Therefore, new students seeking enrollment without a high school diploma or recognized equivalent (GED), or who fail to meet the home or private school requirements will no longer be eligible to receive federal financial aid as of July 1, 2012.

RESIDENCY

For the purpose of assessing tuition, applicants for admission will be classified in one of three categories.

I. Resident Student

- A resident student will be charged the in-state tuition rate established by the Alabama Community College System.
- A resident student is an applicant for admission who meets all legal requirements or is a duly registered resident in the state of Alabama for at least twelve (12) months immediately preceding application for admission, or whose non-estranged spouse has resided and had habitation, home, and permanent abode in the state of Alabama for at least twelve (12) months immediately preceding application for admission. Consequently, an out-of-state student cannot attain resident student status simply by attending school for twelve (12) months in the state of Alabama.
- In the case of minor dependents seeking admission, the parents, parent, or legal guardian of such minor dependent must have resided in the state of Alabama for at least twelve (12) months preceding application for admission. If the parents are divorced, residence will be determined by the residency of the parent to whom the court has granted custody.
- Minor: An individual who, because of age, lacks the capacity to contract under Alabama law. Under current law, this means a single individual under nineteen (19) years of age and a married individual under eighteen (18) years of age, but excludes an individual whose disabilities of non-age has been removed by court of competent jurisdiction for a reason other than establishing a legal residence in Alabama. If current law changes, this definition shall change accordingly.
- Supporting Person: Either or both of the parents of the student, parents who are living together, or if the parents are divorced or living separately, then either the parent having legal custody or, if different, the parent providing the greater amount of financial support. If both parents are deceased or if neither have legal custody, supporting person will mean, in the following order: the legal custodian of the student, the guardian, and the conservator.

In determining resident student status for the purpose of charging tuition, the burden of proof lies with the applicant for admission.

1. Students having graduated from an Alabama high school or having obtained a GED in the state of Alabama within three (3) years of the date of application for admission shall be considered resident students for tuition purposes.
2. An individual claiming to be a resident will certify by a signed statement each of the following:
 - a) a specific address or location within the state of Alabama as his or her residence;
 - b) an intent to remain at this address indefinitely;

- and
- (c) possession of more substantial connections to the state of Alabama than with any other state.

Though certifications of an address and an intent to remain in the state indefinitely will be prerequisites to establishing status as a resident, ultimate determination of that status will be made by the institution by evaluating the presence or absence of connection with the state of Alabama. This evaluation will include the consideration of the following connections:

- consideration of the location of high school graduation;
- payment of Alabama state income taxes as a resident;
- ownership of a residence or other real property in the state and payment of state ad valorem taxes on the residence or property;
- full-time employment in the state;
- residence in the state of spouse, parents, or children;
- previous periods of residency in the state continuing for one (1) year or more;
- voter registration and voting in the state; more significantly, continuing voter registration in the state that initially occurred at least one year prior to the initial registration of the student in Alabama at a public institution of higher education;
- possession of state or local licenses to do business or practice a profession in the state;
- ownership of personal property in the state, payment of state taxes on the property, and possession of state license plates;
- continuous physical presence in the state for a purpose other than attending school, except for temporary absences for travel, military service, and temporary employment;
- membership in religious, professional, business, civic, or social organizations in the state;
- auxiliary services in the state of checking and savings accounts, safe deposit boxes, or investment accounts; and in-state address shown on selective service registration, drivers' license, automobile title registration, hunting and fishing licenses, insurance policies, stock and bond registrations, last will and testament, annuities, or retirement plans.
- Students determined to be eligible for resident tuition will maintain that eligibility upon re-enrollment within one (1) full academic year of their most recent previous enrollment unless there is evidence the student subsequently has abandoned resident status, for example: registering to vote in another state.
- Students failing to re-enroll within one (1) full academic year must establish eligibility upon re-enrollment.

II. Non-Resident Student

- a) A non-resident student is one who does not meet the standard of having resided in the state of Alabama for at least twelve (12) months immediately preceding application for admission.
- b) A non-resident student will be charged the in-state tuition rate established by the Alabama Community College System under the following circumstances,

provided such student is a citizen of the United States.

1. The dependent student is one:
 - a. whose supporting person is a full-time permanent employee of the institution at which the student is registering; or
 - b. whose supporting person can verify full-time permanent employment in Alabama and will commence said employment within ninety (90) days of registration; or
 - c. whose supporting person is a member of the United States military on full-time active duty stationed in Alabama under order for duties other than attending school; or
 - d. whose supporting person is an accredited member of a consular staff assigned to duties in Alabama.
2. The student is not a dependent (as defined by Internal Revenue Codes) who:
 - a. is a full-time permanent employee of the institution at which the student is registering or is the spouse of such an employee; or
 - b. can verify full-time permanent employment within the state of Alabama or is the spouse of such an employee and will commence said employment within ninety (90) days of registration with the institution; or
 - c. is a member of or the spouse of a member of the United States military on full-time active duty stationed in Alabama under orders for duties other than attending school; or
 - d. is an accredited member of, or the spouse of, an accredited member of a consular staff assigned to duties in Alabama.

In determining non-resident student status for the purpose of charging tuition, the burden of proof lies with the applicant for admission. The College may request proof the applicant meets the stipulations noted above prior to admission.

III. Out-of-State Student

1. Any applicant for admission who does not fall into Section II (Non-Resident Student) above shall be charged a minimum tuition of two (2) times the resident tuition rate charged by that institution.
2. Students initially classified as ineligible for resident tuition will retain that classification for tuition purposes until documentation is provided verifying eligibility for resident tuition.

IV. Residency Policy for Veterans, Dependents, and Spouses

For the purpose of assessing tuition, students who are veterans, dependents, and spouses will receive in-state tuition rates if classified as one of the following:

1. The student is a member or spouse of a member of the United States military on full-time active

duty stationed in Alabama under orders other than attending school.

2. Commencing on May 22, 2012, the student has been a member of the Alabama National Guard for a period of at least two years immediately preceding qualification for resident tuition and continues to be a member of the Alabama National guard while enrolled at the public institution of higher education.
3. The student is a veteran of the Armed Forces of the United States, provided that the veteran has become a resident of Alabama and satisfies at least one of the following conditions:
 - a. The veteran has served on active duty for a continuous period of time, not less than two (2) years, and has received an honorable discharge as verified by a United States Department of Defense Form 214 within five (5) years of enrolling at an Alabama public institution of higher education.
 - b. The veteran is currently serving in a reserve component of the Armed Forces of the United States, as verified by a memorandum from the commanding officer of the veteran student.

Such persons must follow standard admissions procedures and meet all course prerequisites as stated in the College Catalog. The tuition waiver covers tuition only in college-credit courses. A college-credit course is defined as a course measured in both credit hours and scheduled weekly contact hours that is part of an organized and specified program leading to an associate degree, certificate or short-term certificate. Admission Requirements for Allied Health Programs

Individuals who are seeking admission to selective Allied Health programs (**Diagnostic Medical Sonography, Medical Radiologic Technology, Practical Nursing, Registered Nursing, Respiratory Therapy**) must meet all admissions requirements of the College. Advisors in those programs are available to answer questions and assist students in understanding these requirements; however, responsibility for meeting all admissions requirements for these programs is the sole responsibility of the student.

Selective admissions programs are highly competitive. Meeting minimum admissions requirements ensures that students' applications will be considered but **does not** guarantee program acceptance. Students are selected based on an objective scoring system for each program; students selected for admission to the programs generally exceed minimum admissions requirements. Prospective students should contact program faculty or staff or visit the program section of the College website for up-to-date information.

Audit Students

Applicants may apply for admissions to credit courses on a non-credit or audit basis. Students must meet all applicable admissions requirements. Standards of performance for each class will be defined by the individual instructor. A grade of "AU" will be given to denote an audit. Students must declare their intention to audit a class at the time of registration. A course may be changed from CREDIT to AUDIT or from AUDIT to CREDIT only during the official drop/add period of each semester.

Orientation to College ORI-101

All new and returning students, who have not previously taken Orientation to College (ORI-101) course at Trenholm State Community College, are required to take ORI-101 during their first term of enrollment. ORI-101 College orientation classes taken at another institution will not be accepted for transfer credit at Trenholm State.

Orientation to College (ORI-101) is designed to provide information that will aid a new student in his/her transition to college and stimulate an excitement for learning. Students are engaged, equipped and empowered to excel in their college studies and are introduced to college policies, procedures, requirements, and services as well as knowledge of the physical environment of the campus and the college community at large. Focus provided through Orientation to College (ORI-101) includes critical thinking, improvement of technology skills, social skills, leadership skills, oral and written communication skills, commitment to studies and more. Students are encouraged to make wise use of all services made available in the Office of Student Services. Every student enrolled is assigned a faculty advisor and students are encouraged to discuss their academic and career plans, problems, and challenges with their faculty advisors.

College Orientation for Dual Enrolled Students

Dual enrolled students must attend an orientation session during their first term of enrollment. Through attendance and participation, dual enrolled students are informed of the College's policies and procedures as well as practices designed to help with study and test-taking skills, time management, and more. This is non-credit and does not substitute for ORI-101.

Records and Registration

The Office of Records is here to provide information and services to meet the needs of the Trenholm State faculty, staff, students and community. Academic Advising is a critical part for students seeking a degree or certificate or planning to take courses prior to transferring to a four-year institution from Trenholm State. Advisors are available to provide information regarding courses, programs, and careers. Prior to each semester, all students are encouraged to consult with their program advisor to plan their course of study, review their degree plan for a timely graduation. Program advisors are available in each program to advise students who may wish to enroll.

Students are assigned to their advisors through the Office of Admissions with input from the program coordinator or division chair of the student's respective program of study. For information on academic advising, contact the Office of Admissions at (334) 420-4464.

Registration is held each semester according to scheduled dates and procedures published on the College's website www.trenholmstate.edu and the College Calendar. Students are responsible for registering each semester. Trenholm State may withhold the privilege of a student's registration for the following reasons:

- Unpaid Fees
- Library Books
- Incomplete Admissions Records

A schedule of classes is published on the College's website (www.trenholmstate.edu) each semester. All new and returning students must communicate with their assigned advisor prior to registering for classes. All currently enrolled students may register online. It is advisable for students to plan their schedules two or three terms in advance. This allows the student to fulfill prerequisites in preparation for advanced courses or sequences taught only once or twice a year. Students should have a degree plan on file in with their program advisor during the first term of enrollment. Students should work closely with advisors and instructors to follow the required degree plan for their program.

New students will meet with their program advisors for advising. Additionally, program advisors will assist students in selecting classes and completing the registration process. During advising, students should obtain a copy of their degree plan. Students should follow their degree plans since it is their responsibility to make sure that courses are taken in proper sequence. In addition, any required prerequisite course must be completed before registering for requisite courses.

Online Registration

All methods of registration are available to all students through their student logins. Prior to registration, students should communicate with their program advisors to ensure they are registering for appropriate courses.

Late Registration

Any registration which is completed after the beginning of classes is considered late. Late registration is permitted during a designated period (drop/add) and every effort should be made to avoid late registration. Many courses may be full, at this time, and it may be difficult to cover any missed material. Applicants will not be admitted after the drop/add period has ended. Students may have an opportunity to register for mini-term courses.

Time and Location of Courses

Trenholm State Community College offers most courses and instructional programs with day, evening and online schedules. Courses are offered at the Trenholm Campus, the Patterson Sites, Culinary Arts, and online. All courses meet the same standards and have the same requirements regardless of the time, place or method offered.

Statewide Transfer and Articulation Reporting System (STARS)

In order to assist Trenholm State Community College students with the transferring of courses to other institutions of higher education in the state, Trenholm State is a member in the Statewide Transfer and Articulation Reporting System (STARS). The STARS computerized advising system has been created to inform students of the courses that they can take and transfer among public institutions within the State of Alabama without losing credit. Go to the STARS website at <http://stars.troy.edu>.

Prerequisites

A student who fails a course in a sequence cannot take the succeeding course before making up the failure. Prerequisites for a course must be met before the course is taken.

Course Load

The maximum course load is nineteen (19) semester credit hours. A student may take more than nineteen (19) semester credit hours only with special permission from the Program Coordinator and the Dean of Instruction. Registration forms are located on the College's website at www.trenholmstate.edu. An absolute maximum of twenty-four (24) semester credit hours exists for all students. The minimum load for a regular full-time student is twelve (12) semester credit hours. Students who are enrolled in developmental courses are strongly encouraged to enroll in 12 hours or less each term until all developmental courses have been completed.

Dropping and Adding Courses

Adding classes to a student's schedule is permitted only during the first three days of the Fall and Spring Semester. During the summer, the addition of classes is permitted only on the first day of the term. Students who wish to add or drop classes during the drop/add period must complete the proper form which is located on the College's website at www.trenholmstate.edu.

Student Classification

Students who have earned less than 30 credit hours are classified as freshmen. Students who enroll for less than twelve (12) credit hours are classified as part-time students. Part-time students' programs of study should conform to the general curriculum requirements of all students. Students registered at the College for twelve (12) credit hours or more are classified as full-time students.

Academic Freedom

Trenholm State Community College seeks to provide an atmosphere where students can make open and honest intellectual inquiry into any college matter appropriate for student participation. The student is free to express dissent to any college matter within the limits of good taste. Any student who believes his or her rights to academic freedom have been suppressed should follow the procedures outlined in the Grievance Appeals Procedures listed in the Student Handbook section of the Catalog.

Course Substitution

Generally, completion of the curriculum, as defined by program faculty, is required to be awarded a degree or certificate. It may be acceptable, on occasion, to substitute a different course/s for a course required in the curriculum.

Course substitutions will be made when the resulting substitution is relevant to the course it replaces and maintains the integrity of the academic program. No more than 25% of the total credit hours required in a degree or certificate program may be substituted. Credit for course substitutions required for a degree or certificate must be recommended by the program coordinator and approved

by the Division Chair, College Registrar, and Dean of Instruction.

The Program Coordinator must submit a Course Substitution Request form listing the required course(s) and the requested Substitution course(s) to the appropriate Division Chair. Upon completion, the Division Chair forwards the request to the College Registrar and the Dean of Instruction for review.

Assignment of Course Instructor

The College reserves the right to change instructors listed to teach courses due to class cancellation, splits, or other conditions which might necessitate the reassignment of instructors. Students should be cautioned that the listing of an instructor's name to teach a course in the schedule of classes is no guarantee that the instructor will teach the course.

Course Cancellation

If the course is cancelled, the class will be deleted, and no grade will be assigned.

Independent Study Courses

In certain unusual circumstances, the appropriate Academic Dean, upon recommendation of the Division Director and instructor, may permit a student to take a course by independent study. Permission will be based on such factors as future course availability, completion for graduation, and the student's academic record. The student's grade point average will be considered before approval to take a course by independent study is granted. A student will not be allowed to take more than one independent study course per semester. Transient students and other students whose GPAs are unknown will not be allowed to take any courses by independent study.

GENERAL PRINCIPLES FOR TRANSFER OF CREDIT

Coursework transferred or accepted for credit toward a certificate or a degree must represent collegiate coursework relevant to the student's degree plan. In assessing and documenting equivalent learning and qualified faculty, Trenholm State uses recognized guides which aid in the evaluation for credit. Such guides include those published by the American Council on Education, The American Association of Collegiate Registrars and Admissions Officers, and the National Association of Foreign Student Affairs.

The Director of Records/College Registrar is charged with initial evaluation of transcripts for potential transfer of credit. The Director of Records/College Registrar has the authority to approve transfer credit applicable to a student's degree plan when (a) the transferred course meets the General Principles for Transfer of Credit as previously outlined and (b) the course name, level, description, and learning outcomes substantially match that of the course for which credit is awarded in the student's degree plan. In addition, the Director of

Records/College Registrar may grant transfer credit for a specific course in a student's degree plan when the transferred course is of a higher level and has the specific course (or one with substantially similar learning outcomes) as a prerequisite. For example, the Director of Records/College Registrar may grant credit for MTH 100 (Intermediate Algebra) if the student earned a grade of C or better in MTH 112 (College Algebra) for which MTH 100 is a prerequisite.

Other potentially transferable courses are evaluated for credit toward the student's degree plan cooperatively by the Director of Records/College Registrar and designated faculty member. For general education courses, the designated faculty member is the lead academic instructor credentialed in the discipline. For technical courses in the student's major, the designated faculty member is the corresponding Program Coordinator. In determining whether credit is awarded, the Director of Records/College Registrar and designated faculty member consider evidence such as the course description, the credentials of the instructor who taught the course, and the curriculum and learning outcomes detailed in the course syllabus. Credit is awarded when the evidence affirms that the student has achieved the knowledge, skills, and experiences comparable to those attained by students who successfully complete the required course at Trenholm State.

The College will accept courses completed at other duly accredited colleges for transfer credit only when the student earned a passing grade of "C" or higher in the course and the course is part of the student's degree plan at Trenholm. Higher grades may be required by the College for selected courses provided the higher grades are also required in courses for native students.

- Transfer credit accepted for course work completed at another institution will reflect the letter grade earned and is not included in Trenholm State's GPA calculation.
- Transfer credit(s) will be evaluated during the first term of enrollment, only if transferrable grades are "C" or better. College transcripts will only be evaluated when all transcripts are received.
- Awarding of transfer credit to fulfill graduation requirements will be based on the applicability of the credits to the requirements of the degree pursued.
- Credit may be extended based on a comprehensive evaluation of demonstrated and documented competencies and previous formal training. (See section on Alternative Sources of Credit).

Courses completed at Trenholm State may transfer to other duly accredited colleges and to the technical divisions of community colleges. Credits may transfer to the academic divisions of community colleges or to four-year colleges/universities. However, the decision on the acceptance of transfer credits always rests with the receiving college. All requests concerning transfer courses should be directed to the college/university to which a student plans to transfer.

Credit for Prior Learning

It is the philosophy of Trenholm State Community College that a student should not be required to repeat a learning experience for knowledge or skills currently possessed by the applicant. Therefore, if prior learning can be appropriately documented, the applicant may be awarded credit or advanced placement.

Prior Learning Assessment (PLA) is a means for a student to receive college level credit for learning that took place in a non-traditional learning environment, such as on-the-job training, military training, professional development seminars, volunteerism, and experience in-field. PLA relies heavily on aligning learning gained through experience with outcomes found in traditional courses of higher education. A maximum of 25% of non-traditional credit may be awarded and applied toward graduation. Non-traditional credit is not posted to the student's transcript until the student is enrolled. Non-traditional credit may not count toward the 25% of TSCC work needed to satisfy residency for graduation. Students may not earn credit, through non-traditional academic work, for any course in which a grade has previously been received. PLA applies only to non-academic transfer courses. Credit awarded through nontraditional means for academic transfer courses may be awarded by examination or nationally recognized guidelines (AP, CLEP, ACT/PEP, DSST, Challenge Exams, ACE PONSI/CREDIT, ACE/MILITARY) or through other statewide programs identified by the Alabama Community College System office.

Industry-Recognized Credentials

Credit(s) may be awarded for prior learning that has been verified and assessed through an industry-recognized credentialing process. Individual departments may identify specific licensure and/or certification that will be accepted for course credit. The departmental faculty and the appropriate Dean will establish specific course credits to be awarded for specific industry credentials. The department must verify the credentials of the applicant requesting credit and attach supporting documentation for review by the appropriate Deans. There is no fee for evaluation of industry-recognized credentials.

College Level Examination Program (CLEP)

Trenholm State Community College accepts credits earned from the College Level Examination Program (CLEP) if there is a course equivalent in the student's degree plan. Credit for CLEP subject examinations is granted based on 50th percentile scores with courses awarded for credit listed in the college catalog. Trenholm State is not currently a testing center for CLEP examinations but will evaluate and accept credits for CLEP examinations for courses listed in the college catalog. Students will be responsible for scheduling and paying for CLEP examinations. For information on testing centers, examinations, fees and other details, please visit the College Board website <https://clep.collegeboard.org/about-clep>. Credit will be indicated on the student's transcript as "EC" (Exemption/CLEP).

Military Credit

Military credit may be granted for any military service school or for any United States Armed Forces Institute/Defense Activity for Non-Traditional Education Services (USAFI/DANTES). Subject tests that have been satisfactorily completed and are determined to have a course equivalent in the student's degree plan will be accepted. Credit will be indicated on the student's transcript as "ED" (exemption/DANTES).

WITHDRAWAL POLICY

A grade of "W" is assigned to a student who officially withdraws from the College or from a course after 60 percent of the term being completed. This specified date is included in the Student Calendar for each term and is listed as "Last Day to Withdraw Without Any Academic Penalty." It is the responsibility of the student to become familiar with the Student Calendar to know the exact date to withdraw without penalty. A student who officially withdraws from the College after the 60 percent of the semester has been completed will receive the grades that he/she has earned at that time of withdrawal. A student cannot be withdrawn administratively. Grades of "W" earn zero quality points and, for financial aid purposes, are counted in hours attempted by the student. If a student never attended or the class is cancelled, the class will be deleted, and no grade will be assigned.

Students who withdraw from classes after receiving Title IV Aid face the possibility of being placed on either Financial Aid Warning or Financial Aid Suspension. Additionally, financial aid recipients who completely withdraw are subject to the Federal Return of Title IV Funds (R2T4) Policy. This policy may require Title IV recipients who completely withdraw from all courses before the 60% date of the semester/ term to repay a portion of any grant funds received to the Title IV Programs.

**** Official Withdrawal is defined as a student who receives, completes, gets the appropriate signatures and returns all appropriate withdrawal forms to the Office of Records.**

Withdrawal Prior to the Start of Classes

A student who withdraws from classes prior to the first day of class will be refunded the total tuition and other institutional charges. The first-class day is not the first day of the student's class, it is the first day of the semester.

Partial Withdrawal

Students who do not completely withdraw from the college but drop a class during the regular drop/add period will be refunded the difference in the tuition paid and the tuition rate applicable to the reduced number of hours, including fees appropriate to the classes dropped. There is no refund due to a student who partially withdraws after the official drop/add period. The last day to drop/add is published as part of the college calendar and conforms to the guidelines issued by the Alabama Community College Office.

Complete Withdrawal

Students who wish to completely withdraw from the College, must complete a "Notification of Official Withdrawal form, "located on the Student Forms page of the Trenholm State website(<https://www.trenholmstate.edu/current-students/student-forms/>). Students who submit a complete withdrawal form prior to the first day of classes for the semester/term will be refunded the total amount of tuition and other refundable fees. The "first day of class" is the first day classes are offered within any term configuration, including, but not limited to, semesters and mini terms. Students who submit a complete withdrawal form on or after the first day of classes, but prior to the end of the third week of classes will be refunded according to the withdrawal date, as follows:

Total Withdrawal before the official first day of class	100% refund
Total Withdrawal during the first week	75% refund
Total Withdrawal during the second week	50% refund
Total Withdrawal during the third week	25% refund
Total Withdrawal after the end of the third week	NO REFUND

An administrative fee not to exceed 5% of tuition and other refundable institutional charges shall be assessed for each withdrawal within the period beginning the first day of class and ending at the end of the third week of class. The first official day of classes is indicated on the College calendar as the day that classes begin. There is only one first day of class. This day may not be the first day on which all classes begin. The calendar also indicates the last day to drop/add. For calculating refunds during the fall and spring sixteen-week terms, a "week" is defined as seven calendar days, i.e. the first day of class running seven calendar days (inclusive of Saturday and Sunday). Refunds of shorter than sixteen weeks, such as summer semesters and mini terms will reflect a prorated week based on the number of days in the term.

Example:

Classes begin June 14; student withdraws June 17.

Fourth day = 75% Refund due.

Tuition/fees paid:	\$648.00
	<u>x .75</u>
	\$486.00

Administrative Fee:	<u>- 32.40</u>
Round to nearest dollar	\$453.60
Refund amount:	\$454.00

GRADES**Grade Points**

Letter grades are assigned according to the following system for all courses for which students have registered:

		Numerical Range	Quality Points
A	Excellent	90-100	4
B	Good	80-89	3
C	Average	70-79	2
D	Poor	60-69	1
F	Failure	Less than 60	0
I	Incomplete	Must be removed during the following term or the grade of F will be assigned	0
AU	Audit	Must be declared prior to the end of Drop/Add Period	
W	Withdrawal	Must be prior to 70% date.	0

Satisfactory grades are “A”, “B”, “C” and “D.” However, a grade of “D” is NOT considered a passing grade in a developmental course or in some programs of study. A student must earn a minimum final course average of 70, a grade of “C”, to pass a developmental course. Some programs may have a more stringent grading system due to external agencies/accreditation requirements.

If a student withdraws from courses by the published withdrawal date identified in the College Calendar, a grade of “W” will be assigned. If a student never attended or the class is cancelled, the class will be deleted, and no grade will be assigned.

GRADE POINT AVERAGE (GPA)

To obtain a numerical measure of the quality of a student’s work, quality points are assigned to grades as indicated below:

A - 4 Quality Points

3 semester hours of “A” = $3 \times 4 = 12$ quality points

B - 3 Quality Points

3 semester hours of “B” = $3 \times 3 = 9$ quality points

C - 2 Quality Points

3 semester hours of “C” = $3 \times 2 = 6$ quality points

D - 1 Quality Points

3 semester hours of “D” = $3 \times 1 = 3$ quality points

F - 0 Quality Points

3 semester hours of “F” = $3 \times 0 = 0$ quality points

The grade point average (GPA) of a student is determined by multiplying the number of quality points for each grade received by the number of credit hours for that course. The total number of quality points is divided by the total number of credit hours attempted, excluding courses with W, I, and AU designations. Example: 30 quality points divided by 12 semester hours attempted = 2.5 GPA.

INCOMPLETE (I) GRADE

With the permission of the instructor and appropriate dean, an “I” may be assigned when a student’s work in a course is incomplete because of circumstances beyond the student’s control but is otherwise of passing quality. Unless the deficiency is made up within the following term, the “I” automatically becomes an “F”. In the event that circumstances prevent the deficiency from being made up within the following term, the College reserves the right to extend the make- up period for up to two semesters after the “I” is awarded. An “Incomplete Grade Contract” form must be signed by the student, instructor, program coordinator, and the appropriate dean. The instructor is responsible for securing all signatures required on this form before submitting it to the Office of Records along with the Class Attendance Roster. Students are not allowed to secure these signatures.

An incomplete grade (“I”) does not count toward course work completed and is not counted as courses attempted; therefore, it does not negatively impact on the incremental measurement of progress. A GRADE OF “I” - INCOMPLETE - IS NOT COUNTED IN HOURS ATTEMPTED AND EARNED. However, the grade that replaces the “I” is counted in hours attempted and hours earned once it is removed. An “I” grade is intended to be only an interim course grade. Unless the deficiency is made up within the following term, the “I” automatically becomes an “F.”

***Students who are receiving Financial aid or any financial assistance (Scholarships, WIOA, VA, etc.) should contact the Financial Aid Department to determine how receiving a Grade of “I” will impact your future eligibility.*

EARNED “F” VERIFICATION PROCEDURE

If a student receives the final grade of “F,” the instructor is required to complete the “Earned “F” Verification” form to verify that the student earned the “F” grade. The Earned “F” Verification form must be submitted to the Office of Records at the time that final grades are entered each semester. Consequently, any student receiving the final “F” grade has earned this grade by either failing the course after attending 70% of the term or has not mastered the course material.

***Students who are receiving Financial aid or any financial assistance (Scholarships, WIOA, VA, etc.) should contact the Financial Aid Department to determine how this can impact your future eligibility.*

Grade Changes

If a student has reason to believe that the letter grade earned in a course is wrong, the student must make an informal effort to correct the error with the instructor who issued the grade. If the informal efforts of the student and faculty member have not produced a satisfactory resolution, a formal appeal is in order. See the Formal Grade Appeal Process below. The grade change must be made within one semester after the grade was initially

earned. Grade changes after one semester must be done through the Final Grade Appeal Process. The instructor is responsible for securing all signatures required on the Grade Change Request form before submitting the form to the Office of Records. Students are not allowed to secure these signatures.

Grade Report

Students may access their grade reports and view their academic status via “My Trenholm” on the College website, www.trenholmstate.edu, at the end of each term. The grade report becomes a part of the student’s official transcript. The grade report will be withheld if there is an outstanding financial obligation to the College. If any student suspects that a grade may have been recorded in error, the student should schedule a conference with the instructor of that course. This must be done by the last day of the next term. If an error has been made, it will be corrected and reflected on the student’s transcript. If resolution is not attained, the student may appeal to the program coordinator. The program coordinator may resolve concerns or may convene an Ad Hoc Appeal Committee to review the concern. The Committee will decide and forward a recommendation to the Dean of Instruction. If a resolution is not obtained, the student may file a written appeal to the Dean of Instruction.

Formal Grade Appeal Process

If the informal efforts of the student and faculty member have not produced a satisfactory resolution, a formal appeal is in order. A written appeal should be initiated by the student prior to the last day of classes of the semester following the semester in which the grade was issued. After this deadline, the appeals will not be considered. The following procedures should be followed for formally appealing a grade:

1. The student should first contact the instructor and request verification of the grade and how it was determined.
2. If the student does not receive satisfaction from the instructor, the student may confer with the program coordinator and the faculty member in an attempt to reach closure. If the appeal is resolved at this point, a “memorandum of record” should be prepared by the program coordinator and be retained on file.
3. If closure is not reached, the student may file a formal grade appeal to the Dean of Instructional Services. This must be done in writing and dated prior to the one semester time limit. The appeal must state the name of the course, the reasons for the request, the dates involved, and the name of the instructor who issued the grade, to include all previous attempts to resolve the situation.

The Dean will assign an Ad Hoc Grade Appeals Committee for deliberation. The Department Chair or the Program Coordinator will Chair the Committee. The Committee shall consist of two full-time faculty members, one faculty member from the discipline and one faculty member from outside the Division and a Student Services designee. The Committee will review

the student’s appeal letter, transcript, instructor’s roll book, tests, papers, reports, projects, and any other documentation. A vote will be taken by the committee to attempt resolution. If no resolution is achieved, a formal hearing will be scheduled where the student and faculty member will be requested to present their sides of the matter. After deliberating, the Committee will make a recommendation to the appropriate dean to either support the grade as awarded or to change the grade. The dean will notify the student of the decision and/or action within 3-5 days following the hearing.

STANDARDS OF ACADEMIC PROGRESS

Required Credit Hours, Grade-Point Averages (GPAs) and Required Pace of Completion

A student enrolled in an Associate Degree or Certificate Program requiring more than 26 credit hours must meet the following standards:

- After attempting 0-21 credit hours, must earn a 1.50 GPA
- After attempting 22-32 credit hours, must earn a 1.75 GPA
- After attempting 33 or more credit hours, must earn a 2.00 GPA

Students enrolled in Certificate Programs 26 credit hours or less must meet the following standards:

- After attempting 1-17 credit hours, must earn a 1.50 GPA
- After attempting 18 or more credit hours, must earn a 2.00 GPA

Exceptions to Standards of Academic Progress

Standards of academic progress shall apply to all students unless otherwise noted:

- **Exemptions:** Programs which are subject to external licensure, certification, and/or accreditation or which are fewer than four semesters in length may have higher academic standards;
- Transfer students on Academic Probation must adhere to these standards of academic progress;
- Special standards of academic progress have been established for students enrolled in institutional credit courses (developmental courses) and for students who wish to remain eligible to receive Title IV Financial Aid. (See Satisfactory Academic Progress detailed in the Financial Aid Section).

Intervention for Student Success

When a student is placed on academic probation, one term academic suspension, or one-year academic suspension, the College may advise the student to take the minimum course load and refer the student to the Student Success

Center for intervention in study skills and tutorials. Other services may be available on a case-by-case basis. For assistance or more information from the Student Success Center, please email mrobinson@trenholmstate.edu.

Application of Standards of Progress for Institutional Credit Courses

Institutional credit courses are those which are not creditable toward a formal degree and include Training for Existing Business and Industry, Continuing Education and courses numbered below the 100 series.

Standards of Academic Progress for Transfer Student

A transfer student who is admitted on CLEAR academic status is subject to the same standards of academic progress as “native” students. Grades accrued at other regionally accredited colleges and universities are not included in grade point average calculation.

A transfer student admitted on ACADEMIC PROBATION retains that status until the student has attempted at least 12 credit hours. If, at the conclusion of the semester in which the student has attempted a total of 12 or more credit hours and the Cumulative GPA is below 2.0, the student is suspended for one semester. The transcript will read SUSPENDED ONE SEMESTER.

At the conclusion of the semester in which the transfer student was admitted on ACADEMIC PROBATION, has attempted a total of 12 or more credit hours, and the Cumulative GPA at the College is 2.0 or above, the student’s status is CLEAR. For additional information regarding transfer credit see the “Records and Registration” section of this catalog.

ACADEMIC BANKRUPTCY

A student must complete a request for Academic Bankruptcy listing the courses he/she wishes to bankrupt. This form which is located on the College’s website at www.trenholmstate.edu must be signed by the Director of Records/College Registrar and a Financial Aid Official. A student may declare academic bankruptcy only once. Implementation of academic bankruptcy at the College does not guarantee that other college/universities will approve such action. This determination will be made by the respective transfer college/university. A student may declare academic bankruptcy under the following conditions:

- A. If fewer than three (3) calendar years have lapsed since the term for which the student wishes to declare bankruptcy, the student may declare academic bankruptcy on all coursework taken during the one semester, provided he/she has taken a minimum of 12 semester credit hours since the bankruptcy term occurred. All coursework taken, even hours completed satisfactorily during the term for which academic bankruptcy is declared, will be disregarded in the cumulative grade point average.
- B. If three (3) or more calendar years have lapsed

since the most recent semester for which the student wishes to declare bankruptcy, he/she may declare academic bankruptcy on all coursework taken prior to 12 semester credit hours of coursework since the bankruptcy term occurred. All coursework taken, even hours completed satisfactorily, during semester(s) for which academic bankruptcy is declared will be disregarded in the cumulative grade point average.

- C. When academic bankruptcy is declared, the term “**ACADEMIC BANKRUPTCY**” will be reflected on the transcript for each semester affected. The transcript will be stamped “**ACADEMIC BANKRUPTCY IMPLEMENTED.**” All individual courses and grades will remain on the permanent transcript. Academic Bankruptcy cannot be considered by the Financial Aid Office when calculating Satisfactory Academic Progress.

Course Forgiveness Policy

Students may repeat courses for which they have previously registered. Courses completed at Trenholm State may be repeated at Trenholm State. The last grade earned excluding W, and AU will be the grade used for graduation audits. Courses may not be repeated at another college and used as a component of Trenholm State’s Course Forgiveness Policy.

1. If a student repeats a course once, the second grade (excluding grades of W, or AU) replaces the first grade in his/ her cumulative grade point average if the student files a written request with the Office of Records. For example, if a student repeats a course, the second grade earned (excluding grades of “W”) will replace the first grade in the calculation of the cumulative grade point average. If the second grade is a non-satisfactory grade (F), the F will replace the first grade, even if the first grade is passing.
2. When a course is repeated more than once, all grades for the course, excluding the first grade, will be employed in computation of the cumulative grade point average provided the student has requested course repeat as noted in item 1.
3. Transcripts will list all courses and the grades earned. A repeat symbol, ‘R,’ may denote a course repeat. Zero credit hours can also indicate a course repeat. See financial aid section in the Catalog regarding eligibility. A transfer institution may choose to average all coursework regardless of Trenholm State’s institutional policy.
4. A student must request, by submission of the appropriate form, that the Registrar implement the “Course Forgiveness” policy after a course has been repeated.

Some sources of financial aid will not pay tuition for repeated courses. See the Financial Aid section in Catalog regarding repeat courses and repeat developmental courses eligibility.

Application of Standards of Progress

1. When the cumulative GPA of a student is at or above the GPA required for the total number of credit hours attempted, the student's status is CLEAR.
2. When the cumulative GPA of a student is below the GPA required for the number of credit hours attempted, the student is placed on Academic Probation.
3. When the cumulative GPA of a student on Academic Probation remains below the GPA required for the total number of credit hours attempted, but the semester GPA is 2.0 or above, the student remains on Academic Probation.
4. When the cumulative GPA of a student on Academic Probation remains below the GPA required for the total number of credit hours attempted, and the semester GPA is below 2.0, the student is suspended for one term. The transcript will read **SUSPENDED-ONE SEMESTER**.
5. The student suspended for one term may appeal. If, after appeal, the student is readmitted without serving the one semester suspension, the transcript will read **SUSPENDED-ONE SEMESTER/READMITTED ON APPEAL**.
6. The student readmitted on appeal will remain on Academic Probation until a 2.0 grade point average is earned.
7. A student on Academic Probation after being suspended for one semester (whether the student has served the suspension or has been readmitted on appeal) without having since achieved Clear academic status and whose Cumulative GPA falls below the level required for the total number of hours attempted, but whose semester GPA is 2.0 or above, will remain on Academic Probation until the student achieves the required GPA for the total number of hours attempted. Readmission to the College does not mean that a student is automatically eligible to receive financial assistance.
8. A student returning from one semester or one-year suspension and, while on academic probation, fails to obtain the required GPA for the number of hours attempted and fails to maintain a semester GPA of 2.0, will be placed on one year's suspension.
9. The student may appeal a one-term or one-year suspension.
10. The permanent student record will reflect the student's status (except when the status is "clear"). When appropriate, the record will reflect **ACADEMIC PROBATION, SUSPENDED ONE SEMESTER, ACADEMIC SUSPENSION ONE YEAR, SUSPENDED ONE SEMESTER/READMITTED ON APPEAL, OR ONE YEAR SUSPENSION READMITTED ON APPEAL**.
11. All applicable academic designations except "**CLEAR**" will appear on the student's transcript.

Process for Appeal for Readmission

If a student declares no contest to the facts leading to suspension, but wishes to request consideration for readmission, the student may submit a request in writing for an "appeal for readmission" to the Admissions

Committee within **3-5** days of notice of suspension. The Admissions Committee shall not be considered a "due process" hearing, but rather a petition for readmission. The student shall be given an opportunity to present rationale and/or statement of circumstances in support of immediate readmission. Definition of Student

For the purpose of this policy, a “student” is defined as any person who is or has been officially enrolled in and is attending or has attended any course offered at the College. This definition does not include prospective students.

Access of Student Records to Students

The student is accorded the right to inspect and review, in the presence of the appropriate College staff member, any records, files and data directly related to the student. To inspect a personal folder or file, a student shall submit a written request signed by the student to the appropriate records official, and if not personally submitted by the student, then the student’s signature shall be acknowledged by the affidavit of a Notary Public. The request for inspection shall be acted upon within forty-five (45) days from the date the request is received. If in the opinion of the appropriate records official, inspection can reasonably be accomplished by providing copies of said documents, such copies shall be made and provided to the student.

This act is designed to protect the privacy of students’ educational records. FERPA also establishes the rights of students to inspect and review their educational records; it provides guidelines for the correction of inaccurate or misleading data through informal and formal hearings; and establishes the rights of students to file complaints with the FERPA Office. Students will be notified by

A student’s request concerning his/her records or files, including requests that information not be disclosed to the public, requests for disclosure to third parties and requests for access by the student shall be directed to the appropriate records official listed above. Forms for all such requests may be obtained from these officials. The appropriate records official will also attempt to resolve any challenges to the records at an informal hearing with the student. If an agreeable solution is not reached, the records officials will refer the student and his/her challenge to the College Hearing Officer, who shall set a hearing within ten (10) days for the final decision.

Providing Records to Third Parties

The general policy of Trenholm State Community College is to refuse access to student records to third parties without the written consent of the individual student. Should a student wish to have such records released, a written request must be directed to the proper records official specifying the records to be released, the person and address to whom records are to be released, and a request for copies to the student, if desired. Trenholm will then transfer or grant access to the information. A record of requests of access, the legitimate interest involved, and action taken will be placed in the student’s file for all requests of the file, except those from school officials as noted in paragraph one.

The Director of Records/College Registrar will supervise the inspection of individual student records, and the student’s record file shall not be taken from the designated records office. The student may obtain one unofficial copy of his/her academic record in writing. An unofficial copy is defined as copy that does not bear the official seal of the College embossed on the record, but otherwise an official copy when released by the College’s records official.

The Director of Records/College Registrar, or designee, is the only person authorized to reproduce copies of official transcripts. Transcripts of records received from other colleges or universities become the property of Trenholm State Community College. Records of documents received from third parties will not be reproduced.

Records Retention and Disposal

All records are safely secured at the College and are retained and disposed of in accordance with policies established by the Alabama Department of Archives and History and the Alabama Community College System.
