Upon completion, the student should be able to setup and program a robot to weld parts in an efficient and safe manner. This course is also taught as WDT-160.

AUT-286  CO-OP  
PREREQUISITE: As determined by program
These courses constitute a series wherein the student works on a part-time basis in a job directly related to advanced manufacturing. In these courses the employer evaluates the student’s productivity and the student submits a descriptive report of his work experiences. Upon completion, the student will demonstrate skills learned in an employment setting.
Program Information

Every new structure or machine starts out as the idea of a designer or an engineer. It is only through the knowledge and ability of highly skilled and trained drafters/designers that these ideas are put on paper and actually come to life. Drafting is a specialized skill that involves the process of converting an idea from a designer’s mind to precise shop drawings and specifications from which a product or project can be constructed. This field requires individuals with imagination, insight, the ability to visualize in 3-D, some technical knowledge of mechanical and architectural drawings, along with an aptitude of applying mathematics and the physical sciences in completing assigned projects.

Trenholm State Community College uses the world’s most popular Computer Aided Design (CAD) software; AutoDesk’s AutoCAD, to teach basic architectural and engineering design graphic principles, standards, and conventions. The courses are comprised of theory classes with associated practical laboratory assignments incorporating “on the job” drafting techniques and training in Automated Manufacturing; such as 3-D printing. In addition, the student will be trained in Technical Sketching, 3-D modeling (BIM) software programs such as Inventor, Revit Architecture, SolidWorks, Google Pro Sketch-Up and Catia.

Occupational Choices

Employment of architects is projected to grow 4 percent from 2016 to 2026, slower than the average for all occupations. With a high number of students graduating with degrees in architecture, strong competition for internships and jobs is expected.

Average Full-Time Wage

The median annual wage for architects was $79,380 in May 2018. The median wage is the wage at which half the workers in an occupation earned more than that amount and half earned less. The lowest 10 percent earned less than $48,020, and the highest 10 percent earned more than $138,120.

| ADM-108  | INTRO TO 3D MODELING         | 3            |
| PREREQUISITE: None |               | | |
| This course introduces basic 3Dimensional (3D) modeling functions and techniques and the parametric concept. “Hands-on” class structure utilizes various 3D software applications. Topics include terminology, hardware, basic 3D modeling involving sketching and 3D feature creations, feature application and operating system functions. Students will be able to generate basic 3D parts and associated working drawings in soft and hard copy format. |

| ADM-109  | FREEHAND SKETCHING          | 2            |
| PREREQUISITE: None |               | | |
| This is an introductory course, which allows students to learn the terminology and procedures related to drawing. Students will learn and demonstrate the foundations of basic sketching techniques and design principles, focusing on two and three-dimensional representations. |

| ADM-110  | BLUE PRINT READING          | 3            |
| PREREQUISITE: None |               | | |
| This course is designed to provide students with a comprehensive understanding of blueprint reading. Topics include identifying types of lines and symbols used in mechanical drawings; recognition and interpretation of various types of views, tolerance, and dimensions. |

| ADM-114  | DESIGN INNOVATION           | 3            |
| PREREQUISITE: None |               | | |
| This course introduces students to concepts that enable them to think like a designer when approaching architectural, engineering and additive manufacturing tasks. Emphasis will be placed on design and problem-solving skills when working independently, or with a team. This course focuses on giving students exposure to creativity, problem solving skills, and the design processes in which a design-centered approach will be employed to develop innovated solutions. This course includes components to develop basic skills to express innovated solutions to design problems with the application of projects, drawings, as well as oral and written communication skills. Students will be introduced to related computer based tools used by architect, engineers, and design manufacturers. (e.g., spreadsheet, word processing, presentation software, and Internet). |

| ADM-116  | INTRODUCTION TO CATIA       | 3            |
| PREREQUISITE: None |               | | |
| Introduction to parametric, three-dimensional modeling using CATIA (v5 or 6). Focus on how to navigate within this software, how to create three-dimensional solid models using industry best practices, and then how to create and manipulate assemblies made from these parts. Learn the process of designing models with CATIA from conceptual sketching, through to solid modeling, assembly design, and drawing production. Upon completion of this course you will have acquired the skills to confidently work with CATIA. Gain an understanding of the parametric design philosophy of CATIA in this extensive hands-on course. It is expected that all new users of CATIA will require this course. |

<p>| ADM-208  | INTERMEDIATE 3D MODELING    | 3            |
| PREREQUISITE: None |               | | |
| In this course students will receive instruction on intermediate 3D modeling concepts, such as sheet metal modeling, intermediate assemblies, 3D sketching and weldments. Students will explore an introduction to prototyping and design concepts in a 3D environment. 3D software will be utilized to produce properly detailed construction drawings, using multi-views, section views, and auxiliary views. Proper, industry standard dimensioning with basic tolerances will be discussed and applied to parts. Emphasis will be placed on the theory as well as the mechanics of concepts using 3D and 2D applications. Upon completion, student will produce 3D models in a CAD environment, simple prototype models and working drawings based on proper industry standards. Note: This course is a suitable substitute for DDT-124 |</p>

| DDT-111 | FUNDAMENTALS OF DRAFTING & DESIGN TECH | 3 |
| PREREQUISITE: None |                                                      |              |
| This course serves as an introduction to the field of drafting and design and provides a foundation for the entire curriculum. Topics include safety, lettering, tools and equipment, geometric constructions, and orthographic sketching, and drawings. This is a CORE course. |              |

| DDT-124 | BASIC TECHNICAL DRAWING | 3 |
| PREREQUISITE: None |                                                      |              |
| This course covers sections, auxiliary views, and basic space geometry. Emphasis will be placed on the theory as well as the mechanics of applying sections, basic dimensioning, auxiliary views, and basic space geometry. This is a CORE course. |              |

| DDT-125 | SURFACE DEVELOPMENT | 3 |
| PREREQUISITE: None |                                                      |              |
| This course covers surface intersections and developments. Emphasis is placed on the basic types of intersections using simple geometric forms. Upon completion, students should be able to draw common types of surface intersection and handle them simply as applications of the concepts learned in this class. |              |

| DDT-128 | INTERMEDIATE TECHNICAL DRAWING | 3 |
| PREREQUISITE: None |                                                      |              |
| This course is designed to develop a strong foundation in common drafting and design practices and procedures. Topics include dimensioning concepts and pictorial drawings. This is a CORE course. |              |

| DDT-131 | MACHINE DRAFTING BASICS | 3 |
| PREREQUISITE: None |                                                      |              |
| This course in machine drafting and design provides instruction in the largest specialty area of drafting in the United States, in terms of scope and job opportunities. Emphasis will be placed on the applications of multi-view drawings, including drawing organization and content, title blocks and parts lists, assembly drawings, detail drawings, dimensioning and application of engineering controls in producing industrial-type working drawings. Upon completion, students should be able to organize, layout, and produce industrial-type working drawings, including the application of title blocks, parts lists, assemblies, details, dimensions, and engineering controls. |              |

| DDT-132 | ARCHITECTURAL DRAFTING | 3 |
| PREREQUISITE: None |                                                      |              |
| This course in architectural design and drafting introduces basic terminology, concepts and principles of architectural design and drawing. Topics include design considerations, lettering, terminology, site plans, and construction drawings. Upon completion, students should be able to draw, dimension, and specify basic residential architectural construction drawings. |              |

| DDT-222 | ADVANCED ARCHITECTURAL DRAFTING | 3 |
| PREREQUISITE: None |                                                      |              |
| This third course in architectural design and drafting continues with advanced architectural plans, including a slant toward light commercial construction. Topics include climate control plans, application of building codes, building materials and finish specifications, cost estimating, and bid specifications. Upon completion, students should be able to apply current techniques in producing advanced-level architectural plans, including residential and light commercial applications. |              |

| DDT-225 | STRUCTURAL STEEL DRAFTING | 3 |
| PREREQUISITE: None |                                                      |              |
| This course covers the theory and practical applications necessary to understand the basic design and terminology of structural steel components used in light commercial buildings. Emphasis is placed on structural steel drafting techniques, bolted and welded connections, framing plans, sections, fabrication and connection details, and bills of material. Upon completion, students should be able to produce engineering and shop drawings incorporating standard shapes, sizes, and details using the A.I.S.C. Manual and incorporating safety practices. |              |
DDT-234  3D GRAPHICS AND ANIMATION  
PREREQUISITE: None.
This course is designed to challenge the imagination of the student in a 3-dimensional problem solving environment. The student will be given a basic introduction to the concepts of 3D design and animation, then apply those concepts to a design project. Upon completion, students should be able to create and animate objects in a 3-dimensional environment.

DDT-286  CO-OP  
PREREQUISITE: None.
These courses constitute a series wherein the student works on a part-time basis in a job directly related to drafting. In these courses the employer evaluates the student’s productivity and the student submits a descriptive report of his work experiences. Upon completion, the student will demonstrate skills learned in an employment setting.
Program Information

Electrical wiring is an integral part of industry, commercial enterprises, and residential homes. The Electrical curriculum integrates basic electrical skills and high tech instrumentation for a wide range of industrial employment. The term “instrumentation” refers to instruments used to measure and control manufacturing conversions or treating processes. Knowledge of electricity and process control gives a person a more marketable skill to offer all industries. These fields expand into SMART instruments, PLC/DCS interface and AC variable frequency motor controls. The Electrical Technology program is designed to teach the basic principles of electricity, the National Electric Code, and the safe installation of electrical wiring and equipment. Electrical/Instrumentation Technology is designed to teach basic instrumentation for measurement and control in manufacturing. Through the various courses, a student will gain knowledge and practical hands-on experience in both technologies for servicing, troubleshooting and monitoring these systems and equipment.

Occupational Choices

Employment of electrical and electronics installers and repairers of commercial and industrial equipment, which represents about half of this profile’s 2016 employment, is projected to grow 2 percent from 2016 to 2026, slower than the average for all occupations. As the industrial sectors of the economy expand, these workers will be needed to service and repair equipment.

Employment of powerhouse, substation, and relay electrical and electronics installers and repairers is projected to grow 4 percent from 2016 to 2026, slower than the average for all occupations. Although the installation of new, energy-efficient technologies will likely spur demand for some new workers, slow employment growth in the utilities industries is expected to temper demand for these workers.

Employment of electric motor, power tool, and related repairers is projected to grow 7% from 2016 to 2026, about as fast as the average for all occupations. Improvements in electrical and electronic equipment design, as well as the increased use of disposable tool parts, are expected to result in slow employment growth. Overall job opportunities should be good for qualified workers who are familiar with electronics, especially those with an associate’s degree in electronics.

Average Full-Time Wage

The median annual wage for electricians was $55,190 in May 2018. The median wage is the wage at which half the workers in an occupation earned more than that amount and half earned less. The lowest 10 percent earned less than $32,940, and the highest 10 percent earned more than $94,620.

Additional Requirements

- Student must be at least 16 years of age.
- Student must have an official copy of high school transcript or GED certificate and transcript from other colleges on file in the admissions office.
- Student must take the ACCUPLACER test.
- Student must be able to perform simple mathematical computations correctly.

Awards Available

- Associate of Applied Science
  - Automotive/Advanced Manufacturing
  - Electrical
  - Residential/Commercial Electrician
- Associate of Applied Science
  - Automotive/Advanced Manufacturing
  - Electrical
  - Electrical Technician
- Associate of Applied Science
  - Automotive/Advanced Manufacturing
  - Electrical
  - Instrumentation
- Short Term Certificate
  - Automotive/Advanced Manufacturing
  - Electrical
  - Entry Level Technician

* Tax not included. Prices are subject to change without prior notice; cost of books may vary considerably among suppliers. Cost of general education books is in addition to the total listed above. The length of the program is based on full-time status of 12-15 credit hours per term. Enrollment in transitional level general education courses will alter the length of the program.
## Associate of Applied Science

### Automotive/Advanced Manufacturing - Electrical

### Residential/Commercial Electrician

#### General Education Requirements (15 hours)

**Area I - Written Composition (3 hours)**
- ENG-101 English Composition I 3
- ENG-102 English Composition II 3
- ENG-130 Technical Report Writing 3

**Area II - Humanities & Fine Arts (3 hours)**
(Humanities and Arts disciplines include but are not limited to: Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

**Note:** If SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

**Arts:**
- ART-100 Art Appreciation 3
- MUS-101 Music Appreciation 3

**Humanities:**
- PHL-106 Intro to Philosophy 3
- PHL-206 Ethics & Society 3
- REL-100 History of World Religions 3
- REL-151 Survey of Old Testament 3
- REL-152 Survey of New Testament 3
- SPA-101 Intro Spanish I 3
- SPA-102 Intro Spanish II 3
- SPH-106 Fundamentals of Oral Comm 3
- SPH-107 Fundamentals of Public Speaking 3

**Literature:**
- ENG-251 American Literature I 3
- ENG-252 American Literature II 3
- ENG-261 English Literature I 3
- ENG-262 English Literature II 3
- ENG-271 World Literature I 3
- ENG-272 World Literature II 3

**Area III - Natural Science & Mathematics (6 hours)**
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

**Note:** 3 semester hours in MTH must be completed. Additional hours can be taken in the Natural Science area.

**Mathematics:**
- MTH-100 Intermediate Algebra 3
- MTH-103 Intro to Technical Mathematics 3
- MTH-104 Plane Trigonometry 3
- MTH-110 Finite Mathematics 3
- MTH-112 Precalculus Algebra 3
- MTH-116 Mathematical Applications 3

**Natural Sciences:**
- BIO-101 Introduction to Biology I 4
- BIO-102 Introduction to Biology II 4
- BIO-103 Principles of Biology I 4
- BIO-104 Principles of Biology II 4
- PHS-111 Physical Science I 4
- PHS-112 Physical Science II 4
- PHY-120 Introduction to Physics 4

**Area IV - History, Social & Behavioral Sciences (3 hours):**
(Social and Behavioral Sciences include, but are not limited to: Anthropology, Economics, Geography, Political Science, Psychology, and Sociology.)

**Note:** Must complete 3 semester hours.

**History:**
- HIS-101 Western Civilization I 3
- HIS-102 Western Civilization II 3
- HIS-121 World History I 3
- HIS-122 World History II 3
- HIS-201 United States History I 3
- HIS-202 United States History II 3

**Social and Behavioral Sciences:**
- PSY-200 General Psychology 3
- PSY-210 Human Growth and Development 3
- SOC-200 Introduction to Sociology 3
- POL-200 Introduction to Political Science 3
- POL-211 American National Government 3

**Area V: Pre-Professional/College Requirements:**
(Courses appropriate to the degree requirements and major of the individual student and electives.)

**College Requirements:**
- ORI-101 Orientation to College 1
- CIS-146 Microcomputer Applications 3
- ADM-111 Manufacturing Safety Practices 3
- or ELT-206 OSHA Safety Standards
- ELT-104 Distribution Systems 3
- ELT-108 DC Fundamentals 3
- ELT-110 Wiring Methods 3
- ELT-112 Concepts of Alternating Current 5
- ELT-114 Residential Wiring I 3
- ELT-117 AC/DC Machines 3
- ELT-118 Commercial/Industrial Wiring 3
- ELT-119 Concepts of Solid State Electronics 5
- ELT-121 Concepts of Digital Electronics 5
- ELT-209 Motor Controls I 3
- ELT-212 Motor Controls II 3
- ELT-231 Programmable Controllers I 3
- ELT-232 Adv Programmable Controllers 3
- ELT-241 National Electric Code 3
- ELT-286 Co-op 1
- MTT-147 Introduction to Machine Shop I 3

**Area V Credit Hours:** 59
**Total Credit Hours:** 74
## General Education Requirements (15 hours)

### Area I - Written Composition (3 hours)
- ENG-101 English Composition I 3
- ENG-102 English Composition II 3
- ENG-130 Technical Report Writing 3

### Area II - Humanities & Fine Arts (3 hours)

Note: If SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

</table>
### Program Information

The Industrial Systems & Automation Program at Trenholm State Community College is a multi-craft curriculum. Many crafts are a part of the training process. Craft related instructors teach their respective crafts. HVAC (Heating and Air Conditioning) instructors teach two HVAC classes. The Machine Tool class is taught by the Machine Tool instructor. Basic Electrical and Mechanical classes are taught by the Maintenance Department instructors. As a Multi-Craft Technician in an industrial setting, knowledge and skills in the areas of Basic Electrical, Plant Automation, and Basic Robotic Maintenance and Programmable Logic Controller are required. Limited Machine Tool Technology. Hydraulics and Pneumatics are a major area of related skills included in the curriculum.

### Occupational Choices

Overall employment of industrial machinery mechanics, machinery maintenance workers, and millwrights is projected to grow 7 percent from 2016 to 2026, about as fast as the average for all occupations. Employment growth will vary by occupation. The increased adoption of sophisticated manufacturing machinery will require more mechanics and millwrights to keep machines in good working order. Increased automation, including the use of many computer-controlled machines in factories and manufacturing plants, should raise the demand for machinery maintenance workers in order to keep the machines functioning properly. The increased use of machinery in manufacturing will require millwrights to install and disassemble this equipment, as well as perform some repair work on it. Job prospects will be good, particularly for applicants with a broad range of skills in machine repair as older workers retire or otherwise leave the occupation.

### Average Full-Time Wage

The median annual wage for industrial machinery mechanics, machinery maintenance workers, and millwrights was $51,630 in May 2018. The median wage is the wage at which half the workers in an occupation earned more than that amount and half earned less. The lowest 10 percent earned less than $33,010, and the highest 10 percent earned more than $77,790.

Area III - Natural Science & Mathematics (3 hours)
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

Note: 3 semester hours in MTH must be completed. Additional hours can be taken in the Natural Science area.

Mathematics:
MTH-100 Intermediate Algebra 3
MTH-103 Intro to Technical Mathematics 3
MTH-104 Plane Trigonometry 3
MTH-110 Finite Mathematics 3
MTH-112 Precalculus Algebra 3
MTH-116 Mathematical Applications 3

Natural Sciences:
BIO-101 Introduction to Biology I 4
BIO-102 Introduction to Biology II 4
BIO-103 Principles of Biology I 4
BIO-104 Principles of Biology II 4
PHS-111 Physical Science I 4
PHS-112 Physical Science II 4
PHY-120 Introduction to Physics 4

Area IV - History, Social & Behavioral Sciences (0 hours):
(Social and Behavioral Sciences include, but are not limited to: Anthropology, Economics, Geography, Political Science, Psychology, and Sociology.)

Note: Must complete 3 semester hours.

History:
HIS-101 Western Civilization I 3
HIS-102 Western Civilization II 3
HIS-121 World History I 3
HIS-122 World History II 3
HIS-201 United States History I 3
HIS-202 United States History II 3

Social and Behavioral Sciences:
PSY-200 General Psychology 3
PSY-210 Human Growth and Development 3
SOC-200 Introduction to Sociology 3

<tbody>
<tr>
<td>ADM-101</td>
<td>PRECISION MEASUREMENT</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>Prerequisite: As determined by college.</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course covers the use of precision measurement instruments utilized in inspection. In addition, basic print reading techniques reverse engineering, and related industry standards required in advanced manufacturing disciplines are covered. Upon completion, students should be able to demonstrate correct use of precision measuring instruments, interpret basic prints and apply basic reverse engineering techniques. Note: This is a suitable substitute for MTT-127.</td>

</tbody>
</table>

| ILT-114  | INSTRUMENTATION OPERATION AND CALIBRATION        | 3            |
|          | PREREQUISITE: As determined by college.         |              |
|          | The hardware used to measure and control process variables is presented. The student learns the principles of operation, servicing, maintenance, calibration, and troubleshooting procedures used on mechanical, pneumatic, electronic and digital based industrial transmitters, recorders, controllers, valves, and other control devices. The course is broken down into theory and laboratory work on actual process measuring and control equipment. |              |

| INT-101  | DC FUNDAMENTALS                                  | 3            |
|          | PREREQUISITE: None                              |              |
|          | This course provides an in depth study of direct current (DC) electronic theory. Topics include atomic theory, magnetism, properties of conductors and insulators, and characteristics of series, parallel, and series-parallel circuits. Inductors and capacitors are introduced and their effects on DC circuits are examined. Students are prepared to analyze complex DC circuits, solve for unknown circuit variables and to use basic electronic test equipment. This course also provides hands on laboratory exercises to analyze, construct, test, and troubleshoot DC circuits. Emphasis is placed on the use of scientific calculator and the operation of common test equipment used to analyze and troubleshoot DC and to prove the theories taught during classroom instruction. This is a CORE course. Supports CIP Codes: 15.0303, 47.0105, 46.0302, and 47.0609. This course is also taught as ETC-101, EET-103, ILT-160, ELT-108. |              |

| INT-103  | AC FUNDAMENTALS                                  | 3            |
|          | PREREQUISITE: None                              |              |
|          | This course provides an in depth study of alternating current (AC) electronic theory. Students are prepared to analyze complex AC circuit configurations with resistors, capacitors, and inductors in series and parallel combinations. Topics include electrical safety and lockout procedures, specific AC theory functions such as RLC, impedance, phase relationships, and power factor. Students will be able to define terms, identify waveforms, solve complex mathematical problems, construct circuits, explain circuit characteristics, identify components, and make accurate circuit measurements using appropriate measurement instruments. They should also be able to perform fundamental tasks associated with troubleshooting, repairing, and maintaining industrial AC systems. This is a CORE course. Supports CIP Codes: 15.0303, 47.0105, 46.0302, and 47.0609. This course is also taught as ILT-143, AUT-112. |              |

| INT-105  | INTRODUCTION TO PROCESS TECHNOLOGY               | 3            |
|          | PREREQUISITE: None                              |              |
|          | This course is designed to provide students with an introduction to process control technology and various instruments used to control processes. Upon completion, students should be able to comprehend principles of process control technology and the application of various instruments used to control processes in an industrial setting. |              |

| INT-113  | INDUSTRIAL MOTOR CONTROL I                      | 3            |
|          | PREREQUISITES: None                             |              |
|          | This course is a study of the construction, operating characteristics, and installation of different motor control circuits and devices. Emphasis is placed on the control of three phase AC motors. This course covers the use of motor control symbols, magnetic motor starters, running overload protection, pushbutton stations, multiple control stations, two wire control, three wire control, jogging control, sequence control, and ladder diagrams of motor control circuits. Upon completion, students should be able to understand the operation of motor starters, overload protection, interpret ladder diagrams using pushbutton stations and understand complex motor control diagrams. |              |

<p>| INT-117  | PRINCIPLES OF INDUSTRIAL MECHANICS              | 3            |
|          | PREREQUISITE: None                             |              |
|          | This course provides instruction in basic physics concepts applicable to mechanics of industrial production equipment. Topics include the basic application of mechanical principles with emphasis on power transmission, specific mechanical components, alignment, and tension. Upon completion, students will be able to perform basic troubleshooting, repair and maintenance functions on industrial production equipment. This is a CORE course. |              |</p>

This course focuses on the concepts and applications of preventive maintenance. Topics include the introduction of alignment equipment, job safety, tool safety, preventive maintenance concepts, procedures, tasks, and predictive maintenance concepts. Upon course completion, students will demonstrate the ability to apply proper preventive maintenance and explain predictive maintenance concepts.

This course provides instruction in the fundamental concepts of industrial pumps and piping systems. Topics include pump identification, operation, and installation, maintenance and troubleshooting, and piping systems, and their installation. Upon course completion, students will be able to install, maintain, and troubleshoot industrial pumps and piping systems.

This course provides an introduction to programmable logic controllers. Emphasis is placed on, but not limited to, the following: PLC hardware and software, numbering systems, installation, and programming. Upon completion, students must demonstrate their ability by developing, loading, debugging, and optimizing PLC programs. This course is also taught as AUT-114, ATM-211, ENT-204, ELT-231, IAT-160, and IET-231.

This course focuses on basic information regarding industrial electrical motors. Upon completion students will be able to troubleshoot, remove, replace, and perform routine maintenance on various types of motors.

This course is designed to allow students an opportunity to study directly-related topics of particular interest which require the application of technical knowledge and technical skills. Emphasis is place on the application of skills and knowledge with practical experiences. Upon, completion, students should be able to solve job related problems using technical skills and knowledge.

This course provides specialized instruction in maintaining and troubleshooting Hydraulic and Pneumatic systems. Topics include safe component removal and installation, schematic reading and diagramming, and theoretical calculations.

This course provides a comprehensive study in the theory and application of specific models of programmable logic controllers. Topics include hardware configuration, memory and addressing detail function of software, instruction types, system troubleshooting, and simple programming techniques.

These courses constitute a series wherein the student works on a part-time basis in a job directly related to Industrial Maintenance. In these courses the employer evaluates the student’s productivity and the student submits a descriptive report of his work experiences. Upon completion, the student will demonstrate skills learned in an employment setting.

This course introduces machining operations as they relate to the metalworking industry. Topics include machine shop safety, measuring tools, lathes, saws, milling machines, bench grinders, and layout instruments. Upon completion, students will be able to perform the basic operations of measuring, layout, drilling, sawing, turning, and milling. This is a CORE course. MTT-100 is a suitable substitute for MTT-147/148. This course is also taught as AUT-150.

This course provides practical application of the concepts and principles of machining operations learned in MTT 147. Topics include machine shop safety, measuring tools, lathes, saws, milling machines, bench grinders, and layout instruments. Upon completion, students will be able to perform the basic operations of measuring, layout, drilling, sawing, turning, and milling. This is a CORE course. MTT-100 is a suitable substitute for MTT-147/148. This course is aligned with NIMS certification standards. This course is also taught as AUT-151.
Program Information

Almost every product made by American industry contains metal parts or is manufactured by machines made with metal parts. With high demand for this type of equipment, Trenholm State Technical College offers a highly specialized program to prepare students to become general machinists. A machinist must use intricate technology to operate various metal-working machines and machine tools that cut, drill, grind, or otherwise form a piece of metal accurately into precise dimensions.

Trenholm State offers several options in Precision Machining that are designed to equip a student with the skills and technical knowledge needed to be a success in this interesting field. The student is assigned specific lab projects which must be completed while studying the theory directly related to the projects. Additionally, each student is taught to read blueprints, determine sequence of operations, make set-ups, and select the correct machines for the job.

Due to the cost associated with the manufacture of metal components, more businesses are using molded plastic where engineering specifications will allow. As the use of molded components has increased, so has the need for individuals with a background in injection molding. Mold tools are primarily made in machine shops so Trenholm State has incorporated injection molding into its program in order to meet this demand.

Occupational Choices

Employment of machinists is projected to grow 2 percent from 2016 to 2026, slower than the average for all occupations. With improvements in technologies, such as computer numerically controlled (CNC) machine tools, autoloaders, high-speed machining, and lights-out manufacturing, machinists will still be required to set up, monitor, and maintain these systems. Job prospects for machinists and tool and die makers are expected to be good, primarily because of the number of job openings arising each year from the need to replace workers who retire or leave the occupation.

Average Full-Time Wage

The median annual wage for machinists was $42,600 in May 2017. The median wage is the wage at which half the workers in an occupation earned more than that amount and half earned less. The lowest 10 percent earned less than $26,430, and the highest 10 percent earned more than $63,790.

Awards Available

Associate of Applied Science
Automotive/Advanced Manufacturing Precision Machining

Certificate
Automotive/Advanced Manufacturing Precision Machining

General Education Requirements (16 hours)

**Area I - Written Composition (3 hours)**
ENG-101 English Composition I 3
ENG-102 English Composition II 3
ENG-130 Technical Report Writing 3

**Area II - Humanities & Fine Arts (3 hours)**
(Humanities and Arts disciplines include but are not limited to: Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

Note: If SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

**Arts:**
ART-100 Art Appreciation 3
MUS-101 Music Appreciation 3

**Humanities:**
PHL-106 Intro to Philosophy 3
PHL-206 Ethics & Society 3
REL-100 History of World Religions 3
REL-151 Survey of Old Testament 3
REL-152 Survey of New Testament 3
SPA-101 Intro Spanish I 3
SPA-102 Intro Spanish II 3
SPH-106 Fundamentals of Oral Comm 3
SPH-107 Fundamentals of Public Speaking 3

**Literature:**
ENG-251 American Literature I 3
ENG-252 American Literature II 3
ENG-261 English Literature I 3
ENG-262 English Literature II 3
ENG-271 World Literature I 3
ENG-272 World Literature II 3

**Area III - Natural Science & Mathematics (6-7 hours)**
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

Note: 3 semester hours in MTH must be completed. Additional hours can be taken in the Natural Science area.

**Mathematics:**
MTH-100 Intermediate Algebra 3
MTH-103 Intro to Technical Mathematics 3
MTH-104 Plane Trigonometry 3
MTH-110 Finite Mathematics 3
MTH-112 Precalculus Algebra 3

**Note:** 3 semester hours in MTH must be completed. Additional hours can be taken in the Natural Science area.

### Mathematics:
- MTH-100 Intermediate Algebra 3
- MTH-103 Intro to Technical Mathematics 3
- MTH-104 Plane Trigonometry 3
- MTH-110 Finite Mathematics 3
- MTH-112 Precalculus Algebra 3
- MTH-116 Mathematical Applications 3

### Area V: Pre-Professional/College Requirements:
(Courses appropriate to the degree requirements and major of the individual student and electives.)

### College Requirements:
- ORI-101 Orientation to College 1
- MTT-100 Machining Technology I 6
  - OR MTT-147 Intro - Machine Shop I
  - AND MTT-148 Intro-Machine Shop I Lab
- MTT-121 Basic Blueprint Rdg for Machinists 3
- MTT-136 Milling Operations 6
  - OR MTT-137 Milling I
  - AND MTT-138 Milling I Lab

### Area V Credit Hours: 16
### Total Credit Hours: 19
### Course Descriptions
#### Automotive/Advanced Manufacturing
#### Precision Machining

This course is designed to provide students with knowledge and skills related to safety in a manufacturing environment. Topics covered include: work in a safe and productive manufacturing workplace, perform safety and environmental inspections, perform emergency drills and participate in emergency teams, identify unsafe conditions and take corrective action, provide safety orientation for all employees, train personnel to use equipment safely, suggest process and procedures that support safety of work environment, fulfill safety and health requirements for maintenance, installation and repair, monitor safe equipment and operator performance, utilize effective, safety-enhancing workplace practices.

| ADM-292  | MSSC QUALITY PRACTICES AND MEASUREMENT COURSE         | 3     |
|          | PREREQUISITE: ADM-291                                 |       |

This course is designed to provide students with knowledge and skills related to quality practices and measurement in a manufacturing environment. Topics covered include: participate in periodic internal quality audit activities, check calibration of gages and other data collection equipment, suggest continuous improvements, inspect materials and product/process at all stages to ensure they meet specifications, document the results of quality problems, communicate quality problems, take corrective actions to restore or maintain quality, record process outcomes and trends, Identify fundamentals of blueprint reading, use common measurement systems and precision measurement tools.

| INT-102  | INDUSTRIAL MAINTENANCE CUTTING/WELDING                | 2     |
|          | PREREQUISITE: None                                    |       |

This course provides instruction in the fundamentals of acetylene cutting and the basic SMAW (stick) welding. Topics covered are acetylene torch cutting equipment, safety and use; welding safety, welding hand tools type of welding machines and welding rods, determining types of metal, welding passes, beads, and joints.

| MTT-100  | MACHINING TECHNOLOGY I                                | 6     |
|          | PREREQUISITE: None                                    |       |

This course introduces machining operations as they relate to the metalworking industry. Topics include machine shop safety, measuring tools, lathes, saws, milling machines, grinding machines, and layout instruments. Upon completion, students will be able to perform the basic operations of measuring, layout, grinding, drilling, sawing, turning, and milling. This is a CORE course and is aligned with NIMS certification standards. MTT-147/148 are suitable substitutes for this course. This course is also taught as AUT-152.

| MTT-103  | MACHINING TECHNOLOGY II                               | 6     |
|          | PREREQUISITE: MTT-100                                 |       |

This course provides additional instruction and practice in the use of measuring tools, lathes, milling machines, and grinders. Emphasis is placed on setup and operation of machine tools including the selection of work holding devices, speeds, feeds, cutting tools and coolants. Upon completion, students should be able to perform intermediate level procedures of precision grinding and advanced operations of measuring, layout, drilling, sawing, turning and milling. This is a CORE course and is aligned with NIMS certification standards. MTT-149/150 are suitable substitutes for MTT-103.

| MTT-111  | INTRODUCTION TO INJECTION MOLDING LAB                 | 3     |
|          | PREREQUISITE: None                                    |       |

Students learn to safely operate an injection molding machine. Students learn to properly startup, set machine controls and shutdown a molding machine.

| MTT-113  | INJECTION MOLD DESIGN LAB                             | 3     |
|          | PREREQUISITE: None                                    |       |

Students demonstrate proper and safe techniques to build components of an injection mold such as sprue bushings, runner systems, gates, vents, cavities, inserts and ejection systems.

| MTT-121  | BASIC PRINT READING FOR MACHINISTS                    | 3     |
|          | PREREQUISITE: None                                    |       |

This course covers the basic principles of print reading and sketching. Topics include multi-view drawings; interpretation of conventional lines; and dimensions, notes, and thread notations. Upon completion, students should be able to interpret basic drawings, visualize parts, and make pictorial sketches. This is a CORE course and is aligned with NIMS certification standards.

</tbody>
</table>
Program Information

The Automotive/Advanced Manufacturing program with a concentration in Robotics/Mechatronics will prepare graduates for entry-level employment in industrial automation. Concepts covered in the curriculum concentration will include a Mechatronic approach to training; programmable logic controllers; digital fundamentals; interfacing microcomputers to electro-mechanical devices; flexible manufacturing cells; and networking the multiple disciplines into an Advanced Manufacturing process.

Occupational Choices

Individuals who graduate with an associate’s degree in robotics might be qualified for careers in industries where robotic devices are used, such as manufacturing, defense, electronics, construction and space industries. Individuals can also pursue positions as electronic engineering technicians; manufacturing technicians; robotics technicians and/or quality technicians.

Average Full-Time Wage

Robotics technicians had an average annual wage of $56,740 as of May 2017. A skill in machine programming, maintenance and manufacturing is associated with high pay for this job.

Additional Requirements

• Student must be at least 16 years of age.
• Student must have an official copy of high school transcript or GED certificate and transcript from other colleges on file in the admissions office.
• Student must take the ACCUPLACER test.
• Student must be able to perform simple mathematical computations correctly.

* Tax not included. Prices are subject to change without prior notice; cost of books may vary considerably among suppliers. Cost of general education books is in addition to the total listed above. The length of the program is based on full-time status of 12-15 credit hours per term. Enrollment in transitional level general education courses will alter the length of the program.
# Associate of Applied Science

## Automotive/Advanced Manufacturing - Robotics/Mechatronics

### General Education Requirements (16 hours)

#### Area I - Written Composition (3 hours)
- ENG-101 English Composition I 3
- ENG-102 English Composition II 3
- ENG-130 Technical Report Writing 3

#### Area II - Humanities & Fine Arts (3 hours)
(Humanities and Arts disciplines include but are not limited to: Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

**Note:** If SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

- **Arts:**
  - ART-100 Art Appreciation 3
  - MUS-101 Music Appreciation 3

- **Humanities:**
  - PHL-106 Intro to Philosophy 3
  - PHL-206 Ethics & Society 3
  - REL-100 History of World Religions 3
  - REL-151 Survey of Old Testament 3
  - REL-152 Survey of New Testament 3
  - SPA-101 Intro Spanish I 3
  - SPA-102 Intro Spanish II 3
  - SPH-106 Fundamentals of Oral Comm 3
  - SPH-107 Fundamentals of Public Speaking 3

- **Literature:**
  - ENG-251 American Literature I 3
  - ENG-252 American Literature II 3
  - ENG-261 English Literature I 3
  - ENG-262 English Literature II 3
  - ENG-271 World Literature I 3
  - ENG-272 World Literature II 3

#### Area III - Natural Science & Mathematics (6-7 hours)
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

**Note:** 3 semester hours in MTH must be completed. Additional hours can be taken in the Natural Science area.

- **Mathematics:**
  - MTH-100 Intermediate Algebra 3
  - MTH-103 Intro to Technical Mathematics 3
  - MTH-104 Plane Trigonometry 3
  - MTH-110 Finite Mathematics 3
  - MTH-112 Precalculus Algebra 3
  - MTH-116 Mathematical Applications 3

- **Natural Sciences:**
  - BIO-101 Introduction to Biology I 4
  - BIO-102 Introduction to Biology II 4
  - BIO-103 Principles of Biology I 4
  - BIO-104 Principles of Biology II 4
  - PHS-111 Physical Science I 4
  - PHS-112 Physical Science II 4
  - PHY-120 Introduction to Physics 4

### Area IV - History, Social & Behavioral Sciences
(3 hours):
(Social and Behavioral Sciences include, but are not limited to: Anthropology, Economics, Geography, Political Science, Psychology, and Sociology.)

**Note:** Must complete 3 semester hours.

- **History:**
  - HIS-101 Western Civilization I 3
  - HIS-102 Western Civilization II 3
  - HIS-121 World History I 3
  - HIS-122 World History II 3
  - HIS-201 United States History I 3
  - HIS-202 United States History II 3

- **Social and Behavioral Sciences:**
  - PSY-200 General Psychology 3
  - PSY-210 Human Growth and Development 3
  - SOC-200 Introduction to Sociology 3
  - POL-200 Introduction to Political Science 3
  - POL-211 American National Government 3

#### Area V: Pre-Professional/College Requirements:
(Courses appropriate to the degree requirements and major of the individual student and electives.)

- **College Requirements:**
  - ORI-101 Orientation to College 1
  - CIS-146 Microcomputer Applications 3
  - ADM-111 Manufacturing Safety Practices 3
  - OR ELT-206 OSHA Safety Standards
  - ADM-234 Applied Industrial Robotics (FANUC) 3
  - ADM-250 Intro to Flexible Manufacturing Cells 4
  - ELT-108 DC Fundamentals 3
  - ELT-110 Wiring Methods 3
  - ELT-112 Concepts of Alternating Current 5
  - ELT-117 AC/DC Machines 3
  - ELT-119 Concepts of Solid State Electronics 5
  - ELT-121 Concepts of Digital Electronics 5
  - ELT-209 Motor Controls I 3
  - ELT-212 Motor Controls II 3
  - ELT-231 Programmable Controllers I 3
  - ELT-232 Adv Programmable Controllers 3
  - ELT-286 Co-op 1
  - MTT-147 Intro to Machine Shop I 3

Robotics/Mechatronics
Industrial Automation

General Education Requirements (3 hours)

Area III - Natural Science & Mathematics (3 hours)
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

Note: 3 semester hours in MTH must be completed. Additional hours can be taken in the Natural Science area.

Mathematics:
MTH-100 Intermediate Algebra 3
MTH-103 Intro to Technical Mathematics 3
MTH-104 Plane Trigonometry 3
MTH-110 Finite Mathematics 3
MTH-112 Precalculus Algebra 3
MTH-116 Mathematical Applications 3

Natural Sciences:
BIO-101 Introduction to Biology I 4
BIO-102 Introduction to Biology II 4
BIO-103 Principles of Biology I 4
BIO-104 Principles of Biology II 4
PHS-111 Physical Science I 4
PHS-112 Physical Science II 4
PHY-120 Introduction to Physics 4

Area V: Pre-Professional/College Requirements:
(Courses appropriate to the degree requirements and major of the individual student and electives.)

College Requirements:
ORI-101 Orientation to College 1
ADM-111 Manufacturing Safety Practices 3
ADM-200 Industrial Robotics Safety 3
ADM-234 Applied Industrial Robotics (FANUC) 3
ADM-250 Intro to Flexible Manufacturing Cells 4
ELT-108 DC Fundamentals 3
ELT-112 Concepts of Alternating Current 5
MTT-147 Intro to Machine Shop I 3

Area V Credit Hours: 25
Total Credit Hours: 28
# Course Descriptions

## Automotive/Advanced Manufacturing - Robotics/Mechatronics

<td>PRECISION MEASUREMENT</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course covers the use of precision measurement instruments utilized in inspection. In addition, basic print reading techniques reverse engineering, and related industry standards required in advanced manufacturing disciplines are covered. Upon completion, students should be able to demonstrate correct use of precision measuring instruments, interpret basic prints and apply basic reverse engineering techniques. Note: This is a suitable substitute for MTT-127.</td>
<td></td>
</tr>
<tr>
<td>ADM-111</td>
<td>MANUFACTURING SAFETY PRACTICES</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course is an introduction to general issues, concepts, procedures, hazards, and safety standards found in an industrial environment. This safety course is to make technicians aware of safety issues associated with their changing work environment and attempt to eliminate industrial accidents. This course will offer credentialing for NCCER Core and OSHA 10 hour.</td>
<td></td>
</tr>
<tr>
<td>ADM-200</td>
<td>INDUSTRIAL ROBOTICS SAFETY</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course covers safety aspects associated with industrial robots and the procedures to follow when working around them. The topics are approached from maintenance/repair and engineering perspectives. Students have the opportunity to learn common types of accidents associated with robot work and the sources of these accidents. North American and European safety standards including new ANSI/RIA safety standards for Industrial Robots (15.06), risk assessment methodologies, risk reduction methods and the application of various safety products are also covered.</td>
<td></td>
</tr>
<tr>
<td>ADM-234</td>
<td>APPLIED INDUSTRIAL ROBOTICS (FANUC)</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course covers the basic techniques used to write, execute, test, and modify a basic robotic program for an application-specific operation. Topics covered are related safety, robotic systems, computer terminal programming, teach pendant programming, and input/output interfacing. Upon completion, a student should be able to write, test, and evaluate a robotic program.</td>
<td></td>

</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course covers techniques involved when grouping related machines for the purpose of completing a series of manufacturing processes in a flexible manufacturing cell. The student will be involved with the computerized integration of programmable control systems such as robotics, machine tools, and other peripheral equipment to emulate real-world manufacturing concepts employed in flexible manufacturing cells.</td>
<td></td>
</tr>
<tr>
<td>ELT-108</td>
<td>DC FUNDAMENTALS</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course is designed to provide students with a working knowledge of basic direct current (DC) electrical principles. Topics include safety, basic atomic structure and theory, magnetism, conductors, insulators, use of Ohm’s law to solve for voltage, current, and resistance, electrical sources, power, inductors, and capacitors. Students will perform lockout/tagout procedures, troubleshoot circuits and analyze series, parallel, and combination DC circuits using the electrical laws and basic testing equipment to determine unknown electrical quantities. This is a CORE course.</td>
<td></td>
</tr>
<tr>
<td>ELT-110</td>
<td>WIRING METHODS</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course is a study of various tasks, wiring methods, materials, and associated NEC requirements that students will be required to work with in residential and commercial wiring courses. This is a CORE course.</td>
<td></td>
</tr>
<tr>
<td>ELT-112</td>
<td>CONCEPTS OF ALTERNATING CURRENT</td>
<td>5</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: ELT-108</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course provides an advanced study of alternating current (AC) concepts and application principles. Specific topics include safety, terms and symbols, AC electrical theory, components, circuits, electrical measurement instruments, laws of AC, and methods for constructing and measuring various types of AC circuits. Students gain hands-on experience through laboratory exercises designed to analyze complex circuits, power requirements, faults, phase relationships, and power factors. Emphasis is placed on the use of scientific calculators and the operation of various types of test equipment used to analyze and troubleshoot AC circuits.</td>
<td></td>

<tr>
<td></td>
<td>PREREQUISITE: ELT-108 and ELT-109</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course covers the theory and operation of DC motors single and three phase AC motors and the labs will reinforce this knowledge. Emphasis is placed on the various types of single and three phase motors, wiring diagrams, starting devices, and practical application in the lab. This is a CORE course.</td>
<td></td>
</tr>
<tr>
<td>ELT-119</td>
<td>CONCEPTS OF SOLID STATE ELECTRONICS</td>
<td>5</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: ELT-112</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course is an introduction to semiconductor fundamentals and applications to the electronic devices. Course covers the basic operations and applications to include rectifier circuits, transistors, and thyristors. Coverage is given to safety, use, and care with hazardous materials and personal as well as material and environmental considerations. Upon completion students will be able to construct and test for proper operation of various types of solid state devices.</td>
<td></td>
</tr>
<tr>
<td>ELT-121</td>
<td>CONCEPTS OF DIGITAL ELECTRONICS</td>
<td>5</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: ELT-112</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course provides instruction in digital electronics. Topics include: number systems and codes, a review of Boolean algebra, logic elements, digital circuits, programmable logic circuits, and memory and computing circuits. This course provides laboratory exercises to analyze, construct, test and troubleshoot digital circuits.</td>
<td></td>
</tr>
<tr>
<td>ELT-206</td>
<td>OSHA SAFETY STANDARDS</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course provides the student with the knowledge of OSHA safety standards as required by this organization, and as it related to the job site. Emphasis is placed on overall safety practices, construction site safety practices and safety procedures required by Federal/State laws. Upon completion, students should be able to understand the requirements of OSHA as it relates to general and specific construction sites.</td>
<td></td>
</tr>
<tr>
<td>ELT-209</td>
<td>MOTOR CONTROLS I</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: ELT-108 and ELT-109</td>

<td></td>
</tr>
<tr>
<td></td>
<td>This course covers complex ladder diagrams of motor control circuits and the uses of different motor starting techniques. Topics include wye-delta starting, part start winding, resistor starting and electronic starting devices. Upon completion, the students should be able to understand and interpret the more complex motor control diagrams and understand the different starting techniques of electrical motors.</td>
<td></td>
</tr>
<tr>
<td>ELT-231</td>
<td>INTRODUCTION TO PROGRAMMABLE CONTROLLERS</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: ELT-108 and ELT-109</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course provides an introduction to programmable logic controllers. Emphasis is placed on, but not limited to, the following: PLC hardware and software, numbering systems, installation, and programming. Upon completion, students must demonstrate their ability by developing, loading, debugging, and optimizing PLC programs.</td>
<td></td>
</tr>
<tr>
<td>ELT-232</td>
<td>ADVANCED PROGRAMMABLE CONTROLLERS</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: ELT-108 and ELT-109</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course includes the advanced principals of PLC’s including hardware, programming, and troubleshooting. Emphasis is placed on developing advanced working programs, and troubleshooting hardware and software communication problems. Upon completion, students should be able to demonstrate their ability in developing programs and troubleshooting the system.</td>
<td></td>
</tr>
<tr>
<td>ELT-286</td>
<td>CO-OP</td>
<td>1</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: As required by program.</td>
<td></td>
</tr>
<tr>
<td></td>
<td>These courses constitute a series wherein the student works on a part-time basis in a job directly related to electrical technology. In these courses the employer evaluates the student’s productivity and the student submits a descriptive report of his work experiences. Upon completion, the student will demonstrate skills learned in an employment setting.</td>
<td></td>
</tr>
</tbody>
</table>
Program Information

Welding is the technology of using various methods to join, cut, scrape, or finish metal by applying intense heat and/or pressure to melt the edges of metal so they fuse permanently.

The Welding program at Trenholm State Community College is designed to give technical knowledge and experience in six different welding and cutting processes. The student will attain hands-on experience in pipe welding, brazing, manual and machine cutting, blueprint reading, and welding processes used by industry in the fabrication of steel components. Through practical application, a student is taken through a series of welds and processes, using different joints and weld structures duplicated as closely as possible to an actual on-the-job situation.

Occupational Choices

Employment of welders, cutters, solderers, and brazers is projected to grow 6 percent from 2016 to 2026, about as fast as the average for all occupations. Employment growth reflects the need for welders in manufacturing because of the importance and versatility of welding as a manufacturing process. The basic skills of welding are similar across industries, so welders can easily shift from one industry to another, depending on where they are needed most. For example, welders who are laid off in the automotive manufacturing industry may be able to find work in the oil and gas industry. The nation’s aging infrastructure will require the expertise of welders, cutters, solderers, and brazers to help rebuild bridges, highways, and buildings. Also, the construction of new power generation facilities and, specifically, pipelines transporting natural gas and oil may result in new jobs.

Average Full-Time Wage

The median annual wage for welders, cutters, solderers, and brazers was $41,380 in May 2018. The median wage is the wage at which half the workers in an occupation earned more than that amount and half earned less. The lowest 10 percent earned less than $28,560, and the highest 10 percent earned more than $63,740.

Awards Available

Associate of Applied Science Automotive/Advanced Manufacturing Welding
Certificate Automotive/Advanced Manufacturing Welding
Short Term Certificate Automotive/Advanced Manufacturing Welding

* Tax not included. Prices are subject to change without prior notice; cost of books may vary considerably among suppliers. Cost of general education books is in addition to the total listed above. The length of the program is based on full-time status of 12-15 credit hours per term. Enrollment in transitional level general education courses will alter the length of the program.
**Associate of Applied Science**  
Automotive/Advanced Manufacturing  
Welding

**General Education Requirements (16 hours)**

**Area I - Written Composition (3 hours)**
- ENG-100 Vocational Technical English I  3
- ENG-101 English Composition I  3
- ENG-102 English Composition II  3
- ENG-130 Technical Report Writing  3

**Area II - Humanities & Fine Arts (3 hours)**
(Humanities and Arts disciplines include but are not limited to: Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

**Note:** If SPH-103, SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

**Arts:**
- ART-100 Art Appreciation  3
- MUS-101 Music Appreciation  3

**Humanities:**
- PHL-106 Intro to Philosophy  3
- PHL-206 Ethics & Society  3
- REL-100 History of World Religions  3
- REL-151 Survey of Old Testament  3
- REL-152 Survey of New Testament  3
- SPA-101 Intro Spanish I  3
- SPA-102 Intro Spanish II  3
- SPH-103 Oral Communication Skills  3
- SPH-106 Fundamentals of Oral Comm  3
- SPH-107 Fundamentals of Public Speaking  3

**Literature:**
- ENG-251 American Literature I  3
- ENG-252 American Literature II  3
- ENG-261 English Literature I  3
- ENG-262 English Literature II  3
- ENG-271 World Literature I  3
- ENG-272 World Literature II  3

**Area III - Natural Science & Mathematics (6-7 hours)**
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

**Note:** 3 semester hours in MTH must be completed.

**Mathematics:**
- MAH-101 Introductory Mathematics I  3
- MTH-100 Intermediate Algebra  3
- MTH-103 Intro to Technical Mathematics  3
- MTH-104 Plane Trigonometry  3
- MTH-110 Finite Mathematics  3
- MTH-112 Precalculus Algebra  3
- MTH-116 Mathematical Applications  3

**Natural Sciences:**
- BIO-101 Introduction to Biology I  4
- BIO-102 Introduction to Biology II  4
- BIO-103 Principles of Biology I  4
- BIO-104 Principles of Biology II  4

This course is an introduction to general issues, concepts, procedures, hazards, and safety standards found in industrial environment. This safety course is to make technicians aware of safety issues associated with their changing work environment and attempts to eliminate industrial accidents.

| ADM-111 | MANUFACTURING SAFETY PRACTICES                   | 3            |
| PREREQUISITE: None |
This course is an introduction to general issues, concepts, procedures, hazards, and safety standards found in an industrial environment. This safety course is to make technicians aware of safety issues associated with their changing work environment and attempt to eliminate industrial accidents. This course will offer credentialing for NCCER Core and OSHA 10 hour.

| WDT-109 | SMAW FILLET/PAC/CAC                               | 3            |
| PREREQUISITE: None |
This course provides the student with instruction on safety practices and terminology in the Shielded Metal Arc Welding (SMAW) process. Emphasis is placed on safety, welding terminology, equipment identification, set-up and operation, and related information in the SMAW process. This course also covers the rules of basic safety and identification of shop equipment and provides the student with the skills and knowledge necessary for the safe operation of carbon arc cutting and plasma arc cutting. This is a CORE course.

| WDT-110 | INDUSTRIAL BLUEPRINT READING                      | 3            |
| PREREQUISITE: None |
This course provides students with the understanding and fundamentals of industrial blueprint reading. Emphasis is placed on reading and interpreting lines, views, dimensions, weld joint configurations and weld symbols. Upon completion students should be able to interpret welding symbols and blueprints as they apply to welding and fabrication. This is a CORE course.

| WDT-119 | GAS METAL ARC/FLUX CORED ARC WELDING              | 3            |
| PREREQUISITE: None |
This course introduces the student to the gas metal arc and flux cored arc welding process. Emphasis is placed on safe operating practices, handling and storage of compressed gasses, process principles, component identification, various welding techniques and base and filler metal identification. This is a CORE course.

| WDT-120 | SMAW GROOVE THEORY                                | 3            |
| PREREQUISITE: None |
This course provides the student with instruction on joint design, joint preparation, and fit-up of groove welds in accordance with applicable welding codes. Emphasis is placed on safe operation, joint design, joint preparation, and fit-up. Upon completion, students should be able to identify the proper joint design, joint preparation and fit-up of groove welds in accordance with applicable welding codes. This is a CORE course.

| WDT-122 | SMAW FILLET/OFC LAB                               | 3            |
| PREREQUISITE: None |
This course is designed introduce the student to the proper set-up and operation of the shielded metal arc welding equipment. Emphasis is placed on striking and controlling the arc, and proper fit-up of fillet joints. This course is also designed to instruct students in the safe operation of oxy-fuel cutting. Upon completion, students should be able to make fillet welds in all positions using electrodes in the F-3 groups in accordance with applicable welding code and be able to safely operate oxy-fuel equipment and perform those operations as per the applicable welding code.

| WDT-123 | SMAW FILLET/PAC/CAC LAB                           | 3            |
| PREREQUISITE: None |
This course is designed introduce the student to the proper set-up and operation of the shielded metal arc welding equipment. Emphasis is placed on striking and controlling the arc, and proper fit-up of fillet joints. This course is also designed to instruct students in the safe operation of plasma arc and carbon arc cutting. Upon completion, students should be able to make fillet welds in all positions using electrodes in the F-4 groups in accordance with applicable welding code and be able to safely operate plasma arc and carbon arc equipment and perform those operations as per applicable welding code.

| WDT-125  | SMAW GROOVE LAB                                       | 3            |
|          | PREREQUISITE: None                                    |              |
|          | This course provides instruction and demonstration in the shielded metal arc welding process on carbon steel plate with various size F-3 and F-4 group electrodes in all positions. Emphasis is placed on welding groove joints and using various F-3 and F-4 group electrodes in all positions. Upon completion, the student should be able to make visually acceptable groove weld joints in accordance with applicable welding codes. |

| WDT-155  | GTAW CARBON PIPE LAB                                  | 3            |
|          | PREREQUISITE: None                                    |              |
|          | This course is designed to provide the student with the skills in welding carbon steel pipe with gas tungsten arc welding techniques in various pipe weld positions. Upon completion, students should be able to perform gas tungsten arc welding on carbon steel pipe with the prescribed filler metals in various positions in accordance with the applicable code. |

| WDT-156  | GTAW STAINLESS PIPE LAB                               | 3            |
|          | PREREQUISITE: None                                    |              |
|          | This course is designed to provide the student with the skills in welding stainless steel pipe with gas tungsten arc welding techniques in various pipe weld positions. Upon completion, students should be able to perform gas tungsten arc welding on stainless steel pipe with the prescribed filler metals in various positions in accordance with the applicable code. |

| WDT-157  | CONSUMABLE WELDING PROCESSES                          | 3            |
|          | PREREQUISITE: None                                    |              |
|          | This course provides instruction and demonstration with the consumable welding processes to produce groove and fillet welds in all positions, according to applicable welding codes. Topics include safe operating practices, equipment identification, equipment set-up, correct selection of electrode, current/polarity, shielding gas and base metals. |

| WDT-158  | CONSUMABLE WELDING PROCESSES LAB                      | 3            |
|          | PREREQUISITE: None                                    |              |
|          | This course provides instruction and demonstration with the consumable welding processes to produce groove and fillet welds in all positions, according to applicable welding codes. Topics include safe operating practices, equipment identification, equipment set-up, correct selection of electrode, current/polarity, shielding gas and base metals. Upon completion, the student should be able to produce groove and fillet welds using consumable welding processes according to AWS Codes and standards. This course supports CIP Code 48.0508 |

| WDT-167  | FLUX CORE ARC WELDING LAB                             | 3            |
|          | PREREQUISITE: None                                    |              |
|          | This course provides instruction and demonstration with the flux core arc welding process to produce groove and fillet welds in all positions, according to applicable welding codes. Topics include safe operating practices, equipment identification, equipment set-up, correct selection of filler metals, current/polarity, shielding gas and base metals. Upon completion, the student should be able to produce groove and fillet welds using the FCAW welding process, according to AWS Codes and Standards. |

| WDT-219  | WELDING INSPECTION AND TESTING THEORY                 | 3            |
|          | PREREQUISITE: None                                    |              |
|          | This course provides the student with inspection skills and knowledge necessary to evaluate welded joints and apply quality control measures as needed. Emphasis is placed on interpreting welding codes, welding procedures, and visual inspection methods. Upon completion, students should be able to visually identify visual acceptable weldments as prescribed by the code or welding specification report. |

<p>| WDT-221  | PIPEFITTING AND FABRICATION                          | 3            |
|          | PREREQUISITE: None                                    |              |
|          | This course provides the student with skills and practices necessary for fabricating pipe plans using pipe and fittings. Emphasis is placed on various pipe fittings to include various degree angles. Upon completion, students should be able to fit various pipe fittings, and cut and fabricate tees, and assorted angles. |</p>

Program Information

The Automotive Collision Repair program is designed to educate and train persons to become qualified to repair damaged vehicles. Students enrolled in this program are provided with theory and hands-on experiences pertaining to personal safety rules and procedures, structural metal straightening, non-structural metal repair, paint and refinishing, welding, plastic repairs and vehicle estimating.

Occupational Choices

Overall employment of automotive body and glass repairers is projected to grow 8 percent from 2016 to 2026, about as fast as the average for all occupations. Job opportunities are projected to be good for automotive body and glass repairers. The need to replace experienced automotive body and glass repairers who change occupations, retire, or stop working for other reasons will also provide many job opportunities. The best opportunities in automotive body repair will be available to those with industry certification and training in automotive body repair and refinishing, and in collision repair.

Average Full-Time Wage

The median annual wage for automotive body and related repairers was $42,730 in May 2018. The median wage is the wage at which half the workers in an occupation earned more than that amount and half earned less. The lowest 10 percent earned less than $34,170, and the highest 10 percent earned more than $70,670.

* Tax not included. Prices are subject to change without prior notice; cost of books may vary considerably among suppliers. Cost of general education books is in addition to the total listed above. The length of the program is based on full-time status of 12-15 credit hours per term. Enrollment in transitional level general education courses will alter the length of the program.
Certificate
Automotive Collision Repair

General Education Requirements (6 hours)

Area I - Written Composition (3 hours)
ENG-100 Vocational Technical English I 3
ENG-101 English Composition I 3
ENG-102 English Composition II 3
ENG-130 Technical Report Writing 3

Area II - Humanities & Fine Arts (0 hours)
(Humanities and Arts disciplines include but are not limited to: Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

Note: If SPH-103, SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

Arts:
ART-100 Art Appreciation 3
MUS-101 Music Appreciation 3

Humanities:
PHL-106 Intro to Philosophy 3
PHL-206 Ethics & Society 3
REL-100 History of World Religions 3
REL-151 Survey of Old Testament 3
REL-152 Survey of New Testament 3
SPA-101 Intro Spanish I 3
SPA-102 Intro Spanish II 3
S PC-103 Oral Communication Skills 3
SPH-106 Fundamentals of Oral Comm 3
SPH-107 Fundamentals of Public Speaking 3

Literature:
ENG-251 American Literature I 3
ENG-252 American Literature II 3
ENG-261 English Literature I 3
ENG-262 English Literature II 3
ENG-271 World Literature I 3
ENG-272 World Literature II 3

Area III - Natural Science & Mathematics (3 hours)
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

Note: 3 semester hours in MTH must be completed.

Mathematics:
MAH-101 Introductory Mathematics I 3
MTH-100 Intermediate Algebra 3
MTH-103 Intro to Technical Mathematics 3
MTH-104 Plane Trigonometry 3
MTH-110 Finite Mathematics 3
MTH-112 Precalculus Algebra 3
MTH-116 Mathematical Applications 3

Natural Sciences:
BIO-101 Introduction to Biology I 4
BIO-102 Introduction to Biology II 4
BIO-103 Principles of Biology I 4
BIO-104 Principles of Biology II 4
PHS-111 Physical Science I 4
PHS-112 Physical Science II 4
PHY-120 Introduction to Physics 4

Area IV - History, Social & Behavioral Sciences (0 hours):
(Social and Behavioral Sciences include, but are not limited to: Anthropology, Economics, Geography, Political Science, Psychology, and Sociology.)

History:
HIS-101 Western Civilization I 3
HIS-102 Western Civilization II 3
HIS-121 World History I 3
HIS-122 World History II 3
HIS-201 United States History I 3
HIS-202 United States History II 3

Social and Behavioral Sciences:
PSY-200 General Psychology 3
PSY-210 Human Growth and Development 3
SOC-200 Introduction to Sociology 3
P O L-200 Introduction to Political Science 3
P O L-211 American National Government 3

Area V: Pre-Professional/College Requirements:
(Courses appropriate to the degree requirements and major of the individual student and electives.)

College Requirements:
ORI-101 Orientation to College 1

ABR Suitable Substitute Courses:
# ASE-121 Braking System 3
OR ASE-130 Drive Train & Axels
* ASE-133 Motor Vehicle Air Conditioning 3
+ ASE-122 Steering & Suspension 3

ABR Electives: (ABR Suitable Substitute Courses)
ABR-224 Automotive Electrical Components 3
ABR-266 Aluminum Welding in Collision Repair 3
ABR-292 Auto Body Repair Co-op 2
ABR-293 Auto Body Repair Co-op 3
CIS-146 Microcomputer Applications 3
CIS-149 Introduction to Computers 3

Area V Credit Hours: 47 Total Credit Hours: 53

Automotive Service

Program Information

Automotive Service consists of testing, diagnosing, repairing, and maintaining the mechanical, hydraulic, and electrical systems of the modern automobile.

The Automotive Service program at Trenholm State Community College is designed to teach a student the basic principles of all eight areas of the National Automotive Technicians Education Foundation certifications (engine repair, automatic transmissions/transaxle, manual drive train and axles, suspension and steering, brakes, electrical/electronic systems, heating and air conditioning, and engine performance) as required by industry today.

Occupational Choices

Employment of automotive service technicians and mechanics is projected to grow 6 percent from 2016 to 2026, about as fast as the average for all occupations.

The number of vehicles in use is expected to continue to rise. More entry-level service technicians will be needed to perform basic maintenance and repair, such as replacing brake pads and changing oil, on these vehicles. New technologies, however, such as electric vehicles, may limit future demand for automotive service technicians and mechanics because these vehicles will be more reliable and thus require less frequent maintenance and repair.

The graduates of the Automotive Service Technology Program have technical skills and knowledge that prepares them to enter varied fields. They can go into parts distribution, retail parts sales, tractor mechanics, truck repair, automotive manufacturing plants and the related suppliers.

Average Full-Time Wage

The median annual wage for automotive service technicians and mechanics was $40,710 in May 2018. The median wage is the wage at which half the workers in an occupation earned more than that amount and half earned less. The lowest 10 percent earned less than $23,420, and the highest 10 percent earned more than $66,950.

Program Information

The Diesel Mechanics Program at Trenholm State Community College is designed to teach a student the basic principles required in the repair and maintenance of components in the trucking, equipment, and farm related industries. The student will gain hands-on experience repairing, troubleshooting, and rebuilding various components in these areas.

Occupational Choices

Employment of diesel service technicians and mechanics is projected to grow 9 percent from 2016 to 2026, about as fast as the average for all occupations.

As more freight is shipped across the country, additional diesel-powered trucks will be needed to carry freight wherever trains and pipelines are not available or economical. In addition, diesel cars and light trucks are becoming more popular, and more diesel technicians will be needed to maintain and repair these vehicles.

Average Full-Time Wage

The median annual wage for diesel service technicians and mechanics was $47,350 in 2018. The median wage is the wage at which half the workers in an occupation earned more than that amount and half earned less. The lowest 10 percent earned less than $31,200, and the highest 10 percent earned more than $72,180.

Estimated cost of books (CDX Online Annual Subscription) for total program will be $156.

* Tax not included. Prices are subject to change without prior notice; cost of books may vary considerably among suppliers. Cost of general education books is in addition to the total listed above. The length of the program is based on full-time status of 12-15 credit hours per term. Enrollment in transitional level general education courses will alter the length of the program.
## Certificate: Diesel Mechanics

### General Education Requirements (6 hours)

#### Area I - Written Composition (3 hours)
- ENG-100 Vocational Technical English I * 3
- ENG-101 English Composition I 3
- ENG-102 English Composition II 3
- ENG-130 Technical Report Writing 3

#### Area II - Humanities & Fine Arts (0 hours)

(Humanities and Arts disciplines include but are not limited to: Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

**Note:** If SPH-103, SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

**Arts:**
- ART-100 Art Appreciation 3
- MUS-101 Music Appreciation 3

**Humanities:**
- PHL-106 Intro to Philosophy 3
- PHL-206 Ethics & Society 3
- REL-100 History of World Religions 3
- REL-151 Survey of Old Testament 3
- REL-152 Survey of New Testament 3
- SPA-101 Intro Spanish I 3
- SPA-102 Intro Spanish II 3
- SPH-103 Oral Communication Skills 3
- SPH-106 Fundamentals of Oral Comm 3
- SPH-107 Fundamentals of Public Speaking 3

**Literature:**
- ENG-251 American Literature I 3
- ENG-252 American Literature II 3
- ENG-261 English Literature I 3
- ENG-262 English Literature II 3
- ENG-271 World Literature I 3
- ENG-272 World Literature II 3

#### Area III - Natural Science & Mathematics (3 hours)

(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

**Note:** 3 semester hours in MTH must be completed.

**Mathematics:**
- MAH-101 Introductory Mathematics I * 3
- MTH-100 Intermediate Algebra 3
- MTH-103 Intro to Technical Mathematics 3
- MTH-104 Plane Trigonometry 3
- MTH-110 Finite Mathematics 3
- MTH-112 Precalculus Algebra 3
- MTH-116 Mathematical Applications 3

**Natural Sciences:**
- BIO-101 Introduction to Biology I 4
- BIO-102 Introduction to Biology II 4
- BIO-103 Principles of Biology I 4
- BIO-104 Principles of Biology II 4
- PHS-111 Physical Science I 4
- PHS-112 Physical Science II 4
- PHY-120 Introduction to Physics 4

### Area IV - History, Social & Behavioral Sciences (0 hours):

(Social and Behavioral Sciences include, but are not limited to: Anthropology, Economics, Geography, Political Science, Psychology, and Sociology.)

**History:**
- HIS-101 Western Civilization I 3
- HIS-102 Western Civilization II 3
- HIS-121 World History I 3
- HIS-122 World History II 3
- HIS-201 United States History I 3
- HIS-202 United States History II 3

**Social and Behavioral Sciences:**
- PSY-200 General Psychology 3
- PSY-210 Human Growth and Development 3
- SOC-200 Introduction to Sociology 3
- POL-200 Introduction to Political Science 3
- POL-211 American National Government 3

* These courses are required for students without a high school diploma or GED.

#### Area V: Pre-Professional/College Requirements:
(Courses appropriate to the degree requirements and major of the individual student and electives.)

**College Requirements:**
- ORI-101 Orientation to College 1
- DEM-119 Bearings and Lubricants 3
- DEM-122 Heavy Vehicle Brakes 3
- DEM-123 Pneumatics and Hydraulics 3
- DEM-125 Heavy Vehicle Drive Trains 3
- DEM-128 Power Train Lab 3
- DEM-129 Diesel Engine Lab 3
- DEM-130 Electrical / Electronic Fundamentals 3
- DEM-145 Electrical Schematics and Symbols 3
- DEM-146 Engine Fundamentals 3
- DEM-147 Fuel and Ignition Systems 3
- DEM-181 Special Topics in Electrical 3
- DEM-191 Special Projects 3
- DEM-262 Co-op 1

**Electives:**
- CIS-103 Introductory Computer Skills 3
- CIS-146 Microcomputer Applications 3
- CIS-149 Introduction to Computers 3

**Area V Credit Hours:** 38
**Total Credit Hours:** 44

<tbody>
<tr>
<td>DEM-119</td>
<td>BEARINGS AND LUBRICANTS</td>
<td>3</td>
<td>This course focuses on roller, ball and shell bearing design and application. Topics include vehicle and industrial bearings and lubrication requirements. Upon course completion, students should diagnose related problems and service and replace bearings.</td>
</tr>
<tr>
<td>DEM-122</td>
<td>HEAVY VEHICLE BRAKES</td>
<td>3</td>
<td>This course covers the theory and repair of braking systems used in medium and heavy duty vehicles. Topics include hydraulic and ABS system diagnosis and repair. Upon completion, students should be able to troubleshoot, adjust, and repair braking systems on medium and heavy duty vehicles. This is a CORE course.</td>
</tr>
<tr>
<td>DEM-123</td>
<td>PNEUMATICS AND HYDRAULICS</td>
<td>3</td>
<td>This course provides instruction in the identification and repair of components found in hydraulic systems. Topics include schematics circuits and symbols used in fluid power transmission and the troubleshooting of components in these systems. Upon completion, students should be able to diagnose, adjust, and repair hydraulic system components.</td>
</tr>
<tr>
<td>DEM-125</td>
<td>HEAVY VEHICLE DRIVE TRAINS</td>
<td>3</td>
<td>This course introduces the operating principles of mechanical medium and heavy duty vehicle transmissions. Topics include multiple counter shafts, power take-offs, slider idler clutches, friction clutches, mechanical transmission power components, and hydraulics. Upon completion, students should be able to diagnose, inspect, and repair mechanical transmissions. This is a CORE course.</td>
</tr>
<tr>
<td>DEM-128</td>
<td>HEAVY VEHICLE DRIVE TRAIL LAB</td>
<td>3</td>
<td>This lab provides reinforcement of material covered in DEM 125. The students will apply the knowledge they learned on driveshafts, power take-offs, standard transmissions, fluid drives, torque converters, clutch assemblies, drive axles, and special drives through experiential learning techniques. Upon completion, students should be able to diagnose, inspect, remove, repair or replace, and install heavy vehicle drive train components.</td>
</tr>
<tr>
<td>DEM-129</td>
<td>DIESEL ENGINE LAB</td>
<td>3</td>
<td>This lab allows the student to refine the skills required to repair diesel engines.</td>
</tr>
<tr>
<td>DEM-130</td>
<td>ELECTRICAL / ELECTRONIC FUNDAMENTALS</td>
<td>3</td>
<td>This course introduces the student to basic Electrical / Electronic concepts and fundamentals. It provides the principles of electricity, magnetism, and Ohm’s Law. Emphasis is placed on batteries, starting, charging, and lighting circuits, which include series, parallel, and series-parallel circuits. Troubleshooting and repair of wiring harnesses, starting motors, charging systems, and accessories are included along with the computerized monitoring of vehicle systems. Upon completion, students should be able to identify components, test systems, and repair minor electrical problems according to manufacturer’s literature. This is a CORE course.</td>
</tr>
<tr>
<td>DEM-145</td>
<td>ELECTRICAL SCHEMATICS AND SYMBOLS</td>
<td>3</td>
<td>This course introduces the student to electrical symbols and schematics. It prepares the student to utilize wiring diagrams and schematics to troubleshoot electrical problems. Upon completion students should be able to understand electrical circuits by reading wiring diagrams.</td>
</tr>
<tr>
<td>DEM-146</td>
<td>ENGINE FUNDAMENTALS</td>
<td>3</td>
<td>This course introduces students to procedures and components of spark ignition engines.</td>

Program Information

Air conditioning and refrigeration systems are an intricate part of the success of almost every business. Air conditioning systems are responsible for controlling the temperature, humidity, and the total air quality in residential, commercial, and industrial buildings. Refrigeration systems make it possible to store and transport food, medicine, and other perishable items. This is a skilled occupation that requires qualified technicians to install, maintain, and repair such systems.

The Air Conditioning and Refrigeration program at Trenholm State Community College is designed to teach a student the basic principles involved in the installation, maintenance, and repair of heating, air conditioning, and refrigeration systems. Through the various courses, a student will gain technical knowledge and practical hands-on experience in servicing, troubleshooting, and maintaining these systems.

Occupational Choices

Commercial and residential building construction is expected to drive employment growth. The growing number of sophisticated climate-control systems is also expected to increase demand for qualified HVACR technicians.

Repair and replacement of HVACR systems is a large part of what technicians do. The growing emphasis on energy efficiency and pollution reduction is likely to increase the demand for HVACR technicians as climate-control systems are retrofitted, upgraded, or replaced entirely. Job opportunities for HVACR technicians are expected to be good. Candidates familiar with tablet computers and electronics, as well as those who have developed troubleshooting skills, will have the best job prospects.

As the population and economy grow and new residential, commercial, and industrial structures are built, more technicians will be needed to install and maintain climate control systems. Employment of heating, air conditioning, and refrigeration mechanics and installers is projected to grow 15 percent from 2016 to 2026, much faster than the average for all occupations. Source: Bureau of Labor and Statistics Occupational Outlook Handbook, 2016-2026 Edition, 2018 Survey

Average Full-Time Wage

The average full-time annual wage for an air conditioning and refrigeration technician is $47,610. These technicians enjoy a variety of employersponsored benefits such as health insurance and pension plans. Some employers may also pay for work-related training and provide uniforms, company vans, and tools. Source: Bureau of Labor and Statistics Occupational Outlook Handbook, 2016-2026 Edition, May 2018

ACR-134 Ice Machines  3
ACR-147 Refrigerant Transition and Recovery  3
ACR-193 Co-op  1
ACR-203 Commercial Refrigeration  3
ACR-210 Troubleshooting HVACR Systems  Elective  9

Electives:
ACR-127 HVACR Elect Motors  3
ACR-135 Mechanical/Gas Safety Codes  3
ACR-141 Environmental Systems  4
CIS-146 Microcomputer Applications  3

Area V Credit Hours: 44
Total Credit Hours: 60
Certificate
A/C & Refrigeration

General Education Requirements (6 hours)

Area I - Written Composition (3 hours)
ENGL-101 English Composition I 3
ENGL-102 English Composition II 3
ENGL-130 Technical Report Writing 3

Area II - Humanities & Fine Arts (0 hours)
(Humanities and Arts disciplines include but are not limited to: Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

Note: If SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

Arts:
ART-100 Art Appreciation 3
MUS-101 Music Appreciation 3

Humanities:
PHIL-106 Intro to Philosophy 3
PHIL-206 Ethics & Society 3
REL-100 History of World Religions 3
REL-151 Survey of Old Testament 3
REL-152 Survey of New Testament 3
SPA-101 Intro Spanish I 3
SPA-102 Intro Spanish II 3
SPH-106 Fundamentals of Oral Comm 3
SPH-107 Fundamentals of Public Speaking 3

Literature:
ENGL-251 American Literature I 3
ENGL-252 American Literature II 3
ENGL-261 English Literature I 3
ENGL-262 English Literature II 3
ENGL-271 World Literature I 3
ENGL-272 World Literature II 3

Area III - Natural Science & Mathematics (3 hours)
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

Note: 3 semester hours in MTH must be completed. Additional hours can be taken in the Natural Science area.

Mathematics:
MTH-100 Intermediate Algebra 3
MTH-103 Intro to Technical Mathematics 3
MTH-104 Plane Trigonometry 3
MTH-110 Finite Mathematics 3
MTH-112 Precalculus Algebra 3
MTH-116 Mathematical Applications 3

Natural Sciences:
BIO-101 Introduction to Biology I 4
BIO-102 Introduction to Biology II 4
BIO-103 Principles of Biology I 4
BIO-104 Principles of Biology II 4
PHYS-111 Physical Science I 4
PHYS-112 Physical Science II 4
PHYS-120 Introduction to Physics 4

Area IV - History, Social & Behavioral Sciences (0 hours):
(Social and Behavioral Sciences include, but are not limited to: Anthropology, Economics, Geography, Political Science, Psychology, and Sociology.)

Note: Must complete 3 semester hours.

History:
HIST-101 Western Civilization I 3
HIST-102 Western Civilization II 3
HIST-121 World History I 3
HIST-122 World History II 3
HIST-201 United States History I 3
HIST-202 United States History II 3

Social and Behavioral Sciences:
PSY-200 General Psychology 3
PSY-210 Human Growth and Development 3
SOC-200 Introduction to Sociology 3
POL-200 Introduction to Political Science 3
POL-211 American National Government 3

Area V: Pre-Professional/College Requirements:
(Courses appropriate to the degree requirements and major of the individual student and electives.)

College Requirements:
ORI-101 Orientation to College 1
ACR-111 Principles of Refrigeration 3
ACR-112 HVACR Service Procedures 3
ACR-113 Refrigeration Piping Practices 3
ACR-121 Principles of Electricity for HVACR 3
ACR-122 HVACR Electrical Circuits 3
ACR-123 HVACR Electrical Components 3
ACR-125 Fund of Gas & Electrical Htg Sys 6
ACR-132 Residential Air Conditioning 3
ACR-133 Domestic Refrigeration 3
ACR-134 Ice Machines 3
ACR-147 Refrigerant Transition and Recovery 3
ACR-193 Co-op 1
Elective 3

Electives:
ACR-127 HVACR Elect Motors 3
ACR-135 Mechanical/Gas Safety Codes 3
ACR-141 Environmental Systems 4
CIS-146 Microcomputer Applications 3

Area V Credit Hours: 41
Total Credit Hours: 47
Short Term Certificate
A/C & Refrigeration
Advanced A/C & Refrigeration
Concentration

Area V: Pre-Professional/College Requirements:
(Courses appropriate to the degree requirements and major of the individual student and electives.)

Program Information

Cosmetology is the study or art of cosmetics and its use. However, in the last 35 years, the word cosmetology has come to be accepted as the study and art of improving a person’s appearance. This includes hair, nails, and make-up. Cosmetologists today must know not only how to improve their client’s appearance, but also about the chemicals being used that affect the skin, hair and health of the client.

The doors of opportunity are more open today in this career than at any time in history. A cosmetologist, as in any other profession of artistry, is limited only by imagination and education. Cosmetologists’ shampoo, cut, style, relax, permanently wave, and color hair. Additionally, cosmetologists are trained and educated to give manicures and pedicures, as well as scalp and facial treatments.

Work ethics are an integral part of the cosmetology program at Trenholm State Community College. Courses such as Business of Cosmetology and Career and Personal Development are essential for the student to own and manage a business as well as work with the public. The goal of the Trenholm State Cosmetology program is to educate students with the knowledge needed to obtain an Alabama State Board of Cosmetology and Barbering license and to maintain and build a great means of providing for themselves and their families.

The Alabama State Board of Cosmetology and Barbering requires a written and practical examination to obtain a license to provide cosmetology services to the public in Alabama. To be eligible to apply for this license, the student must successfully complete 1,200 credit unit hours or 1,500 actual clock hours at an accredited cosmetology school. *If a student begins, but does not complete the Cosmetology program, earned hours or grades are only valid or transferrable for up to one year from the date of the last term hours were earned. If the student returns to complete the program, and they have not been enrolled for more than twelve months from the term of the last earned hours, the student must start the program from the beginning.

Note: This is a clock hour program subject to the U. S. Department of Education revised regulations regarding Pell grant disbursement, effective July 1, 2011.

*Additional information regarding Cosmetology Instructor Training: Applicants for the CIT program must submit a departmental application and complete both an oral and a practical interview and score satisfactorily on these items before being admitted to the program. You must also have a minimum of four years’ salon experience as a licensed Cosmetologist in an ABOCB registered salon. *The CIT program is an independent study program.

Occupational Choices

Licensed cosmetologists in the state of Alabama are qualified to work in hair salons, nail salons, skin care facilities, day spas, and full service salons both private and public. The number of hours required to obtain the Alabama Cosmetology license, is the same number required for several other states within the United States.

Average Full-Time Wage

The earning capacity of a cosmetologist is open-ended. One may hold varied skills or may specialize in one of two fields. In 2018, the average full-time annual wage for a cosmetologist was $24,830. However, there are many whose earnings can and do exceed this base of earnings many times over.

* Tax not included. Prices are subject to change without prior notice; cost of books may vary considerably among suppliers. Cost of general education books is in addition to the total listed above. The length of the program is based on full-time status of 12-15 credit hours per term. Enrollment in transitional level general education courses will alter the length of the program.
Additional Requirements

A student shall be at least 16 years of age and shall have an education equivalent to the completion of 10 grades in school.

General Education Requirements (6 hours)

Area I - Written Composition (3 hours)
ENG-100 Vocational Technical English I 3
ENG-101 English Composition I 3
ENG-102 English Composition II 3
ENG-130 Technical Report Writing 3

Area II - Humanities & Fine Arts (0 hours)
(Humanities and Arts disciplines include but are not limited to: Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

Note: If SPH-103, SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

Arts:
ART-100 Art Appreciation 3
MUS-101 Music Appreciation 3

Humanities:
PHEL-106 Intro to Philosophy 3
PHEL-206 Ethics & Society 3
REL-100 History of World Religions 3
REL-151 Survey of Old Testament 3
REL-152 Survey of New Testament 3
SPA-101 Intro Spanish I 3
SPA-102 Intro Spanish II 3
SPH-103 Oral Communication Skills 3
SPH-106 Fundamentals of Oral Comm 3
SPH-107 Fundamentals of Public Speaking 3

Literature:
ENG-251 American Literature I 3
ENG-252 American Literature II 3
ENG-261 English Literature I 3
ENG-262 English Literature II 3
ENG-271 World Literature I 3
ENG-272 World Literature II 3

Area III - Natural Science & Mathematics (3 hours)
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

Note: 3 semester hours in MTH must be completed.

Mathematics:
MAH-101 Introductory Mathematics I 3
MTH-100 Intermediate Algebra 3
MTH-103 Intro to Technical Mathematics 3
MTH-104 Plane Trigonometry 3
MTH-110 Finite Mathematics 3
MTH-112 Precalculus Algebra 3
MTH-116 Mathematical Applications 3

Natural Sciences:

*The CIT Program is an independent study program. Applicants for the CIT program must submit a departmental application and complete both an oral and a practical interview and score satisfactorily on these items before being admitted to the program. You must also have a minimum of four years’ salon experience as a licensed Cosmetologist in an ABOCB registered salon.*

<td>INTRODUCTION TO COSMETOLOGY</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None. (COREQUISITE: COS-112 or permission of instructor.)</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course is designed to provide students with an overview of the history and development of cosmetology and standards of professional behavior. Students receive basic information regarding principles and practices of infection control, diseases, and disorders. Additionally students receive introductory information regarding hair design. The information presented in this course is enhanced by hands-on application performed in a controlled lab environment. Upon completion, students should be able to apply safety rules and regulations and write procedures for skills identified in this course. This is a CORE course.</td>

|           | This course focuses on visual and audio aids and materials. Emphasis is placed on the use and characteristics of instructional aids. Upon completion, students should be able to prepare teaching aids and determine their most effective use. This is a CORE course for CIT. |

| *CIT-223  | AUDIO VISUAL MATERIALS AND METHODS APPLICATIONS   | 3            |
| PREREQ:   | Licensed cosmologist (4 years’ experience in ABOCB registered salon). |
|           | (COREQ: CIT-222 or permission of instructor.)    |
|           | This course is designed to provide practice in preparing and using visual and audio aids and materials. Emphasis is placed on the preparation and use of different categories of instructional aids. Upon completion, the student should be able to prepare and effectively present different types of aids for use with a four step lesson plan. |

*ALL CIT courses are taught as independent study courses. Since the program is a combination of theory/practical preparation, the CIT student is required to attend classes daily. Therefore, the CIT student is to use the time actually spent in the department from Monday thru Thursday: 1) for observation of instruction, 2) to work on assignments, and 3) to prepare for tests.
Culinary Arts / Hospitality Management

Program Information

Trenholm State Community College’s Culinary Arts program is the largest culinary arts program in the State of Alabama. The program is nationally accredited by the American Culinary Federation Foundation Accrediting Commission. Native and traditional students enrolling in the program have the option of obtaining, an Associate of Applied Science in Culinary Arts or with an emphasis in Hospitality Management.

This program has drawn students from 18 countries and 30 states. Student goals have included career training, job advancement, career retraining, opening their own business and personal satisfaction. Regardless of a student’s goal, the Culinary Arts/Hospitality Management Program is diverse and available to meet a variety of needs.

In March 2008, the American Culinary Federation Foundation Accrediting Commission (ACFFAC) honored Trenholm’s Culinary Arts program by naming it as one of twenty-two programs recognized nationwide and internationally by ACFFAC as an Exemplary Program. This award goes hand-in-hand with our vision to prepare our students for a great career in culinary arts.

Occupational Choices

The Culinary Arts/Hospitality Management Program prepares graduates for virtually unlimited career opportunities that include executive chef, culinary instructors/administrators, food and restaurant critic, food and beverage director, equipment chef, banquet manager/chef, sous chef, research chef, and food sales person. Culinary Arts/Food Service is one of the fastest growing industries in the United States. The U.S. Bureau of Labor Statistics reports Employment of food preparation and serving related occupations is projected to grow 7 percent from 2014 to 2024, about as fast as the average for all occupations, from about 12.5 million jobs to about 13.3 million jobs. Population growth will increase demand for food preparation and serving related occupations as more people are expected to dine out in the future.

Average Full-Time Wage

Employment of chefs and head cooks are projected to grow 10 percent from 2016 to 2026, faster than the average for all occupations. The median annual wage for chefs and head cooks was $48,460 in May 2018. In May 2018, the median annual wages for chefs and head cooks in the top industries in which they worked were:

- Traveler accommodation $56,750
- Amusement, gambling, & recreation industries $53,720
- Special food services $52,810
- Restaurants and other eating places $45,070

Awards Available

- Associate of Applied Science Culinary Arts
- Associate of Applied Science Culinary Arts Hospitality Management Concentration

* Tax not included. Prices are subject to change without prior notice; cost of books may vary considerably among suppliers. Cost of general education books is in addition to the total listed above. The length of the program is based on full-time status of 12-15 credit hours per term. Enrollment in transitional level general education courses will alter the length of the program.
Associate of Applied Science  
Culinary Arts

General Education Requirements (16 hours)

Area I - Written Composition (3 hours)
ENGL-101 English Composition I  
ENGL-102 English Composition II  
ENGL-130 Technical Report Writing

Area II - Humanities & Fine Arts (3 hours)
(Humanities and Arts disciplines include but are not limited to: Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

Note: If SPH106, SPH107, SPA101 or SPA102 has been taken, an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

Arts:
ART100 Art Appreciation  
MUS101 Music Appreciation

Humanities:
PHIL106 Intro to Philosophy  
PHIL206 Ethics & Society  
REL100 History of World Religions  
REL151 Survey of Old Testament  
REL152 Survey of New Testament  
SPAN101 Intro Spanish I  
SPAN102 Intro Spanish II  
SPAN106 Fundamentals of Oral Communication  
SPAN107 Fundamentals of Public Speaking

Literature:
ENGL251 American Literature I  
ENGL252 American Literature II  
ENGL261 English Literature I  
ENGL262 English Literature II  
ENGL271 World Literature I  
ENGL272 World Literature II

Area III - Natural Science & Mathematics (6-7 hours)
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

Note: 3 semester hours in MTH must be completed. Additional hours can be taken in the Natural Science area.

Mathematics:
MTH100 Intermediate Algebra  
MTH103 Intro to Technical Mathematics  
MTH104 Plane Trigonometry  
MTH110 Finite Mathematics  
MTH112 Precalculus Algebra  
MTH116 Mathematical Applications

Natural Sciences:
BIO101 Introduction to Biology I  
BIO102 Introduction to Biology II  
BIO103 Principles of Biology I  
BIO104 Principles of Biology II  
PHYS111 Physical Science I  
PHYS112 Physical Science II  
PHY120 Introduction to Physics

Area IV - History, Social & Behavioral Sciences (3 hours):
(Social and Behavioral Sciences include, but are not limited to: Anthropology, Economics, Geography, Political Science, Psychology, and Sociology.)

Note: Must complete 3 semester hours.

History:
HIST101 Western Civilization I  
HIST102 Western Civilization II  
HIST121 World History I  
HIST122 World History II  
HIST201 United States History I  
HIST202 United States History II

Social and Behavioral Sciences:
PSY100 General Psychology  
PSY200 Human Growth and Development  
SOC100 Introduction to Sociology  
POL100 Introduction to Political Science  
POL211 American National Government

Area V: Pre-Professional/College Requirements:
(Courses appropriate to the degree requirements and major of the individual student and electives.)

College Requirements:
ORI101 Orientation to College  
CUA101 Orient to the Hospitality Profession  
CUA102 Catering  
CUA110 Basic Food Preparation  
CUA111 Foundations in Nutrition  
CUA112 Sanitation, Safety and Food Service  
CUA113 Table Service  
CUA115 Advanced Food Preparation  
CUA120 Basic Food Preparation Lab  
CUA122 Fundamentals of Quantity Cooking  
CUA173 Culinary Art Apprenticeship  
CUA201 Meat Preparation and Processing  
CUA204 Foundations of Baking  
CUA206 Advanced Garde Manger  
CUA208 Advanced Baking

Concentration

General Education Requirements (16 hours)

Area I - Written Composition (3 hours)
ENG-101 English Composition I 3
ENG-102 English Composition II 3
ENG-130 Technical Report Writing 3

Area II - Humanities & Fine Arts (3 hours)
(Humanities and Arts disciplines include but are not limited to: Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

Note: If SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

Arts:
ART-100 Art Appreciation 3
MUS-101 Music Appreciation 3

Humanities:
PHL-106 Intro to Philosophy 3
PHL-206 Ethics & Society 3
REL-100 History of World Religions 3
REL-151 Survey of Old Testament 3
REL-152 Survey of New Testament 3
SPA-101 Intro Spanish I 3
SPA-102 Intro Spanish II 3
SPH-106 Fundamentals of Oral Comm 3
SPH-107 Fundamentals of Public Speaking 3

Literature:
ENG-251 American Literature I 3
ENG-252 American Literature II 3
ENG-261 English Literature I 3
ENG-262 English Literature II 3
ENG-271 World Literature I 3
ENG-272 World Literature II 3

Area III - Natural Science & Mathematics (6-7 hours)
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

Note: 3 semester hours in MTH must be completed. Additional hours can be taken in the Natural Science area.

Mathematics:
MTH-100 Intermediate Algebra 3
MTH-103 Intro to Technical Mathematics 3
MTH-104 Plane Trigonometry 3
MTH-110 Finite Mathematics 3
MTH-112 Pre calculus Algebra 3
MTH-116 Mathematical Applications 3

Natural Sciences:
BIO-101 Introduction to Biology I 4
BIO-102 Introduction to Biology II 4
BIO-103 Principles of Biology I 4
BIO-104 Principles of Biology II 4
PHS-111 Physical Science I 4
PHS-112 Physical Science II 4
PHY-120 Introduction to Physics 4

Area IV - History, Social & Behavioral Sciences (3 hours):
(Social and Behavioral Sciences include, but are not limited to: Anthropology, Economics, Geography, Political Science, Psychology, and Sociology.)

Note: Must complete 3 semester hours.

History:
HIS-101 Western Civilization I 3
HIS-102 Western Civilization II 3
HIS-121 World History I 3
HIS-122 World History II 3
HIS-201 United States History I 3
HIS-202 United States History II 3

Social and Behavioral Sciences:
PSY-200 General Psychology 3
PSY-210 Human Growth and Development 3
SOC-200 Introduction to Sociology 3
POL-200 Introduction to Political Science 3
POL-211 American National Government 3

Area V: Pre-Professional/College Requirements:
(Courses appropriate to the degree requirements and major of the individual student and electives.)

College Requirements:
ORI-101 Orientation to College 1
CUA-101 Orient to the Hospitality Profession 3
CUA-102 Catering 3
CUA-110 Basic Food Preparation 3
CUA-111 Foundations in Nutrition 3
CUA-112 Sanitation, Safety and Food Service 2
CUA-113 Table Service 2
CUA-115 Advanced Food Preparation 3
CUA-120 Basic Food Preparation Lab 2
CUA-122 Fundamentals of Quantity Cooking 3
CUA-201 Meat Preparation and Processing 3
CUA-204 Foundations of Baking 3
CUA-206 Advanced Garde Manager 2
CUA-208 Advanced Baking 3
CUA-210 Beverage Management 2
CUA-241 Basic Culinary Lab II 2
CUA-251 Menu Design 3
HSM-112 Law and the Hospitality Industry 3
HSM-123 Hospitality Field Experience I 3
HSM-181 Special Topics in Hospitality Mgmt 3
HSM-250 Hospitality Marketing 3
HSM-281 Special Topics in Hospitality Mgmt 3

<tr>
<td>CUA-101</td>
<td>ORIENTATION TO THE HOSPITALITY PROFESSION</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course introduces various facets and opportunities within the hospitality profession. The intent is for students to gain a broad base of information relative to the hospitality industry. Emphasis is placed on having students comprehend their role as a hospitality industry professional. Topics include an overview of the hospitality profession, knowledge and skills necessary for successful employment, the impact of the hospitality profession on society, issues that impact on various segments of the hospitality profession, and emerging trends. This is a CORE course.</td>
<td></td>
</tr>
<tr>
<td>CUA-102</td>
<td>CATERING</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course includes the theory and practice of operating a catering business. Topics include food production and management related to catering and other special services. Upon completion, the student will have a working knowledge of the principles involved in operating a catering business.</td>
<td></td>
</tr>
<tr>
<td>CUA-110</td>

<td>3</td>
</tr>
<tr>
<td></td>
<td>COREQUISITE: CUA-120</td>
<td></td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course introduces the fundamental concepts, skills, and techniques involved in basic cookery. Topics include scientific principles of food preparation and the relationship of food composition and structure to food preparation. Students will develop competencies in food preparation as it relates to the food service industry. This is a CORE course.</td>
<td></td>
</tr>
<tr>
<td>CUA-111</td>
<td>FOUNDATIONS IN NUTRITION</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course focuses on nutrition and meal planning in relation to the food preparation industry. Topics include the science of food and nutrition, essential nutrients and their relation to the growth, maintenance and functioning of the body, nutritional requirements of different age levels and economic and cultural influences on food selection. Upon completion of this course, students will be able to apply the basic principles of meal planning. This is a CORE course.</td>

Program Information

Graphic Design is a vital component of the communications people receive each day. Personal, professional, business, and industry transactions could not exist without visual images. Today, graphic design has become a “high-tech” field and the technical skills and knowledge base necessary to produce visually rich products has grown astronomically. Graphic designers create visual concepts, by hand and use computer software, to communicate ideas that inspire, inform, or captivate consumers. They help to make an organization recognizable by selecting color, images, or logo designs that represent a particular idea or identity to be used in advertising and promotions.

In the Graphic Design program at Trenholm State Community College, students receive instruction in graphic design, illustration, 3D design, print design, web design, photography, video and new media, graphic image generation, and various other areas of study to stay abreast of the rapidly advancing technology in the Graphic Design industry. With dedication and commitment to this program, a student will be able to achieve a degree of skill enabling him or her to graduate and obtain employment in the Graphic Design industry.

Occupational Choices

Employment of graphic designers is projected to grow 4 percent from 2016 to 2026, slower than the average for all occupations. The work of graphic designers will continue to be important in marketing products throughout the economy.

The projected change in employment of graphic designers from 2016 to 2026 varies by industry. For example, employment of graphic designers in newspaper, periodical, book, and directory publishers is projected to decline 22 percent from 2016 to 2026. However, employment of graphic designers in computer systems design and related services is projected to grow 20 percent over the same period. Major employment areas are Graphic Designer, Web Designer, Desktop Publishers, Art Director, Illustrator, Photographer, Package Designer, Layout Artist, Computer Artist, Multimedia Artist and Animators.

Average Full-Time Wage

The median annual wage for graphic designers was $50,370 in May 2018. The median wage is the wage at which half the workers in an occupation earned more than that amount and half earned less. The lowest 10 percent earned less than $29,610, and the highest 10 percent earned more than $85,760.

The length of the program is based on full-time status of 12-15 credit hours per term. Enrollment in transitional level general education courses will alter the length of the program.
## Associate of Applied Science
### Graphic Design

### General Education Requirements (18 hours)

**Area I - Written Composition (6 hours)**
- ENG-101 English Composition I 3
- ENG-102 English Composition II 3
- ENG-130 Technical Report Writing 3

**Area II - Humanities & Fine Arts (3 hours)**
(Humanities and Arts disciplines include but are not limited to: Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

Note: If SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

### Arts:
- ART-100 Art Appreciation 3
- MUS-101 Music Appreciation 3

### Humanities:
- PHL-106 Intro to Philosophy 3
- PHL-206 Ethics & Society 3
- REL-100 History of World Religions 3
- REL-151 Survey of Old Testament 3
- REL-152 Survey of New Testament 3
- SPA-101 Intro Spanish I 3
- SPA-102 Intro Spanish II 3
- SPH-106 Fundamentals of Oral Comm 3
- SPH-107 Fundamentals of Public Speaking 3

### Literature:
- ENG-251 American Literature I 3
- ENG-252 American Literature II 3
- ENG-261 English Literature I 3
- ENG-262 English Literature II 3
- ENG-271 World Literature I 3
- ENG-272 World Literature II 3

**Area III - Natural Science & Mathematics (6 hours)**
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

Note: 3 semester hours in MTH must be completed. Additional hours can be taken in the Natural Science area.

### Mathematics:
- MTH-100 Intermediate Algebra 3
- MTH-103 Intro to Technical Mathematics 3
- MTH-104 Plane Trigonometry 3
- MTH-110 Finite Mathematics 3
- MTH-112 Pre-calculus Algebra 3
- MTH-116 Mathematical Applications 3

### Natural Sciences:
- BIO-101 Introduction to Biology I 4
- BIO-102 Introduction to Biology II 4
- BIO-103 Principles of Biology I 4
- BIO-104 Principles of Biology II 4
- PHS-111 Physical Science I 4
- PHS-112 Physical Science II 4
- PHY-120 Introduction to Physics 4

### Area IV - History, Social & Behavioral Sciences (3 hours):
(Social and Behavioral Sciences include, but are not limited to: Anthropology, Economics, Geography, Political Science, Psychology, and Sociology.)

Note: Must complete 3 semester hours.

### History:
- HIS-101 Western Civilization I 3
- HIS-102 Western Civilization II 3
- HIS-121 World History I 3
- HIS-122 World History II 3
- HIS-201 United States History I 3
- HIS-202 United States History II 3

### Social and Behavioral Sciences:
- PSY-200 General Psychology 3
- PSY-210 Human Growth and Development 3
- SOC-200 Introduction to Sociology 3
- POL-200 Introduction to Political Science 3
- POL-211 American National Government 3

**Area V: Pre-Professional/College Requirements:**
(Courses appropriate to the degree requirements and major of the individual student and electives.)

### College Requirements:
- ORI-101 Orientation to College 1
- GRD-101 Introduction to Graphics 3
- GRD-112 Layout and Design 3
- GRD-114 Illustration Graphics 3
- GRD-116 Photoshop 3
- GRD-118 Graphics Design Techniques 3
- GRD-150 Web Design 3
- GRD-190 Portfolio Preparation 3
- GRD-212 Publication Design 3
- GRD-214 Illustration Design Techniques 3
- GRD-216 Photoshop Techniques 3
- GRD-290 Portfolio Presentation 3
- Electives 24

### Electives:
- GRD-121 Digital Photography Foundation 3
- GRD-137 3-D Fundamentals 3
- GRD-143 Digital Video Foundation 3
- GRD-160 Production Procedures 3
- GRD-164 Illustration Design 3
- GRD-170 Production Processes 3
- GRD-171 Digital Photography Techniques 3
- GRD-175 Web Graphics 3
- GRD-183 Digital Video Production 3
- GRD-187 3-D Animation 3
- GRD-219 Photoshop Imaging 3
- GRD-221 Conceptual Digital Photography 3
- GRD-225 Publication Studio 3
- GRD-230 Basic Multimedia Presentation 3
- GRD-235 Advanced Multimedia Production 3
- GRD-237 3-D Graphics and Animation 3
- GRD-240 Graphic Software Exploration 3
- GRD-243 Digital Video Effects 3
- GRD-250 Web Media 3
- GRD-261 Design Studio I 3
- GRD-262 Design Studio II 3

Certificate
Graphic Design

General Education Requirements (6 hours)

**Area I - Written Composition (3 hours)**
- ENG-101 English Composition I 3
- ENG-102 English Composition II 3
- ENG-130 Technical Report Writing 3

**Area II - Humanities & Fine Arts (0 hours)**
(Humanities and Arts disciplines include but are not limited to: Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

**Note:** If SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

**Arts:**
- ART-100  Art Appreciation 3
- MUS-101  Music Appreciation 3

**Humanities:**
- PHL-106 Intro to Philosophy 3
- PHL-206 Ethics & Society 3
- REL-100 History of World Religions 3
- REL-151 Survey of Old Testament 3
- REL-152 Survey of New Testament 3
- SPA-101 Intro Spanish I 3
- SPA-102 Intro Spanish II 3
- SPH-106 Fundamentals of Oral Comm 3
- SPH-107 Fundamentals of Public Speaking 3

**Literature:**
- ENG-251 American Literature I 3
- ENG-252 American Literature II 3
- ENG-261 English Literature I 3
- ENG-262 English Literature II 3
- ENG-271 World Literature I 3
- ENG-272 World Literature II 3

**Area III - Natural Science & Mathematics (3 hours)**
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

**Note:** 3 semester hours in MTH must be completed. Additional hours can be taken in the Natural Science area.

**Mathematics:**
- MTH-100 Intermediate Algebra 3
- MTH-103 Intro to Technical Mathematics 3
- MTH-104 Plane Trigonometry 3
- MTH-110 Finite Mathematics 3
- MTH-112 Precalculus Algebra 3
- MTH-116 Mathematical Applications 3

**Natural Sciences:**
- BIO-101 Introduction to Biology I 4
- BIO-102 Introduction to Biology II 4
- BIO-103 Principles of Biology I 4
- BIO-104 Principles of Biology II 4
- BIO-202 Human Anatomy & Physiology II 4
- PHS-111 Physical Science I 4
- PHS-112 Physical Science II 4
- PHY-120 Introduction to Physics 4
Area IV - History, Social & Behavioral Sciences
(0 hours):
(Social and Behavioral Sciences include, but are not limited to: Anthropology, Economics, Geography, Political Science, Psychology, and Sociology.)

History:
HIS-101 Western Civilization I 3
HIS-102 Western Civilization II 3
HIS-121 World History I 3
HIS-122 World History II 3
HIS-201 United States History I 3
HIS-202 United States History II 3

Social and Behavioral Sciences:
PSY-200 General Psychology 3
PSY-210 Human Growth and Development 3
SOC-200 Introduction to Sociology 3
POL-200 Introduction to Political Science 3
POL-211 American National Government 3

Area V: Pre-Professional/College Requirements:
(Courses appropriate to the degree requirements and major of the individual student and electives.)

College Requirements:
ORI-101 Orientation to College 1
GRD-101 Introduction to Graphics 3
GRD-114 Illustration Graphics 3
GRD-116 Photoshop 3
GRD-190 Portfolio Preparation 3
Total Credit Hours: 13

Short Term Certificate
Graphic Design
Design Concentration

Area V: Pre-Professional/College Requirements:
(Courses appropriate to the degree requirements and major of the individual student and electives.)

College Requirements:
ORI-101 Orientation to College 1
GRD-101 Introduction to Graphics 3
GRD-114 Illustration Graphics 3
GRD-116 Photoshop 3
GRD-190 Portfolio Preparation 3
GRD-212 Publication Design 3
Elective 3
Total Credit Hours: 13

Area V Credit Hours: 31
Total Credit Hours: 37

Short Term Certificate
Graphic Design
Visual Design Concentration

Area V: Pre-Professional/College Requirements:
(Courses appropriate to the degree requirements and major of the individual student and electives.)

College Requirements:
ORI-101 Orientation to College 1
GRD-150 Web Design 3
GRD-190 Portfolio Preparation 3
GRD-212 Publication Design 3
Elective 3
Total Credit Hours: 13

Area V Credit Hours: 31
Total Credit Hours: 37

Short Term Certificate
Graphic Design
Layout Concentration

Area V: Pre-Professional/College Requirements:
(Courses appropriate to the degree requirements and major of the individual student and electives.)

College Requirements:
ORI-101 Orientation to College 1
GRD-112 Layout and Design 3
GRD-118 Graphics Design Techniques 3
GRD-214 Illustration Design Techniques 3
GRD-216 Photoshop Techniques 3
Total Credit Hours: 13

Area V Credit Hours: 31
Total Credit Hours: 37

| GRD-112   | LAYOUT AND DESIGN                    | 3            |
| PREREQUISITE: None |                        |              |
| This course introduces students to layout and design principles using current software. Topics include importing, combining and manipulating text, graphic elements, and images for composite layout. Upon completion, students should be able to design and layout various projects at a professional level for production. This a CORE course. |

| GRD-114   | ILLUSTRATION GRAPHICS                | 3            |
| PREREQUISITE: None |                        |              |
| This course covers the use of vector based software for preparing illustrations for output using form, balance, repetition, proportion, and color theory. Emphasis is placed on creating clip art, logos, and illustrations to be reproduced in print and electronic media. Upon completion, students should be able to successfully prepare scalable artwork for production. This is a CORE course. |

| GRD-116   | PHOTOSHOP                            | 3            |
| PREREQUISITE: None |                        |              |
| This course introduces students to digital imaging software. Emphasis is placed on painting and editing, creating special effects, basic image corrections, photo retouching, preparing images for web publications and creating color separations. Upon completion, students should be able to identify the different tools, work with multiple layer images, retouch a photograph, create special effects and prepare an image for a web publication. This is a CORE course. |

| GRD-118   | GRAPHIC DESIGN TECHNIQUES            | 3            |
| PREREQUISITE: None |                        |              |
| This course introduces the different creative processes involved to produce professional graphic designs. Emphasis is placed on the student developing a standard of design quality to be used throughout the graphic design program and professional life. |

| GRD-121   | DIGITAL PHOTOGRAPHY FOUNDATION       | 3            |
| PREREQUISITE: None |                        |              |
| This course introduces the creative process of digital photography. Emphasis is placed on the components, accessories, and maintenance of a digital camera. Upon completion a student will comprehend how to compose and shoot a picture using a digital camera. |

| GRD-137   | 3-D FUNDAMENTALS                     | 3            |
| PREREQUISITE: None |                        |              |
| This course introduces students to fundamental concepts, principles, and practices of 3D digital modeling and 3D modeling and rendering software. Students are given instruction in 3D modeling techniques including: production of geometric and organic surfaces and forms using NURBS (Non-uniform rational B-spline), polygon construction and sub-divisional surfaces. |

| GRD-143   | DIGITAL VIDEO FOUNDATION             | 3            |
| PREREQUISITE: None |                        |              |
| This course introduces students to the basic knowledge and development of digital video and audio. Students are introduced to creating digital video productions and editing techniques. Emphasis is placed on aesthetics and techniques of digital video and audio recording and non-linear editing. |

<p>| GRD-150   | WEB DESIGN                           | 3            |
| PREREQUISITE: None |                        |              |
| This course focuses on the necessary technical tools and design principles used for creating and posting web sites. Emphasis is placed on software and the creation and maintenance of a web site. Upon completion, students should be able to design, implement and maintain a web site. |</p>

<tr>
<td></td>
<td>This course further enhances the student’s experience with digital imaging software. Emphasis is placed on the development of intermediate level skills in the use of Photoshop for the purpose of creating and manipulating imagery that communicates an idea or concept.</td>
<td></td>
</tr>
<tr>
<td>GRD-219</td>
<td>PHOTOSHOP IMAGING</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course draws from the student’s previous experiences to enhance their use of digital imaging software. Emphasis is placed on the development of advanced level skills in the use of Photoshop for the purpose of creating and manipulating imagery that communicates an idea or concept.</td>
<td></td>
</tr>
<tr>
<td>GRD-221</td>
<td>CONCEPTUAL DIGITAL PHOTOGRAPHY</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course allows the student to create powerful images through different utilizations of light, perspective, and composition. Advanced camera functions, software and final image output are explored. Emphasis is placed on improving the students' photographic skills by encouraging discovery of personal style.</td>
<td></td>
</tr>
<tr>
<td>GRD-225</td>
<td>PUBLICATION STUDIO</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course allows the student to draw from his/her creative talent and previous course work to design and prepare complex publications for printing. Emphasis is placed on the student’s ability to use creative problem solving techniques to manage a project from concept to completion.</td>
<td></td>
</tr>
<tr>
<td>GRD-230</td>
<td>BASIC MULTIMEDIA PRESENTATION</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course covers basic desktop electronic imaging technology and multimedia presentation development and production. Emphasis is placed on preparation and production of multimedia presentations with a variety of computer hardware and software. Upon completion, students should be able to produce multimedia presentations.</td>
<td></td>
</tr>
<tr>

<tr>
<td></td>
<td>Building on previously learned skills this course is a series of project-based lessons designed to guide students through the process of creating and generating an animation. Emphasis is placed on animation, texture map, adding visual effects and rendering techniques using lighting, camera, and color manipulation within a current 3D Modeling and Animation software.</td>
<td></td>
</tr>
<tr>
<td>GRD-240</td>
<td>GRAPHIC SOFTWARE EXPLORATION</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course allows students to explore various graphic software applications that are not offered in a traditional classroom setting. Emphasis is placed on typography, 3-D graphics, and photo imaging. Upon completion, students should be able to apply the knowledge learned to enhance existing skills.</td>
<td></td>
</tr>
<tr>
<td>GRD-243</td>
<td>DIGITAL VIDEO EFFECTS</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course focuses on the creation of 2D visual effects in digital video productions. Emphasis is placed on keyframe, chroma key screen, composition, and proper rendering techniques. Students will conceptualize and create an original scene for a movie, TV, or video game.</td>
<td></td>
</tr>
<tr>
<td>GRD-250</td>
<td>WEB MEDIA</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course focuses on creating original graphics for the web. Students will design web based media, animation, and navigation for the purpose of human interface design. Emphasis is placed on techniques and technologies for designing web media in which interactivity is the focus.</td>

</tr>
<tr>
<td>GRD-264</td>
<td>ILLUSTRATION DESIGN STUDIO</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course is designed to allow the student to draw on their previous illustrative work to communicate. Classes are designed around a series of problems and illustration experiences for which there are no pre-established solutions. Emphasis is placed on the student’s illustrative ability to create a visual image that communicates an idea or concept.</td>
<td></td>
</tr>
<tr>
<td>GRD-265</td>
<td>PACKAGE DESIGN STUDIO</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course is designed to allow the student to draw on their previous course work to produce a prototype package design. Classes are designed to allow students to explore the form and function of 3-D packaging. Emphasis is placed on designing and constructing containers and/or displays for various products.</td>
<td></td>
</tr>
<tr>
<td>GRD-271</td>
<td>DIGITAL PHOTOGRAPHY STUDIO</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course allows the student to develop photographic skills in professional, editorial and studio photography. The use of advanced digital photography techniques and processes will be expected, including studio photography with portrait figure, still life, and architectural form, as well as black-and-white, and color formats.</td>
<td></td>
</tr>
<tr>
<td>GRD-275</td>
<td>WEB DESIGN STUDIO</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: None</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course allows the student to design and produce a project suitable for use on the web. Emphasis is placed on creating an original concept in which the successful design and implementation of a web site is achieved. It must serve as an effective communication tool using current technologies and user interaction. Students will design and implement effective web sites that can be included in their portfolios.</td>
<td></td>
</tr>

Program Information

The Dental Assisting program is designed to prepare the student for a career in the dental assisting field of dentistry. A person trained in this field provides chairside assistance to the dentist, performs work in a dental laboratory, and performs certain functions in the dental office such as making appointments, billing patients and keeping records.

The program is accredited by the Commission on Dental Accreditation of the American Dental Association and is approved by the Board of Dental Examiners of Alabama. The Certifying Board of the American Dental Association gives special recognition to those who have achieved a high degree of competence and ability in the dental assisting field. Trenholm State Community College is also accredited by the Southern Association of Colleges and all credits are transferrable to a four year college institutions.

Occupational Choices

Employment of dental assistants is projected to grow 19 percent from 2016 to 2026, much faster than the average for all occupations. Ongoing research linking oral health and general health will continue to increase the demand for preventive dental services. Dentists will continue to hire dental assistants to complete routine tasks, allowing the dentist to work more efficiently. As dental practices grow, more dental assistants will be needed.

As the large baby-boom population ages, and as people keep more of their original teeth than did previous generations, the need to maintain and treat teeth will continue to increase the need for dental care.

Average Full-Time Wage

The median annual wage for dental assistants was $38,660 in May 2018. The median wage is the wage at which half the workers in an occupation earned more than that amount and half earned less. The lowest 10 percent earned less than $26,940, and the highest 10 percent earned more than $54,800.

Associate of Applied Science
Dental Assisting

General Education Requirements (18-19 hours)

Area I - Written Composition (6 hours)
ENG-101 English Composition I 3
ENG-102 English Composition II 3
ENG-130 Technical Report Writing 3

Area II - Humanities & Fine Arts (3 hours)
(Humanities and Arts disciplines include but are not limited to: Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

Note: If SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

Arts:
ART-100 Art Appreciation 3
MUS-101 Music Appreciation 3

Humanities:
PHL-106 Intro to Philosophy 3
PHL-206 Ethics & Society 3
REL-100 History of World Religions 3
REL-151 Survey of Old Testament 3
REL-152 Survey of New Testament 3
SPA-101 Intro Spanish I 3
SPA-102 Intro Spanish II 3
SPH-106 Fundamentals of Oral Comm 3
SPH-107 Fundamentals of Public Speaking 3

Literature:
ENG-251 American Literature I 3
ENG-252 American Literature II 3
ENG-261 English Literature I 3
ENG-262 English Literature II 3
ENG-271 World Literature I 3
ENG-272 World Literature II 3

Area III - Natural Science & Mathematics (6-7 hours)
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

Note: 3 semester hours in MTH must be completed. Additional hours can be taken in the Natural Science area.

Mathematics:
MTH-100 Intermediate Algebra 3
MTH-103 Intro to Technical Mathematics 3
MTH-104 Plane Trigonometry 3
MTH-110 Finite Mathematics 3
MTH-112 Precalculus Algebra 3
MTH-116 Mathematical Applications 3

Natural Sciences:
BIO-101 Introduction to Biology I 4
BIO-102 Introduction to Biology II 4
BIO-103 Principles of Biology I 4
BIO-104 Principles of Biology II 4

BIO-202 Human Anatomy & Physiology II 4
PHS-111 Physical Science I 4
PHS-112 Physical Science II 4
PHY-120 Introduction to Physics 4

Area IV - History, Social & Behavioral Sciences (3 hours):
(Social and Behavioral Sciences include, but are not limited to: Anthropology, Economics, Geography, Political Science, Psychology, and Sociology.)

Note: Must complete 3 semester hours.

History:
HIS-101 Western Civilization I 3
HIS-102 Western Civilization II 3
HIS-121 World History I 3
HIS-122 World History II 3
HIS-201 United States History I 3
HIS-202 United States History II 3

Social and Behavioral Sciences:
PSY-200 General Psychology 3
PSY-210 Human Growth and Development 3
SOC-200 Introduction to Sociology 3
POLS-200 Introduction to Political Science 3
POLS-211 American National Government 3

Area V: Pre-Professional/College Requirements:
(Courses appropriate to the degree requirements and major of the individual student and electives.)

College Requirements:
ORI-101 Orientation to College 1
CIS-149 Introduction to Computers 3
OR CIS-146 Microcomputer Apps 3

<tr>
<td></td>
<td>This course is designed to provide study of specific areas of dentistry as chosen by the student and faculty member. Emphasis will be placed on the research and critique of a specific dental topic. Upon completion, students should be able to deliver a written and oral presentation on the chosen topic. This course is offered at least one term every year.</td>
<td></td>
</tr>
<tr>
<td>DAT-205</td>
<td>DENTAL FIELD PRACTICE</td>
<td>1</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: Permission of Instructor</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course is designed to provide the student with the opportunity to deliver dental services within an under-served population. Emphasis is placed on providing basic dental care to impoverished populations. Upon completion, the student should be able to discuss the development and implementation of dental field work. This course is offered in the summer each year.</td>
<td></td>
</tr>
<tr>
<td>DAT-298</td>
<td>SPECIAL TOPICS IN DENTISTRY</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: Permission of Instructor</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course is designed to address special topics in dentistry according to the criteria approved for continuing education by the Code of Alabama. Emphasis is placed on chairside dental assisting. Infection Control/OSHA, treatment of special needs/medically compromised patients, oral pathology basic sciences, dental materials, medical emergencies, and ethics and jurisprudence. Upon completion, the student should be able to discuss the special topic addressed in the symposium as it relates to dentistry. This course is offered at least one term every year.</td>
<td></td>
</tr>

</table>
Program Information

A career in Emergency Medical Services is one that is certain to be rewarding and exciting. The satisfaction in the knowledge that you saved a life or made a difference in the outcome of a patient has no equal. The gratification felt while performing in an emergency situation is difficult to duplicate in any other type of career.

The Emergency Medical Services program at Trenholm State prepares students to become licensed Emergency Medical Technicians, Advanced Emergency Medical Technicians and Paramedics. Students are trained to deliver the pre-hospital care and transportation necessary for victims of accidents and persons experiencing medical emergencies. Students are provided instruction in the classroom, laboratory, and clinical settings.

Occupational Choices

A licensed Emergency Medical Services Provider may expect employment in a variety of both pre-hospital and other healthcare settings. Jobs are expected to grow by 15 percent from 2016 to 2026, much faster than the average for all occupations. U.S. Department of Labor Bureau of Labor Statistics, Occupational Outlook Handbook, 2019 Survey

Average Full-Time Wage

The median annual wage for EMTs and paramedics was $34,320 in May 2018. The median wage is the wage at which half the workers in an occupation earned more than that amount and half earned less. The lowest 10 percent earned less than $22,760, and the highest 10 percent earned more than $58,640. Source: Bureau of Labor Statistics, U.S. Department of Labor, Occupational Outlook Handbook, 2016-2026 Edition, 2018 Survey

Admission Criteria

EMT requires:

- Unconditional admission to the College.
- High school diploma or GED equivalent.
- 2.0 cumulative grade point average (GPA)
- Transcripts from high school and all post-secondary institutions attended.
- Acceptable ACCUPLACER or ACT/SAT scores. Required ACCUPLACER score: Elementary Algebra - 40 or Arithmetic - 70; Reading - 70, and Writing - 5. In lieu of ACCUPLACER, an ACT score of 20 on English and Math sections or an SAT score of 650 may be used.
- At least 18 years of age or will be 18 at time of course completion.
- Candidates must be able to meet all technical standards required of the program (see essential functions form for full details):
  - Sensory, auditory, tactile and olfactory sensory perception
  - Communication/Interpersonal Relations
  - Cognitive and critical thinking
  - Motor function
  - Professional Behavior
- Students in the Emergency Medical Services Program must meet the following requirements (completed at the student’s expense) prior to and throughout enrollment in the program:
  a) Verify absence of the use of drugs and alcohol by participation in random and scheduled drug/alcohol testing at the student’s expense.
  b) Undergo a criminal background screening.
  c) Provide proof of all vaccinations designated by the program, and if needed, obtain required vaccinations or provide documentation of immunity.
  d) Tuberculin skin test within the past 12 months and annually thereafter while enrolled
  e) Purchase liability insurance through the college.

* Tax not included. Prices are subject to change without prior notice; cost of books may vary considerably among suppliers. Cost of general education books is in addition to the total listed above. The length of the program is based on full-time status of 12-15 credit hours per term. Enrollment in transitional level general education courses will alter the length of the program. **The Associate Degree program includes the Short Term EMT and the Advanced EMT Certificate.
Undergo a student physical examination administered by a physician, nurse practitioner, or physician assistant prior to beginning clinical activities and annually while enrolled.

- Applicant must be able to read, speak and understand the English language.
- Current valid driver’s license.
- Meet all general admission requirements for the College

**Advanced EMT requires:**
- Must meet all EMT admission requirements.
- Must have a current CPR certification for health care provider.
- Must have State of Alabama EMT license.

**Paramedic level requires:**
- Completion of items listed above for EMT and AEMT level admission requirements.
- Completion of ENG-101, MTH-100 or higher with a minimum grade of “C” prior to entering the final semester of paramedic.
- A current Advanced EMT Alabama license prior to the second semester of Paramedic courses.

**Progression Requirements**

Progression through the program requires:
1. A 2.0 cumulative GPA.
2. Minimum grade of “B” in all EMS courses.
3. Fulfillment of all course prerequisites.
4. A satisfactory level of mental and physical health including maintaining current immunizations, Hepatitis B vaccinations (or signed waiver), annual TB testing, and ability to meet the Essential Functions.
5. Current malpractice insurance.
6. Current CPR certification at the Health Care Provider or Professional Rescuer level.
7. Completion of all general education courses noted in degree plan prior to testing National Registry. If general education courses are completed at another institution, the courses must be accepted by Trenholm State.
8. Completion of ENG-101, MTH-100 or higher with a minimum grade of “C” prior to entering the final semester of paramedic.
9. No more than a 12-month interruption in matriculation through the Paramedic level course sequence.

Students who do not meet progression requirements may be required to withdraw from the program and apply for readmission

**Readmission Requirements**

Students who interrupt the specified progression through the program of study must apply for readmission to the program. Readmission requires:

1. A 2.0 cumulative GPA. If a student’s GPA is less than 2.0, he/she will not be allowed to be readmitted into EMS courses. The student will need to take additional general education courses and elevate their GPA to the required level.

2. Ability to meet and comply with standards and policies in the current College Catalog and Student Handbook.

3. No more than a 12-month interruption in matriculation through the Paramedic level course sequence. Students who are currently licensed at the EMT level, will be readmitted at the AEMT level. Whereas, students who are currently licensed at the AEMT level, will be readmitted at the P-1 level.

4. Students who desire readmission to the program due to multiple failures of the NREMT exam will be required to meet with the Program Coordinator (prior to readmission) and develop a course study plan. These students will also be expected to periodically meet with the Program Coordinator and Medical Director to ensure appropriate course progression is being achieved. Typically, these students are readmitted into the program in accordance with requirements noted in number 3 above.

All students who withdraw from or are temporarily ineligible to progress through a program of study in the Allied Health Division will be readmitted under the College Catalog in effect during the year of readmission.

**Awards Available**

- Associate of Applied Science
  Emergency Medical Technician/Paramedic
  (Without Advanced EMT)

- Associate of Applied Science
  Emergency Medical Services
  Paramedic

- Certificate
  Emergency Medical Services
  Technician/Paramedic

- Certificate #2
  Emergency Medical Services
  Technician to Paramedic

- Short Term Certificate
  Emergency Medical Services
  EMT Concentration
  Advanced EMT Concentration

**Program Contact**

Ryan Moore
Program Coordinator/Instructor
334-420-4423
Location: Trenholm Campus - Bldg. E

As part of ongoing planning and evaluation, the College regularly evaluates student learning outcomes for each program.
Associate of Applied Science
Emergency Medical Technician/Paramedic
(Without Advanced EMT)

(Students must complete the EMT and Advanced EMT before advancing to Paramedic curriculum)

General Education Requirements (20 hours)

Area I - Written Composition (3 hours)
ENG-101* English Composition I 3
ENG-102 English Composition II 3
ENG-130 Technical Report Writing 3

Area II - Humanities & Fine Arts (3 hours)
(Humanities and Arts disciplines include but are not limited to: Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

Note: If SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

Arts:
ART-100 Art Appreciation 3
MUS-101 Music Appreciation 3

Humanities:
PHL-106 Intro to Philosophy 3
PHE-206 Ethics & Society 3
REL-100 History of World Religions 3
REL-151 Survey of Old Testament 3
REL-152 Survey of New Testament 3
SPA-101 Intro Spanish I 3
SPA-102 Intro Spanish II 3
SPH-106 Fundamentals of Oral Comm 3
SPH-107 Fundamentals of Public Speaking 3

Literature:
ENG-251 American Literature I 3
ENG-252 American Literature II 3
ENG-261 English Literature I 3
ENG-262 English Literature II 3
ENG-271 World Literature I 3
ENG-272 World Literature II 3

Area III - Natural Science & Mathematics (11 hours)
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

Note: 3 semester hours in MTH must be completed. Additional hours can be taken in the Natural Science area.

Mathematics:
MTH-100 Intermediate Algebra 3
MTH-103 Intro to Technical Mathematics 3
MTH-104 Plane Trigonometry 3
MTH-110 Finite Mathematics 3
MTH-112 Precalculus Algebra 3
MTH-116* Mathematical Applications 3

<td></td>
<td>The Emergency Vehicle Operator Course - Ambulance provides the student with training as contained in the current National Standard Training Curriculum (NSTC) for the Emergency Vehicle Operator Course (EVOC) Ambulance. The course provides the knowledge and skill practice necessary for individuals to learn how to safely operate all types of ambulances. Topics include introduction to the NSTC for ambulance operators; legal aspects of ambulance operation; communication and reporting; roles and responsibilities; ambulance types and operation; ambulance inspection, maintenance, and repair; navigation and route planning; basic maneuvers and normal operating situations; operations in emergency mode and unusual situations, special considerations in safety; and the run. Completion of specific student competencies, utilizing NSTC guidelines, are required for successful completion of this course. NOTE: To qualify for licensure status as an ambulance driver in the State of Alabama, students must successfully complete this course and meet additional requirements as required by the Alabama Department of Public Health.</td>

<td>This course is required to apply for certification as an Advanced Emergency Medical Technician (AEMT). This course introduces the theory and application of concepts related to the profession of the AEMT. The primary focus of the AEMT is to provide basic and limited advanced emergency medical care and transportation for critical and emergent patients who access the emergency medical system. This individual possesses the basic knowledge and skills necessary to provide patient care and transportation. Topics include: extending the knowledge of the EMT to a more complex breadth and depth, intravenous access and fluid therapy, medication administration, blind insertion airway devices, as well as the advanced assessment and management of various medical illnesses and traumatic injuries. This course is based on the NHTSA National Emergency Medical Services Education Standards. Requires licensure or eligibility for licensure at the EMT level and EMS-156 must be taken as a co-requisite.</td>

<td>This course is required to apply for certification as an Advanced Emergency Medical Technician (AEMT). This course provides students with clinical education experiences to enhance knowledge and skills learned in EMS-155. This course helps prepare students for the National Registry AEMT Exam. The student will have the opportunity to use the basic and advanced skills of the AEMT in the clinical and field settings under the direct supervision of licensed healthcare professionals. Requires licensure or eligibility for licensure at the EMT level and EMS-155 must be taken as a co-requisite.</td>

| EMS-241 | PARAMEDIC CARDIOLOGY                             | 3            |
|         | PREREQUISITE: Completion of EMT or Licensure as an EMT |
|         | COREQUISITE: BIO-202 unless EMS-189 has been taken |
|         | This course introduces the cardiovascular system, cardiovascular electrophysiology, and electrocardiographic monitoring. This course further relates pathophysiology and assessment findings to the formulation of field impressions and implementation of treatment plans for specific cardiovascular conditions. Content areas include: cardiovascular anatomy and physiology, cardiovascular electrophysiology, electrocardiographic monitoring, rhythm analysis, pre-hospital 12-lead electrocardiogram monitoring and interpretation, assessment of the cardiovascular patient, pathophysiology of cardiovascular disease and techniques of management including appropriate pharmacologic agents and electrical therapy. |

| EMS-242 | PARAMEDIC PATIENT ASSESSMENT                     | 2            |
|         | PREREQUISITE: Completion of EMT or Licensure as an EMT |
|         | This course provides the knowledge and skills needed to perform a comprehensive patient assessment, make initial management decisions, and to communicate assessment findings and patient care verbally and in writing. Content areas include: airway management, history taking, techniques of the physical examination, patient assessment, clinical decision making, communications, documentation and assessment based management. |

| EMS-244 | PARAMEDIC CLINICAL I                             | 1            |
|         | PREREQUISITE: Licensure as an EMT               |              |
|         | COREQUISITE: EMS-241, EMS-242 and EMS-257     |              |
|         | This course is directed toward the application of knowledge and skills developed in didactic and skills laboratory experiences to the clinical setting. Theory and skills are applied to a variety of patient situations in the clinical setting, with a focus on patient assessment and management, advanced airway management, electro-therapy, I.V. /I.O. initiation and medication administration. |

| EMS-245 | PARAMEDIC MEDICAL EMERGENCIES                   | 3            |
|         | PREREQUISITE: Licensure as an EMT; Completion of EMS-241, EMS-242 and EMS-257 |
|         | This course relates pathophysiology and assessment findings to the formulation of field impressions and implementation of treatment plans for specific medical conditions. Content areas include: pulmonology, neurology, gastroenterology, renal/urology, toxicology, hematology, environmental conditions, infectious and communicable diseases, abuse and assault, patients with special challenges, and acute interventions for the chronic care patient. |

| EMS-246 | PARAMEDIC TRAUMA MANAGEMENT                     | 3            |
|         | PREREQUISITE: Licensure as an EMT; Completion of EMS-241, EMS-242 and EMS-257 |
|         | This course relates pathophysiology and assessment findings to the formulation of field impressions and implementation of treatment plans for trauma patients. Content areas include the pathophysiology, assessment, and management of trauma as related to: trauma systems; mechanisms of injury; hemorrhage and shock; soft tissue injuries; burns; and head, facial, spinal, thoracic, abdominal, and musculoskeletal trauma. |

<p>| EMS-247 | PARAMEDIC SPECIAL POPULATIONS                   | 2            |
|         | PREREQUISITE: Licensure as an EMT; Completion of EMS-241, EMS-242 and EMS-257 |
|         | This course relates pathophysiology and assessment findings to the formulation of field impressions and implementation of treatment plans for specific medical conditions. Content areas include: endocrinology, allergies and anaphylaxis, behavioral/psychiatric conditions, gynecology, obstetrics, neonatology, pediatrics, and geriatrics. In the clinical setting, theory and skills are applied to a variety of medical situations across the life span of the patient, with a focus on communication with and management of cardiac, acute care, psychiatric/behavioral, obstetrical, newborn, pediatric, geriatric, and acute interventions for chronic care patients, and patients with special challenges. |</p>

Program Information

The Medical Assisting Program at H. Councill Trenholm State Community College is accredited by the Committee on Accreditation of Allied Health Education Programs (CAAHEP). The Medical Assisting Education Review Board (MAERB) is a Committee on Accreditation (CoA) of CAAHEP that makes accreditation recommendations for the status of accreditation of medical assisting programs.

The curriculum is designed to provide students with theoretical instruction as well as practical application. Various methodologies are utilized in order to meet the needs of students with diverse learning styles. Some of the clinical skills covered include taking medical histories, taking and recording vital signs, assisting with examinations and treatments, providing patient teaching and performing specialized tests such as electrocardiograms (EKGs) and diagnostic laboratory testing. Administrative skills include scheduling appointments, performing manual and computerized billing, and filing insurance claims.

All graduates of the Medical Assisting Program are academically eligible to take the American Association of Medical Assistants National Certification Examination and the American Medical Technologist Examination. Upon successful completion of this examination, the graduate will earn the title of Certified Medical Assistant or Registered Medical Assistant. The American Association of Medical Assistants stipulates that individuals found guilty of a felony or individuals who have pleaded guilty to a felony are ineligible to sit for the National Certification Exam. The certifying board may grant a waiver based upon mitigating circumstances. Applicants who have been convicted of a felony or who have pleaded guilty to a felony may be accepted to the Medical Assisting Program. However, admission to the Program does not guarantee in any way that the applicant will be eligible to sit for the American Association of Medical Assistants National Certification Exam or the American Medical Technologist Examination.

Occupational Choices

According to the U.S. Department of Labor, employment of medical assistants is expected to grow 23 percent from 2014 to 2024, much faster than the average for all occupations. As the healthcare industry expands because of technological advances in medicine and the growth and aging of the population, there will be an increased need for all healthcare workers. The increasing prevalence of certain conditions, such as obesity and diabetes, also will increase demand for healthcare services and medical assistants. Increasing use of medical assistants to allow doctors to care for more patients will further stimulate job growth. Job placement opportunities are numerous in the Montgomery area. Most employers prefer to hire individuals who have completed a formal program in Medical Assisting. Physicians' offices, laboratories, hospitals and ambulatory care centers are just a few of the current job opportunities.

Average Full-Time Wage

The median annual wage for medical assistants was $32,480 in May 2017. The median wage is the wage at which half the workers in an occupation earned more than that amount and half earned less. The lowest 10 percent earned less than $23,830, and the highest 10 percent earned more than $45,900.

Additional Requirements

Students are admitted to the Medical Assisting Program each semester. Individuals who are interested in enrolling in the program must:

1. Meet all the general admission requirements of Trenholm State.

2. Schedule an appointment prior to the beginning of the anticipated date of enrollment, with the

* Tax not included. Prices are subject to change without prior notice; cost of books may vary considerably among suppliers. Cost of general education books is in addition to the total listed above. The length of the program is based on full-time status of 12-15 credit hours per term. Enrollment in transitional level general education courses will alter the length of the program.

Trenholm State Community College - 2019-20 College Catalog/Student Handbook
program coordinator or designee, to validate a keying speed of 30 words per minute. Individuals not meeting this requirement must enroll in MAT 100 - Introduction to Document Production. Appointments will not be scheduled once the semester begins.

3. Students must submit health information and have a complete physical examination by a licensed physician, physician assistant, or nurse practitioner prior to participation in learning experiences in any clinical facility. (Required before starting MAT-229 - Medical Assisting Preceptorship)

4. Students must provide documentation of required immunizations (Hepatitis B, Tetanus, MMR, and TB) as well as provide documentation of a negative TB skin test no sooner than 3 months prior to the anticipated semester of enrollment and no later than 30 days after enrollment in the program. Students who have a positive TB skin test result must submit documentation of a negative chest x-ray within 30 days of enrollment in the program. Students must have the TB skin test repeated yearly until completion of the program. (Required before starting MAT-229 - Medical Assisting Preceptorship)

5. Students must have current CPR certification to participate in learning experiences in any clinical facility. The certification must remain valid throughout the learning experience. (Required before starting MAT-229 - Medical Assisting Preceptorship)

6. Student must have liability insurance prior to participating in learning experiences in any clinical facility. The insurance is available through the college. The cost of the liability insurance is the student’s responsibility.

7. Students are required to adhere to the program’s dress code when participating in laboratory and clinical activities on campus as well as off campus.

Associate of Applied Science
Medical Assisting

Program Prerequisite: MAT-100
(Must be able to key 30 words per minute or take MAT-100-Introduction to Medical Document Production)

General Education Requirements (15 hours)

Area I - Written Composition (6 hours)
ENG-101 English Composition I 3
ENG-102 English Composition II 3
ENG-130 Technical Report Writing 3

Area II - Humanities & Fine Arts (3 hours)
(Humanities and Arts disciplines include but are not limited to: Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

Note: If SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

Arts:
ART-100 Art Appreciation 3
MUS-101 Music Appreciation 3

Humanities:
PHL-106 Intro to Philosophy 3
PHL-206 Ethics & Society 3
REL-100 History of World Religions 3
REL-151 Survey of Old Testament 3
REL-152 Survey of New Testament 3
SPA-101 Intro Spanish I 3
SPA-102 Intro Spanish II 3
SPH-106 Fundamentals of Oral Comm 3
SPH-107 Fundamentals of Public Speaking 3

Literature:
ENG-251 American Literature I 3
ENG-252 American Literature II 3
ENG-261 English Literature I 3
ENG-262 English Literature II 3
ENG-271 World Literature I 3
ENG-272 World Literature II 3

Area III - Natural Science & Mathematics (3 hours)
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

Note: 3 semester hours in MTH must be completed. Additional hours can be taken in the Natural Science area.

Mathematics:
MTH-100 Intermediate Algebra 3
MTH-103 Intro to Technical Mathematics 3
MTH-104 Plane Trigonometry 3
MTH-110 Finite Mathematics 3
MTH-112 Precalculus Algebra 3
MTH-116 Mathematical Applications 3

Natural Sciences:
BIO-101 Introduction to Biology I 4
BIO-102 Introduction to Biology II 4
BIO-103 Principles of Biology I 4
BIO-104 Principles of Biology II 4
BIO-201 Human Anatomy & Physiology I 4
Medical Assisting

BIO-202  Human Anatomy & Physiology II  4
PHS-111  Physical Science I  4
PHS-112  Physical Science II  4
PHY-120  Introduction to Physics  4

Area IV - History, Social & Behavioral Sciences
(3 hours):
(Social and Behavioral Sciences include, but are not
limited to: Anthropology, Economics, Geography,
Political Science, Psychology, and Sociology.)

Note:  Must complete 3 semester hours.

History:
HIS-101  Western Civilization I  3
HIS-102  Western Civilization II  3
HIS-121  World History I  3
HIS-122  World History II  3
HIS-201  United States History I  3
HIS-202  United States History II  3

Social and Behavioral Sciences:
PST-200  General Psychology  3
PSY-210  Human Growth and Development  3
SOC-200  Introduction to Sociology  3
POL-200  Introduction to Political Science  3
POL-211  American National Government  3

Area V: Pre-Professional/College Requirements:
(Courses appropriate to the degree requirements and
major of the individual student and electives.)

College Requirements:
ORI-101  Orientation to College  1
CIS-146  Microcomputer Applications  3
OR CIS-149 Intro to Computers

MAT-100  Intro to Medical Document Production 3
MAT-101  Medical Terminology or BIO-120  3
MAT-102  Medical Assisting Theory I  3
MAT-103  Medical Assisting Theory II  3
MAT-111  Clinical Proc I for the Medical Asst  3
MAT-120  Medical Administrative Procedures I  3
MAT-121  Medical Administrative Procedures II  3
MAT-122  Basic Concepts - Intrprsnl Relatnshps  3
MAT-125  Lab Procedures I for the Medical Asst  3
MAT-128  Medical Law/Ethics - Medical Asst  3
MAT-215  Lab Procedures II - Medical Asst  3
MAT-239  Phlebotomy Preceptorship  3

Total Credit Hours:  22

Electives: (Please select three credit hours)
BIO-103  Principles of Biology I  4
BIO-112  Human Reproduction & Inheritance  3
BIO-211  Human Anatomy & Physical Health  4
CIS-149  Introduction to Computers  3
OR CIS-146 Microcomputer Applications
CIS-203  Intro to Information Highway  3
MAT-222  Medical Transcription I  2
MAT-227  Special Topics  1
MAT-239  Phlebotomy Preceptorship  3

Area V Credit Hours:  56
Total Credit Hours:  75

Short Term Certificate
Medical Assisting Technology

Program Prerequisite: MAT-100

| MAT-128   | MED LAW & ETHICS FOR THE MEDICAL ASSISTANT        | 3            |
| PREREQUISITE: None                               |              |
| This course provides basic information related to the legal relationship of patient and physician. Topics to be covered include creation and termination of contracts, implied and informed consent, professional liability, invasion of privacy, malpractice, tort, liability, breach of contract, and the Medical Practice Act. Upon completion, students should be able to recognize ethical and legal implications of these topics as they relate to the medical assistant. This course is offered at least one term every year. This is a CORE course. |

| MAT-200   | MANAGEMENT OF OFFICE EMERGENCIES                 | 2            |
| PREREQUISITE: MAT-102, MAT-103                   |              |
| This course is designed to instruct students in handling emergencies in the medical office. Emergencies presented will include cardiovascular emergencies, diabetic emergencies, seizures, syncope, hyperthermia and hypothermia, shock, musculo-skeletal emergencies, and poisoning. Upon completion, students should be able to recognize emergency situations and take appropriate actions. This course is offered at least one term every year. This is a CORE course. |

| MAT-211   | CLINICAL PROC II FOR THE MEDICAL ASSISTANT       | 3            |
| PREREQUISITE: MAT-101 or BIO-120, MAT-102        |              |
| This course includes instruction in vital signs and special examination procedures. Emphasis is placed on interviewing skills, appropriate triage and preparing patients for diagnostic procedures. Upon completion, students should be able to assist with special procedures. This course is offered at least one term every year. This is a CORE course. |

| MAT-215   | LAB PROCEDURES II FOR THE MEDICAL ASSISTANT      | 3            |
| PREREQUISITE: MAT-125                            |              |
| This course instructs the student in the fundamental theory and lab application for the medical office. Microbiology, urinalysis, serology, blood chemistry, and venipuncture theory as well as venipuncture collection procedures are discussed and performed. Upon completion, students should be able to perform basic lab tests/skills on course topics. This course is offered at least one term every year. This is a CORE course. |

| MAT-216   | MED PHARMACOLOGY FOR THE MED OFFICE              | 4            |
| PREREQUISITE: MAT-101 or BIO-120, MAT-102, MAT-103, MTH-116 | |
| This course teaches the commonly administered drugs used in the medical field including their classifications, actions, indications, contraindications, and side effects on the body. Correct demonstration of drug calculation, preparation, administration, and documentation are also taught. Upon completion, students should be able to demonstrate safe drug administration and recognize common medical classifications and their patient implications. This course is offered at least one term every year. This is a CORE course. |

| MAT-220   | MEDICAL OFFICE INSURANCE                         | 3            |
| PREREQUISITE: MAT-101or BIO-120, MAT-120, MAT-121 and college level computer course | | In this course emphasis is placed on insurance procedures with advanced diagnostic and procedural coding in the outpatient facility. Study will include correct completion of insurance forms and coding. Upon completion, students should be able to demonstrate proficiency in coding for reimbursements. |

| MAT-222   | MEDICAL TRANSCRIPTION I                          | 2            |
| PREREQUISITE: As required by program.            |              |
| This course introduces dictating equipment and typical medical dictation. Emphasis is placed on correct punctuation, capitalization, and spelling. Upon completion, students should be able to transcribe physician’s dictation. |

<p>| MAT-227   | SPECIAL TOPICS IN MEDICAL ASSISTING              | 1            |
| PREREQUISITE: None                               |              |
| This course includes specialized study on current topics and issues in the field of medical assisting. Emphasis is placed on personal and occupational responsibilities and developing problem-solving skills encountered in the medical office. Upon completion, students should be able to apply problem-solving skills to medical office situations. This course is offered as needed. |</p>

Program Information

The Practical Nursing program is designed to provide students with knowledge and competencies to provide safe and evidence-based nursing care for practice in varied settings within the legal scope of practice for the licensed practical nurse. Students are instructed in the provision of nursing care for clients across the lifespan. Clinical experiences are provided at area hospitals and health care agencies in adult health, maternal/child, mental health, community and other areas for experiential development for the provision of safe nursing practice.

Few careers offer the versatility, satisfaction and longevity afforded by a nursing career. Students who have satisfactorily completed the program may sit for the National Council Licensure Examination for Practical Nursing (NCLEX®-PN). The Practical Nursing program is accredited by the Accreditation Commission for Education in Nursing (ACEN) and approved by the Alabama Board of Nursing. The program has a competitive admissions process.

Occupational Choices

Average Full-Time Wage

In 2018, the median annual wages of licensed practical and licensed vocational nurses were $46,240. Consequently, the highest 10 percent earned approximately $62,160, with the lowest 10 percent earning less than $33,680. Source: Bureau of Labor Statistics, U.S. Department of Labor, Occupational Outlook Handbook, 2018-2019 Edition.

Admission Criteria

Applicants should complete and submit a Practical Nursing Program Application and request for copies of college and high school transcripts sent directly to the College’s Admission Office.

Minimum admission standards include:

1. Unconditional admission to the college. (Must complete college application)
2. Receipt of completed application for the nursing program by deadline June 1 for Fall admissions, October 1 for Spring admissions.
3. Minimum of 2.50 cumulative GPA for nursing required academic core courses and minimum 2.0 GPA at current, native institution.
4. Minimum of 2.50 high school GPA for students without prior college work (GED acceptable in lieu of high school transcript).
5. Eligibility for ENG-101 and MTH-100 as determined by college policy (minimum ACCUPLACER scores of 5 or above in writing and a score of 40-59 in elementary algebra or 70-120 in math, and a reading score of 70 or above). ACCUPLACER scores must be at or above minimum.
6. Good standing with college.
7. Meeting the essential functions or technical standards required for nursing and
8. ACT score of 18 or higher
9. Transfer students must be in good standing from transferring institution with letter from Program Director and a minimum of 2.0 Cumulative GPA with Nursing Courses no more than one year from date of application.

* Tax not included. Prices are subject to change without prior notice; cost of books may vary considerably among suppliers. Cost of general education books is in addition to the total listed above. The length of the program is based on full-time status of 12-15 credit hours per term. Enrollment in transitional level general education courses will alter the length of the program.
Students in the Practical Nursing Program must meet the following requirements which will be completed at the student’s expense prior to and throughout enrollment in the program inclusive of:

1. Alabama Community College System Essential Functions
2. Verification of physical and mental capabilities to function as a nurse in diverse settings with or without reasonable accommodations,
3. Absence of use of drugs and alcohol by participation in random and scheduled drug/alcohol testing at the student’s expense,
4. Adherence to policies of affiliated clinical agencies by submitting criminal background check and CPR certification prior to enrollment.

Admission to the Practical Nursing Program is competitive, and the number of students is limited by the number of faculty and clinical facilities available. Meeting minimal requirements does not guarantee acceptance. If the number of eligible applicants exceeds the space available to new enrollees, applicants are rank-ordered using a point system based on:

1. ACT score of 18 or higher
2. Points for selected college courses (i.e., ENG-101, MTH-100, BIO-201 & 202, PSY-210, SPH-106 or 107).
3. Students may be awarded up to 10 additional points as determined by college policy and procedures.

The applicant’s actual score on ACT test will be the points awarded. Applicants must go online to schedule ACT testing and pay appropriate fee.

The Practical Nursing Admissions/Selection Committee will review and calculate points for students meeting minimum admissions standards after receiving GPA calculations from the Director of Admissions and Records.

This process may take 4-6 weeks after each deadline before applicants receive notification of acceptance. Calls to the department will slow the process.

Transfer Policy

The transfer policy applies only to students desiring to transfer between Alabama Community College System institutions. It does not apply to students wishing to transfer from other institutions. Questions regarding this policy should be directed to the nursing program director.

## Practical Nursing

### General Education Requirements (9 hours)

#### Area I - Written Composition (3 hours)
- ENG-101* English Composition I  3
- ENG-102 English Composition II  3
- ENG-130 Technical Report Writing  3

#### Area II - Humanities & Fine Arts (3 hours)
(Humanities and Arts disciplines include but are not limited to: Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

**Note:** If SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

- Arts:
  - ART-100 Art Appreciation  3
  - MUS-101 Music Appreciation  3

- **Humanities:**
  - PHL-106 Intro to Philosophy  3
  - PHL-206 Ethics & Society  3
  - REL-100 History of World Religions  3
  - REL-151 Survey of Old Testament  3
  - REL-152 Survey of New Testament  3
  - SPA-101 Intro Spanish I  3
  - SPA-102 Intro Spanish II  3
  - SPH-106* Fundamentals of Oral Comm  3
  - SPH-107 Fundamentals of Public Speaking  3

- **Literature:**
  - ENG-251 American Literature I  3
  - ENG-252 American Literature II  3
  - ENG-261 English Literature I  3
  - ENG-262 English Literature II  3
  - ENG-271 World Literature I  3
  - ENG-272 World Literature II  3

#### Area III - Natural Science & Mathematics (3 hours)
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

**Note:** 3 semester hours in MTH must be completed. Additional hours can be taken in the Natural Science area.

- **Mathematics:**
  - MTH-100* Intermediate Algebra  3
  - MTH-103 Intro to Technical Mathematics  3
  - MTH-104 Plane Trigonometry  3
  - MTH-110 Finite Mathematics  3
  - MTH-112 Precalculus Algebra  3
  - MTH-116 Mathematical Applications  3

- **Natural Sciences:**
  - BIO-101 Introduction to Biology I  4
  - BIO-102 Introduction to Biology II  4
  - BIO-103 Principles of Biology I  4
  - BIO-104 Principles of Biology II  4
  - BIO-201* Human Anatomy & Physiology I  4
  - BIO-202* Human Anatomy & Physiology II  4
  - PHS-111 Physical Science I  4
  - PHS-112 Physical Science II  4
  - PHY-120 Introduction to Physics  4

### Area IV - History, Social & Behavioral Sciences (0 hours):
(Social and Behavioral Sciences include, but are not limited to: Anthropology, Economics, Geography, Political Science, Psychology, and Sociology.)

- **History:**
  - HIS-101 Western Civilization I  3
  - HIS-102 Western Civilization II  3
  - HIS-121 World History I  3
  - HIS-122 World History II  3
  - HIS-201 United States History I  3
  - HIS-202 United States History II  3

- **Social and Behavioral Sciences:**
  - PSY-200 General Psychology  3
  - PSY-210* Human Growth and Development  3
  - SOC-200 Introduction to Sociology  3
  - POL-200 Introduction to Political Science  3
  - POL-211 American National Government  3

### Area V: Pre-Professional/College Requirements:
(Courses appropriate to the degree requirements and major of the individual student and electives.)

- **College Requirements:**
  - ORI-101 Orientation to College  1
  - NUR-112 Fundamental Concepts of Nursing  7
  - NUR-113 Nursing Concepts I  8
  - NUR-114 Nursing Concepts II  8
  - NUR-115 Evidence Based Clinical Reasoning  2

**Area V Credit Hours: 26**  
**Total Credit Hours: 46**

* These courses are required for this program.

**Note:** Students applying for Practical Nursing are exempt from BIO-103 - Principles of Biology and PSY-200 - General Psychology.

**Note:** Students without prior college credit who enter the program may opt to take a reduced load; however, Pell Grant will be affected. Please speak to a Financial Aid Counselor. Students may choose to take ENG-101, MTH-100, PSY-210, SPH-106 or 107 and ORI-101. (as applicable).

Program Information

The Radiology program at Trenholm State provides students with the necessary education to gain entry-level positions in the field of medical imaging as diagnostic radiologic technologists. Students will receive didactic, laboratory, and clinical education in preparation for the American Registry of Radiologic Technologists (ARRT) certification examination.

Radiologic technologists produce medical images of parts of the human anatomy for use in diagnosing medical problems. Radiologic technologists must follow physicians’ orders and conform to regulations concerning the use of radiation to protect themselves, their patients, and their coworkers from unnecessary exposure. The program has a competitive admissions process.

Occupational Choices

Employment is projected to grow faster than average and job opportunities are expected to be favorable. Although hospitals and medical centers still remain the primary employers, a number of new jobs will be found in physician’s offices and diagnostic centers. Health facilities such as these are growing due to the shift toward outpatient care. Radiologic Technologists experienced in more than one diagnostic imaging modality, such as CT, MR, and mammography, will have the best employment opportunities.

With experience and additional training, staff technologists may qualify for advanced certification in CT, angiography, and MRI. Experienced technologists also may be promoted to supervisor, chief radiologic technologist, and, ultimately, department administrator or director.

Average Full-Time Wage

The median annual wage for radiologic technologists was $59,520 in May 2018. The lowest 10 percent earned less than $40,630, and the highest 10 percent earned more than $86,350.

The median annual wage for magnetic resonance imaging technologists was $71,670 in May 2018. The median wage is the wage at which half the workers in an occupation earned more than that amount and half earned less. The lowest 10 percent earned less than $50,220, and the highest 10 percent earned more than $99,180.

Admission Criteria

Applications should complete and submit a Radiology program application and have official copies of all college and high school transcripts sent directly to the College’s Admissions Office.

Minimum admission standards include:

- A Trenholm State Community College application
- A Radiology Program application
- Official transcripts from high school and all colleges attended; official GED scores if applicable. A minimum of 2.5 high school GPA (for students without previous college courses) or a cumulative GPA over the last 24 credit hours (for students with previous college courses) is required.
- Be eligible for placement into the following course: English 101, Math 100 and Biology 201.
- ACT test score greater than or equal to 18.
- Applicants must be at least 18 years of age.
- A completed essential functions form.
- Incomplete application packages submitted will not be considered. See Program Application

* Tax not included. Prices are subject to change without prior notice; cost of books may vary considerably among suppliers. Cost of general education books is in addition to the total listed above. The length of the program is based on full-time status of 12-15 credit hours per term. Enrollment in transitional level general education courses will alter the length of the program.
Packet on the program web page at: https://www.trenholmstate.edu/programs/allied-health-division/radiology-medical-radiologic-technology/

NOTE: It is highly recommended that students successfully complete BIO-103 (General Biology) or its equivalent in preparation for BIO-201 (Human Anatomy & Physiology I).

Students in the Radiology program must meet the following requirements which will be completed at the student’s expense prior to and throughout enrollment in the program:

a. Verification of absence of drug and alcohol use by participation in random and scheduled drug/alcohol testing at the student’s expense.
b. Undergo a background screening.
c. Provide proof of all vaccinations designated by the program.
d. Submit proof of completed CPR for Healthcare Providers course.
e. Undergo a student physical administered by a physician.
f. Adhere to policies of affiliated clinical affiliates.

Admission to the Radiology Program is competitive, and the number of students is limited by the number of faculty and clinical facilities available. Meeting the minimum requirements does not guarantee acceptance.

If the number of eligible applicants exceeds the space available to new enrollees, applicants are rank-ordered using a point system based on: ACT Exam scores and grades from prior courses. See Ranking Form on the program webpage at: https://www.trenholmstate.edu/uploads/files/Radiology_Program_Ranking_Form_2019.pdf

|          | PREREQUISITE: Successful completion of RAD-134, RAD-135, RAD-136 | |
|          | This course provides students with the opportunity to correlate previous instruction with applications in the clinical setting. Students will be under the direct supervision of a qualified practitioner. Practical experience in a clinical setting enables students to apply theory presented thus far and to practice radiographic equipment manipulation, radiographic exposure, routine radiographic positioning, identification, and patient care techniques. Principles of computed tomography and cross sectional anatomy will be presented. Upon completion of the course, students will demonstrate practical applications of radiographic procedures presented in current and previous courses. |

| RAD-224  | CLINICAL EDUCATION V                            | 8            |
|          | COREQUISITE: RAD-227                            |              |
|          | PREREQUISITE: Successful completion of RAD-212, RAD-214 | |
|          | This course provides students with the opportunity to correlate previous instruction with applications in the clinical setting. Students will be under the direct supervision of a qualified practitioner. Practical experience in a clinical setting enables students to apply theory presented thus far and to practice radiographic equipment manipulation, radiographic exposure, routine radiographic positioning, identification, and patient care techniques. Principles other imaging modalities will be presented. Upon completion of the course, students will demonstrate practical applications of radiographic procedures presented in current and previous courses. |

| RAD-227  | REVIEW SEMINAR                                  | 2            |
|          | COREQUISITE: RAD-224                            |              |
|          | PREREQUISITE: Successful completion of RAD-212, RAD214 | |
|          | This course provides a consolidated and intensive review of the basic areas of expertise needed by the entry level technologist. Topics include basic review of all content areas, test taking techniques and job seeking skills. Upon completion, the student will be able to pass comprehensive tests of topics covered in the Radiologic Technology Program. |
Program Information

The Associate of Applied Science Registered Nursing program prepares graduates to sit for the licensure exam for registered nurses. It is a concept-based curriculum, including both nursing and general education courses that prepares individuals in the knowledge, techniques and procedures for promoting health, providing care for sick, disabled, infirmed, or other individuals or groups. Course content includes the role of the registered nurse, healthcare concepts, and technical observations and skills which includes instruction in the administration of medication and treatments, assisting a physician during treatments and examinations, and planning education for health maintenance. Supervised clinical laboratory experiences are planned to focus on the care of patients with well-defined health problems where probable outcomes of nursing interventions are predictable. Clinical experiences are provided at area hospitals and health care agencies.

Bureau of Labor Statistics reported that registered nurses (RNs) provide and coordinate patient care, educate patients and the public about various health conditions, and provide advice and emotional support to patients and their family members.

Upon completion of the Associate of Applied Science Registered Nursing, the graduate will make application to the Alabama Board of Nursing to sit for the National Council Licensure Examination for Registered Nurses (NCLEX® RN). When licensure is granted, the licensed registered nurse will be able to carry out the responsibilities and duties relative to the education and training received under the guidelines of the Alabama Board of Nursing.

Occupational Choices

The Bureau of Labor Statistics published the following prediction: “Employment of registered nurses is projected to grow 16 percent from 2014 to 2024.” There were 3.13 million registered nurses employed in the U.S. in 2016. That number will grow to 3.19 million by 2024. The largest employers of registered nurses were 61 percent worked in hospitals, 18 percent in ambulatory healthcare services, 7 percent in nursing and residential care facilities, 5 percent in government and 3 percent in state, local, and private educational services.

Average Full-Time Wage

In May 2018, the median annual wage for registered nurses was $71,730. Consequently, the highest 10 percent earned approximately $106,530, with the lowest 10 percent earned less than $50,800.

Admission Criteria

Applicants should complete and submit an Associate of Applied Science Registered Nursing Program Application and request for copies of college and high school transcripts sent directly to the College’s Admission Office.

Minimum admission standards include:

1. Complete and submit a college application to Trenholm State Community College (must have unconditional admission to the college); if not currently enrolled (can be submitted online https://webreg.trenholmstate.edu/accws/isconlap.pgm).
2. Receipt of completed application for the nursing program by deadline June 10 for Fall admissions, October 10 for Spring admissions.

</table>

* Tax not included. Prices are subject to change without prior notice; cost of books may vary considerably among suppliers. Cost of general education books is in addition to the total listed above. The length of the program is based on full-time status of 12-15 credit hours per term. Enrollment in transitional level general education courses will alter the length of the program.
3. A minimum 2.5 GPA is required on nursing academic core classes inclusive of: ENG-101 English Composition I, MTH-100 Intermediate College Algebra (or higher-level math - Pre-Cal, Finite Math) BIO-201/202 Anatomy & Physiology I & II, BIO-220 Microbiology, PSY-210 Human Growth & Development, SPH-106 or 107 Fundamentals of Oral Communication or Public Speaking, Humanities elective (ART-101 Art or MUS-101 Music Appreciation, PHL-106 Intro to Philosophy, PHL-206 Ethics & Society, REL-100 History of World Religions, or SPA-101 Intro to Spanish I).

4. Minimum of 2.50 high school GPA for students without prior college work (GED acceptable in lieu of high school transcript).

5. All developmental coursework must be taken prior to entering the nursing program. Eligibility for enrollment is required for ENG-101(English Composition I), MTH-100 (Intermediate College Algebra) and BIO-201 (Anatomy & Physiology I).

6. Good standing with the College including a minimum overall, cumulative GPA of 2.50.

7. Meeting the essential functions or technical standards required for nursing. The requirements for meeting essential functions for the nursing program can and may be requested periodically during the nursing program by nursing faculty as indicated. If a nursing student cannot meet essential functions requirements, the student may be withdrawn from the nursing program.

8. Official results of the ACT (minimum of 18 composite score national is required) must be submitted to the Registrar’s office with a copy attached to the nursing program application. The writing component of the ACT is not required for consideration of admission to the nursing program.

9. Transfer students must be in good standing from transferring institution with letter from Program Director and a minimum of 2.0 Cumulative GPA with nursing courses no more than one year from date of application.

Nursing Program Selection Criteria

1. Points for grades in the following nursing required core general educational courses are as documented:
   - A = 3 points, B = 2 points, C = 1 point
   - ENG-101 English Composition
   - MTH-100 Intermediate College Algebra
   - BIO-201 Anatomy & Physiology I
   - BIO-220 Microbiology
   - ORI-101 College Orientation

2. An additional 10 points may be awarded as determined by the individual college policy and procedure.

3. A minimum 2.5 GPA is required in the core general educational courses for the nursing program. Not all courses may have been completed at the time of admission to the nursing program; however, students may experience less conflict in scheduling classes if general education classes are completed prior to entering the professional phase of study. Core general educational courses taken in high school as dual enrollment will be used in GPA calculation.

4. Associate Degree Nursing general education courses:
   - ENG-101 English Composition I
   - MTH-100 Intermediate College Algebra (or higher-level math - Pre-Cal, Finite Math)
   - BIO-201/202 Anatomy & Physiology I & II
   - BIO-220 Microbiology
   - PSY-210 Human Growth & Development
   - SPH-106 or 107 Fundamentals of Oral Communication or Public Speaking

   Humanities elective:
   - ART-101 Art or MUS-101 Music Appreciation
   - PHL-106 Intro to Philosophy
   - PHL-206 Ethics & Society (Preferred)
   - REL-100 History of World Religions
   - SPA-101 Intro to Spanish I

5. Minimum 2.0 cumulative GPA at current, native institution or cumulative 2.0 GPA at institution from which student is transferring.

6. ACT minimum requirement of 18 score/points.

7. Minimum 2.5 cumulative high school GPA for students without prior college courses (GED as applicable).

8. Meeting the essential functions for nursing.

Transfer Policy

The transfer policy applies only to students desiring to transfer between Alabama Community College System institutions. It does not apply to students wishing to transfer from other institutions. Questions regarding this policy should be directed to the nursing program director.

As part of ongoing planning and evaluation, the College regularly evaluates student learning outcomes for each program.
## Associate of Applied Science
### Registered Nursing

### General Education Requirements (27 hours)

#### Area I - Written Composition (3 hours)
- ENG-101* English Composition I 3
- ENG-102 English Composition II 3
- ENG-130 Technical Report Writing 3

#### Area II - Humanities & Fine Arts (6 hours)
(Humanities and Arts disciplines include but are not limited to: Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

**Note:** If SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

**Arts:**
- ART-100 Art Appreciation 3
- MUS-101 Music Appreciation 3

**Humanities:**
- PHL-106 Intro to Philosophy 3
- PHL-206* Ethics & Society (Preferred) 3
- REL-100 History of World Religions 3
- REL-151 Survey of Old Testament 3
- REL-152 Survey of New Testament 3
- SPA-101 Intro Spanish I 3
- SPA-102 Intro Spanish II 3
- SPH-106* Fundamentals of Oral Comm 3
- SPH-107 Fundamentals of Public Speaking 3

**Literature:**
- ENG-251 American Literature I 3
- ENG-252 American Literature II 3
- ENG-261 English Literature I 3
- ENG-262 English Literature II 3
- ENG-271 World Literature I 3
- ENG-272 World Literature II 3

#### Area III - Natural Science & Mathematics (15 hours)
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

**Note:** 3 semester hours in MTH must be completed. Additional hours can be taken in the Natural Science area.

**Mathematics:**
- MTH-100** Intermediate Algebra 3
- MTH-103 Intro to Technical Mathematics 3
- MTH-104 Plane Trigonometry 3
- MTH-110 Finite Mathematics 3
- MTH-112 Precalculus Algebra 3
- MTH-116 Mathematical Applications 3

**Natural Sciences:**
- BIO-101 Introduction to Biology I 4
- BIO-102 Introduction to Biology II 4
- BIO-103 Principles of Biology I 4
- BIO-104 Principles of Biology II 4
- BIO-201* Human Anatomy & Physiology I 4
- BIO-202* Human Anatomy & Physiology II 4
- BIO-220* General Microbiology 4
- PHS-111 Physical Science I 4
- PHS-112 Physical Science II 4
- PHY-120 Introduction to Physics 4

#### Area IV - History, Social & Behavioral Sciences (3 hours):
(Social and Behavioral Sciences include, but are not limited to: Anthropology, Economics, Geography, Political Science, Psychology, and Sociology.)

**History:**
- HIS-101 Western Civilization I 3
- HIS-102 Western Civilization II 3
- HIS-121 World History I 3
- HIS-122 World History II 3
- HIS-201 United States History I 3
- HIS-202 United States History II 3

**Social and Behavioral Sciences:**
- PSY-200 General Psychology 3
- PSY-210* Human Growth and Development 3
- SOC-200 Introduction to Sociology 3
- POL-200 Introduction to Political Science 3
- POL-211 American National Government 3

#### Area V - Pre-Professional/College Requirements:
(Courses appropriate to the degree requirements and major of the individual student and electives.)

**College Requirements:**
- ORI-101 Orientation to College 1
- NUR-112 Fundamental Concepts of Nursing 7
- NUR-113 Nursing Concepts I 8
- NUR-114 Nursing Concepts II 8
- NUR-115 Evidence Based Clinical Reasoning 2
- NUR-211 Advance Nursing Concepts 7
- NUR-221 Advanced Evidence Based Clinical Reasoning 7

**Area V Credit Hours:** 40
**Total Credit Hours:** 67

* These courses are required for this program.

**Note:** Students applying for Practical Nursing are exempt from BIO-103 - Principles of Biology and PSY-200 - General Psychology.

**Note:** Students without prior college credit who enter the program may opt to take a reduced load; however, Pell Grant will be affected. Please speak to a Financial Aid Counselor. Students may choose to take ENG-101, MTH-100, PSY-210, SPH-106 or 107 and ORI-101. (as applicable).

Program Information

This program of study is designed to provide academic and clinical training in patients who suffer from heart and lung conditions. Respiratory Therapists work closely with doctors and nurses and have innovative awareness of mechanical ventilators and other technological equipment. The Associate of Applied Science degree awarded at program completion is a four-semester, competency-based curriculum that includes practical knowledge in a health care institution.

The Respiratory Care Therapy Program holds Provisional Accreditation from the Commission on Accreditation for Respiratory Care (www.coarc.com). It is recognized as an accredited program by the National Board for Respiratory Care (NBRC), which provides enrolled students who complete the program with eligibility for the Respiratory Care Credentialing Examination(s). The program will remain on Provisional Accreditation until it achieves Continuing Accreditation.

Occupational Choices

Employment of respiratory therapists is projected to grow 23 percent from 2016 to 2026, much faster than the average for all occupations. Growth in the middle-aged and elderly population will lead to an increased incidence of respiratory conditions such as chronic obstructive pulmonary disease (COPD) and pneumonia. These respiratory disorders can permanently damage the lungs or restrict lung function.

https://www.bls.gov/ooh/healthcare/respiratory-therapists.htm

Average Full-Time Wage

The median annual wage for respiratory therapists was $60,280 in May 2018. The median wage is the wage at which half the workers in an occupation earned more than that amount and half earned less. The lowest 10 percent earned less than $43,750, and the highest 10 percent earned more than $83,520.

Admission Requirements

Program applications and deadline for application submission will be posted to the Respiratory Therapy (Respiratory Care Therapy) webpage in April each year.

Applicants must:

- Meet all general admission requirements of Trenholm State Community College and be in good standing.
- Complete all general required courses (prerequisites) courses with a minimum grade of “C” in each course (see listing below).
- Minimum ACT score of 18.
- Attain a minimum cumulative GPA of 2.5 or greater on a 4.0 scale with a grade of “C” or better on all general required prerequisite courses.
- Submit a completed RPT-program application by the application deadline to include all of the following documents:
  1. Completed RPT-Program Application. The program application can be found on the website in April. Select Academics, Programs of Study, then Respiratory Therapy.
  2. Copies of transcripts from ALL colleges previously attended.
  3. A copy of your Trenholm State transcript showing completion and transfer of ALL prerequisite courses.
  4. A copy of your ACT score or Residual score showing 18 or higher (all applicants will be ranked according to his/her ACT score. Applicants with the highest ACT scores will be issued acceptance letters.

* Tax not included. Prices are subject to change without prior notice; cost of books may vary considerably among suppliers. Cost of general education books is in addition to the total listed above. The length of the program is based on full-time status of 12-15 credit hours per term. Enrollment in transitional level general education courses will alter the length of the program.
5. Good standing with the college.
6. Meet all of the essential functions or technical standards required for Respiratory Therapy.

**Technical Standards**

Candidates must be able to meet all Essential Functions required of the program with or without accommodation. Essential functions include, but are not limited to the following:

- **Sensory/Observational Skills:** The candidate must be able to observe a patient precisely at a distance and up close. Perception requires the efficient use of all the senses.

- **Communication:** The candidate must be able to communicate, hear, and watch patients to evoke data, portray changes in mindset, movement and pose, and observe nonverbal communications. A candidate must be able to converse efficiently with patients and all members of the health care team. Communication includes but is not limited to: listening, speaking, reading and writing.

- **Motor Skills:** The candidate must have sufficient motor skills to increase contact to patients in a variety of care settings and to operate and apply the equipment utilized for assessment, general and emergency treatment of patients receiving Respiratory Care. Such actions require coordination of both gross and fine muscular movements, balance and practical use of the senses of touch and vision.

- **Intellectual-Conceptual, Integrative, and Quantitative Abilities:** These capabilities include measurement, calculation, reasoning, examination, and assessment. Problematic deciphering, the critical skill required of health care practitioners, necessitates all of these capabilities.

- **Behavioral/Social Skills and Professionalism:** A candidate must possess the emotional health obligatory for the utilization of his/her intellectual abilities. The implementation of moral decision, the swift completion of all tasks associated with the care of patients, and the growth of active affiliations with patients are vital services for health practitioners. Applicants must be able to tolerate heavy workloads and to function commendably under pressure. They must be able to acclimatize to shifting environments, to display flexibility, and to learn to perform in the face of the indecisions essential in the clinical complications of numerous patients. Apprehension for others, reliability, social skills, awareness, and inspiration are all personal assets required for the health practitioners.

- **Environmental:** All candidates must interact with patient populations of all ages with an array of acute and chronic illnesses. Candidates must be able to endure recurrent contact with transmittable diseases, poisonous substances, ionizing radiation, pharmaceutical preparations, aggressive individuals, and other conditions common to the health care setting.

The Respiratory Therapy Program accepts students once a year in the Fall Semester

Admission to the Respiratory Therapy (Respiratory Care Therapy) Program is competitive, and meeting minimal requirements does not guarantee acceptance.
Associate of Applied Science
Respiratory Care Therapy

General Education Requirements (23 hours)

Area I - Written Composition (3 hours)
- ENG-101* English Composition I 3
- ENG-102 English Composition II 3
- ENG-130 Technical Report Writing 3

Area II - Humanities & Fine Arts (6 hours)
(Humanities and Arts disciplines include but are not limited to: Area/Ethnic Studies, Art and Art History, Foreign Languages, Music and Music History, Philosophy, Ethics, Religious Studies, Theater and Dance.)

Note: If SPH-106, SPH-107, SPA-101 or SPA-102 has been taken an additional 3 semester hours in Humanities and Fine Arts must be taken to satisfy requirements in Area II.

Arts:
- ART-100* Art Appreciation 3
- MUS-101* Music Appreciation 3

Humanities:
- PHL-106 Intro to Philosophy 3
- PHL-206 Ethics & Society (Preferred) 3
- REL-100 History of World Religions 3
- REL-151 Survey of Old Testament 3
- REL-152 Survey of New Testament 3
- SPA-101 Intro Spanish I 3
- SPA-102 Intro Spanish II 3
- SPH-106* Fundamentals of Oral Comm 3
- SPH-107* Fundamentals of Public Speaking 3

Literature:
- ENG-251 American Literature I 3
- ENG-252 American Literature II 3
- ENG-261 English Literature I 3
- ENG-262 English Literature II 3
- ENG-271 World Literature I 3
- ENG-272 World Literature II 3

Area III - Natural Science & Mathematics (11 hours)
(In addition to Mathematics, disciplines in the Natural Sciences include: Astronomy, Biological Sciences, Chemistry, Geology, Physical Geography, Earth Science, Physics, and Physical Science.)

Note: 3 semester hours in MTH must be completed. Additional hours can be taken in the Natural Science area.

Mathematics:
- MTH-100* Intermediate Algebra 3
- MTH-103 Intro to Technical Mathematics 3
- MTH-104 Plane Trigonometry 3
- MTH-110 Finite Mathematics 3
- MTH-112 Pre-calculus Algebra 3
- MTH-116 Mathematical Applications 3

Natural Sciences:
- BIO-101 Introduction to Biology I 4
- BIO-102 Introduction to Biology II 4
- BIO-103 Principles of Biology I 4
- BIO-104 Principles of Biology II 4
- BIO-201* Human Anatomy & Physiology I 4
- BIO-202* Human Anatomy & Physiology II 4
- BIO-220 General Microbiology 4
- PHS-111 Physical Science I 4
- PHS-112 Physical Science II 4
- PHY-120 Introduction to Physics 4

Area IV - History, Social & Behavioral Sciences (3 hours):
(Social and Behavioral Sciences include, but are not limited to: Anthropology, Economics, Geography, Political Science, Psychology, and Sociology.)

History:
- HIS-101 Western Civilization I 3
- HIS-102 Western Civilization II 3
- HIS-121 World History I 3
- HIS-122 World History II 3
- HIS-201 United States History I 3
- HIS-202 United States History II 3

Social and Behavioral Sciences:
- PSY-200* General Psychology 3
- PSY-210 Human Growth and Development 3
- SOC-200 Introduction to Sociology 3
- POL-200 Introduction to Political Science 3
- POL-211 American National Government 3

Area V: Pre-Professional/College Requirements:
(Courses appropriate to the degree requirements and major of the individual student and electives.)

College Requirements:
- ORI-101 Orientation to College 1
- RPT-210 Clinical Practice I 2
- RPT-211 Introduction to Respiratory Care 2
- RPT-212 Fundamentals of Respiratory Care I 4
- RPT-213 Anatomy/physiology for RCP 3
- RPT-214 Pharmacology for RCP 2
- RPT-220 Clinical Practice II 2
- RPT-221 Pathology for RCP I 3
- RPT-222 Fundamentals of Respiratory Care II 4
- RPT-223 Acid Base Regulations & ABG 2
- RPT-230 Clinical Practice III 2
- RPT-231 Pathology for RCP II 3
- RPT-232 Diagnostic Procedures for RCP 2
- RPT-233 Special Procedures for RCP 2
- RPT-234 Mechanical Ventilation for RCP 4
- RPT-240 Clinical Practice IV (Internship) 4
- RPT-241 Pulmonary Rehab and Home Care 2
- RPT-242 Perinatal/Pediatric Resp. Care 3
- RPT-243 Computer Applications for RCP 2
- RPT-244 Critical Care for RCP 2
- RPT-266 Seminar in Resp. Medicine I 1
- RPT-268 Writing and Research for RCP II 1

Area V Credit Hours: 53
Total Credit Hours: 76

Note: Although a CIS course is not required, all RPT students will be required to demonstrate computer literacy through online assignment, presentations and other computer-based activities.

Required General Education courses (23 credit hours) must be completed prior to applying to the Respiratory Care Therapy. All courses are offered at Trenholm State Community College. Transferability of courses from other education institutions will be assessed upon submission of a complete College application.

</tr>
</thead>
<tbody>
<tr>
<td>RPT-210</td>
<td>CLINICAL PRACTICE I</td>
<td>2</td>
</tr>
<tr>
<td></td>
<td>This clinical course provides for initial hospital orientation and development of general patient assessment and communication skills required for safe and effective patient care. Emphasis is placed upon application of classroom and laboratory experiences within the clinical environment. Upon completion, students should demonstrate adequate psychomotor skills and cognitive abilities necessary for initial patient contact and safe and effective performance of basic respiratory care procedures. This is a CORE course.</td>
<td></td>
</tr>
<tr>
<td>RPT-211</td>
<td>INTRODUCTION TO RESPIRATORY CARE</td>
<td>2</td>
</tr>
<tr>
<td></td>
<td>This course is designed to acquaint the student with responsibilities of the Respiratory Care Practitioner (RCP) as a member of the health care team. Areas of emphasis include: history of the profession, credentialing mechanism, licensure, medical ethics, communication skills, basic medical terminology, and patient assessment. Upon completion, students should be able to demonstrate effective communication skills, proper use of aseptic technique, deference to appropriate professional ethics and behavior, and be able to perform basic patient assessment. This is a CORE course.</td>
<td></td>
</tr>
<tr>
<td>RPT-212</td>
<td>FUNDAMENTALS OF RESPIRATORY CARE I</td>
<td>4</td>
</tr>
<tr>
<td></td>
<td>A fundamental course which presents the scientific basis for respiratory care procedures and application of basic chemistry and physics as related to compressed gases and respiratory care equipment operation. Experimental laboratory is required and emphasis includes: design, functional characteristics, and operation of commonly encountered respiratory care equipment, use of medical gases and applied chemistry, physics, and mathematics. Upon completion, the student should be able to demonstrate an adequate knowledge base concerning function and troubleshooting of respiratory care equipment and concepts of applied physics, chemistry, and mathematics. This is a CORE course.</td>
<td></td>
</tr>
<tr>
<td>RPT-213</td>
<td>ANATOMY AND PHYSIOLOGY FOR THE RCP</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>This course provides detailed lecture and audio-visual presentations which concentrate on the cardiopulmonary and renal systems. Emphasis is placed on structure, function, and physiology of the cardiopulmonary and renal systems and the role each plays in the maintenance of homeostasis. Upon completion, the student should be able to demonstrate adequate knowledge of the structure, function, and physiology of the cardiopulmonary and renal systems. This is a CORE course.</td>
<td></td>
</tr>
<tr>
<td>RPT-214</td>
<td>PHARMACOLOGY FOR THE RCP</td>
<td>2</td>
</tr>
<tr>
<td></td>
<td>This course is a detailed study of drugs encountered in respiratory care practice and the function of the autonomic nervous system. Areas of emphasis include: determination of drug dosage, applied mathematics, clinical pharmacology, indications, hazards, intended actions, and side-effects of agents used in respiratory care. Upon completion, the student should be able to complete a dosage calculation test with 90% proficiency and demonstrate an adequate understanding of the clinical pharmacology of respiratory care drugs, and the general principles of pharmacology. This is a CORE course.</td>
<td></td>
</tr>
<tr>
<td>RPT-220</td>
<td>CLINICAL PRACTICE II</td>
<td>2</td>
</tr>
<tr>
<td></td>
<td>PREREQUISITE: RPT 210</td>
<td></td>
</tr>
<tr>
<td></td>
<td>This course is a continuation of clinical practice and allows the student to further integrate classroom and laboratory instruction into the practice of respiratory care. Areas of emphasis include: bedside patient assessment techniques, airway management, hyperinflation therapy, protocol implementation, development of patient care plans, oxygen, humidity and aerosol administration, and an introduction to management of the mechanical ventilation of the adult. Upon completion, the student should be able to demonstrate appropriate psychomotor skills and cognitive abilities necessary to successfully function as primary care giver for routine respiratory care procedures. This is a CORE course.</td>
<td></td>
</tr>
<tr>
<td>RPT-221</td>
<td>PATHOLOGY FOR THE RCP I</td>
<td>3</td>
</tr>
<tr>
<td></td>
<td>This course is a survey of commonly encountered diseases and disorders which may affect the function of the cardiopulmonary system, and the clinical manifestations and treatment rationales as related to respiratory care practice. Practical laboratory is required and course emphasis is placed upon the application of sound diagnostic techniques in the gathering of data in support of diagnosis of specific disease entities as well as progression of pathological changes in cardiopulmonary function. Upon completion, the student should be able to demonstrate the ability to gather appropriate information from various sources in support of diagnosis of specific cardiopulmonary disease as well as an adequate understanding of cardiopulmonary pathology. This is a CORE course.</td>
<td></td>
</tr>
</tbody>
</table>
RPT-222      FUNDAMENTALS OF RESPIRATORY CARE II   
PREREQUISITE: RPT 212
This course continues to present the fundamental scientific basis for selected respiratory care procedures. Experimental laboratory is required and areas of emphasis include: therapeutic techniques utilized in bronchial hygiene, hyperinflation therapy, mechanical ventilation of the adult, manual resuscitation equipment, the equipment utilized in bedside assessment, and mechanical ventilation. Upon completion, the student should be able to demonstrate the cognitive abilities and psychomotor skills required to perform the procedures presented. This is a CORE course.

RPT-223      ACID BASE REGULATION AND ABG ANALYSIS
This course provides the student with lecture and audiovisual presentation of material essential to the understanding of acid/base physiology and arterial blood gas interpretation. Emphasis is placed upon Arterial Blood Gas (ABG) sampling technique, quality assurance, basic chemistry as related to acid/base balance, evaluation of oxygen transport, and the role of the respiratory and renal systems in maintenance of homeostasis. Upon completion, the student should be able to demonstrate appropriate psychomotor skills and cognitive abilities for the fundamental concepts of acid/base balance and regulation of homeostasis by the respiratory and renal systems.

RPT-230      CLINICAL PRACTICE III
PREREQUISITE: RPT 220
This is the third course in the clinical sequence, and is designed to allow the student to function in the role of primary care giver. Emphasis is placed upon mastery of basic respiratory care procedures, administration of aerosol drugs, and care of the patient receiving mechanical ventilation. Upon completion, the student should be able to demonstrate psychomotor skills and cognitive abilities necessary to function safely and effectively in the role of primary care giver. This is a CORE course.

RPT-231      PATHOLOGY FOR THE RCP II
PREREQUISITE: RPT 221
This course continues to present specific disease entities which may impair cardiopulmonary function. Laboratory study is directed toward diagnostic techniques and decision making. Course emphasis is placed upon etiology, diagnosis, prognosis, and treatment rationale for each medical problem presented. Upon completion, the student should be able to demonstrate the cognitive abilities necessary to integrate clinical and laboratory data obtained from various sources in support of the diagnosis and treatment of the specific disease entities presented.

RPT-232      DIAGNOSTIC PROCEDURES FOR THE RCP
This course is designed to present the value of various procedures as an aid to diagnosis in cardiopulmonary disease. Course emphasis is placed upon procedures such as complete pulmonary function testing, bronchoscopy, cardiac diagnostic procedures, and ventilation/perfusion studies. Upon completion, the student should be able to demonstrate the psychomotor and cognitive abilities necessary to perform routine diagnostic procedures. This is a CORE course.

RPT-233      SPECIAL PROCEDURES FOR THE RCP
This course identifies and presents special procedures and medical specialties for various tasks required of the RCP, while functioning in an assistive role to the physician. Course emphasis is placed upon phlebotomy, bronchoscopy, hemodynamic assessment, and advanced cardiopulmonary monitoring techniques. Upon completion, the student should be able to demonstrate cognitive abilities and understand the psychomotor skills necessary to perform assistive functions during the various procedures presented. This is a CORE course.

RPT-234      MECHANICAL VENTILATION FOR THE RCP
This course continues and expands the presentation of material concerning mechanical ventilation as previously introduced including indications, modification, and discontinuance of mechanical ventilation. Laboratory is required and course emphasis is placed upon the application of scientific principles to the clinical use of various modes of mechanical ventilation. Upon completion, the student should be able to demonstrate the cognitive and psychomotor skills required to effectively institute and maintain various methods of mechanical ventilation. This is a CORE course.

RPT-240      CLINICAL PRACTICE IV
PREREQUISITE: RPT 230
This course, the last in the required clinical sequence, provides opportunities for the student to further refine clinical skills. Course emphasis is placed upon critical care, neonatal mechanical ventilation, home care and discharge planning. Upon completion, the student should be able to demonstrate the cognitive and psychomotor skills required to function in the role of advanced respiratory care practitioner. This is a CORE course.

<tr>
<td>RPT-243</td>
<td>COMPUTER APPLICATIONS FOR THE RCP</td>
<td>2</td>
</tr>
<tr>
<td></td>
<td>This course is designed to allow the student practice in utilizing computer assisted clinical simulation software as well as allow for a general program review in preparation for credentialing examinations. Emphasis is placed on development of critical thinking skills, specific to the discipline, and development of computer literacy. Upon completion, students should be able to demonstrate computer literacy and satisfactory performance on nationally standardized comprehensive self-assessment examinations. This is a CORE course.</td>
<td></td>
</tr>
<tr>
<td>RPT-244</td>
<td>CRITICAL CARE CONSIDERATIONS FOR THE RCP</td>
<td>2</td>
</tr>
<tr>
<td></td>
<td>This course provides for continued discussion concerning the monitoring and maintenance of patients who are treated in the critical care area of an acute care hospital. Course emphasis is placed upon advanced monitoring and assessment techniques employed in the treatment of the critical care patient. Upon completion, the student should be able to demonstrate increased psychomotor and cognitive abilities as pertaining to critical care. This is a CORE course.</td>
<td></td>
</tr>
<tr>
<td>RPT-266</td>
<td>SEMINAR IN RESPIRATORY MEDICINE I</td>
<td>1</td>
</tr>
<tr>
<td></td>
<td>This course is a series of physician and/or guest lecturers designed to present topics of special interest to the student or practitioner. Emphasis is placed upon current medical practice within the field of pulmonary medicine and cardiology. Upon completion, the student should be able to demonstrate an increased knowledge base concerning the topics of special interest presented.</td>
<td></td>
</tr>
<tr>
<td>RPT-268</td>
<td>WRITING AND RESEARCH FOR THE RCP II</td>
<td>1</td>
</tr>
<tr>
<td></td>
<td>This course allows for independent research on a topic of special interest within the field of respiratory care. A written narrative of research activities or a literature research paper is required. Upon completion, students should be able to effectively communicate in written narrative form the results of independent study.</td>
<td></td>
</tr>
</tbody>
</table>
Program Information

This program of study is designed to provide academic and clinical training in the field of general (OB/GYN and Abdominal/Superficial Structures) ultrasound (diagnostic medical sonography). The Associate of Applied Science degree awarded at program completion is a four-semester, competency-based curriculum that includes practical experience in regional health institutions. The ultrasound program at Trenholm State is currently accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP). By attending a program accredited by CAAHEP, you will be able to apply to take the national certification examinations offered by the ARDMS/ARRT. By successfully completing the certification exams, you will be awarded the credential ‘registered sonographer’.

Occupational Choices

Employment of diagnostic medical sonographers is projected to grow 23 percent from 2016 to 2026, much faster than the average for all occupations. Employment of cardiovascular technologists and technicians, including vascular technologists, is projected to grow 10 percent from 2016 to 2026, faster than the average for all occupations.

Average Full-Time Wage

The median annual wage for cardiovascular technologists and technicians was $56,850 in May 2018. The median wage is the wage at which half the workers in an occupation earned more than that amount and half earned less. The lowest 10 percent earned less than $29,340, and the highest 10 percent earned more than $93,100.

The median annual wage for diagnostic medical sonographers was $72,510 in May 2018. The lowest 10 percent earned less than $51,430, and the highest 10 percent earned more than $100,480.

Admission Criteria

ADMISSION REQUIREMENTS:

(Program applications and deadline for application submission will be posted to the Ultrasound (Diagnostic Medical Sonography) webpage in April each year).

Applicants must:

- Meet all general admission requirements of Trenholm State Community College and be in good standing.
- Complete all general required courses (prerequisites) courses with a minimum grade of “C” in each course (see program webpage).
- Minimum ACT score of 19.
- A minimum cumulative GPA of 2.5 or greater on a 4.0 scale with a grade of “C” or better on all general required prerequisite courses. Math/Sciences courses must have been completed within seven (7) years of the date of expected entry into the DMS-program.
- Submit a completed DMS-program application by the application deadline to include all of the following documents:
  1. Completed DMS-Program Application. The program application can be found on the website in April. For application deadline please visit DMS webpage, Select Programs>Allied Health Division>Ultrasound.
  2. Copies of transcripts from ALL colleges previously attended
  3. A copy of your Trenholm State transcript showing completion and transfer of ALL prerequisite courses
  4. A copy of your ACT score showing 19 or higher. All applicants will be ranked according to his/her ACT score. Applicants with the highest ACT scores will be issued acceptance

letters. Average ACT score for the past three years is 21.4.

- Candidates must be able to meet all Essential Functions required of the program with or without accommodation:
  - Lift more than 50 pounds routinely
  - Push and pull routinely
  - Bend and stoop routinely
  - Have full use of both hands, wrists and shoulders
  - Distinguish audible sounds
  - Adequately view sonograms, including color distinctions
  - Work standing on their feet 80% of the time
  - Interact compassionately and effectively with the sick or injured
  - Assist patients on and off examining tables
  - Communicate effectively with patients and other health care professionals
  - Organize and accurately perform the individual steps in a sonographic procedure in the proper sequence

Admission to the Ultrasound (Diagnostic Medical Sonography) Program is competitive, and the number of students is limited by the number of faculty and clinical facilities available. Meeting minimal requirements does not guarantee acceptance.

Truck Driving....................................................................................................................... 283
Program Information

The Truck Driving program at H. Councill Trenholm State Community College is designed to prepare the student to operate vehicles requiring a commercial driver’s license. A six-week, non-credit Truck Driving program is offered that utilizes the U.S. Department of Transportation (DOT) model curriculum as the foundation for training and takes the student from basic through advanced operation of a tractor/trailer. Additionally, courses taught include safe operation practices and non-vehicle activities which are not directly related to the vehicle but which must be performed by the operator. Information is presented in an intensive question and answer format to provide the most efficient and cost-effective method for preparing a student for a commercial driver’s license.

Occupational Choices

Employment of heavy and tractor-trailer truck drivers is projected to grow 6 percent from 2016 to 2026, about as fast as the average for all occupations. The economy depends on truck drivers to transport freight and keep supply chains moving. As the demand for goods increases, more truck drivers will be needed. Trucks transport most of the freight in the United States, so, as households and businesses increase their spending, the trucking industry should grow.

Technological advancements should result in trucks that are more fuel efficient and easier to drive. For example, automatic transmissions, blindspot monitoring, braking assistance, and variable cruise control are all recently developed features that may become more standard throughout the trucking industries within the next decade. In addition, technological advances may lead to further developments in platooning, which is a method of transport where several trucks form a line and automatically mimic the speed, braking, and steering behaviors of the lead truck. These technologies can help ease driver burden and create a safer driving environment for all vehicles.

Average Full-Time Wage

The median annual wage for heavy and tractor-trailer truck drivers was $43,680 in May 2018. The median wage is the wage at which half the workers in an occupation earned more than that amount and half earned less. The lowest 10 percent earned less than $28,160, and the highest 10 percent earned more than $65,260.

Additional Requirements

Students entering the Truck Driving Program must have a valid driver’s license, be at least twenty-one (21) years of age for a class “A” CDL and successfully pass a DOT physical which includes a drug screen, and present a current Motor Vehicle Report (MVR). Prior to being enrolled, students must obtain the Alabama Commercial Drivers Learner’s License and are subject to DOT random drug testing rules. This program does not accept any “English as a second language” applicants.

Duration

Five (5) days per week
34 hours per week for six (6) weeks

Financial Assistance

100% funding is available through the Alabama Career Center. For information regarding eligibility and application for the Workforce Innovation and Opportunity Act (WIOA), please contact an Alabama Career Center.

Registration Steps

1. Register and Pay - Application for Non-Credit Course Payment Options
   • MasterCard, Visa or Discover
   • Cash Payment (check, money order, or cash)
   • WIOA funding to cover the cost of this program, please contact your local Alabama Career Center at 334-286-1746

2. Required Documents for the Truck Driving Program
   • Proof of Drug Testing
   • DOT Physical
   • Motor Vehicle Report
   • Current Valid Driver’s License

Courses Required for Truck Driving Certificate

(This award is non-credit and is not Pell Grant eligible)

   Basic Truck Driving
   Advanced Truck Driving
   Non-Vehicle Activities
   Vehicle Maintenance
   Safe Operating Practices

Total Clock Hours: 204

Course Descriptions

BASIC TRUCK DRIVING
This course introduces students the fundamentals of becoming a professional commercial motor vehicle driver. Topics include orientation, control systems, vehicle inspections and reporting, basic control, shifting, backing, coupling and uncoupling, proficiency development, and special rigs. Upon completion, the student should demonstrate proficiency in skill field tasks and pre-trip inspections to Commercial Drivers License standards.

ADVANCED TRUCK DRIVING
This course offers proper defensive driving techniques applicable to the commercial motor vehicle driver and involves the interaction between the student/vehicle and the highway traffic environment. Topics include visual search, communication, speed and space management, night operation, extreme driving conditions, and proficiency development. Upon completion, the student should demonstrate basic operating skills that ensure safety of the driver and other vehicle operators to Commercial Drivers License standards.

NON-VEHICLE ACTIVITIES
This course focuses on activities not directly related to the vehicle itself, but that are related to the potential job performance of the commercial motor vehicle driver. Topics include preparation for CDL permit, entry level CMV drivers basics (qualification, wellness, hours of service, whistleblower protection), handling cargo, cargo documentation, hours of service requirements, accident procedures, personal health and safety, trip planning, employability skills, and public and employer relations. Upon completion, the student will demonstrate performance of these activities to Commercial Drivers License standards to ensure safety to the driver, vehicle, cargo, and other motorists.

VEHICLE MAINTENANCE
This course introduces students to the various components of the vehicle and how they work in order that malfunctions and safety hazards may be recognized before serious damages or accidents occur. Topics include vehicle systems, preventive maintenance and servicing, and diagnosing and reporting malfunctions. Upon completion, the student should be able to perform routine service functions and simple maintenance tasks and recognize when a vehicle needs repairs.

SAFE OPERATING PRACTICES
This course is designed for extended high level skills training for coping with hazards of the roadway traffic environment. Topics include hazard perception, emergency maneuvers, and skid control and recovery. Upon completion, the student should demonstrate perceptual skills for recognition of potential hazards as well as the manipulative skills needed to handle the vehicle in an emergency.

All Truck Driving Information can be found on the Trenholm State website at: www.trenholmstate.edu/workforce-development/cdl-truck-driving/

Student Services

MISSION AND GOALS

The fundamental mission of the Student Services Division is to demonstrate a strong commitment to student success by providing a learning environment in which individuals from varied backgrounds, with diverse goals and needs, are afforded both the conditions and opportunities for student success, not as an aside from instruction, but in partnership with and as a compliment to the educational opportunities afforded to students. Student Services goals are listed below. The belief of each member of the Student Services staff at H. Councill Trenholm State Community College is that all people have the opportunity to reach their maximum potential. Dedicated to this belief, and in support of the educational mission of the College, the division assists students with admissions, registration and financial aid, advisement, assessment, achieving success, disabilities services, student activities, and career planning.

Coordinated by the Dean of Students, these functions service the student and compliment classroom instruction by insuring that each student has the opportunity for success.

- Work in concert with faculty to develop a holistic individual.
- Offer professional development opportunities that will enhance the recruitment and retention for students.
- Increase enrollment through assertive recruiting and retention strategies.
- To offer an array of social, cultural and educational activities to students to create a feeling of belonging.
- To develop an on-going comprehensive public relations campaign utilizing news releases, brochures, billboards, college website, civic speaking engagements, recruitment videos, college view book, television and radio commercials and other printed and electronic publications.

Roles

- To accommodate students in gaining access to the College by providing admission, registration, counseling, advising, placement testing and other support services.
- To facilitate the successful movement of the student through the educational process to completion of the student’s identified goal (personal enhancement, specific job skill(s) improvement, career preparation and/or development, or continuation of an undergraduate education).
- To maintain a system of accurately recording, safely maintaining and efficiently retrieving student records.
- To provide a program of financial assistance to students.
- To enhance development of the student’s mind, body and character by providing a program of student activities that compliment classroom instruction and/or other curricula endeavors.
- To assist in satisfying the College’s and community’s need for information relative to students served.
- To participate in the governing system of the College, particularly in the areas of student life, long-range planning and due process in student discipline.

Note: All services provided by the Student Services Division are available to all Trenholm students, regardless of campus location.

Official Trenholm Connection - “My Trenholm” Student Portal and Student E-mail

The College has installed an online system as the official link with students. To access the site, students should use www.trenholmstate.edu and visit the “My Trenholm” and Campus E-mail section under Quick Links on the home page. The College uses the campus “My Trenholm” and campus E-mail system as the official means of notification concerning a variety of administrative announcements:

- Faculty-student communications
- Staff-student communications
- Admissions and enrollment information
- Financial aid information
- Registration dates
- Grades and transcripts
- Review student accounts
- Job placement announcements
- Student activities and events

Orientation to College ORI-101

All new and returning students, who have not previously taken Orientation to College (ORI-101) course at Trenholm State Community College, are required to take ORI-101 during their first term of enrollment. No exception will be made. ORI-101 College orientation classes taken at another institution will not be accepted for transfer credit at Trenholm State.

Orientation to College (ORI-101) is designed to provide information that will aid a new student in his/her transition to college and stimulate an excitement for learning. Students are engaged, equipped and empowered to excel in their college studies and are introduced to college policies, procedures, requirements, and services as well as knowledge of the physical environment of the campus and the college community at large. Focus provided through Orientation to College (ORI-101) includes: critical thinking, improvement of technology skills, social skills, leadership skills, oral and written communication skills, commitment to studies and more. Students are encouraged to make wise use of all services made available in the Office of Student Services. Every student enrolled is assigned a program advisor and students are encouraged to discuss their academic and career plans, problems, and challenges with their faculty advisors.

College Orientation for Dual Enrolled Students

Dual enrolled students must attend an orientation session during their first term of enrollment. Through attendance and participation, dual enrolled students are informed of the College’s policies and procedures as well as practices designed to help with study and test-taking skills, time management, and more. This is non-credit and does not substitute for ORI-101.

ACCUPLACER Testing

The ACCUPLACER Testing is designed to ensure proper course enrollment and enhance probable success in math, English, and reading and to verify that new students have the skills necessary to succeed in courses required
for their chosen major (See information under Testing/Re-Testing). Each college in the Alabama Community College System shall require a comprehensive assessment of students upon admission to the college and prior to enrollment in associate degree, diploma, or certificate programs. Students who enroll in associate degree, certificate, or short term certificate programs that require math or English may be assessed through the administration of the ACCUPLACER computerized assessment instrument, and placed at the appropriate developmental level as indicated by the assessment results. The ACCUPLACER testing is free of charge to students who will take the ACCUPLACER test for the first time. The ACCUPLACER test scores are valid for three years from the date of the original assessment. The ACCUPLACER test results are a prerequisite for initial enrollment unless an exemption applies.

**Americans with Disabilities Act**

The College complies with the Americans with Disabilities Act of 1990 and the Rehabilitation Act of 1973. Documented information is required. Students with disabilities may be eligible for services such as untimed testing, tutors, and individualized registration assistance. The College has an ongoing partnership with state and private rehabilitation agencies as well as with a variety of counseling services and outreach agencies. If you have a disability that might require special assistance, please contact the ADA Coordinator at (334) 420-4326 or 4316.

Note: A Telecommunication Device for the Deaf (TDD) is available for hearing-impaired individuals and may be accessed through the Office of Admissions and Records at (334) 420-4310 or (334) 420-4301.

Depending on medical needs, early registration may be provided for students with disabilities. Any student with a documented disability may take advantage of priority registration. This can be arranged through the Dean of Students by calling (334) 420-4316.

**Guidance and Counseling**

The Student Success Center (SSC) assists students in overcoming academic challenges while also working with high achievers to help them reach the next level. The SSC provides academic support services to all Trenholm State students. Services provided by the SSC include but not limited to academic coaching/mentoring, financial literacy mini-courses, one-on-one tutoring/academic enrichment, online tutoring/academic enrichment, student success workshops and supplemental instruction.

Additionally the SSC provides proactive, intrusive, innovative and collaborative support that will aid students in fulfilling both academic and life goals. The SSC will achieve its mission through holistic, campus-wide relationships with all Trenholm State stakeholders. Through these collaborative relationships, the SSC can create optimal opportunities for student success and engagement. By utilizing local and national best practices, the SSC customize program delivery to suit the academic support needs of Trenholm State students.

The Student Success Center embraces educating students and staff about available resources regarding a multiplicity of academic/student success related topics. Workshops are no more than 45 minutes including a 15 minute Question and Answer session. Presenters will either be SSC staff, volunteer faculty or outside consultants. The SSC may be contacted at (334) 420-4418.

**Advising**

The primary purpose of advising is to support students in their pursuit of meaningful educational and career programs that will assist them in fulfilling goals. Advising is provided for each student at Trenholm State. Program advisors are available to provide information about courses, programs, activities/events and careers. Advisors also assist students with transfers to another program of study at the College. Prior to each semester, all students are encouraged to consult with their program advisor to plan their course of study, review their degree plan for a timely graduation. Program advisors are available in each program to advise students who may wish to enroll.

Students are assigned to their advisors through the Office of Admissions and Records with input from the program coordinator or division chair of the student’s respective program of study. The Director of Admissions and Records also provides academic advising services. For information on academic advising, contact the Office of Admissions and Records at (334) 420-4306.

**Career Planning and Job Placement**

It is the practice of H. Councill Trenholm State Community College to provide career education training, counseling, and assessments that will lead students and alumni down a successful career path. Career planning assistance is available to all students and alumni who wish to make a career choice or change.

Additionally, the Career Center provides students with direct access to work-study, internships, externships, co-op part-time and full-time employment opportunities through an online database, Trenholm Careers and via email. An attempt is made to refer students to positions that will benefit them financially and educationally. Other services include resume writing, cover letter, and interview preparation, mock interviews, career fairs, career and employer literature, on-campus interviews, and employment developmental skill workshops. Students and alumni in need of assistance should contact the College’s Career Center at (334) 420-4499 or careers@trenholmstate.edu.

**Financial Aid and Veterans Affairs**

The financial aid program at Trenholm State Community College provides an equal opportunity for students of all economic levels to attend college. Financial aid is awarded based on student eligibility, individual need, college costs and availability of funds. The financial aid programs offered at the College include the following:

1. Federal Pell Grant Program (FPELL)
2. Federal Supplemental Educational Opportunity Grant (FSEOG)
3. Federal Work-Study Program (FWS)
4. Leveraging Educational Assistance Partnership Program (LEAP)
5. Institutional Scholarships
6. Senior Adult Waiver Program.
In addition, students who qualify may apply to the Agencies listed below for financial assistance.

1. Veterans Administration Vocational Rehabilitation (Disabled Veterans)
2. Alabama Department of Rehabilitation Services
3. Alabama G. I. Dependents’ Scholarship Program
4. Alabama National Guard Educational Assistance Program (ANGEAP)
5. Veterans Benefits
6. Workforce Innovation Opportunity Act (WIOA)

The College is fully approved by the State Approving Agency to offer training to eligible veterans. Any veterans interested in receiving benefits must first complete the admission requirements to enroll at the College. Veteran benefits are not awarded until all admission requirements are met.

The Financial Aid Office is OPEN DAILY Monday through Thursday - 8:30 am until 4:30 pm and Friday - 8:30 am until 11:30 am.

For additional information, please contact the Financial Aid Office at (334) 420-4321.

Learning Resource Centers

The Library Learning Resource Center located on the Trenholm Campus houses the library that maintains a collection of print and non-print materials and an archival collection. A library is also located on the Patterson Site that maintains a smaller collection of print and non-print materials relevant to the courses of study taught on that campus. Both libraries provide remote access to sources of current information and full-text general and discipline-related databases, as well as a wide range of other services to students, faculty, staff and community patrons. Information literacy instruction is available to all students. Faculty and students may request information literacy instruction at any time during the semester. The Learning Resource Center/Library Tower can be contacted at (334) 420-4455 and the Patterson Library can be contacted at (334) 420-4357. The email address is lstaff@trenholmstate.edu and the website is http://www.trenholmstate.edu/future-students/student-resources/library/.

Bookstore

Trenholm State’s Bookstore is available online only. Trenholm State has partnered with e-Campus.com for student book needs. Students must order their books through their “My Trenholm” portal. Many classes have the option to buy new or used books, rent textbooks, or rent digital eBooks. Students will be personally responsible for all unallowable charges to financial aid, such as duplicate book purchases. Disabled Veterans using benefits under the Chapter 31 Program will need to come to the Business Office to purchase their books in order to obtain the required signatures. Orders will be delivered directly to the student’s home. Detailed ordering instructions can be found on the Trenholm State website under the online bookstore section or by following this link http://www.trenholmstate.edu/skins/userfiles/files/BOOKSTORE%20Online/e-Campus%20detailed%20ordering%20instructions.pdf.

Cashiers

During pre-registration and early registration, cashiers will be made available on both campuses according to the published college calendar. The Patterson Site Cashier may be contacted at (334) 420-4264. The Trenholm Campus Cashier may be contacted at (334) 420-4272.

Enrollment Verification

Trenholm State Community College has authorized the National Student Clearinghouse to act as the agent for all verifications of student enrollment and provide verification of degrees. Requestors should use www.studentclearinghouse.org for enrollment verification and www.degreererify.org for degree verification. The telephone number is (703) 742-4200, Monday – Friday, from 9:00 a.m. to 7:00 p.m., Eastern Standard Time. The fax number is (703) 742-4239. The email address is enrollmentverify@studentclearinghouse.org. The mailing address is listed below.

National Student Clearinghouse
2300 Dulles Station Blvd., Suite 300
Herndon, VA 20171

Through Enrollment Verify, the National Student Clearinghouse will process enrollment verifications, on your behalf, for the following types of companies:

- Credit Issuers: verification for students who have applied for student cards.
- Travel Companies: verification for students who have applied for discounted student travel.
- Housing Providers: verification for students who have applied to rent property.
- Scholarship Providers: verification for students who have been awarded scholarships.
- Consumer Product Companies: verification for students who have applied for student discounts when purchasing computers, books, etc.
- Requests by Student and Parents: many companies, including health insurers, ask student directly to provide proof of current enrollment. Students and parents can use the National Student Clearinghouse Enrollment Verify website to download or print certifications.

Family Educational Rights and Privacy Act of 1974 (FERPA)

Student Records Policy

Federal law governs how colleges and universities supervise student educational records. Trenholm State Community College adheres to the Family Educational Rights and Privacy Act (FERPA) of 1974. This act is designed to protect the privacy of students’ educational records. FERPA also establishes the rights of students to inspect and review their educational records; it provides guidelines for the correction of inaccurate or misleading data through informal and formal hearings; and establishes the rights of students to file complaints with the FERPA Office. Students will be notified by publication of the regulations in the College Catalog/Student Handbook. The College shall not permit access to or allow the release of education records or personally identifiable information contained therein, other than directory information as defined within the paragraph titled ‘Directory Information,’ without the written consent
of the student, to any party other than the following:

- Other school officials and teachers of the College who have been determined by the College to have legitimate educational interests;
- Officials of schools or school systems in which the student seeks or intends to enroll, upon the condition that the student may receive a copy of the record, if desired, and have an opportunity for a hearing to challenge the content of the record;
- Certain authorized representatives of federal departments/agencies or state educational authorities for purposes of audits, evaluative studies, etc. Data collected will be protected in a way which prevents personal identification except when specifically authorized by federal law;
- State and local officials or authorities to which such information is specifically required to be reported or disclosed pursuant to State statute adopted prior to November 19, 1974;
- Organizations conducting studies for, or on behalf of, educational agencies or institutions for the purpose of developing, validating, or administering predictive tests, administering student aid programs and improving instruction, if such studies are conducted in such a manner as will not permit the personal identification of students by persons other than representatives of such organizations and such information will be destroyed when no longer needed for the purpose for which it is conducted;
- Accrediting organizations in order to carry out their accrediting functions;
- Parents of a student who is a dependent for income tax purposes;
- A lawful subpoena or court order;
- Other appropriate persons in an emergency to protect the health or safety of the student or others.

Students shall have access to all such information in accordance with the procedures outlined in this statement with the exceptions specified within the following paragraph.

**Definition of Educational Records**

Student educational records are defined as those records, files, documents and other materials which contain information directly related to a student and are maintained by the College or by a person acting for the College. Specifically excluded from the definition of “educational records” and not open to student inspection are the following materials:

- Records of instructional, supervisory and administrative personnel that are in the sole possession of the maker and accessible only to the maker or a designated assistant to the maker;
- Records of campus security, except in those instances where they have been transmitted within the College for administrative purposes;
- Records which are created or maintained by a physician, psychiatrist, psychologist or other recognized professional or paraprofessional acting in capacity or assisting in that capacity.
- Records created, maintained or used only in connection with the provision of treatment to the student will not be available to anyone other than persons providing such treatment or who could not be involved officially within the College, but such records are available to a physician or appropriate professional of the student’s choice.

**Definition of Student**

For the purpose of this policy, a “student” is defined as any person who is or has been officially enrolled in and is attending or has attended any course offered at the College. This definition does not include prospective students.

**Directory Information**

The following categories of information with respect to each student have been designated by the College as directory information which may be made available to the public, absent a student’s request that any such information should not be released without the student’s prior consent:

- Student’s name, address, telephone number
- Date and place of birth
- Dates of attendance
- Educational agencies or institutions most recently attended by the student
- Program of study, degree desired and classification
- Participation in officially recognized clubs, organizations and activities
- Degrees and awards received.

If a student has an objection to any of the aforementioned information being released during a given semester or academic year, the student should notify, in writing, the Dean of Students during the first three weeks of the semester or academic year.

**Location of Records**

The College has designated the following officials as responsible for student records within their respective areas of responsibility:

<table>
<thead>
<tr>
<th>Type</th>
<th>Location</th>
<th>Person Responsible</th>
</tr>
</thead>
<tbody>
<tr>
<td>Permanent Records</td>
<td>Office of Admissions/Records</td>
<td>Director of Admissions/Records</td>
</tr>
<tr>
<td>Admissions Records</td>
<td>Office of Admissions/Records</td>
<td>Director of Admissions/Records</td>
</tr>
<tr>
<td>Financial Records</td>
<td>Business Office</td>
<td>Dean of Finance</td>
</tr>
<tr>
<td>Financial Aid Records</td>
<td>Office of Financial Aid</td>
<td>Financial Aid Officer</td>
</tr>
<tr>
<td>ADA/504</td>
<td>Office of Student Services</td>
<td>Dean of Students</td>
</tr>
</tbody>
</table>

These officials shall hereinafter be referred to as “records officials.” Each official is responsible for maintaining a listing of student records. The listing shall indicate the location and general content of the records. A student’s request concerning his/her records or files, including requests that information not be disclosed to the public, requests for disclosure to third parties and requests for access by the student shall be directed to the appropriate records official listed above. Forms for all such requests may be obtained from these officials. The appropriate records official will also attempt to resolve any challenges to the records at an informal hearing with the student. If an agreeable solution is not reached, the records officials will refer the student and his/her challenge to the College Hearing Officer, who shall set a hearing within ten (10) days for the final decision.
Access of Student Records to Students

The student is accorded the right to inspect and review, in the presence of the appropriate College staff member, any records, files and data directly related to the student. To inspect a personal folder or file, a student shall submit a written request signed by the student to the appropriate records official, and if not personally submitted by the student, then the student’s signature shall be acknowledged by the affidavit of a Notary Public. The request for inspection shall be acted upon within forty-five (45) days from the date the request is received. If in the opinion of the appropriate records official, inspection can reasonably be accomplished by providing copies of said documents, such copies shall be made and provided to the student.

Limitations of Access

The right of inspection of personal information described in the above paragraph does not include:

- Financial records of the parent(s) of the student or any information contained therein,
- Confidential letters and statements of recommendation which were placed in the education records prior to January 1, 1975, if such letters or statements are not used for purposes other than those for which they were specifically intended, or
- Other confidential records, access to which has been waived by the student in accordance with policy concerning waivers.

Challenging the Contents of the Records

After inspecting his/her record, a student may request an explanation to challenge any part of the contents of such record. The student shall submit a written request for a hearing in the same manner and under the same procedures as provided within the preceding section titled, “Location of Records.”

The request for hearing should identify the item or items in the file to be challenged and state the grounds for the challenge, e.g., inaccuracy, misleading information or inappropriateness, etc. The records official shall examine the contested item, shall hear the person responsible for placing the item in the file, if appropriate and possible, and shall examine any documents or hear any testimony the student wishes to present. The records official may decide that the contested item should be retained, deleted or revised or the records official may refer the matter to the hearing officer who shall set a hearing within ten (10) days for a final decision. In the event, any part of the challenged item will be retained; the student shall be allowed to place a written explanation in his/her file. A written decision shall be hand-delivered or mailed to the student within ten (10) days from the date such hearing is concluded, either by the records official or the hearing officer.

Waiver of Access

A person applying for admission may waive the right of access to confidential statements concerning his/her application for admissions, financial aid, employment, honorary recognition(s) or any other benefit made available by the College. No such application shall be denied because of the student’s failure or refusal to sign such waiver.

Providing Records to Third Parties

The general policy of Trenholm State Community College is to refuse access to student records to third parties without the written consent of the individual student. Should a student wish to have such records released, a written request must be directed to the College, specifying the records to be released, the person and address to whom records are to be released, and a request for copies to the student, if desired. Trenholm will then transfer or grant access to the information. A record of requests of access, the legitimate interest involved, and action taken will be placed in the student’s file for all requests of the file, except those from school officials as noted in paragraph one.

The Director of Admissions and Records will supervise the inspection of individual student records, and the student’s record file shall not be taken from the designated records office. The student may obtain one unofficial copy of his/her academic record in writing. An unofficial copy is defined as copy that does not bear the official seal of the College embossed on the record, but otherwise an official copy when released by the College’s records official.

The Director of Admissions and Records, or designee, is the only person authorized to reproduce copies of official transcripts. Transcripts of records received from other colleges or universities become the property of Trenholm State Community College. Records of documents received from third parties will not be reproduced.

Annual Notification of FERPA Rights

The College is required by the provisions of the Family Educational Rights and Privacy Act (FERPA) to provide students annual notification of their FERPA rights. Students will be notified by publication of the regulations in the College Catalog/Student Handbook. FERPA information is available on the College’s website.

A student who believes his or her FERPA rights have been violated can file a complaint with the Family Policy Compliance Office at the U.S. Department of Education.

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, D.C. 20202-5920
Phone: 1-800-USA-LEARN (1-800-872-5327)

Records Retention and Disposal

All records are safely secured at the College and are retained and disposed of in accordance with policies established by the Alabama Department of Archives and History.

Changes in the Policy

This statement is subject to change by any additional Federal regulations or court decisions that may modify and/or negate any portion of these regulations. This statement of policy will be published in future College publications, where applicable.
Transcript Policy

The transcript policy of the College includes the following:

- In compliance with the Family Educational Rights and Privacy Act (FERPA), the College does not release transcripts of a student’s work except upon the student’s written request;
- Official transcripts are sent to institutions, companies, agencies, etc., after the student’s written release is received by the Office Admissions and Records. The College honors fax requests to send official transcripts to third parties; however, transcripts will not be faxed to an individual or a receiving institution. Fax requests for transcripts must be accompanied by a picture ID before the request will be processed;
- Official transcripts will be accepted when delivered “by hand” in an unbroken sealed envelope. Upon receipt, the transcript must be official and in a sealed envelope. The College reserves the right to deny hand delivered transcripts if foul play is detected;
- Transcripts are available to former and currently enrolled students. Transcripts which do not show the College seal, and are marked ISSUED TO STUDENT, are unofficial transcripts;
- Transcript requests will be processed in the order they are received. Requests should be made at least two weeks before the transcripts are needed;
- All transcripts issued to students are free. Transcripts will not be released for persons who have financial obligations to the College.

Request for official transcripts should be sent to:

Trenholm State Community College
Office of Admissions and Records
P.O. Box 10048
Montgomery, Alabama 36108

Name, dates of attendance, social security number, fee (if any), and the address to which the transcript is to be sent are to be included in the request.

NOTE: Students with name changes should include ALL former names. The Office of Admissions and Records does not issue or reproduce transcripts from other institutions. Requests for transcripts of work where the student previously attended must be directed to those institutions.

Request Official Transcripts Online

To request an OFFICIAL transcript online:

1. Log in to “My Trenholm” using your student ID number and PIN
2. Click on Student Information Center on the Main Menu
3. Click on Student Records
4. Click on Transcript Request
5. A new window will open with instructions prompting you to complete the request

Student Information

Change of Name

Academic records at Trenholm State are permanently maintained by student name. Name changes will not be made for an inactive student. A student may maintain academic records under the name used at the time of admission. There is NO requirement that a student must make a name change. A student who wishes to change his or her name must complete the Readmission/Information Change form in the Office of Admissions and Records. The student must provide proof of a divorce decree or a marriage license. If the aforementioned are not available, a valid Driver’s License AND social security card will be required.

Dress Requirements

One of the primary objectives of the College is preparation of the student for employment. A neat appearance and good personal hygiene are important factors in getting and keeping a job. Proper dress is expected as part of one’s educational training at the College. Students should not wear any sign, symbol, or other mode of dress that would antagonize or intimidate other students, disrupt the atmosphere of learning, or attract undue attention to the wearer. Instructors will discuss departmental policies concerning appropriate dress in the workplace.

Visitor Policy

Visitors should be able to demonstrate a valid purpose for being on campus. They are expected to abide by the regulations of the College. Students are responsible for the conduct of their guests. WHILE CHILDREN ARE ON CAMPUS, THEY MUST BE UNDER THE IMMEDIATE SUPERVISION OF AN ADULT. All visitors are subject to the same code of behavior applied to students. Disruptive visitors will be asked to leave campus, and if necessary, escorted off campus by security.

Off-Campus Trips

All off-campus trips must be approved in advance by the appropriate dean, division director, or program coordinator.

Phones and Beepers in the Classroom

Students are not to disrupt the class or other students. Students may not have audible phones, pagers or other similar equipment in the classroom or instructional laboratory. Class disruptions from the use of audible phones or pagers in class or lab may result in the student being removed from the class.

Telephones and Messages

Students may use faculty and staff telephones only in emergency situations. The College will accept messages for students only in cases of an emergency such as family illness, accident, or death. In such instances, every reasonable effort will be made to locate the student.

Emergency Messages

In the event of an off-campus emergency requiring the attention of a student, efforts will be made by the Office of Admissions and Records to contact the student.

Trenholm State Community College - 2019-20 College Catalog/Student Handbook
Contact the Admissions and Records Office at (334) 420-4200, Monday through Thursday, 7:30 a.m. - 5:30 p.m. and Friday, 7:30 a.m. - 11:30 a.m.

Please note: ONLY emergency messages can be relayed to students and ONLY a serious emergency can justify interrupting a class. If a student is not in class, it is impossible for him/her to be located and notified.

Student Break Areas

Student break areas are located on each campus and equipped with vending machines for student breaks and lunch. Most students bring their lunch and eat in the student break areas or at the outdoor picnic tables. The break areas at Trenholm Campus and Patterson Site are open Monday through Thursday from 8:00 a.m. until the end of the last class. On Fridays the break areas are open from 8:00 until 11:30 a.m. The vending and student break areas are located in building D.

Lost and Found

Lost and Found is located in the Cashier’s office on both Patterson Site (Bldg. D) and Trenholm Campus (Bldg. F).

Bulletin Boards

Bulletin Boards are placed throughout the College buildings. These boards should be checked frequently for announcements of events, notices regarding academic matters, and information from the Student Government Association (SGA). The bulletin boards, located in the Student Centers and the Library, may be used by students to display announcements of interest. These announcements must be approved by the Dean of Students prior to posting. Signs, posters, or literature are prohibited from restrooms, glass panels, windows, doors, ceilings, or any surface that could be damaged by tape or tacks. Students are responsible for removing all printed literature.

No leaflets or pamphlets should be distributed on campus without the approval of the Dean of Students.

Mail

The College does not have facilities for forwarding a student’s mail. Letters and packages that are received at the College and addressed to students will be returned to the sender with the notification, “No Student Mail Service.” Only officially recognized student organizations may have mail sent to them, in care of Student Services Staff Assistant, Post Office Box 10048, Montgomery, AL 36108.

Vending Machines

Vending machines are located on both campuses. The College is not responsible for money lost in these machines. These machines are located in the Patterson Auditorium (Building D), the Trenholm Campus Student Center (Building D), the EMS department (Building E) and the Library Tower (First Floor Stairwell) 3086 Mobile Highway, Montgomery, AL 36108.

Library Card / ID

Each student is issued one Library Card/ID the first semester of enrollment at no cost. Students must wear their ID at all times while on campus. Loss of an ID must be reported to the College Library at 420-4455. There will be a $30.00 charge for a replacement ID.

Live Work

General Policies:

The State Board of Education recognizes the important role that live work plays in career and technical programs. In providing these experiences, it is not the intent of the colleges to profit by live work or to compete in any way with private enterprise.

Definition: Live work is defined as work requested from outside the classroom, which is performed by students and is directly related to the current subject matter taught as part of a sequenced course of study. Such work can be done either on campus or on a job location and includes service, repair, or production jobs of any and all kinds.

Relationship to Training: Live work will be conducted when the training program requires such projects for the acquisition of career and technical skills leading to employment. Live work will be assigned to individual students by the instructor(s) as part of the student’s training program.

Projects: Live work may be performed in specific projects for specific individuals and organizations as defined in the guidelines. The scope and extent of each project will be well defined in writing before approval. Live work projects are completed by students for instructional purposes, and individuals and organizations assume all risks associated with accepted projects. The following individuals and organizations may request live work:

- Tax supported programs and institutions
- Active and retired public employees/officials
- Students in Alabama Community College System institutions
- Charitable organizations which are supported by donations.

Live work may occasionally be conducted for individuals or organizations other than those listed in paragraph 5 above, provided that:

- Such live work is not designed for competition with private enterprise;
- The circumstances involved are unusual and justify the acceptance of the live work project; and
- The President justifies in writing why the live work is necessary for the training program and files a signed copy with the Chancellor or a designated representative.
Release of Institution Liability: The person, program, institution, or organization for which live work is done shall:
- Assume all responsibility for the results of the work being done by students;
- Bear all actual cost of materials and parts involved; and
- Pay a service charge according to a schedule as prescribed in the guidelines.

Restrictions: To avoid competition with private enterprise, live work is restricted as follows:
- Live work will be done only when it is essential to training and necessary for the acquisition of occupational skills leading to employment.
- Live work will not be performed when there is any connection with or relation to the making of a financial profit by a program, organization, institution, or individual.
- No person shall use the institution for personal gain or profit.

Off Campus Projects: The President or designee must approve off-campus live work projects.

Off-campus live work projects for any authorized individual or organization involving more than 30 clock hours must be approved by the Chancellor or Chancellor’s designee.

Building Structure On-Campus for Resale: The Chancellor must approve requests for structures exceeding five thousand dollars ($5,000).

The college must adhere to state bid laws.

Duplication Services
The College provides copy machines in the Library on both campuses for student use. Copies are charged at a cost of 10 cents per page.

First Aid
Students requiring first aid should report to their instructor. In the event that a person needs emergency medical treatment, a Dean, Division Director or Program Coordinator should be contacted. A person suspected of being seriously ill or injured (broken bones, unconscious, etc.) should not be moved until medical personnel arrive. Any costs, such as transporting seriously injured students to the hospital, hospitalization, or treatment are borne by the student. The College does not provide emergency medical service. All areas are equipped with first aid kits. Any accident should result in an accident form being generated by faculty/staff and forwarded to Safety.

Weather Cancellations
The President is the only official who has the authority to cancel classes during severe weather or other catastrophic occurrences. In the event of weather conditions severe enough to cause cancellation or a delayed opening of day classes, announcements will be made at that time. Notices will be carried on the following radio and television stations: WACV-AM 1170, WXVI-AM 1600, WBAM/STAR-FM 98.9, WHHY-FM 101.9, WLWI-FM 92.3, WMXS-FM 103.3, WVAS-FM 90.7, WXFX-FM 95.1, WZHT-FM 105.7, WCOV-TV, WNCF-TV, WAKA-TV, and WSFA-TV. Notifications will also be made through Trenholm Alert via email, text and automatic phone calls.

Student Right-to-Know
The “Student Right-to-Know” Campus Crime Report is prepared September 1 of each year. The results of the report can be found on the College website. The policies, definitions and statistics contained within the Report are compiled in accordance with the Higher Education Act of 1965, as amended by the Student Right-to-Know and Campus Security Act (PL 101-542).

Reporting Criminal Actions or Other Emergencies
Contact the following individuals, respectively, to immediately report criminal actions or other emergencies: Campus Security 207-8664 or Coordinator of Safety & Security - 334-420-4275 or Director of Physical Plant - 334-799-6544.

1. It is the policy of Trenholm State Community College that any criminal act: act or threat of violence, injury, destruction of college or personal property; traffic accident; or other situation which occurs on college property or any other site operated by the College and which may constitute an emergency, a danger to the health, safety, or property of any person, or threat to public order be reported immediately to Campus Security 207-8664.

If security cannot be reached, then the situation should be reported to the Coordinator of Safety & Security - 334-420-4275 or Director of Physical Plant - 334-799-6544. An emergency is hereby defined as any event that is disruptive to the normal affairs of the College. Members of the campus community should be alert to emergency situations and make immediate reports as outlined below.

In reporting an emergency, the caller must:
- State name,
- State type of emergency,
- State location of emergency and
- Remain in the area until assistance arrives.

2. All witnesses to any situation that fits into any of the above described categories shall make themselves available to make written statements and otherwise assist college officials and law enforcement officers in the investigation of the situation. It shall be an offense subject to appropriate disciplinary action for any Trenholm State Community College employee or student to file a false report, or knowingly make a false statement about, or interfere with the investigation of, any situation of the nature described in Paragraph 1.

3. It shall be the duty of the College, upon any employee or official being made aware of any situation of a nature described in the Paragraph 1, to immediately take all reasonable action to prevent or minimize any harm or threat of harm to the employees, students, and visitors of H. College Trenholm State Community College. Furthermore, it shall be the duty of said official(s) to notify the appropriate law enforcement agency in the event of...
an act of a criminal nature, or of any other nature (for example, a traffic accident) which would ordinarily involve law enforcement officials. Additionally, it shall be the duty of said official(s) to contact the appropriate fire department, emergency medical services, or other authority or agency which is due to be notified of the respective incident.

4. Reporting of Emergencies - On Campus
   a. Medical Emergencies: In the case of major injury or serious illness, (1) Call 911, then (2) Call campus security (see published phone list for campus numbers).
   b. Fire/Explosion/Hazardous Material Spill: In the case of fire, explosion or hazardous material spill, (1) Activate the fire alarm or otherwise notify occupants to vacate the building; (2) Call 911 to report the event; (3) Call the campus security; (4) Call maintenance.
   c. Bomb Threat: In case of a bomb threat, call the campus police.
   d. Criminal Acts: In case of criminal acts including murder, rape, robbery, aggravated assault, burglary or motor vehicle theft, Call 911, then campus security and notify any Dean within the college.
   e. Maintenance Emergencies: In case of maintenance emergencies, (1) Call: maintenance; (2) Call the campus security.

5. Reporting of Emergencies - Off Campus
   a. CALL 911
   b. Call local medical assistance and local law enforcement personnel, if applicable by dialing 911; c. Call campus security in the event such occurrence is after normal operating hours. The Campus security will in turn notify the appropriate dean.
   d. Call the College operator at 420-4200 ext. 0 and that operator will notify security.
   e. The Coordinator of Safety & Security immediately or as practical. In any event, said reporting shall be conducted through the completion of the appropriate incident reporting form.

6. Reporting of Emergencies - Off Campus Instructional Sites
   a. The College will be notified through the college Alert Notification System a tornado watch is issued.
   b. Classes are not interrupted for a tornado watch.

7. Emergency Procedures - Building Evacuation
   In the event it becomes necessary to evacuate a building, all occupants are expected to vacate the facility as directed by the signage located in each building.

8. Emergency Procedures - Tornado Watch
   a. The college will be notified through the college Alert Notification System a tornado watch is issued.
   b. Classes are not interrupted for a tornado watch.

9. Emergency Procedures -Tornado Warning
   a. The college will be notified through the college Alert Notification System to take shelter when a tornado warning is issued.

   b. Building representatives and instructors shall assist in an orderly transition to shelter locations.
   c. Building occupants must from that point, listen for additional instructions through the Alert Notification System until the warning is canceled.
   d. Building Captains will direct the movement to the bottom floor of the building in which they are located.
   e. All occupants should avoid glass areas.
   f. When the tornado threat is over, the all-clear will be given by through the college Alert Notification System and normal activities will resume.
   g. The College will not send people home during a tornado watch or warning.

Campus Law Enforcement Policies and Practices

Procedure:
1. Any criminal act; act or threat of violence; injury; destruction of College or personal property; traffic; or other situation occurring on the College campus or other similar situation shall be reported to the Coordinator of Safety & Security immediately or as practical. In any event, said reporting shall be conducted through the completion of the appropriate incident reporting form.
2. In the event that the appropriate College official cannot be contacted, then the local police department, Sheriff’s office or local State Troopers’ office, may be contacted.
3. The Coordinator of Safety & Security, representatives of the local Police Department, Sheriff’s Department, or State Troopers’ office working with official capacity of said agencies shall have full and legal authority to enforce all pertinent state, federal, and local laws at Trenholm facilities and sponsored activities on or off campus.
4. The Coordinator of Safety & Security shall be responsible for the investigation of incident reports.

Campus Programs on Security and Safety

The College shall develop and implement formalized programs for students and faculty to provide information about campus security procedures and practices and to encourage them to be responsible for their own security and the security of others. Faculty and staff meetings address the need for security and crime prevention. Law enforcement personnel are invited to address the faculty and staff during in-service training on subjects ranging from drug and alcohol awareness to drug issues in the community. Drug awareness and prevention booklets are distributed to all students. All equipment items utilized in instructional programs are recorded and inventoried each semester.

Information about campus security procedures and practices will be presented to all new students during the orientation course/program conducted at the beginning of each semester. As a minimum, this information shall include:

Student Life

Student Organizations

Student Government

Specific information on the Student Government Association (SGA) can be found in the on-line handbook governing on-campus clubs and organizations, the SGA Constitution, and it is also available in the Office of the Dean of Students. In addition to providing a mechanism for student involvement in institutional decision-making, the SGA at H. Councill Trenholm State Community College provides an educational experience. The SGA's primary purpose is to develop a sense of responsibility for adherence to accepted standards of group life. Secondarily, the SGA's purpose is to demonstrate in actual living experiences the social skills required for responsible self-government. The extent to which student self-governance is effective depends upon the degree to which students accept and perform their role in the process. Leadership development is an outcome of student self-governance. The Student Government Association, or members thereof, if involved in any incidents unbecoming of an H. Councill Trenholm State Community College Student Leader, can be impeached from office, as outlined in the constitution of the SGA. The constitution can be found on the college's website on the Student Affairs webpage, in the clubs' and organizations' manual.

Procedures To Establish Student Organizations

1. If the club/organization will be an Academic/Career-Technical/Health Science program, then the Dean of either area would have to support by written application and constitution and by-laws to be submitted to the Dean of Students for final approval. If the club/organization is independent of academic/career-technical/health science areas, the group has to register with the Office of Student Services, make application, and submit for approval the organization's constitution and by-laws. The by-laws will include the organization's mission statement, measurable goals and objectives, articles of impeachment procedures, proposed activities, etc. All aforementioned should coincide with the college's mission and in keeping with the college's rules and regulations.

2. Submit a list of prospective members (charter members for new clubs/organizations) and the proposed faculty/staff advisor of the organization to the Office of the Dean of Student Services.

3. Complete and submit the registration form packet that is required of all student organizations.

Note: A list of active clubs and organizations and descriptions of such are available in the Student Organization's Manual via the institution's website in the Student Affairs section as well as in the Office of the Dean of Student Services. Procedures and rules for remaining active, sponsoring activities, reserving facilities, etc are also available in the same areas.

Student Elected and Appointed Positions

H. Councill Trenholm State Community College provides opportunities for student democratic governance, to play a vital role in the shaping of establishing a sound voice for reason while students matriculate to graduation. The following positions are attained by an election held by the Division of Student Services. All elected positions are secured in the spring semester. Persons elected and appointed to positions as outlined are required to attend mandatory trainings and camps that are scheduled by the Dean of Student Services. Elected and appointed persons cannot be found to be indignant on any computer generated social networks, such as face book, snapchat, Instagram, bebo, etc, absent of judiciary infractions. The positions that follow are on institutional scholarship, and a brief description will be provided for some listed, detailing requirements for said positions:

Student Government President Elect-The student who is vying to become the Student Government Association President has to be a freshman entering the sophomore year; a student that if elected, cannot participate in any other major presidential elections at the college, namely Mr. or Miss Trenholm. The student has to have achieved at the time of election a cumulative grade point average (GPA) of 3.0 on a 4.0 scale. If elected, the student must maintain throughout tenure, aforesaid cumulative GPA. The student has to have and continue to exhibit high moral character, leadership capabilities to govern a cabinet, a commitment to academic honesty and excellence, commitment to the judicial process at Trenholm, a commitment to Trenholm, a commitment to the student body, a delightful personality and attitude among all constituents, a solid sense of governance, high level of dependability of students, administration, faculty, and staff, and a commitment to service initiatives. The successful elect will work very closely with the Dean of Students.

Vice President-The Vice President is the student that has the second highest votes in the presidential election. The Vice President is the direct aid to the president and should exhibit all qualities and requirements as outlined in the president’s description.

Chief of Staff-Executive Secretary-The position is for a freshman student, matriculating to sophomore year. The position is appointed by the Student Government Association President and the Dean of Students, and should exhibit all qualities and requirements as outlined in the president’s description.

Treasurer- The elected position is for a freshman student, matriculating to sophomore year. The position is elected by the student body during the presidential election and should exhibit all qualities and requirements as outlined in the president’s description.

Public Information Officer-The position is appointed to an entering freshman by the Student Government Association President and the Dean of Students. The position’s sole function is to publicize via comprehensive media the projects, events, ideals, and beliefs of the SGA. The student seeking appointment should exhibit all qualities and requirements as outlined in the president’s description.

Sergeant At Arms- The position is appointed to a freshman student matriculating to sophomore year by the Student Government Association President and the Dean of Students. The position’s sole function is to maintain order at all sanctioned SGA meetings and functions. The student seeking appointment should exhibit all qualities and requirements as outlined in the president’s description.
Elected Campus Royalty

Mr. H. Councill Trenholm State Community College Elect-The student who is vying to become Mr. Trenholm State Community College has to be a freshman male entering the sophomore year. A student, if elected, cannot participate in any other major presidential elections at the institution, namely Student Government Association President. The student has to have achieved at time of election a cumulative grade point average of 3.0 on a 4.0 scale. If elected, the student must maintain throughout tenure, aforesaid cumulative GPA. The student has to have and continue to exhibit high moral character, public speaking skills, leadership capabilities, a commitment to academic honesty and excellence, commitment to the judicial process at Trenholm, a commitment to Trenholm, a commitment to the student body, a delightful personality and attitude among all constituents, a solid sense of governance, high level of dependability of students, administration, faculty, and staff, and a commitment to service initiatives. The character of Mr. Trenholm has to yield to an acceptably groomed and neatly dressed appearance at all times; cannot have children; not being present in an inappropriate manner on computer networks such as facebook, snapchat, instagram, and/or bebo, absent of judiciary infractions; must be registered to vote, and to avoid conflict at all times. The successful candidate must understand that her first priority of extracurricular activities is to the Division of Student Services. Unbecoming behavior and being seen in places unbecoming a student leader will result in automatic disciplinary proceedings that can result in de-throning and replacement with the alternate for Miss Trenholm. The election process is predicated on 75% of the popular student vote, and 25% of the process comes from a structured interview with a cabinet designated by the Dean of Students. The interview is an important part of the process and can determine the outcome of the race. The successful elect will work very closely with the Dean of Students.

Phi Theta Kappa Honor Society

Phi Theta kappa is the world’s oldest, largest, and most prestigious honor society for two-year college students. The purpose of Phi Theta Kappa shall be to recognize and encourage scholarship among two-year college students. To achieve this purpose, Phi Theta Kappa shall provide opportunity for the development of leadership and service, for an intellectual climate for exchange of ideas and ideals, for lively fellowship for scholars, and for stimulation of interest in continuing academic excellence. To become a member of this honor society, a student must be on the Associate’s Academic Track, and must have gained a 3.5 cumulative Grade Point Average, through one semester of full-time course work. The student must be enrolled full-time at the date of application. For more information, contact the office of the Dean of Students.

Student Activities and Organizations

The faculty encourages extracurricular activities that develop individual initiative, group leadership, and cooperation. Student activities are faculty and/or staff supervised and must be approved by the College President. The College sponsors the following student organizations:

Student Government Association (SGA)

The College has an active Student Government Association. All members are involved in and concerned with the operation of the College. They provide a valuable communication link between faculty and administration and the student body. They are also responsible for fundraising activities, helping with graduation ceremonies, and assisting in the recruitment of students. The officers of the SGA are elected annually.
Ambassadors

Ambassadors exist to enhance the College image and to assist the administration in hosting scheduled community events, as well as in attaining the goals of the College. This body of student leaders is devoted to exemplifying loyalty and service to the College. Ambassadors act as a resource by promoting a positive image, hosting events, and providing a fun, comfortable, enthusiastic atmosphere for students and administrators.

Social Functions

Social activities or other entertainment must be sponsored by recognized campus organizations. College facilities will be made available to organizations for such activities when possible. Activities should follow normal approval procedures (see Procedures for Approval of Campus Activities). Any student who brings a guest or visitor to the campus or to any College sponsored activity will be responsible for the conduct of the guest.

Official Recognition of Campus Organizations

I. Chartering Procedures

A. Formation of New Organizations

Any group wishing to organize on campus must receive permission from the Dean of Students, the Student Government Association and the President by submitting a written request to them. At the appropriate time, a constitution containing the following must be presented.

1. The name of the organization;
2. A statement of purpose of the organization;
3. the membership eligibility requirements;
4. a list of chartering students;
5. a list of officers by title and any special functions of the office;
6. a statement of the terms of the officers, and the time and method of election;
7. frequency of meetings;
8. a statement of membership dues, including amount and frequency of payment and provision for disposition of any funds in the event of dissolution of the organization;
9. provisions for club advisors and name of club advisors.

B. Temporary Formation

Temporary formation will be given to organizations upon completion of the above stated regulations. The organization will be permitted to function for not more than one semester pending official charter approval.

C. Review and Approval

Three typewritten copies of the proposed constitution must be submitted to the Dean of Students for suggestions, recommendations and approval. In the event that recognition is withheld, appeal may be made to the Dean of Students. The President of the College will make the final approval decision. During the time that the application for recognition is being considered, or an appeal is being made, a group may not sponsor speakers or activities in the name of the proposed organization.

After receiving the approval of the Dean of Students, the constitution must be submitted to the Student Government Association’s Executive Committee for approval.

At the beginning of each semester, each organization must submit a current list of officers, advisors and active members to the Dean of Students.

Any change or amendment affecting the nature or purpose of the organization as originally approved must also be approved by the Dean of Students. An up-to-date copy of the constitution must be on file in the Office of the Dean of Students.

II. Club Advisors: Eligibility and Role

A. All student organizations must have one qualified club advisor. When the membership exceeds fifty, organizations are urged to obtain an additional faculty advisor.

B. Any faculty member or staff person with at least one year of service at the College may, with the approval of the Executive Vice President, serve as an advisor to a student organization.

C. The Dean of Students must approve any change in the club advisors. The Dean of Students will make every attempt to rotate club advisors to allow all interested persons to serve in that capacity. Rotation of advisors will come at the end of each semester when possible. Persons with special talents needed for a particular club will be given preference.

D. A faculty member or staff person who agrees to serve as a club advisor accepts responsibility for encouraging the organization in its mission and purpose. The advisor(s) will encourage the members to function according to the organization’s constitution and bylaws. Advisors are responsible for the following:

1. Policy and other college regulations pertaining to the student organizations and speakers;
2. The constitution and purpose of the student organization that they are advising;
3. The activities and the service projects of the organizations;

E. Meetings will not be authorized or recognized unless attended by the advisor or a substitute duly approved by the Dean of Students. The proceedings of meetings held with a substitute advisor must be reviewed by the advisor;

F. Speakers and special programs sponsored by student organizations must have the formal approval of a club advisor and the Dean of Students, in accordance with the standards set forth by the College;

G. Written requests for activities (other than normal meetings) must be made in writing to the Dean of Students at least thirty (30) days prior to the event;

H. A request for outside speakers must be made in writing minimum of thirty (30) days prior to the issuance of an invitation. (Forms are available in the Office of Admissions & Records (Bldg. F) on the Trenholm Campus.)
III. Meetings

Recognized student organizations are required to hold their meetings on campus. The College facilities will be made available when possible. Special permission must be obtained from the Dean of Students for off-campus meetings.

IV. Policies for Clubs and Organizations

Campus organizations shall be open to all students without respect to race, creed, national origin, sex or disability. All clubs and organizations must conform to the laws and policies of the State of Alabama, the ACCS Board of Trustees, Trenholm State Community College and the Student Government Association (SGA). No club or organization shall interfere or support interference with the regular academic pursuit of any student. No club or organization shall cause or encourage non-attendance of classes or campus activities without prior consent of proper College officials. In addition, the clubs or organizations will not encourage any action that might cause disrepute to a student, instructor or college activity.

V. Procedure for Approval of College Activities

The following procedures are required to receive approval of activities other than on-campus regularly scheduled meetings:

A. Submit a memo to the Dean of Students. A request to hold an activity must be made a minimum of thirty (30) working days prior to the proposed events. A request for off-campus speakers must be made a minimum of thirty (30) working days prior to the issuance of an invitation.

B. Dean of Students will notify the approval or disapproval with reasons stated no later than twenty (20) working days prior to the proposed event or the issuance of an invitation.

C. If the organization does not agree with the ruling of the Dean of Students, the organization may appeal the decision to the Dean of Students and President. The President of the College will issue the final decision.

VI. Visiting Speaker Policy

The College has established the following procedures:

A. An outside speaker (one who is not a registered member of the student body, faculty or staff of this College) may be invited to speak on campus only by a College recognized student, faculty organization, staff organization, or administrator.

B. The officers of such an organization sponsoring an outside speaker shall assume full responsibility for making the necessary arrangements, paying all expenses and preserving the peace and dignity of participants in the scheduled event. Any responsible officer who willfully violates this policy may become subject to appropriate disciplinary actions.

C. Request forms for visiting speakers are available in the Student Activities Staff Assistant’s Office in Building F on the Trenholm Campus. Completed forms must be submitted to the Dean of Students for approval. If approved, notices and printed material pertaining to the speaker will include:

1. The name of the sponsoring organization and shall not contain any implication that the speaker or event is sponsored by the College.
2. Placed only in locations approved by the Dean of Students.

D. Printed materials must be removed by the sponsoring organization within 24 hours following the scheduled event.
Division of Student Services

Mission Statement

The Division of Student Services is a State and Federally supported entity of the institution providing support services, financial affordability, safe environment, job readiness, physical fitness, life preparedness, social aptitude, and personal growth skills for all students enrolled. The Division of Student Services seeks to serve as a support base for all institutional areas providing academic, career and technical, Health Sciences, institutional effectiveness, and workforce development enhancement programs to increase the optimal development of a student’s matriculation to graduation.

College Policies Relating to Students

Student Rights and Responsibilities

As an academic community, H. Councill Trenholm State Community College exists for the pursuit of quality and excellence in education for the development of students as scholars and citizens, and ultimately, for the well-being of all communities. Free inquiry and free expression are indispensable to the attainment of these goals.

The institution’s responsibility for creating and maintaining an atmosphere conducive to these freedoms is shared by the President, administrative personnel, faculty, staff, and students.

The college community accepts its responsibilities to develop policies and procedures to safeguard these freedoms within the framework of the institution’s policies and bylaws. As integral members of the college community, students exercise responsibility while developing their capacity for critical thinking and engaging in a sustained and independent search for excellence. Students are expected at all times to exercise their freedoms in a manner that does not infringe upon the rights and freedoms of others. Students shall not be deprived of life, liberty, or property without due process, except in cases of emergency determined by the President, Dean of Students, or Coordinator of Safety & Security to immediately remove students who have been engaged in an act that compromises the safety or health of themselves or others until due process can be afforded. The student has the right to complete a student infraction form if he/she feels wronged by a party of H. Councill Trenholm State Community College. Although every student has rights and freedoms guaranteed by the U.S. Constitution, these cannot be enjoyed, exercised, or protected in a community, which lacks order and stability. It is therefore each student’s responsibility to adhere to standards of conduct as prescribed by the institution, and by local, state, and federal laws. Each student is entitled to the essential rights common to all institutions of post-secondary education which include the following:

Student Participation in Institutional Governance

As constituents of the college community, students (individually and collectively) are free to identify and address issues relative to institutional policy and matters of general interest to the student body. The H. Councill Trenholm State Community College Student Government Association represents students in institutional governance. Students are engaged in the policy materialization process through their respective government clubs, organizations, and associations, and are invited to recommend additional policies for consideration and adoption.

Citizenship

Students at H. Councill Trenholm State Community College are both private citizens and members of the college community. As U.S. citizens, students enjoy the same freedom of speech, peaceful assembly, and right of petition that other citizens enjoy. As members of the college community they are expected to follow institutional rules and regulations outlined in the Code of Conduct and in the Student Handbook. Faculty members and administrative officials ensure that institutional powers are not employed to inhibit the intellectual and personal development of students exercising their rights both on and off the campus.

Speech and Expression

Students will be free to discuss questions of interest and to express opinion. Public expression of students or student organizations reflects the views of those making the statement and not necessarily those of the college community. The institution retains the right to provide an educational environment that is safe and orderly for students, faculty, and staff.

Freedom of Inquiry and Expression

Students and chartered student organizations are free to examine and to discuss all questions of interest to them and to express opinions publicly and privately in a responsible way. They are free to support causes by orderly means including any means of peaceful assembly or advocacy, which do not infringe upon the rights or freedoms of others.

Guest Speakers

In accordance with the Campus Speakers Policy, chartered student organizations may invite persons of their own choosing for campus appearances. Such invitations must be submitted to the Dean of Student Services for review and approval before arrangements for the campus visit are finalized with the guest. Guest appearances must not interfere with the college’s regular instructional, research, and service activities and programs. Except for ceremonial occasions, invited speakers should be prepared to participate in reasonable public activities. Such public discussions may include classroom visits, attendance at receptions and related functions, media appearances, and participation in community activities, programs and projects. Invited speakers are accorded the full courtesy and protection appropriate to a college community. Individuals or groups who engage in actions designed to obstruct or in any way to prevent the presentation are subject to discipline and financial responsibility, in the event of damage to property or person. The institutional control of campus facilities and the integrity of the academic environment are not to be used as a device of censorship. Sponsorship of guest speakers does not imply approval or endorsement of the views expressed, either by the sponsoring organization or the college.

Off-Campus Speakers

The freedom of speech and assembly guaranteed by the First and Fourteenth Amendments to the United States Constitution, these cannot be enjoyed, exercised, or protected in a community, which lacks order and stability. It is therefore each student’s responsibility to adhere to standards of conduct as prescribed by the institution, and by local, state, and federal laws. Each student is entitled to the essential rights common to all institutions of post-secondary education which include the following:
Constitution shall be enjoyed by the students and faculty of H. Councill Trenholm State Community College. Free discussion of subjects of either a controversial or non-controversial nature shall not be curtailed. However, there is no absolute right to assemble or to make or hear a speech at any time or place regardless of the circumstances, content of speech, purpose of assembly, or probable consequences of such meeting or speech. Any chartered organization sponsoring outside speakers is responsible for inappropriate speeches made by outside speakers, and will be held under the disciplinary code as outlined in the manual for clubs and organizations.

Assembly and Demonstration

Students are free to organize and to associate for the promotion of their common interests. Assembly and Demonstration (just as Speech and Expression) within the public places of the college are permitted, subject to reasonable time, place, and manner restrictions. All student assemblies have to be approved by the Dean of Students or his designee. Such restrictions are provided for the maintenance of order, and are applicable to local, state laws. The Dean of Students designates areas for assembly and demonstration. Persons or groups engaged in these activities must adhere to regulations governing the use of the designated areas.

Publication and Distribution

Students are free to publish and to distribute their ideas in the form of newspapers, newsletters, leaflets, flyers, handbills, and the like, subject to time, place and manner restrictions. Publications are disseminated in the designated free expression area(s) on the campus or identified areas by the Dean of Students. All must have prior approval by the Dean of Students before dissemination, or disciplinary actions will be taken under the Student Code of Conduct.

Student Media

Student publications will maintain their integrity of purpose as vehicles of free inquiry and free expression in a college community. The editorial freedom of students, editors, and managers involves the corresponding obligation to be governed by the cannons of responsible journalism. These entail the responsibility to avoid libel, undocumented allegations, techniques of harassment and innuendo and so forth. At the same time, the following provisions safeguard editorial freedom. Student publications are free of censorship and advance approval of copy.

The Trenholm Times- The Trenholm Times is a student-guided newspaper publication in which students’ accomplishments, editorials, and services are highlighted on a semester basis. Students interested in the newspaper staff or writing an editorial should contact the Director of the Student Success Center, Building F on the Trenholm Campus.

STUDENT CODE OF CONDUCT FOR TRENHOLM STATE COMMUNITY COLLEGE

Discrimination and Harassment

Students have the right to be free from all forms of discrimination. H. Councill Trenholm State Community College does not discriminate on the basis of race, creed, color, gender, sexual orientation, age, religion, national or ethnic origin, disability, or veteran status in its educational programs, activities, admissions or employment practices. Harassment is a serious offense and can constitute but not limited to the following: unwanted comments; unwanted jokes, touching-groping or sexual suggestions; sexual favors for grades or services.

The following are outlined:

A. No person shall engage in any act of intimidation or harassment, physical force or violence that is directed against any person or group of persons because of their ethnicity, race, national origin, religion, gender, sexual orientation or preference, disability or political beliefs.

B. No person shall use the telephone (land line, cell, or computer), social media outlets, or electronic mail to harass another. Participation in such acts is subject to college disciplinary action and punishable by law.

C. No person shall be subjected to unwanted sexual advances and/or activity by students, faculty, or staff. Such acts may result in probation, suspension, expulsion, or subjection to grievance proceedings.

If a student feels that he/she has been discriminated against and/or harassed, please contact the Counselor and/or Dean of Students, in Building F-Student Services Building on the main campus.

Sexual Assault

Sexual assault is defined as (1) “sexual penetration, no matter how slight, of the genital, anal, and/or oral opening of the victim by any part of the perpetrator’s body or by the use of an object, without the victim’s consent or against the victim’s will where the victim: (a) is forced or has reasonable fear that the victim or another will be injured if the victim does not submit to the act; (b) is incapable of giving consent or is prevented from resisting due to physical or mental incapacity, which includes, but is not limited to the influence of drugs or alcohol; or (c) suffers from a mental or physical disability,” (2) the “intentional touching of the victim’s intimate parts (primarily genital area, groin, inner thigh, buttock, or breast) without or against the victim’s consent. This touching is either directly on the body part or on the clothing covering that body part, or if the victim is forced to touch the intimate areas of the perpetrator.” This policy also applies to gang assault whether directly or indirectly involved.

Participation in such acts is subject to college disciplinary action and punishable by law. Such acts may carry a sanction of probation, suspension, or expulsion.

Search and Seizure

Students have the right to secure their personal possessions against invasions of privacy and unreasonable search and seizure, subject to restrictions imposed by the Dean of Students and Coordinator of Safety & Security. However, the college reserves the right to enter occupied class rooms and/or buildings for health and safety inspections, illegal drug and alcohol suspicion, suspicion of a weapon, perceived harboring of a fugitive, in cases of emergency, and when entry is granted by authorities of the criminal justice system.
HARBORING A FUGITIVE

The safety of an H. Councill Trenholm State Community College student is largely, the responsibility and actions of the student. A student shall not harbor an individual in a campus building/facility or classroom, of any campus that is owned or leased by H. Councill Trenholm State Community College that is being sought after by campus or external law enforcement. Harboring a fugitive also extends to allowing persons to sit in, or hide in cars. Such acts will result in suspension/expulsion.

PRIVACY

Students have the right to confidentiality of information relating to personal views, beliefs, and political associations that may be obtained by administrators, instructors, counselors, advisors, and officials of the college in the course of their work.

FREEDOM FROM RETALIATION

The faculty member (whether in the classroom or in individual conference) fosters relevant free discussion, inquiry, and expression. A student is free to take reasonable exception to the information offered in any course of study and to reserve judgment about matters of opinion without threat of undue censure by the faculty member. Information about student views, beliefs, and political associations which the faculty member acquires in the course of their work as instructor, advisor, and counselor is considered confidential. Faculty members are required to inform students of the content and requirements of each course and the criteria by which student performance is to be evaluated. A student who contends to have encountered a prejudiced academic evaluation may use the college’s Student Grievance Procedure as a means of seeking redress. (See Due Process). Academic honesty is a primary responsibility of the student. Students found guilty of academic dishonesty will incur sanctions as prescribed by the college’s student judicial system.

REDRESS OF GRIEVANCES

Any time a student’s rights as outlined herein are violated, the student has the right to petition for redress through grievance procedures. A grievance is defined as the claim of an individual student that there has been a violation, misinterpretation or misapplication of a rule, policy or procedure in relation to institutional policies and procedures.

H. Councill Trenholm State Community College assures prompt and impartial consideration to any complaints, which its students may have during the course of their matriculation at the college. When circumstances require such process to be sought, students are encouraged to submit complaints or grievances in accordance with the following procedures:

Students may use this procedure without penalty or fear of reprisal.

1. Student should make an attempt to resolve the issue with the faculty or staff member verbally and in writing.
2. Student should attempt to resolve the issue with the faculty/staff member’s immediate supervisor both verbally and in writing.
3. Student should provide a written complaint to the Grievance Officer, Dean of Student Services, or designee in person or by mail.
4. Upon receipt of the complainant, the Dean of Students or designee will within five (5) working days schedule a conference with the student filing the grievance or complainant.
5. If there is no resolution in the conference, the Dean of Students will within three (3) working days schedule a judicial hearing and forward the complaint to the appropriate judicial council. The ADA Compliance Officer, if necessary, will become a part of the process at this juncture.
6. The judicial council’s decision can be appealed in writing to the Dean of Students within five (5) working days to be heard by the Appellate Judicial Council of the college.
7. The Appellate Council will hold a hearing within (5) working days of the appeal.
8. The Appellate Council’s decision can be appealed to the President of the college within two (2) working days, for a final decision.

COLLEGE DESCRIPTION OF POLICIES AND PROCEDURES RELATING TO STUDENT CONDUCT

Students and student organizations are expected and required to abide by local, state and federal laws. Students and their organizations must be aware that legal charges may be brought against them both within the college judicial system and in the civil or criminal court system. The college administration is responsible for establishing a procedure for reviewing and taking institutional action against students and student organizations found guilty of off-campus violations of local, state and federal laws. While the college does not act as a policing agent for students when they are off campus, the college reserves the right to take action if a student’s or student organization’s behavior is judged to be contrary to the pursuit of the educational mission of the college or if the continued presence of the student or the organization poses a threat to their well-being or to the rights and property of members of the college community.

All students who represent the college through affiliation with any H. Councill Trenholm State Community College organization and/or athletic team, or any college sponsored activity are required to be in good standing as a H. Councill Trenholm State Community College student. Depending upon the severity of offense(s), and/or decisions rendered by the appropriate disciplinary committee and Dean of Students, students who are found guilty of violating the Student/Collegiate Codes of Conduct and are sanctioned to disciplinary probation, suspension, or expulsion are not allowed to serve in the capacity of affiliate or representative. Affiliation and representation include, but are not limited to the following: Student Government Association, and clubs and organizations. The Dean of Students assumes general responsibility for student life and services offered by the college. In this capacity, it is the Dean’s responsibility to assure that students are informed of behaviors and activities that are unbecoming and/or unwelcome by the college, some of which are listed and discussed in this section.
The following are code of conduct issues, but not limited to, violations related to the Trenholm Student:

**Academic Dishonesty**

Cheating includes:

- Submitting material that is not the student’s as part of course performance, such as copying from another student’s exam or the reciprocal of that material;
- Using information or devices that are not allowed by the faculty; such as using formulas or data from a home computer program, or using unauthorized materials for a take-home exam;
- Obtaining and using unauthorized material, such as a copy of an examination before it is given;
- Fabricating information, such as the data for a lab report;
- Violating procedures prescribed to protect the integrity of an assignment, test, or other evaluation;
- Collaborating with others on assignments without the faculty’s consent;
- Cooperating with or helping another student to cheat;
- Participating in or performing other forms of dishonest behavior, such as having another person take an examination in your place; or altering exam answers and requesting the exam be regarded; or communicating with any person during an exam, other than the exam proctor of faculty. (Such acts will be considered a severe infraction and carry a possible sanction of suspension in semester (s) length or expulsion)

**Plagiarism includes:**

- Directly quoting the words of others without using quotation marks or indented format to identify them.
- Using sources of information (published or unpublished) without identifying them
- Paraphrasing materials or ideas of others without identifying the sources.
- Using themes, essays, term papers, tests and other similar requirements that are not the work of the student submitting them.
- When direct quotations are used, they must be indicated and when the ideas of another are incorporated in papers they must be appropriately acknowledged.
- When a student is unsure about something that he/she wants to do or the proper use of materials, a faculty member should be consulted for clarification.

Generally, if a student writes while looking at a source or while looking at notes taken from a source, a footnote should be given. Whenever any idea is taken from a specific work, even when the student writes the idea entirely in his/her own words, there must be a footnote giving credit to the author responsible for the idea. The student should never retain a sentence pattern and substitute synonyms for the original words. Paraphrasing means the alteration of sentence pattern and changing of words. Any direct quotation should be footnoted or documented in an acceptable fashion. Methods of documentation vary, and it is possible to cite in the text itself, rather than in a footnote. The student should give credit in a manner specified by the instructor. (Such acts will be considered a severe infraction and carry a possible sanction of suspension in semester (s) length or expulsion)

**Unauthorized/Illegal Web/Computer Use**

Trenholm allows and encourages the use of Trenholm owned computer resources. This use, is a granted privilege, not a right. Student use must be in accordance with all applicable laws, policies, and standards regarding acceptable use. Areas of concern include but are not limited to:

- Discriminating or libelous statements.
- Threatening, Bullying and/or Harassing via email and social media outlets
- Copyright infringements (“illegal downloading”)
- Obscene, offensive or threatening materials
- Usage primarily for financial gain or compensation not relevant to Trenholm’s mission
- Computer Hacking to access institutional records to change grades, alter account balances, etc

Failure to comply with this policy may result in charges being brought both within the college’s judicial system and in the civil or criminal court system. (Such acts will be considered a severe infraction and carries a possible sanction of suspension in semester (s) length or expulsion)

**Aiding and Abetting**

No person shall help, assist, facilitate, or promote the commission of a crime or college violation. This prohibition encompasses all assistance rendered by words, acts, encouragement, support, actual or constructive to render assistance or aid in the accomplishment thereof, by encouraging, counseling, or inciting its commission. Anyone who by any word, deed, or act directly or indirectly urges, encourages, supports or otherwise instills in the mind of another the will to so act shall be considered a principal in the commission of said crime and shall be punished in the same manner. (Such acts will be considered a severe infraction and carries a possible sanction of suspension in semester (s) length or expulsion)

**Alcoholic Beverages**

A. No student may consume or possess any alcoholic beverages, containers, or bottles in college buildings, at college sponsored functions (on or off campus) or on any property or public/private location belonging to H. Councill Trenholm State Community College.

B. The possession, sale, distribution or furnishing of alcoholic beverages is prohibited in college buildings, or on any property or public/private location belonging to H. Councill Trenholm State Community College.

C. Students who behave in an intoxicated manner as a result of the use of alcohol or require staff assistance shall be subject to disciplinary action.

D. The playing of games (or competitions) involving the use or consumption of alcoholic beverages is prohibited on the campus or at events sponsored or supervised by the college whether home or a visiting institution.

E. Common source containers are prohibited on college owned/rented property.

F. Possession of any alcohol paraphernalia is prohibited.

G. Empty alcoholic beverage containers (bottles, cans, etc.) are prohibited in/on college owned or controlled property. (Such acts will be considered a severe infraction and carries a possible sanction of suspension in semester (s) length or expulsion)
Drinking Age Law, Alabama

Effective Oct. 1, 1986, it is illegal for any person under the age of 21 to possess or be sold, given, or furnished beer or light wine. The law has serious consequences for persons who provide or sell beer/alcoholic beverages to individuals under the legal age of 21, as well as for underage drinkers.

Brands and Tattoos

No individual or organization may participate in or require others to be branded or tattooed. Students are prohibited to do tattoos/brands on the campuses of H. Councill Trenholm State Community College. Such acts are a form of hazing and carry a sanction of suspension/expulsion.

Hazing

Hazing is doing favors, being physically or verbally abused, branded, etc. to gain admittance into a club/organization. By the statue of the State of Alabama, fraternities and sororities are prohibited on community college campuses. It is prohibited for students to form groups that are not sanctioned by the college. Sanctioned Trenholm clubs and organizations that participate in any form of hazing will be subjected to suspension/expulsion. This is not a practice at Trenholm and all violators are to be reported to the Dean of Students and in cases of an emergency to campus security or a faculty/staff member.

Criminal Acts

Students who are arrested by authorities because of violation of criminal law are subject to suspension until the matter is settled by the police department or by the court. The nature of the offense and the settlement will determine what action, if any, will be taken by the college. The student may also be subject to the college’s disciplinary process. (Such acts will be considered a severe infraction and carries a possible sanction of suspension in semester(s) length or expulsion)

Deception

It is unacceptable and illegal for any person to:

A. Misuse college records, forms, or documents by forgery, unauthorized alteration or reproduction, or any other means.
B. Provide false information, either written or oral, to the college or to any administrator of the college. (Students who falsify housing and or admissions records are also subject to removal/or disciplinary action.)
C. Attempt to perpetrate a fraud against the college or the members of the college community.
D. Misrepresent information or lie. Participation in such acts is subject to college disciplinary action and punishable by law. (Such acts will be considered a severe infraction and carries a possible sanction of suspension in semester(s) length or expulsion)

Destruction of College Property

Destruction or attempted destruction or damage to college property, property of the area surrounding the college, or property belonging to a member of the college community is strictly prohibited. Every person who shall maliciously destroy, disfigure, or cause to be destroyed, disfigured, or injured the property of another, either real or personal, shall be subject to arrest and/or criminal prosecution. Students are expected to respect the property of the college and that of others. Destruction of such property, deliberate or through carelessness, will be considered a serious breach of H. Councill Trenholm State Community College’s standards. Participation in vandalism may result in a student’s arrest and prosecution by campus and/or county authorities as well as suspension/expulsion from the college. The college will request restitution. (Such acts will be considered a severe infraction and carries a possible sanction of suspension in semester(s) length or expulsion)

Arson

Any person who willfully and maliciously sets fire to, or burns, or causes to be burned; who is a party to destruction by explosion from combustible material; or who aids, counsels, or procures the burning or destruction of any state-supported school building in this state, whether in use or vacant, shall be guilty of arson and subject to expulsion.

Any person observing or witnessing the destruction by fire of any state-supported school building, whether occupied or vacant, which fire was the result of his or her act of an accidental nature, and who willfully fails to sound the general alarm or report such fire to local fire department or other local authorities, shall be guilty of a felony and, upon conviction thereof, shall be sentenced to the State penitentiary for not less than two (2) or more than ten (10) years. Any person, who by reason of his age comes under the jurisdiction of juvenile authorities and who is found guilty under section 1 (subsection 1 hereof) of this act shall not be eligible for probation unless and until at least six (6) months confinement has been served in a state reform school. (Such acts will be considered a severe infraction and carries a possible sanction of suspension in semester(s) length or expulsion)

Fires

It is illegal to possess, sell, furnish, or use any incendiary device without proper authorization. Setting or causing to be set any unauthorized fire in or on college property is also prohibited. Violations of these regulations may result in prosecution under the Alabama Criminal Code and/or expulsion from H. Councill Trenholm State Community College. (Such acts will be considered a severe infraction and carries a possible sanction of suspension in semester(s) length or expulsion)

Fire Drills, False Alarms and Sprinklers

No person shall:

A. Fail to evacuate a building or refuse to respond immediately to a fire alarm.
B. Ring any bell or operate/tamper with/or trigger any mechanical or electrical apparatus for the purpose of creating a false fire alarm.
C. Operate/tamper with/discharge/or remove any fire extinguishing equipment, emergency signs, exit signs, sprinkler system, identification of rooms or smoke detector without proper authorization.
D. Re-enter a building until it has been declared safe to do so by the appropriate staff.
E. Not comply with officials conducting the drills
Participation in such acts is subject to college disciplinary action and punishable by law. (Such acts will be considered a severe infraction and carries a possible sanction of suspension in semester(s) length or expulsion)

Fireworks

No person shall possess or explode firecrackers or other types of fireworks or explosives of any kind in any building or on any property owned or controlled by the college. Participation in such acts is subject to college disciplinary action and punishable by law. (Such acts will be considered a severe infraction and carries a possible sanction of suspension in semester(s) length or expulsion)

Disorderly Conduct or Assembly

A. No person shall assemble on campus for the purpose of causing a riot, destruction of property, or a disorderly diversion, which interferes with the normal operation of the college. (This section does not deny individuals the right to peaceful, non-disruptive assembly.)
B. No person or group of people shall obstruct the free movement of other persons about the campus or interfere with the use of college facilities.
C. The abuse or unauthorized use of sound amplification equipment in or out of doors is prohibited. (The use of such equipment must be authorized by the appropriate department).
D. Rowdy behavior, indecent language, excessive noise or drunken or drug induced behavior is prohibited.
E. Disorderly and/or obscene conduct or a breach of the peace on any college property or public function affiliated with the college is prohibited. This includes disorderly conduct in a school sponsored assembly. Participation in such acts is subject to college disciplinary action and punishable by law. (Such acts will be considered a moderate or severe infraction and carries a possible sanction of suspension in semester(s) length or expulsion)

Disruption of Classes and College Functions

Any person who, without authority, disrupts classes or other educational functions with vociferous vulgar language, loud music, fighting, confrontations with students/faculty/staff on the campus or in off-campus sites shall be arrested for disturbing the peace, turned over to civil authorities, and shall be subject to disciplinary action which may result in suspension or expulsion. This is also referenced to excessive talking and horse playing in assemblies sponsored by the college.

Disruptive Behavior

A. No person shall threaten to, or actually push, strike, or physically assault any member of the college community or any guest to the campus.
B. Students who maliciously provoke or participate in fights will be subject to disciplinary action which may result in one or more of the following penalties: arrest, disciplinary warning, probation, suspension, or expulsion.
C. Conduct, which materially interferes with the normal operation of the college is prohibited.
D. Conduct and/or expressions which are obscene, intimidating, or which are blatantly offensive to the prevailing standards of an academic community are prohibited. Participation in such acts is subject to college disciplinary action and punishable by law. Such may acts carry sanctions of probation, suspension, or expulsion.

In cases of disturbance, the following policy shall be instituted:
1. All students of the college should report to their classes whether perpetrators of the disturbance report for class or not. The basic expectation of college employees is to carry out their official responsibility. This also includes student employees.
2. On the day or days of the disruption, teachers are to check classrooms carefully and send a written report of all absences to the Dean of Instruction/designee.

Emergencies, Campus

In regular operation of every institution, it is inevitable that there will be occasions when the routine operations are interrupted and in extreme instances, suspended altogether. Such occasions may be due to weather, fire, strikes, or organized student demonstrations. In such situations, it is important for students, faculty, and employees to assure that all functions and services of the college continue. In such cases, all involved should follow directives of the Coordinator of Safety & Security.

Emergencies, Off-Campus

All off-campus emergencies are to be reported to the site monitor of the off-campus site. In most cases, each site has a police officer employed by the college. In cases where an officer is not present, local authorities should be contacted.

Dress

H. Councill Trenholm State Community College students are expected to dress in a manner representative of an educational institution. Special occasions (e.g. convocations; employment/career fairs; graduation; coronations; plays; luncheons; banquets; speeches for class/assembly) dictate that business (e.g. shirt and tie; business suit; blazer and skirt or slacks; dress) or formal wear (e.g. dinner dress, formal, business suit, or tuxedo) be worn. Other social occasions (e.g. talent shows; spring fest, dances) require informal but respectable apparel. Headdress is inappropriate for males during all indoor functions. Male headdress that includes “do rags” or scarves are considered inappropriate for the educational environment. Similarly, male dress that includes sagging or unbelted pants is considered inappropriate dress at H. Councill Trenholm State Community College.

Female students are also expected to present themselves in appropriate dress at all times. Inappropriate dress might include unreasonably short dresses, midriff tops, short shorts, halter-tops, or other apparel of a revealing nature that is worn publicly into the classroom, or to special occasions as defined in the preceding paragraphs. It is important that females (as in the case of males) are dressed in a manner that is representative of an educational institution.

In special situations, faculty members have the authority to stipulate dress regulations for their classes or events sponsored by their department. Similarly, academic colleges and departments may stipulate dress requirements to supplement their educational goals and objectives. Any member of the faculty or staff reserves the right to hinder a student from entering into a classroom or college
sponsored event due to inappropriate dress. (Such acts carry a sanction of community service, fine, probation and/or suspension.)

**Drug-Free Schools/Campuses**

H. Councill Trenholm State Community College acknowledges and adheres to the laws of the state of Alabama. The college also complies with the Drug-Free Schools and Communities Act Amendments of 1989.

In compliance with federal and state laws, at H. Councill Trenholm State Community College the following will apply:

**Drugs**

A. The possession of any drug controlled by federal or state laws on or off campus is prohibited.

B. In compliance with state and federal law, it is illegal to possess, consume, use, or distribute (or intend to distribute or use) any drug controlled by federal or state laws on the campus of H. Councill Trenholm State Community College or at event sponsored or supervised by the college.

C. The manufacture, intent to manufacture, furnish, or intent to furnish drugs controlled by federal or state law is prohibited.

D. The sale, intent to sell, purchase, intent to purchase, deliver, and intent to deliver drugs controlled by federal or state law is prohibited.

E. Possession or use of any drug related paraphernalia is also prohibited. The college reserves the right to initiate judicial action if drug violations occur on or off-campus. Students found to be in violation of the drug policy will be subjected to disciplinary action, which will result in expulsion.

**Failure to Comply**

A. Failure to respond or properly identify oneself pursuant to a request by properly identified officials of the college while in the performance of their duties.

B. Failure to report to the office of a college official for a conference, meeting, or appointment by the official.

C. Failure to appear as a witness in a disciplinary case when properly notified.

D. Failure to comply with any disciplinary condition imposed on a person by any judicial body or administrator.

E. Failure to comply with the directions of a campus security officer.

Participation in such acts is subject to college disciplinary action and carries a sanction of probation, suspension, or expulsion.

**False Representation of the College**

No person or group of persons shall claim, without proper authorization, to speak, act, or solicit in the name of the college or one of its organizations. As a member of a community of educated persons, a student is expected to exercise reasonable self-discipline and judgment when speaking or acting as a citizen.

**Financial Obligations**

Students are expected to meet their financial obligations with the college in accordance with the designated deadline dates. If obligations are not met, then the student may be subjected to a reduction in funds, will not be included in commencement exercises, and will not be granted a college transcript.

**Forbidden Objects**

The following objects are disallowed in all public areas of the college, unless authorized by appropriate officials:

1. Pets;
2. Laboratory animals, either dead or alive;
3. Open flames (e.g., candles) or any combustible decoration or device
4. Alcoholic beverages and/or beverage containers. (See Alcohol Policy)
5. Athletic equipment such as bats, weights, balls, etc.
6. Firearms, fireworks, and weapons of any kind.

**Fraud**

It is unacceptable and illegal for any student to partake in:

A. False representation of a matter of fact, whether by words or by conduct.

B. False or misleading allegations or by concealment of that which should have been disclosed.

C. Deceive another so that he/she shall act upon it to his/her advantage.

D. Intentionally alter the truth for the purpose of inducing another in reliance upon it to part with some valuable thing in an effort to surrender a legal right.

Participation in such acts is subject to college disciplinary action removal from the dormitory, fines, and punishable by criminal and campus law.

**Gambling**

Gambling is not permitted on the premises of H. Councill Trenholm State Community College or at any activity sponsored by the college whether on or off-campus. Violators are subject to arrest and prosecution by civil authorities as well as to college disciplinary action, which may result in one of the following penalties: disciplinary warning, probation, suspension, expulsion, or dismissal from classes. Unauthorized playing of games for money or other items of value is prohibited. Possession of such may result in probation, suspension, or expulsion.

**Immoral Relationships**

Students who engage in immoral or illicit acts on campus will be subject to disciplinary action. Such acts include the use of obscene gestures, improper body exposures, stripping, vulgar language to or in the vicinity of students, staff members, administrators, or faculty or visitors of the college. Said sanctions will apply: probation, suspension, expulsion.

**Insubordination**

Students are expected to respect persons in authority. To disagree or hold a different point of view is normal, but the rule of mutual respect should prevail. Gross disrespect to persons in authority will not be tolerated. By Federal Statue, it is unlawful to threaten faculty of an educational institution. If a student verbally threatens a faculty member, then the student can be arrested, subjected to college disciplinary proceedings, and bound over to the police.
courts of Montgomery County. Violators will be subject to disciplinary action, which may result in one of the following penalties: disciplinary warning, probation, suspension, or expulsion.

**Joint Responsibility**

All persons who knowingly act in concert to violate college regulations have individual and joint responsibility for such violations and such concerted acts are prohibited.

**Moral Turpitude**

An act of baseness, vileness or depravity which brings shame to the college and is in contradiction to the letter and spirit of the college’s Code of Conduct, good citizenship and ethics is strictly prohibited. Violators will be subject to disciplinary action.

**Parking Regulations**

All parking restrictions on the campus of H. Councill Trenholm State Community College are landmarked throughout the campus. Students are prohibited to park in employee or reserved parking. Handicapped signs are strategically placed around campus for the convenience of those needing such accommodations. All students enrolled at H. Councill Trenholm State Community College are to affix parking decals on all vehicles driven on campus as well as off-campus locations.

**Pets**

To protect the interest and safety of students and employees, it is the policy of the college not to allow pets in any college building, including but not limited to administrative buildings, classroom buildings and gathering halls. “Pets” are considered dangerous animals, domestic or wild, in the company of a student, faculty member, guest, or visitor to the college, and does not apply to service dogs. If the policy is violated, the student is subject to dismissal from classes, suspension, and/or expulsion.

**Picketing**

It shall be unlawful for any person, singly or in concert with others, to engage in picketing or mass demonstration in such a manner as to obstruct or unreasonably interfere with free ingress or egress to and from any public premises, state property, county or municipal courthouses, city halls, office buildings, jails, or other public buildings owned by the State of Alabama, or any county or municipal government located therein or thereon conducted or so as to obstruct or unreasonably interfere with free use of public streets, sidewalks, or other public ways adjacent or contiguous thereto. Any person guilty of violating this act shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be fined not more than five hundred dollars ($500), or imprisoned in jail not more than six (6) months, or both such fine and imprisonment.

**Restrooms**

Restrooms are designated separately for men, women and gender-neutral (designed for use by any gender). All individuals are required to utilize the gender-specific or gender-neutral restrooms as appropriate. Gender-neutral restrooms must be locked upon entry and there is a notice to that effect on the doors. Any individual utilizing the opposite gender’s restroom will be subject to disciplinary action. Gender-neutral restrooms are located as follows:

**Smoking**

Smoking is not permitted in the auditoriums, classrooms, lecture rooms, dining hall, gathering halls, gymnasia, or any other buildings at H. Councill Trenholm State Community College. Any person that smokes has to do so within 35ft of any building. Participation in the reverse of this act is subject to college disciplinary procedures.

**Solicitation - Vendors**

College property, although recognized as state property, is considered “specialized use” state property and, therefore, subject to reasonable restrictions and guidelines designed to foster the purposes to which the institution is dedicated. Rules are promulgated to enhance the purposes of the educational institution and to protect the individual rights of students and those members of the general public wishing to give students the opportunity to purchase their services or goods. Adherence to the following:

A. No group or individual may conduct a sales campaign on any campus/center of the college, to include—but not limited to, classrooms, administrative buildings, or any other campus location.
B. Private individuals, student or non-resident student, may not conduct a sales campaign in classrooms, administrative buildings, or at any other campus location.
C. Door-to-door sales are prohibited. Placing door hangers on classroom doors or signs on cars in college owned parking lots is prohibited.
D. Nothing herein shall be construed as prohibiting commercial solicitation to individual students by telephone, mail, or email.

**Students Riding in Automobiles**

The college assumes no responsibility or liability regarding students riding in or parking private vehicles on campus. It is a privilege for students to drive on the campus of H. Councill Trenholm State Community College. The college reserves the right to revoke that privilege at any time for reasons not limited to excessive parking tickets, reckless driving, and parking in restricted areas.

**Theft**

No person shall take, attempt to take, or keep in his/her possession items, not legally possessed by him/her, including but not exclusively, items of college property, or items belonging to students, faculty, staff, student groups, or visitors to the campus, without proper authorization. No person shall sell a textbook that is not his/her own without written permission of the owner.

Participation in such acts is subject to college disciplinary action to include a maximum sanction of expulsion and punishable by law. The college assumes no responsibility for theft of a student’s personal property.
Trademark Guidelines

Campus clubs and organizations and individual students may use the H. Council Trenholm State Community College name, trademarks, or logos only with the written approval of the President.

Unauthorized Entry and Use -- College Facilities or Equipment

A. No person shall make unauthorized entry into any college building office, parking lot, or other facility. Nor shall any person remain, without authorization, in any building after normal closing hours.
B. Unauthorized use of equipment is prohibited. This includes unauthorized use of computers and computer programs. Attempts to access restricted records and programs are prohibited. Such actions are a violation of the Student Code of Conduct.
C. Unauthorized entry into vehicles is prohibited.
D. Unauthorized use of bathrooms, exits, or windows is prohibited.
E. Unauthorized use or duplication of keys is prohibited.
F. Unauthorized use or possession of any parking permit (hang tag) is prohibited.
G. No person shall enter or attempt to enter any dance, social, athletic event or any other recognized college organization without credentials for admission (i.e. ticket, identification card, invitation, etc.). Credentials should be that of the person seeking to gain admittance.

Participation in such acts is subject to college disciplinary action punishable by law, and may result in a fine, probation, suspension, or expulsion.

Violation of Law

Violation of local, state, or federal law on the campus is prohibited. Violations off campus which constitute either an aggravated misdemeanor or felony will be presumed to affect the student’s ability to function as a member of the college community and the student will be subject to disciplinary action by the college. Additionally, Trenholm State Community College has the right to sanction its students for off-campus violations. Trenholm State Community College has the right to sanction each student violator regardless of court hearings, upcoming court dates, or outcomes of such hearings.

Weapons and Firearms

It shall be a felony for any person to possess, carry, whether openly or concealed, any gun, rifle, pistol, or other firearm of any kind, or any dynamite cartridge, bomb, grenade, mine, or powerful explosive(s) on educational property. Weapons of any type are not permitted in any area under college control or at any activity registered with the college. Violators will be subject to arrest and subject to prosecution by civil authorities. College disciplinary action also applies and the student may be expelled from the college.

Note: Violators are subject to college disciplinary action which will mandate expulsion and will be punished by law.

Student Code Of Conduct/Definition Of Terms

To maintain an atmosphere on the Trenholm State Community College campus and host sites that is conducive to academic pursuits and fosters the growth and development of all members of the college community, a series of procedures and regulations governing student conduct and behavior has been established. Included in the procedures and regulations, which collectively are known as the Student Code of Conduct, are statements concerning expectations regarding student conduct, guarantees of student rights, and procedures for adjudicating allegations concerning student misconduct. The penalties for violation of these regulations are also contained in the Student Code of Conduct.

All students at Trenholm State Community College are expected to read and become familiar with all sections of the Student Code of Conduct. Each student is individually responsible for adhering to the regulations contained in the Code. A student who is found to have violated these regulations will be subject to disciplinary action, ranging from a disciplinary warning to suspension/expulsion. The severity of the sanction is dependent upon the severity of the offense as determined by the judicial officer, the Dean of Students/designee, or the appropriate judicial council. Discipline will be levied in all instances except those in which a qualified, licensed, mental health professional has communicated to the college in writing that the actions were caused by severe psychological problems sufficient to warrant the immediate withdrawal of the individual from the college. In each instance, the individual may not re-enroll at Trenholm State Community College for at least two full academic semesters and then only upon the written recommendation of the mental health professional.

Principles for Collegiate Conduct

Trenholm State Community College Collegiate Code of Conduct is designed to address the principal behaviors and conduct which are expected of students, faculty, and staff as they interact in a diverse learning environment. It is intended to enhance a student’s success in the classroom as well as in their campus life.
The tenets for this covenant are:

Integrity
Respect and embrace the principles of academic honesty

Philosophy
Embrace an academic philosophy for positive progress toward competency in goals, critical and logical thinking and a commitment to excellence.

Class Attendance
Participate actively in classroom and other learning environments and commit to becoming a lifelong learner.

Diversity
Celebrate the similarities and differences in our cultures, races and ethnic origins.

Communications
Encourage open communication and expression, which is guided by respect for others.

Behavior
Understand that sexual and social harassment will not be tolerated. Therefore, always dress for success.

Profanity
Discourage the use of profanity and offensive actions out of respect for others.

Accountability
Accept personal responsibility for one’s actions and life choices and realize that embracing negative elements of an unhealthy lifestyle will interfere with success.

Service
Engage in civic and service-learning opportunities to share knowledge and skills with local, national and world communities.

Respect
Embrace and respect tradition by participating in rituals and observances, especially those that contribute to the history and heritage of the college.

Assessment
Conduct periodic assessments of academic, personal and career progress. Stay focused on the purpose for being at the college.

Campus Safety
The student is encouraged to always think safety first when engaging in educational environments, social scenarios, and on and off-campus activities. Please, be alert of surroundings and threats to safety and inform appropriate authorities of such situations.

Students that swerve, horseplay, play loud music in vehicles, hang out of vehicles, have possession of drugs/ paraphernalia or alcoholic beverages in vehicles on the campus of Trenholm State Community College or host sites of the college will be arrested, adjudicated, fined (not to exceed $500) the vehicle will be impounded at the students’ expense and the student may be placed on probation, suspended, or expelled.

Freedom
Respect the freedom of others to express themselves in matters relating to academic and philosophical opinions.

Philosophy of Student Conduct and Discipline

The student disciplinary function of Trenholm State Community College is an integral part of the educational mission of the college. Learning responsible behavior and self-discipline are part of the educational process. The college expects its students to obey national, state, and local laws, to abide by the regulations of the college, to respect the rights and privileges of others, to support the purposes and standards of the institution, and to conduct themselves in a manner that brings no discredit to them or to the institution. In the event that students fail to demonstrate such behavior, the college has the obligation and right to discipline them. The acceptance of this implied right of the college by parents, guardians, and/or students is a prerequisite for enrollment as a student at Trenholm State Community College. The college’s judicial system and other components of the program emphasize the development of each individual’s acceptance of his or her own personal and social responsibilities.

Behavior, which is not in keeping with standards acceptable to the college community, is often symptomatic of attitudes, misconceptions, and emotional crises. Addressing aforementioned traits is an essential component of the disciplinary process. An educational approach to discipline is employed whenever possible. The college judicial system and appeals process are designed to provide and help maintain an atmosphere within the college community that is conducive to academic pursuits. Stringent disciplinary measures against a student or a group of students, such as suspension or expulsion, are instituted only when lesser remedies are inconsistent with the college’s mission.

The college, however, recognizes its responsibilities to all members of the community (i.e. students, faculty, staff, guests of the college, and members of the local community). The protection of personal and institutional rights and property, therefore, is a primary focus of the disciplinary process.

Honor Code

I will be honest in all of my academic course work and will not indulge in or tolerate the academic dishonesty of my counterparts or peers. I will not partake in any type of misconduct, misrepresentation, or immoral behavior that will harm, damage or endanger any person, property or myself or reflect negatively against me or hinder my academic continuance. I will strive to achieve excellence and to complete degree requirements without hesitation. I am a valuable part of the Trenholm State Community College family, and proud of it.

On the campus of Trenholm State Community College, the Dean of Students collaborates with all involved to provide a safe environment for students. The office of the Dean of Students is located in Building F, Student Services Building on the Trenholm Campus.
1.00 Abduction and/or Kidnapping. Enticing, persuading or forcible seizing and carrying of any student, faculty, staff or college official from one place to another without that person’s consent. (Suspension/Expulsion)

1.10 Academic Dishonesty. Misconduct, dishonesty, misrepresentation, immoral behavior that will harm, damage or endanger any person or property or hinder academic continuance. (Probation/suspension/expulsion)

1.20 Aiding and/or Inciting. Aiding, abetting, persuading, and/or procuring another person or persons to commit any act of misconduct in the college community or environment; the persuading or aiding of another person to breach the peace on college premises or at functions sponsored, approved by, or participated. (criminal court sanctions/suspension/probation/expulsion) in by any member of the college. Gatherings of groups of students on/off of the premises in such a manner which causes damage to public or private property, causes injury to persons, or interferes with the orderly functioning of the college or with the normal flow of traffic or ordinary procedures. (Warning/Probation/Suspension)

1.30 Alcoholic Beverages. The use, consumption, possession, purchase, sale, and/or distribution of alcoholic beverages on college property, in cars or other vehicles, or at any of the college’s activities (whether on- or off-campus) are prohibited, except as expressly permitted by the college regulations, exceptions, or local, state, and federal laws. (Fine not to exceed $500, probation, suspension, or expulsion)

1.31 Alcohol/Drug Intoxication. Appearing in public on the college/host site premises while intoxicated or under the influence of alcohol or illicit drugs is strictly prohibited. This includes any disorderly conduct regardless of whether such conduct results in injury to persons or property, as a result of intoxication. (fine not exceed of $500, probation, suspension, or expulsion)

1.40 Animals (pets). Having pets or other animals (e.g. dogs, cats, snakes, birds, hamsters, etc.), with the exception of seeing-eye dogs (when accompanied by their owner) and tropical fish in an aquarium or other approved containers in buildings, including classrooms, and offices, except when needed in connection with a handicap person or with the written permission of the Dean of Students, is prohibited. (fine not to exceed $500, probation, suspension, or expulsion)

1.50 Arson/Fire Setting. The malicious, fraudulent, and/or intentional burning of property on the college premises is prohibited. Acts include, but are not limited to, creating fires, setting a personal fire, open flames, and/or igniting flammable materials.

Willfully starting a fire in college buildings or on college property, which includes but is not limited to bonfires and cookouts, without the proper authorization of the college Safety Director and the Dean of Students is prohibited. Compliance with local and state fire codes must be assured and verified. (Suspension/Expulsion)

1.60 Assault. The intentional harassment, degradation, threat or intimidation of another in an attempt to commit a battery or the intentional placing of another in reasonable apprehension of receiving a battery. This includes engaging in, attempting or intending to engage in any form of mental, physical, verbal or mental abuse, coercion, which is directed toward another person or group of people which creates an intimidating, fearful or offensive environment in the classrooms, offices, and on the college premises. (arrest, criminal adjudication, probation, suspension, or expulsion) In general, physical contact is not required.

1.70 Attempted Offenses. An attempt to commit an act on college property, or involving members of the college community (that is faculty, staff, student, or campus visitor) in an offense that would be in violation of any law, code of conduct, rule, regulation of local, state or federal criminal code. (fine, warning, probation, suspension, or expulsion)

1.80 Battery. The unlawful application of force to the person of another. (criminal adjudication, suspension, expulsion)

1.81 Aggravated Battery. An unlawful act of violent injury to the person of another, accompanied by circumstances of aggravation, such as the use of a deadly weapon is prohibited. (Expulsion)

1.90 Classroom And General Violations. Students must comply with campus life regulations. Any combination of three infractions committed during a semester will result in disciplinary actions. The following are prohibited:

A. Children in classrooms  
B. Loud music  
C. Playing video games in a gathering  
D. Horse playing  
E. Vandalism  
F. Engaging in barbering and cosmetology practices on the outside of classrooms, buildings  
G. Sexual Activity in/or around classrooms, buildings  
H. Fighting  
I. Disrespect of instructors, administrators, staff, housing staff, to include custodial staff  
J. Defacing property  
K. Inappropriate dress  
L. Loitering/Littering  
M. Disrespecting others  
N. Drugs/alcohol use/possession/sale/intent to distribute  
O. Gang Activity; fights of more than two on one; signs; paraphernalia  
P. Spreading harmful rumors  
Q. Cell phone usage in classrooms/assemblies  
R. Unauthorized selling of tapes, dvds, cds, snacks, food, clothing, merchandise, etc.  
S. Joyriding/tampering with/on college or state owned property  
T. Bullying and Harassing

Such acts or synonymous acts are prohibited and carry sanctions such as a warning, community service, fine not to exceed $500 (Unless the infraction is destruction or defacing property and restitution is a larger sum), probation, suspension, expulsion, or a combination thereof.

2.00 Contempt Of Hearing. Contempt of hearing violation includes (1) the failure to appear before a judicial body after receiving the proper notification of a scheduled disciplinary hearing or conference, (2) willful disobedience to, or displaying open disrespect...
for a college judicial board member such as the use of
profanity, threatening behavior, or derogatory remarks,
comments, and/or gestures, and (3) failure to comply
with disciplinary conditions as sanctions imposed by a
judicial body or judicial administrative officer or staff
person. Contempt charges will require the student to pay
a disciplinary fine (to be determined by the appropriate
council) (forfeiture of due process rights, probation,
suspension, or expulsion).

2.10 Damage to Property/Destruction of Property.
Damage, vandalism or destruction to property owned or
leased by the college or personal property belonging to
an individual, including but not limited to, car vandalism,
walking on roofs of a university building, defacing
structures and facilities, littering, unauthorized biking,
skate boarding in inappropriate areas, marking, egging,
littering, painting, spraying, hallways, lobby areas,
classrooms, doors, bricks, and siding without the proper
authorization is prohibited. (probation, community
service, suspension, fine, or expulsion)

2.20 Dangerous, Threatening, and/or Unsafe Behavior.
Any conduct or behavior, which threatens or endangers the
health or safety of any person in the college environment.
This includes, but is not limited to, verbal threats to
injure or harm another, horse playing, practical jokes,
abductions, and kidnapping. (probation, community
service, suspension, fine, or expulsion)

2.30 Disorderly Conduct, Obstruction, and/or Disruption.
Disorderly conduct is any offensive or annoying act that
upsets the peace. It includes but is not limited to conduct
which is offensive or annoying to others or is disruptive
to the rights of others. It includes excessive noise, misuse
of musical instruments, noise producing devices, talking
excessively loud, failure to properly dispose of trash or
food trays, shouting, loud stereo or radio sets; horseplay,
practical jokes, and general annoyances; throwing any
dangerous objects in a college facility or from the window
of a college facility or onto the premises of the college.
Breaking lines during registration, at campus events and
activities, and so on, is deemed disorderly conduct.
The intentional obstruction, interruption, hindrance,
or disruption of teaching, research, administration,
ceremonies, disciplinary proceedings, or other university
tasks and activities; interfering with duties of a student,
faculty/staff member or college official; withholding
information vital to any investigation carried out by
an authorized agent of the college; creating excessive
noise which can be heard in other areas of the campus
and which interferes with the normal operations of the
college; creating excessive noise which can be heard in
other areas of the campus and which interferes with the normal
operations of the college is prohibited. In so much as
students are responsible for the behavior of their guests,
students may receive sanctions if they permit their guests
to behave disorderly on campus. (probation, community
service, suspension, fine, or expulsion)

2.40 Distribution of Illicit Printed Material.
Distribution of printed materials that are libelous,
derogatory, scurrilous, sexually explicit, pornographic,
or that encourages violations of public laws or college
regulations is prohibited. (probation, community service,
suspension, fine, or expulsion)

2.50 Drugs (Illegal)/ Drug Paraphernalia.
The consumption, sale, distribution, manufacturing,
purchase, passing of, or being in the presence of or the
vicinity of illegal drugs, narcotics, the accessory to, or
aiding and abetting of any controlled substances, are strictly
prohibited from all locations of the college, and beyond
the premises according to all local, state, and federal
laws. Illegal drugs also include all prescription drugs
without a valid medical prescription. Drug paraphernalia
is strictly prohibited at the college. Paraphernalia is
defined as all equipment, products, and materials of any
kind used to facilitate planting, propagating, cultivating,
growing, manufacturing, converting, processing,
purchasing, packaging, storing, concealing,玩耍 with
injecting, ingesting, inhaling, or otherwise introducing
a controlled substance into the body. The scope of this
prohibition includes drugs or paraphernalia that is on
the person or in the possession of a student on property
owned or controlled by the college and/or at events and
activities sponsored by the college, and involves related
incidents that are subject to prosecution under local, state,
and federal laws. The illegal possession of and/or use
of drugs, or drug paraphernalia includes, but is not limited to
roach clips, bongs, masks, scales, balances, sandwich
bags or plastic bags and their corners, sifters, syringes,
spoons, chamber pipes, homemade pipes, film canisters,
diluents, spray cans, carburetor pipes, paint, pipes, using
screens, water pipes, and any other equipment, products
and materials that can be directly linked to the usage of
controlled substances. Improper behavior or conduct on
the campus which is a result of the use of illegal drugs
which means that one who, having consumed or used
drugs, experiences a loss of the normal use of his/her
mental and/or physical faculties is restricted. (Expulsion)

2.60 Failure to Comply. Failure to comply with the
directions of college officials (including campus
security) acting in the performance of their duties; failure
to promptly identify oneself to college officials when
requested; failure to comply with disciplinary sanctions
are prohibited. This includes direct disobedience of a
lawful order of a college official, as well as failure to
evacuate a building during a fire alarm, drill, or when
otherwise so ordered by a college official, fire department
staff, or local law official. (probation, community service,
suspension, fine, or expulsion)

2.70 Forgery, Dishonesty, Fraudulent Acts, and/or
Misrepresentation.
Forgery of names, signatures, documents (personal,
public, and/or private) will not be tolerated. Forgery,
deceptive acts, misrepresentation and/or dishonest acts
include, but are not limited to materials, alteration,
and misuse of college documents, records, or student
identification cards, or documents and records belonging
to another, cheating, plagiarism, or other forms of
academic dishonesty; tampering with the election of any
college recognized student organization; malfeasance
or misuse of elective or appointive office in a student
organization, its members, or the welfare of the college
community; and fraudulently issuing worthless checks to
the college. Lying, knowingly giving false information
to the college or its officials, other forms of dishonesty
in college-related affairs is also prohibited. The scope
includes, but is not limited to the following: lying,
fraudulently obtaining, altering, falsifying, transferring,
loaning, selling or misusing or attempting intended
misuse of an ID card, validation sticker, or any college
document or service. (probation, suspension, fine, or
expulsion)

2.80 Guest’s Behavior.
Students are responsible for the behavior of their guests
whom they invite to the campus or permit to visit on the campus. If a guest is found to be in violation of the Code of Conduct while in the company of the student host or with the student host’s knowledge, applicable charges will be brought against the guest, as well as against the student host or the host student organization (probation, community service, suspension, fine, or expulsion).

2.90 Harassment (Verbal and/or Physical).
The excessive physical annoyance of or the use of verbally abusive language by any person on college-owned or controlled property (on or off-campus sites) or while on the premises of, or while in attendance of college-sponsored or supervised events is considered to be harassment and is prohibited. The scope of any form of harassment includes language to physical acts which degrade, insult, taunt, or challenge another person by any means of communication, verbal, so as to provoke a violent response, communication of threat, defamation of character, use of profanity, verbal assaults, derogatory comments or remarks, sexist remarks, racists remarks or any behavior that places another member of the college community in a state of fear or anxiety (probation, community service, suspension, fine, or expulsion).

3.00 Hazing.
It is strictly prohibited for a person or organization to, in the course of another person’s initiation into or affiliation with any organization, intentionally or recklessly engage in conduct which creates a substantial risk of physical and/or mental injury to such other person or to a third person. This includes asking favors or demanding services from a person seeking to join a college sponsored club/organization (probation, community service, suspension, fine, or expulsion).

3.10 Health and Safety Violations.
This means any behavior which creates a risk or danger to others of the college community, throwing objects from windows or balconies, failure to keep one’s room in a condition that is safe and sanitary, unlawful disposal of toxic chemicals, or failure to maintain reasonable standards of cleanliness and safety as defined by the college. (probation, community service, suspension, fine, or expulsion).

3.20 Identity Disclosure/Identification Cards.
Failure to carry a valid college student identification card (when possession is in reason) while on the college property or failure to present it to a college official, security officers, administration, and staff members upon request is unacceptable. Fraudulently obtaining, transferring, selling, loaning, fabricating, manufacturing, falsifying, altering, misusing or attempting or intending to misuse one’s ID card is prohibited. Presenting a false name or other identification, including false or invalid ID card, to a college official, while in the performance of their duties is prohibited. (probation, community service, suspension, fine, or expulsion).

3.30 Indecent, Obscene, Immoral Behavior, and/or Profanity.
Conduct, which is disorderly, lewd, indecent and/or portrayed on the premises of the college or at college sponsored or supervised activities on/off campus will not be tolerated.

Such acts include the use of obscene gestures, improper body exposures, stripping, vulgar language to or in the vicinity of students, staff members, administrators, or faculty or visitors of the college or when visiting other colleges and/or venues. (probation, community service, suspension, fine, or expulsion)

3.40 Moral Turpitude.
An act of baseness, vileness or depravity which brings shame to the college and is in contradiction to the letter and spirit of the college’s Code of Conduct, good citizenship and ethics is strictly prohibited. (probation, community service, suspension, fine, or expulsion).

3.50 Motor Vehicles, Traffic Violations, Parking Violations.
Violation of properly constituted rules and regulations governing the use of motor vehicles (e.g., automobiles, motorcycles, etc.) on college-owned or controlled property on/off-campus locations or at college sponsored or supervised activities is prohibited. This also includes driving and parking on grass and sidewalks. Traffic tickets of the same offense will increase on the second and third offenses. Failure to obey traffic and parking regulations is punishable by the college’s Department of Safety. (probation, community service, suspension, fine, or expulsion).

3.60 Rape.
Forcing or coercing another, regardless of sexual gender, personal affiliation, and/or affiliation with the college to engage in the act of sexual intercourse without that person’s consent, or when the sexual intercourse is deemed without the person’s consent because the person (victim) is incapable of understanding the nature of the act by reason of stupor or abnormal condition of the mind produced by an intoxicating or narcotic agent administered by the offender. (Expulsion)

Tampering with safety equipment is a serious violation of the Code of Conduct and is subject to expulsion and/or criminal prosecution. Making a statement verbally/writing a false fire or bomb alert, by any means including a telephone call or by a warning device, theft, removal of, or tampering with security cameras, fire extinguishing or safety equipment, exit signs, smoke alarms and detectors, fire hoses, sprinkler systems, hoses, fire mischief, or violation of college guidelines regarding fire safety, or standard safety (e.g., failure to follow evacuation procedures or obstructing the evacuation of a building during a fire, fire drill, or any other type of emergency) is strictly prohibited. (suspension, fine, or expulsion).

3.80 Sexual Assault.
The forcing of or attempting to force another person regardless of sexual gender, personal affiliation, and/or affiliation with the college to participate in sexual intercourse and/or other sexual activities against his/her will is prohibited. Such misconduct includes verbal coercion, threats and physical restraint, also will not be tolerated. Disciplinary sanction for such acts will lead to expulsion. Violators also are subject to criminal prosecution.

3.90 Sexual Battery.
The forcing of or forceful intention of engaging in sexual misconduct by physical contact and/or excessive force (with or without a weapon) which leads to physical pain toward another person regardless of sexual gender, personal affiliation, and/or affiliation with the college, without his/her consent or when such sexual contact is deemed offensive to the victim, will not be tolerated by the college. Disciplinary sanction for such acts will lead to expulsion.
4.00 Sexual Harassment.
Regardless of sexual gender, personal affiliation, and/or affiliation with the college, sexual harassment is defined as unwelcome and unsolicited sexual advances, requests for sexual favors or other verbal, visual or physical conduct or communication with sexual overtones that the victim deems offensive. Sexual harassment includes, but is not limited to unsolicited, deliberate, or repeated sexual flirtation, advances or propositions verbally/written; verbal abuse of a sexual nature; display of sexually suggestive pictures or objects; and/or offensive or abusive physical contact of a sexual nature. If such acts occur with student to student; faculty/staff to student; student to faculty/staff; or faculty/staff to faculty/staff, an incident reporting form should be completed and submitted to the office of the Dean of Students to begin an investigation. Such acts are taken seriously by the college and will not be tolerated; therefore, if these acts are alleged by a victim or transmitted as a rumor and the accusations are deemed as false, then the person(s) alleging the accusations will then be subjected to like disciplinary proceedings (to include sexual assault and battery). (probation, suspension, fine, or expulsion)

4.10 Solicitation. Unauthorized selling, collection of monies, and promotion (flyers) on campus or within college buildings is not permitted without permission of the Dean of Students. Students may not act as agents for business firms which entail solicitation or the receiving of business offers or goods on college property. Further, students may not solicit on behalf of the college without the permission of the Dean of Students. Use of any college facilities for business purposes of any nature, (e.g. the selling of food, clothing, jewelry, merchandise, favors, manicures/pedicures, hair perming/styling/braiding, barbering, babysitting etc.) are prohibited. (probation, community service, suspension, fine, or expulsion)

4.20 Theft/Misappropriation.
Theft is defined as the wrongful taking of money or property without the consent of the owner, and/or the secreting of anything stolen, regardless of where the theft occurred; stealing from another person, agency, institution, or the college; the taking of property belonging to another, with the intent of converting the property to one’s personal use; the unauthorized taking or consumption of food from a campus event; unauthorized use of another’s credit card; and failure to return another’s personal property upon request or within a reasonable period of time. Misappropriation, the taking of property belonging to another by mistake and/or without the owner’s permission, but with no intent to convert the property to one’s personal use is not permitted. This includes unauthorized moving or relocation of college furniture to one’s own room or to some other area, illegal and/or unauthorized possession or sale of any property without the proper authorization, and possession of property which has been reported lost or stolen. (probation, community service, suspension, fine, or expulsion)

4.30 Trespassing.
Unauthorized presence on, in or within any building or property owned or operated by the college (including technology labs, shop areas, gymnasiums, fitness center, field houses, classrooms, offices, buildings, etc.), or the unauthorized entry into or remaining in a facility, or in a private room or office under the control of another, after having been asked to leave. Unauthorized campus visitors will be subject to arrest and criminal proceedings.

4.40 Unauthorized Use/Entry Of College Facilities.
Unauthorized use of equipment, occupancy of, or unauthorized entry into or exiting from college facilities is prohibited. Unauthorized entry/exiting includes the entering and/or occupying and improper exiting of college facilities that are locked, closed or restricted for use to certain or all persons. Unauthorized entry or exiting into and from residence halls, without proper permission into living quarters or other buildings and/or structures or college premises, or the aiding and assisting of such is prohibited. (probation, community service, suspension, fine, or expulsion)

4.50 Weapons/Firearms.
The use, possession, consumption, or display of weapons, firearms, or explosives is strictly prohibited on the premises of the college. Weapons include, but are not limited to the following: rifles, shotguns, ammunition, handguns, air guns, BB guns, bowie knives, daggers, switchblade knives, butcher knives, metallic or brass knuckles, explosives (including dangerous chemicals), water guns, play guns, firecrackers, propelled missiles, fireworks. The possession or use of items that resemble guns, knives, or other weapons are also strictly prohibited. When course content and classroom assignments require the use of such items, Divisional Deans should give prior written approval to the Dean of Students as a matter of record. (Expulsion)

Disciplinary Procedure for Trenholm State Community College

Authority
By virtue of the approved by-laws and policies of the Trenholm State Community College, the President of the college is charged with the responsibility of maintaining “appropriate standards of conduct” for students. This duty has been delegated to the Dean of Students or his designee. The Dean of Students or his/her representative is further authorized to expel, dismiss, suspend and place limitations on continued attendance and to levy penalties for disciplinary violations. The Dean of Students is aided by judicial councils.

Judicial Council
Three committees are appointed to hold hearings for students accused of violating the regulations of the college:

Inter-Student Services Disciplinary Council:
Composed of Student Services professionals (Dean of Students-presiding officer/designee) hears all informal cases and in some instances cases of formal proceedings, involving infractions that will constitute sanctions of probation, fines, suspension from school in length, and/or community service. The Council sometimes can be composed of various Student Services professionals that can hear a formal case, and also in rare cases in which the Administrative Judicial Council sends a case(s) back to a lower council. The Council also serves as an appellate council.

Student Judicial (Court) Council:
Composed of Student Government Association members
(Chief Justice of the SGA-presiding officer; Faulty member and staff member advisor) Council hears cases that the Dean of Students considers to be minor/moderate infractions that will constitute sanctions of probation, fines, and/or community service. Council makes recommendation to the Dean of Students to either uphold, reject, or modify sanctions imposed in the informal hearing.

**Administrative Judicial Council:**

Composed of a quorum of the executive cabinet of the college (Dean of Students-presiding officer-ex officio member), the Council hears cases that the Dean of Students constitutes to be severe infractions that may lead to a recommendation of suspension or expulsion. Before proceedings began, council reserves the right to send the case back to a lower council based on the merit (s) of the infraction per reading all reports. Council also serves as an appellate council.

Note: The Dean of Students also reserves the right to meet with students outside of council proceedings in an effort to minimize the volume of cases being referred. The Dean of Students has the right to remove a student from campus and off campus sites until more official proceedings can materialize. In cases involving the Dean of Students, the Dean’s designee will be the presiding officer.

**Disciplinary Procedures**

The following rules of procedures for adjudicating alleged violations of the Trenholm State Community College Student Code of Conduct are established for use by the Student Services Disciplinary and Appeals Committees. The administration of sanctions at the college is an educational process that is not designed to be punitive, and will experientially demonstrate its intent to be of a fair, appropriate, truthful, and due processed procedure. Disciplinary procedures may be initiated by the college (Dean of Students) or by the designee of the Dean of Students. The complaint or an official incident report must be investigated prior to judicial proceedings being invoked. If a student is suspended for a semester or academic year, or expelled from the institution (permanent separation) the registrar, financial aid director, and fiscal affairs director will be notified by the Dean of Students to administratively withdraw the student from Trenholm State Community College. However, a permanent file will be maintained by the office of the Dean of Students and the Office of the Registrar.

**Judicial Process**

A. The student (s) involved shall be notified within three (3) working days in writing by the Dean of Students that a report has been filed involving him/her in an incident that is in direct violation of the Trenholm State Community College code of conduct. The notification will outline the time and place of the informal hearing, and if the student does not attend he/she invokes his/her rights to formal proceedings.

B. The student, at the informal hearing, is presented with charges, given an opportunity to respond to the charges presented, given an opportunity to confront his/her accuser, and an opportunity to accept/reject the proposed discipline (sanction) by the appropriate council via a signed document materialized by the Division of Student Services.

C. If sanctions are necessary and the student does not accept the discipline (sanction), based on evidence and/or witnesses that are requested by the accused to be presented/heard in formal proceedings, hearing procedures are then invoked within three (3) working days of signing the form invoking rights to formal proceedings. A time and place of the hearing will be sent to the student (s) and the appropriate council will hear the case. If the student does not sign the disciplinary form, the student automatically invokes his/her rights to formal proceedings that could lead to probation, suspension, or expulsion, for disrespecting the code of student conduct and the judicial process of Trenholm State Community College. If the student (s) fails to appear before any council, the council will make a decision in his/her absence, and the student shall be notified in writing of the council’s decision, which will stand as record for the student (s) involved. The Dean of Students will notify the student (s) of the council’s decision in writing to be mailed to the student’s (s) address which was submitted on the application to the college.

D. The student can bring witnesses, an advisor, and/or an attorney to the formal hearing, but the student (s) has to notify in writing the office of the Dean of Students two (2) days (48 hours) prior to the hearing but can only be heard at the discretion of the presiding officer. If a witness that is a student of the college is present and engages in false testimony or misrepresentation/falsification, the student (s) will at that time become a part of the judicial process of the college and sanctions may be imposed.

E. When a student is accused of violating the Student or Collegiate Codes of Conduct and criminal charges are pending against the student, an attorney may be present. In this instance, the role of the attorney is limited and passive. The attorney cannot actively participate in the hearing or ask questions of the witnesses or judicial council members. The attorney’s role is to advise the student regarding self-incrimination and to observe the proceedings. If a student does not have present criminal charges pending, an attorney, however, will not be permitted to be present during any disciplinary proceedings.

F. When the judicial process of college officials involves a ward of the State, residence of a living/treatment facility, a felon, an individual that poses a threat to others, or an individual already a part of a criminal case and/or investigation, the Dean of Students at discretion will contact and cooperate with the cooperating agency whether it be state, federal, or local.

**Disciplinary Hearing Procedures**

A. To ensure that Trenholm State Community College is strictly adhering to FERPA Laws, disciplinary hearings are private and confidential involving the student and the council. Hearings are closed to the campus community, media, and the general populous.

B. The Dean of Students’ assignment of cases to the appropriate judicial council determines the hearing officer.

C. The format begins with the presentation of charge (s) and proceeds with:

D. Call for the accused to respond to the charge(s), present witnesses and/or evidence

E. Supporting testimony and information on the charge(s),

F. Presentation of the accuser’s testimony, witnesses, and/or evidence

G. Examination and questioning of accused, accuser,
and possibly the witness/advisor by the members of the council
H. Deliberation by the council
I. Decision by the council to include:
J. Recall of precedent of prior sanctions made on like infraction(s)
K. Finding on a question of guilt or innocence
L. Sanctions, if any rendered to the presiding officer
M. Presiding officer renders the decision verbally to the accused, then the accuser (both parties are bound to strict confidentiality rules; if not, student (s) will be subjected to disciplinary proceedings)
N. Transcript will be transcribed and submitted to all parties involved
O. Transcript will be filed in the Office of the Dean of Students

Due Process

The following due process procedures are afforded to all ID card carrying students at Trenholm State Community College who are involved in cases which may result in disciplinary sanctions:

A. The student (s) shall be notified in writing that he/she has been perceivably involved in an incident that is in violation of the Trenholm State Community College code of conduct. The notification will be submitted to the student (s) within three (3) working days and will provide the date, time, and place of the judicial hearing.
B. The individual will be permitted to face and question his/her accuser (s) and witnesses testifying against him/her at the hearing. At the discretion of the hearing officer, both the accused and the accuser have the right to provide evidence and witnesses to prove otherwise or to speak on their behalf.
C. After due consideration of the appropriate judicial council, the council shall render to the presiding officer a verbal and/or written decision.
D. The student, if opposed to the sanction (s) rendered by a council, has the right to reject the sanction and invoke appeal proceedings.
E. The student has to provide in writing within three (3) working days of the hearing, to the Dean of Students, the basis of the appeal, new evidence, and/or new witnesses. An appeal will not be granted, unless the aforementioned are not evident.
F. The Dean of Students will decide if an appeal is warranted, and if so, notify the student and the appropriate council to schedule a date, time and location within three (3) working days of the hearing, and send the case to the appropriate council for an appeal hearing.
G. If an appeal hearing is granted, and the appellate council makes the recommendation to the Dean of Students, the student has the right to submit his/her case to the President of the college. The President will then advise the Dean of Students of a recommendation to be carried out regarding the case or correspond with the student (s) directly.
H. If the student is still not satisfied with the decision, the student has the right to submit their case to the Office of the Chancellor for the Alabama Community College System (please see ACCS Policy on the Student Services web page).
I. In cases where the student (s) has been adjudicated/pending cases in the courts of counties, state, or federal entities, and also involved in a breach of Trenholm State Community College’s code of conduct, the student’s (s) case outside of the college will determine the fate of the student’s (s) matriculation at Trenholm State Community College. The college will continue its case involving the student (s) after the external case against him/her is settled, and said student (s) might be suspended until that time.

Note: In cases in which the Dean of Students constitutes an emergency, Due Process proceedings will be foregone temporarily, and the student (s) will be removed from all premises of Trenholm State Community College until order is restored. Infractions of the college’s rules, regulations, and sanctions consisting of fines, reprimands, probation, and work assignments will not become a part of a student’s permanent record.

Rights Of Victims

In a judicial hearing, both the accused student and the victim have rights.

The rights of the victim are listed below:

- To choose whether to charge the student with a violation of the law. The victim may also formally charge him/her with a violation of the Student or Collegiate Code of Conduct, resulting in an informal hearing with a judicial council or formal hearing before the appropriate Student Services Disciplinary Council.
- To have a person(s) of their choice accompany them throughout the judicial process.
- To submit a victim impact statement to the hearing officer of the Student Life Disciplinary Council prior to a penalty being imposed.
- To have past unrelated behavior excluded from the hearing.
- To be informed of the results of disciplinary hearing, in compliance with the Campus Police and Student Right to Know Act with the permission of the Dean of Students.
- To have adjustments made in residence hall living arrangements if necessary. Trenholm State Community College has an obligation to protect members of the college community from physical harm or from a student whose continued presence on campus presents a clear and present danger to themselves or others. Notwithstanding the victim’s right to bring charges, the college reserves the right to investigate and take appropriate action against a student accused of a violent physical or verbal assault.

Responsibility of the Accused Student

- A student accused of alleged violations of the Student or Collegiate Codes of Conduct is notified to appear in the Office of Judicial Affairs for an informal hearing (conference) with the Dean of Students or notification is given in reference to a specific date and time to appear before the appropriate committee for a formal hearing.
- If the student accepts responsibility for the violation, he/she may request to waive all further hearings and accept the decision of the Judicial Officer (Dean of Students/designee) as final and binding for all purposes.
- The student may request that his/her case be heard by the appropriate council. In the event that the request is approved for a formal hearing, the Dean
of Students will conduct a hearing to determine responsibility if the student denies the charges, and/or impose a penalty when responsibility is determined. The option to have a case heard by a council is not available during holidays, between semesters, or when a council is not available to meet.

- The student may request that the Dean of Students to adjudicate his/her case. The Dean of Students will conduct a hearing to determine responsibility if a student denies the charge(s), and/or to impose a sanction when responsibility is determined.

Rights of the Accused Student Violator

When a student is charged with violation of the Student or Collegiate Codes of Conduct, disposition of the student’s case shall be according to constitutional requirements of due process and in keeping with the judicial procedures outlined below.

Students charged with violations of the Trenholm State Community College Student or Collegiate Codes of Conduct are entitled to:

A. Be presented a written specification of charges.
B. Have a fair and impartial hearing.
C. Know the nature of the evidence against them and names of witnesses scheduled to appear at the time of the hearing.
D. Present evidence and witnesses in their behalf.
E. Be accompanied at a hearing by an advisor of their choice. When a student is accused of violating the Student or Collegiate Codes of Conduct and criminal charges are pending against the student, an attorney may be present.
F. Be present at the hearing during the presentation of any evidence or material on which a decision will be made. If the student fails to attend the hearing, it will be held in the student’s absence. Failure to appear after proper notification may result in suspension from the college.
G. Refuse to answer questions.
H. Ask questions of witnesses through the hearing officer only.
I. Have a decision based on evidence presented and the vote of the committee.
J. Be presented a written notice of results of the hearing.
K. A Student Advisor. Students who are alleged to have violated the Trenholm State Community College Student or Collegiate Codes of Conduct can request assistance in the identification of an advisor by contacting the Office of the Dean of Students. Students may seek advice from an individual chosen by the student. Advisors may aid the accused student in the following ways:
   - Develop a fair and logical defense.
   - Inform the accused student on hearing procedures.
   - Be present at the hearing. Space will be made available for the advisor to sit with the accused.
   - Advise the accused during the hearing at the appropriate time only and on appropriate matters relating to the hearing. The advisor is not allowed to speak during the hearing proceedings, and may not conduct the defense of in any way actively participate in the hearing.
L. Request an appeal of a decision of suspension or exclusion from the college, according to established guidelines.

Judicial Sanctions

Terms And Definitions

Admonishment. A warning to the student to refrain from any and all actions that may result in disciplinary action. No sanctions are given, unless the student violates the Trenholm State Community College rules and regulations or Student or Collegiate Codes of Conduct.

Campus-Community Service. A sanction imposed upon a student as a result of a violation of the Student or Collegiate Codes of Conduct. Service is provided by the student to a specific on-campus area or department of the college for a specific amount of hours as imposed by the judicial body. Monetary compensation is not provided. A service contract is to be signed detailing the tenets of the service to completed. NOTE: Failure to complete required campus service will result in the student being placed on a disciplinary hold, fine, or suspension from the college.

Exonerate. To clear the accused of any and all blame, with all charges being dismissed or dropped.

Fine. A monetary payment imposed as punishment for an offense. Payment must be made to the college for violations of the Student or Collegiate Codes of Conduct. NOTE: A disciplinary fine may range from $25.00 (twenty-five dollars) to $500.00 (five hundred dollars), depending upon the severity of the offense(s).

Probation. A specified amount of time, involving restrictions, after which college authorities will determine if the student’s behavior has improved. During this time period, the student may receive additional disciplinary measures resulting in suspension, if he/she is involved in violations of any type of the college Student or Collegiate Codes of Conduct and/or the breaking of any laws. The types of probation are Regular and Indefinite. NOTE: Probationary statuses range from one (1) semester through graduation. A violation of a probationary status may result in the student being immediately suspended from the college.

Loss Of Privileges. A student who receives a judicial sanction will be notified in writing of the specific privilege(s), which he/she has lost. The privileges may include removal/eviction from on-campus facilities, events, sporting, activities, and restrictions from affiliation and or representing the college.

The written notification shall include the time period for which the student has lost certain privileges.

Pre-Hearing Suspension. The Dean of Students or designee may suspend students from the college pending a scheduled judicial hearing, given the severity of the infraction.

Research Assignments. Based on the nature of the offense, students may be required to complete a research assignment as a part of the service agreement on a topic related to the offense committed. The research assignment must be typed, completed and submitted by the deadline.
specified. It must be thorough, comprehensive, and scholarly. The completed project must also conform to other specifications that may be given by the Dean of Students or judicial body. NOTE: Failure to comply with the terms of this sanction will result in a fine or temporary suspension from the college until all matters are agreed upon by the student and the appropriate official or all requirements have been completed.

Restitution. Compensation, reimbursement of, or a required replacement of, a loss, injury, or property (personal or private) by the student in violation. Restitution must be made within a specified time period. Failure to pay full restitution to the appropriate party will result in the student being placed on disciplinary hold and/or suspension. NOTE: Restitution is due in full, prior to or within the 30th day from official notification to the offender, unless otherwise approved by a judicial administrator.

Suspension. Dismissal from the college for a specific period of time following severe acts of violation of the Student or Collegiate Codes of Conduct or violation of a present probationary status. Suspensions are recorded on the student’s permanent record. Students suspended from the college are required to return their student identification card and room keys and may not return to campus for the duration of their suspension, except to conduct official business with an administrative officer or faculty member, and then only with prior permission of the Dean of Students/designee. If a student returns to the campus without permission during the period of suspension, his or her eligibility to return to Trenholm State Community College will be threatened and he/she will be subject to arrest. During the period of suspension, the student is not eligible or entitled to receive any college services. His or her name is deleted from the roster of enrolled students and from the faculty class roll. The student will not get credit for course assignment, papers, projects, make-up work, or other course-related work during the period of suspension. During the period of suspension, therefore, the student’s relationship with the college is terminated, and he or she is, in fact persona non-gratis. If a student is suspended from the college, a letter will be sent to his or her parents and the registrar, non-gratis. The student(s) should understand that a student who receives a sanction of expulsion is not eligible to apply for readmission to the college and will not be allowed on the main campus or off-site campus for any reason. When a student is expelled from the college, the student’s relationship with the college is permanently severed, unless criminal acts and/or restitution is pending and the student is persona non-gratis. The student(s) should understand that an arrest will be warranted if to be found on the premises of Trenholm State Community College.

Special Notation to Students

Each violation of the Trenholm State Community College Student or Collegiate Codes of Conduct is treated separately from any other case. Disciplinary sanctions will vary accordingly, depending upon the severity of each offense. All sanctions will be determined on an individual basis; however, all mitigating circumstances are reviewed and taken into consideration by the appropriate Judicial Council, the Dean of Students or designee. Therefore, students may or may not receive similar sanctions for offenses of the same or similar nature.

Appendix: A. Disabled Student Services Grievances

A grievance is defined as the claim of an individual employee or student that there has been a violation, misinterpretation or misapplication of a rule, policy or procedure in relation to policies or the laws. The grievance procedures outlined in the faculty, staff, and students handbooks may be used by any faculty, staff, or student to resolve disability complaints.

Trenholm State Community College assures prompt and impartial consideration of any complaints, which an individual may experience in the college environment. When the circumstances require, faculty, staff, or students are encouraged to submit complaints or grievances in accordance with the procedures outlined below. Faculty, staff, or students may use this procedure without penalty or fear of reprisal. Particular attention must be given to the time period shown for each step of the grievance process. For example:
• Request for accommodations, academic adjustments, auxiliary aids, and services for individuals with disabilities are as follows:
• Request for accessible location for classrooms or offices due to a physical disability.
• Request for extended time due to a learning disability.
• Request for a sign language interpreter due to a hearing impairment, etc.

Informal Grievance Procedure (Disabled Student Services)

1. A grievance should be filed in writing, with the name and address of the person filing it and a brief description of the alleged violation.
2. A grievance should be filed within 60 days of the alleged violation or such time after the complainant becomes aware of the alleged violation. (Processing of allegations of discriminations, which occurred before this grievance procedure was in place, will be considered on a case-by-case basis in a prompt and equitable manner.)
3. The investigation shall be conducted by the Dean of Students, consulting the American with Disabilities Act Compliance Officer. The investigation shall be informal but thorough, affording all interested persons and their representatives an opportunity to submit evidence relevant to a grievance.
4. A written determination as to the validity of the grievance and a description of the resolution, if any, shall be issued by the Americans with Disabilities Act Compliance Officer and a copy forwarded to the complainant no later than 10 days after its filing.
5. The Dean of Students and the Americans with Disabilities Act Compliance Officer shall maintain the files and records of Trenholm State Community College relating to the complaints filed.

Formal Grievance Procedure (Disabled Support Services)

If the informal grievance process has not led to a mutually satisfactory resolution of the problem at the written request of the faculty, staff, or student, the Dean of Students will refer the matter to the Administrative Council. The Administrative Council will be comprised of three full-time, non-academic employees appointed by the Dean of Students. The committee’s purpose is to review the grievance thoroughly and render a decision. The committee’s decision can be appealed to the Dean of Students and an appeals process shall be invoked within three (3) business days of the request.

After a thorough review of the grievance, the committee shall have five (5) working days to render a written decision to the Dean of Students. The Dean of Students shall review the recommendation and make a written recommendation to the President. The decision will be communicated within ten (10) working days to the faculty, staff, or student that filed the grievance or the appeal. The decision of the President shall be final for the college. The student has the right to submit their case to the Office of the Chancellor of the Alabama Community College System (ACCS).

For Assistance

When faculty, staff or students have concerns related to the ADA or Section 504, they should address this information to:

Mrs. Wanda Kirk-Campbell
ADA Compliance Officer/Counselor
Trenholm State Community College
Post office Box 10048
Montgomery, AL 36108
(334) 420-4316

The ADA Compliance Office is located in Building F, Student Services Building, on the Trenholm Campus.

VA Complaint Policy

Any complaint against the school should be routed through the VA GI Bill Feedback System by following the link: http://www.benefits.va.gov/GIBILL/Feedback.asp. The VA will then follow up through the appropriate channels to investigate the complaint and resolve it satisfactorily.
General Policies

Equal Opportunity/Equal Access

It is the official policy of the Alabama Department of Postsecondary Education and H. Councill Trenholm State Community College that no person shall, on the grounds of race, color, disability, sex, religion, creed, national origin, or age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program, activity, or employment. If you have a disability, and may require accommodations, notify the Dean of Students at 420-4332.

Alabama Gun Law and State Board Policy

The Alabama Act 3013-283, commonly referred to as Alabama’s “Gun Law,” that takes effect August 1, 2013 does not apply to Trenholm State Community College, its buildings or property identified as such. State Board policy 511.01: Firearms on Campus, prohibits firearms on campus or on any other facility operated by Alabama Community College System institutions. The policy expressly lists the limited exceptions to this policy, and they are limited to the following:

1. Law enforcement officials legally authorized to carry such weapons who are officially enrolled in classes or are acting in the performance of their duties; or

2. An instructional program in which firearms are required equipment.

Violations of this policy shall lead to disciplinary action or removal from the premises by law enforcement.

This policy applies to all points of public entry in all buildings operated by Trenholm State Community College. If there are questions, please call the Coordinator of Safety & Security at 334-420-4275. (DPE Memorandum 82013-EXE-051)

Americans with Disability Act

H. Councill Trenholm State Community College complies with the provisions of the Americans with Disabilities Act of 1990 (ADA), which makes it illegal to discriminate against individuals with disabilities in employment, public accommodations, public services, transportation, and telecommunications. For additional information contact the Dean of Students.

The Clergy Act

H. Councill Trenholm State Community College abides by the Jeanne Clery Act, a consumer protection law passed in 1990, which requires all colleges and universities who receive federal funding to share information about crime on campus and their efforts to improve campus safety as well as inform the public of crime in or around campus. At Trenholm, this information is made publicly accessible through the college’s annual security report.

Under the Act, Trenholm must provide survivors of sexual assault, domestic violence, dating violence, and stalking with options such as changes to academic, transportation, or living, or working situations, and assistance in notifying local law enforcement, if the student or employee chooses to do so. It also provides both parties in a campus disciplinary process certain rights. Trenholm outlines specific policies and procedures within their annual security reports, including those related to disseminating timely warnings and emergency notifications, options for survivors of sexual assault, domestic violence, dating violence, and stalking, and campus crime reporting processes.

Rehabilitation Act

H. Councill Trenholm State Community College complies with equal opportunity in its employment, admissions, and educational programs and activities in compliance with Section 504 of the Rehabilitation Act of 1973. For additional information contact the Dean of Students.

Drug-Free Schools and Campuses Act

H. Councill Trenholm State Community College is a public educational institution of the State of Alabama and, as such, shall not permit on its premises, or at any activity which it sponsors, the possession, use or distribution of any alcoholic beverage or any illicit drug by any student, employee or visitor.

In the event of the confirmation of such prohibited possession, use, or distribution by a student or employee the College shall, within the scope of applicable Federal and State due process requirements, take such administrative or disciplinary action, which may include, but shall not be limited to suspension or expulsion. For an employee, such administrative or disciplinary action may include, but shall not be limited to: Reprimand, suspension, termination of employment, or requirement that the employee participates in and/or successfully completes an appropriate rehabilitation program. Any visitor engaging in any act prohibited by this policy shall be called upon to immediately cease from such behavior.

If any employee, student or visitor shall engage in any behavior prohibited by this policy which is also a violation of Federal, State or local law or ordinance, that employee, student or visitor shall be subject to referral to law enforcement officials for arrest and prosecution.

Computer Crime Act

The provisions of the Alabama Computer Crime Act are applicable at H. Councill Trenholm State Community College. This act provides for criminal prosecution of any person(s) who knowingly, willingly and without authorization destroy or manipulate intellectual property.

Harassment Policy

It is the policy of H. Councill Trenholm State Community College that students be provided an academic atmosphere free of harassment, including sexual harassment. Every member of management is responsible for enforcement of this policy and for setting an example with respect to conduct. The exploitation of institutional, academic or supervisory authority to sexually harass students, faculty or staff is a form of illegal sex-based discrimination. Violation of this policy is a violation of Title XI of the Education Rights Act of 1972 and of Title VII of the Civil Rights Act of 1964. Furthermore, violation of this policy can lead to suspension or termination from employment, liability for H. Councill Trenholm State Community College, and civil or criminal liability for the harassing employee.
Sexual harassment is a form of sex discrimination. The common element of a variety of forms of sexual harassment is the inappropriate introduction of sexual activities or comments into the workplace or learning situation. While sexual harassment may involve relationships among equals, it often involves relationships of unequal power, giving rise to elements of coercion centered on sexual activity for opportunities of benefit such as improved job or academic status.

Substance Abuse Prevention

In cooperation with agencies of the Alabama Department of Mental Health, Trenholm State Community College provides a Substance Abuse Prevention Program which includes the following components: one group seminar per semester; counseling services on a referral basis; pamphlets, posters, and other informational materials. For additional information contact the Office of the Dean of Students on the Trenholm Campus at (334) 420-4320.

Internet Acceptable Use Policy
Purpose & Intent

The purpose and intent of the H. Councill Trenholm State Community College Internet Acceptable Use Policy, is to provide information specific to the appropriate use of the Internet at ANY computing device on either campus of Trenholm State. This Acceptable Use Policy (AUP) specifically addresses authorized users of the facilities and/or equipment of the college. Unauthorized users and violators of the policies are subject to the maximum penalties of local and state rules, regulations, and matters of law.

Institutional Purpose of Providing Internet Access

The Internet, via the Alabama Research and Education Network (AREN), is provided for the SOLE purpose of supporting the educational activities of the college. AREN has established its own Acceptable Use Policy and AREN’s restrictions are in addition to the requirements of the Trenholm State AUP.

The Internet is specifically provided to authorized users for the purpose(s) of:

• supporting course enhancements requiring access to the Internet
• providing a means of e-mail communications for students and faculty
• enabling staff, faculty, administration, and students a means to research topics of interest in support of all areas of endeavor within the purview of the college
• conducting administrative operations of the college

• downloading and/or storing and/or installing personal materials NOT specific to educational purposes or directly authorized by the instructor of record
• changing ANY settings on computer systems in ANY lab/classroom WITHOUT EXPRESS WRITTEN OR VERBAL CONSENT OF THE INSTRUCTOR OF RECORD
• gaming, IN ANY FORM
• viewing sites that are obscene, threatening, or violate any other policies of the Internet use of the college, and
• using the Trenholm State Internet connection for ANY other manner, application or purpose that violates the strict educational purposes of the college.

VIOLATION(S):

All incidents and/or infractions will result in loss of privileges to college Internet resources. If the Violation warrants, legal remedies may be pursued on behalf of the College. Such legal actions will result from, but are not limited to:

• illegal transmissions/receptions of a threatening nature
• illegal downloading of copyright materials for use and/or distribution
• illegal viewing of illicit materials

Trenholm State exclusively reserves the right to monitor, store, and review all Internet traffic on the Trenholm State Network for the purpose of determining violations of this AUP. ANY Internet user who is in violation of this policy is subject to appropriate disciplinary and/or legal action.

All AUP policy violations by students are subject to review by the Dean of Students. Policy violations by employees are submitted to the college HR department for further comment and/or action. Issues of acceptable use that are in question should be submitted in writing to the Asst Dean of Information Technology for interpretation. Until questionable use is resolved, in writing, questionable use should be strictly considered as “not acceptable.”
