Purpose

The purpose of student financial aid at H. Council Trenholm State Community College is to assist students who have financial need to help meet the cost of their education. The College believes that no individual should be denied an education because of inadequate financial aid resources. Consequently, financial aid is available at the College for those students who apply and qualify.

Application Procedures

In order to determine eligibility for Federal Student Aid (FSA) Programs, the student must file the Free Application for Federal Student Aid (FAFSA). The fastest and easiest way to apply is online at www.fafsa.gov. The Federal Processing Center will determine the student's initial eligibility based on a standard formula established by Congress. However, final eligibility for financial aid is determined at the College by the financial aid staff. The student is also required to complete both the College's Admission Application and the admissions process before any Federal funds can be awarded.

Approximately three to five business days after completing the FAFSA online, the College and the student will receive from the Federal Processing Center either an electronic response in the form of an Institutional Student Information Report (ISIR) or a paper response in the form of a Student Aid Report (SAR). Upon receiving a SAR, the student is not required to submit the SAR to the Financial Aid Office for evaluation provided the College's Federal School Code 005734 is listed on the Student Aid Report. However, the student is responsible for following up with the Financial Aid office.

If the ISIR/SAR has been selected for verification, the student will be asked to provide documents to check the accuracy of the information. The Financial Aid staff may assist the student with correction (s), if required.

All transfer students applying for Federal Student Aid (FSA) must request an academic transcript from each postsecondary institution previously attended to be sent to the Office of Admissions and Records at the College. The student's financial aid file will not be complete until all required documents are received at the College.

Each term, Federal Student Aid (FSA) credit balance checks are disbursed fourteen (14) days after the first day of classes to those students who have this type of balance. Federal Student Aid (FSA) disbursements are mailed to the recipients' home addresses on file in the Office of Admissions and Records.

Effective fall 2015, Trenholm State Community College began paying Federal Pell Grant awards in two (2) disbursements beginning with the fall semester, which constitutes the first semester of the award year, to financial aid recipients enrolled in credit-hour programs, as measured in credit-hours attempted. Financial aid recipients enrolled in clock-hour programs, as measured in cumulative clock-hours required to complete and expressed in calendar time, will also receive one half of their scheduled Pell Grant award during their first semester enrolled. Future disbursements will be made based on the number of clock hours completed by financial aid recipients enrolled in clock-hour programs at the College.

Recipients must reapply for Federal Student Aid (FSA) on or after October 1 of each year for the next fall semester.

Student Eligibility

To receive Federal financial aid, a student must:

- Have either a high school diploma or GED certificate or completed a high school education in a homeschooled setting approved under state law;
- Be enrolled as a regular student in an eligible program;
- Be a U. S. Citizen or eligible noncitizen with a valid Social Security Number;
- Demonstrate financial need;
- Maintain Satisfactory Academic Progress (SAP) once enrolled at the College;
- Sign a statement of educational purpose/certification statement on refunds and defaults;
- Not be in default on any loan or owe a refund on any grant made at any institution under Title IV of the Higher Education Act of 1965, as amended (Title IV, HEA Program);
- Register with Selective Service if male between the ages of 18 and 25.

The amount of Federal Student Aid (FSA) a student is eligible to receive is based on the Expected Family Contribution (EFC) assigned by the Federal Processing Center, the cost of attendance at the College, the enrollment status of the student and other information provided by the student.

The Priority Dates, at the College, for filing the Free Application for Federal Student Aid (FAFSA) each year are as follows: January 1, for the upcoming fall semester, November 2 for the upcoming spring semester and March 1 for the upcoming summer term.

Types of Assistance

The College participates in the following Federal Student Aid (FSA) Programs as authorized by Title IV of the Higher Education Act of 1965, as amended (Title IV, HEA Program):

- The Federal Pell Grant;
- The Federal Supplemental Educational Opportunity Grant (FSEOG);
- The Federal Work-Study Program (FWSP);

The College also participates in the State of Alabama Leveraging Education Assistance Partnership Program (LEAP) which is referred to as the Alabama Student Assistance Program (ASAP). Additional information about this Program can be obtained by contacting the Financial Aid Office at (334) 420-4292.

Federal Pell Grant Program

The Federal Pell Grant Program is the largest grant program available. A Federal Pell Grant, unlike a loan, does not have to be repaid. Federal Pell Grants are awarded usually to eligible undergraduate students who have not earned a bachelor's degree or professional degree and who are enrolled in an eligible program. A professional degree is usually earned in a field such as medicine, law, or dentistry after earning a bachelor's degree. In some cases, a Federal Pell Grant may be awarded for attending a post-baccalaureate teacher certificate program; however, this program is not offered at the College.

Federal Pell Grant amounts can change yearly. The maximum award for the 2017-2018 award year will be \$5,920 for the scheduled Pell award for full-time students with an EFC of "0". The maximum Pell award is also given for any Federal Pell Grant eligible children of military personnel killed in Iraq or Afghanistan after September 11, 2001. In order to receive these funds, a student must have been under 24 years of age or enrolled at least part time in college at the time of the parent's or guardian's death. Also effective July 1, 2010, students who are not eligible for a Federal Pell Grant but their parent or guardian met the same post-September 11, 2001 conditions stated above will be eligible to receive an Iraq or Afghanistan Service Grant equal to the amount of a maximum Federal Pell Grant for the award year, except that the amount will not exceed the cost of attendance for that award year.

To receive a Federal Pell Grant, a valid Institutional Student Information Record (ISIR) or Student Aid Report (SAR) must be processed by the Federal Processing Center while the student is still enrolled. Any ISIR or SAR received after the deadline date as specified on the FAFSA will not be eligible for payment except in some cases where verification has been initiated prior to the deadline. Federal Pell Grant can be received only up to a maximum of 12 semesters as a full-time student, or the equivalent of 600%. Additional information about the Federal Pell Grant may be obtained from the Financial Aid Office at (334) 420-4317.

Federal Supplemental Educational Opportunity Grant (FSEOG) Program

Federal Supplemental Educational Opportunity Grant (FSEOG) is a federally-funded program that is provided by the U.S. Department of Education for the purpose of assisting undergraduate students with exceptional financial need meet the cost of a postsecondary education. The FSEOG funds are awarded to the College and are administered by the financial aid office at Trenholm State Community College.

At Trenholm State, FSEOG funds are awarded to eligible students with demonstrated exceptional financial need. FSEOG recipients must be undergraduates enrolled in an eligible program leading to a degree or certificate at the College. Students with the lowest Expected Family Contributions (EFC) who will also receive the Federal Pell Grant are eligible to be selected for FSEOG awards.

Applicants must complete the Free Application for Federal Student Aid (FAFSA) to apply for assistance through the FSEOG Program based on the availability of this fund at the College. If funds are available, students may receive FSEOG and LEAP/ASAP funds in the same semester/term.

Additional information about FSEOG may be obtained from the Financial Aid Office at (334) 420-4292.

Federal Work-Study Program (FWSP)

The Federal Work-Study Program (FWSP) provides part-time employment primarily on campus. This Program allows students the opportunity to work and earn a portion of the money they need to finance their education. The Federal Work-Study Program is available to eligible students enrolled full-time or part-time. In addition, the Program provides meaningful job experience while

students matriculate at the College. Students must complete the Free Application for Federal Student Aid (FAFSA) in order to apply. Priority is given to those applicants who apply by the published priority dates and based on the availability of these funds at the College. Additional information about this program may be obtained from the Financial Aid Office at (334) 420-4322.

Leveraging Education Assistance Partnerships Program (LEAP), also known as the Alabama Student Assistance Program (ASAP)

The Leveraging Education Assistance Partnership Program (LEAP) provides a limited amount of State funds to eligible Alabama residents who demonstrate need and who are enrolled at least half time. This Program is also known as the Alabama Student Assistance Program (ASAP).

Applicants must complete the Free Application for Federal Student Aid (FAFSA) to apply for assistance through the LEAP/ASAP Program based on the availability of this fund at the College. If funds are available, students may receive FSEOG and LEAP/ASAP funds in the same semester/term.

Additional information about LEAP/ASAP may be obtained from the Financial Aid Office at (334) 420-4321.

Student Loan Program

H. Council Trenholm State Community College does not participate in the Federal Direct Subsidized, Unsubsidized and Direct Plus Loan Programs.

The College withdrew from the Federal Family Education Loan Program (formerly, Guaranteed Student Loan Program) in August 1989. However, student borrowers who transfer to Trenholm may qualify for in-school deferments if enrolled at least as a half-time student. An in-school deferment is a temporary suspension of student loans payments.

Trenholm State Community College has authorized the National Student Clearinghouse to act as the agent for all verifications of student enrollment. In order to receive an in-school deferment, requesters should use www.studentclearinghouse.org. The telephone number for the National Student Clearinghouse is (703) 742-4200, Monday – Friday, from 9 a.m. to 7 p.m. (Eastern Standard Time). The FAX number is (703) 742-4239. The email address is enrollmentverify@studentclearinghouse.org. The mailing address is: National Student Clearinghouse, 2300 Dulles Station Blvd., Suite 300, Herndon, VA 20171.

Transfer students who participated in the Student Loan Program at another college are encouraged to continue to communicate with their lenders. Student loan lenders cannot help the student borrowers without knowing the nature of their problems and keeping in contact with previous lenders may prevent student borrowers from defaulting on their student loans. Additional information on deferments can be obtained from the Financial Aid Office at (334) 420-4321.

Veterans Benefits

Benefits differ according to the Chapter of VA Educational Benefits for which the student qualifies.

Students receiving VA Educational Benefits are responsible for registering only for courses that are included on their respective degree plan.

Students receiving VA Educational Benefits must promptly notify the VA Certifying Official, located in the Financial Aid office on either the Patterson Site or the Trenholm campus, when withdrawing from a class or all classes. Failure to do so may result in an overpayment from the Department of Veterans Affairs. The student is liable for the overpayment.

To continue receiving VA Educational Benefits, Veterans must attend their scheduled classes. Instructors will report students who are excessively absent to the Office of Admissions and Records and VA benefits may be reduced accordingly. The Department of Veterans Affairs may require approximately 60 to 90 days to process educational benefits. As a result, Veterans should be prepared to pay tuition and fees at registration.

Financial Aid Satisfactory Academic Progress (SAP) Policy

Students who receive assistance from the Federal Pell Grant Program, Federal Work-Study Program (FWSP), Federal Supplemental Educational Opportunity Grant (FSEOG) Program, Alabama Student Assistance

Programs (ASAP) and Veterans Educational Benefits are required to make Satisfactory Academic Progress toward the goal of completing their declared degree or certificate program.

Effective with the 2011 fall semester, Satisfactory Academic Progress (SAP) will be checked at the end of each payment period. In addition, Satisfactory Academic Progress (SAP) is also checked when students complete a warning period and/or when awards are revised. The progress of students who received federal and state financial aid funds will be measured against the following Satisfactory Academic Progress Standards and will be subject to the following policies:

Required Credit Hours, Grade Point Averages (GPAs) and Required Pace of Completion

A student enrolled in an Associate Degree or Certificate Program requiring more than 26 credit hours must meet the following standards:

- After attempting 0-21 credit hours, must earn a 1.50 GPA and complete 58% of the enrolled hours
- After attempting 22-32 credit hours, must earn a 1.75 GPA and complete 62% of the enrolled hours
- After attempting 33 or more credit hours, must earn a 2.00 GPA and complete 67% of the enrolled hours

Students enrolled in Certificate Programs 26 credit hours or less must meet the following standards:

- After attempting 1-17 credit hours, must earn a 1.50 and complete 58% of the enrolled hours
- After attempting 18 or more credit hours, must earn a 2.00 and complete 67% of the enrolled hours.

All hours attempted, including those in which the student withdrew, will be included in this calculation, even if financial aid was not received.

Transfer/Re-Admit Students

All transfer and re-admit students to the College, must meet the minimum grade-point standards indicated above in order to be eligible for financial aid. Students who do not meet these standards will be ineligible to receive Title IV funds at the College.

In addition, students who transfer to Trenholm are required to submit an official copy of their academic transcript(s) from all previously attended postsecondary institution(s). Initially, the transcript from the last college attended will be considered to evaluate Satisfactory Academic Progress of transfer students who apply for Federal Student Aid. After the Director of Admissions and Records completes the evaluation of these transcripts, transfer credits that apply to the student's major at the College will be included in the hours attempted and hours earned for future Satisfactory Academic Progress evaluations. However, transfer students' GPAs are not included in the Satisfactory Academic Progress evaluations.

Financial Aid Probation and/or Warning

According to the Satisfactory Academic Progress Policy, if this is the first time that the student is not making

satisfactory academic progress, he/she may be granted a one-time Financial Aid Warning period and awarded financial assistance during this period. At the end of the Financial Aid Warning period, the student must meet the Satisfactory Academic Progress requirements in order for the Financial Aid Warning status to be lifted and to continue receiving financial aid. During the warning period, please note that your academic transcript will indicate “Probation” but if this is the first time that this indication is noted on your transcript then know that this is actually a financial aid warning period.

Financial Aid Suspension (Termination of Aid)

Students who do not successfully establish Satisfactory Academic Progress during the Financial Aid Warning Period will be placed on Financial Aid Suspension and become ineligible for any additional financial aid at that point. If a student is re-admitted to the College upon academic appeal, financial aid will remain suspended until one of the following criteria is met:

1. The student either meets the Financial Aid SAP requirements or
2. The student presents to the Financial Aid Appeals Committee evidence of extenuating circumstance(s) deemed, by this Committee, to be sufficient to justify an exception to the SAP Policy. As a result, the student will be placed on Financial Aid Probation and financial aid will be reinstated for this period.

Otherwise, the student must bring his/her academic record into compliance with the Financial Aid Satisfactory Academic Progress requirements before financial aid can be reinstated.

Appeal Process & Extenuating Circumstances

Any student placed on Financial Aid Suspension may appeal his/her status by submitting a letter to the Financial Aid Appeals Committee stating in writing any unusual circumstances that had a bearing on his/her academic performance along with providing supporting documentation. Some examples of extenuating circumstances and supporting documentation may include: death of an immediate love one – copy of the death certificate or the obituary; auto accident – copy of police report and/or note from a physician; prolonged illness – documentation from the attending physician. The appeal should also address what has changed in your situation that will now allow you to meet the Satisfactory Academic Progress by the end of the subsequent payment period. All appeals must be addressed to the Financial Aid Appeals Committee and submitted to the Director of Financial Aid in writing within ten days following the date of the notification sent to the student. This written appeal should explain reasons for non-compliance with the Satisfactory Academic Progress Standards, include an academic plan of study developed with her/his major advisor for bringing her/his grades into compliance with the policy, and steps that will be taken to prevent a reoccurrence of failure to meet SAP. If an appeal is approved, the student will be placed on Financial Aid Probation and awarded financial assistance for this period. Only one appeal per academic year may be submitted.

Attendance/Audits

At the beginning of each term, the faculty must identify the names of those students who fail to attend their classes.

Those students’ names are deleted from any pending financial aid credit balance submissions until attendance can be verified by the faculty member. Students will not receive financial aid for any classes they audit or for any classes they never attend.

Monitoring Progress

Academic progress will be monitored at the end of each semester and/or term.

Repeating Courses

A student receiving Title IV aid may repeat courses; however, the repeated hours will be included in the Financial Aid SAP calculations as hours attempted and hours earned. A federal financial aid recipient cannot repeat a previously passed course more than one (1) time either as a single course or in a block of courses. For this purpose, “passed” means any grade higher than an “F” regardless of any program policy requiring a higher grade to be considered passed for the course.

Transitional (Remedial) Courses

A Title IV recipient who has enrolled in a transitional (remedial) course and failed may not enroll in the same course more than three (3) times and continue to receive financial assistance. If the Title IV recipient enrolls in the same transitional (remedial) course more than three (3) times, financial aid will not pay for this subsequent enrollment in this course. A Title IV recipient may not be paid for more than 30-semester credit hours of transitional (remedial) work. Transitional (remedial) courses are counted in the hours attempted and hours earned.

Grades:

W - Withdrawal

A grade of “W” is assigned to a student who officially withdraws** or is unofficially withdrawn*** from the College or from a course prior to 70 percent of the term being completed. This specified 70% date is included in the Student Calendar for each term and is listed as “Last Day to Withdraw Without Any Academic Penalty.” It is the responsibility of the student to become familiar with the Student Calendar in order to know the exact date to withdraw without penalty. A student who officially withdraws or is unofficially withdrawn from the College after 70 percent of the semester has been completed will receive the grades that he/she has earned at that time of withdrawal, either a “WP” or a “WF” grade. A student cannot be withdrawn administratively after 70% of the semester. Grades of “W”, “WP” and “WF” earn zero quality points and, for financial aid purposes, are counted in hours attempted by the student.

Students who withdraw from classes after receiving Title IV Aid face the possibility of being placed on either Financial Aid Warning or Financial Aid Suspension. Additionally, financial aid recipients who completely withdraw are subject to the Federal Return of Title IV Funds Policy (R2T4). This Policy may require Title IV recipients who completely withdraw from all classes before completing 60% of either the semester or the term to repay a portion of any grant funds received to the Title IV Programs.

** Officially Withdraws - means that student receives, completes, gets the appropriate signatures and returns all

appropriate withdrawal forms to the Office of Admissions and Records.

***Unofficially Withdrawn - means that the student has stopped attending classes after the first day of classes and has been withdrawn by the instructor.

Withdrawal - Passing/Failing (WP or WF)

Students who officially withdraw or are unofficially withdrawn after attending 70% of the semester and are passing the course work will receive the “WP” grade. If students are not passing the course work after attending 70% of the semester, the “WF” grade will be assigned. The hours attempted for these grades are included in the Financial Aid SAP calculations.

I - Incomplete

With the permission of the Dean of Instruction, a grade of Incomplete (“I”) may be assigned when a student’s work in a course is incomplete because of circumstances beyond the student’s control, but is otherwise of passing quality. An Incomplete (“I”) grade does not count toward course work completed and is not counted as course work attempted. Therefore, the Incomplete (“I”) grade does not negatively impact on the incremental measurement of progress. Although the Incomplete (“I”) grade is NOT counted in hours earned or attempted, the grade that replaces the “I” is counted in both hours earned and attempted, once the “I” is removed.

An “I” grade is intended to be only an interim course grade. Unless the deficiency is made up within the following semester, the “I” automatically becomes an “F” when grades are processed at the end of the next semester. At the time that final grades are entered each semester, an Incomplete Grade Contract form must be signed by the student, instructor, division chair and the Dean of Instruction and submitted to the Office of Admissions and Records.

Earned “F” Grade and Verification Procedure

If a student receives the final grade of “F”, the instructor is required to complete the Earned “F” Verification form to verify that the student actually earned the “F” grade. The Earned “F” Verification form must be submitted to the Office of Admissions and Records at the time that final grades are entered each semester to verify that the “F” grade was earned. The grade of “F” is counted in hours attempted and results in zero hours earned.

Program Completion

The maximum time frame allowed to complete a program of study without financial aid penalty cannot exceed 150% of the published length of a specific program as measured in either credit hours attempted in credit-hour programs or cumulative clock hours required to complete as measured in clock-hour programs. Beginning Fall 2012, full-time students can only receive Title IV aid for a total of 12 semesters. This timeframe is increased for part-time students.

Change of Curriculum of Study

All periods of students’ enrollment count when determining Satisfactory Academic Progress (SAP),

even periods in which the student did not receive Federal Student Aid (FSA). After declaring the initial major, all students, including Title IV recipients, are only allowed two changes of major before completing a Program of Study, not to exceed 150% of the current major. Students who are pursuing an Associate Degree may not be able to complete a second Associate Degree at the College on Title IV Aid.

Suspension and Termination of Aid

Students who do not successfully establish Satisfactory Academic Progress during a Financial Aid Warning Period will be placed on Financial Aid suspension and may become ineligible for any additional financial aid at that point.

A student who wishes to be considered for financial aid after termination of Federal Financial Aid must bring his/her academic record into compliance with the qualitative, quantitative measures and the required completion ratio while attending Trenholm at one’s own expense. When the student is again in compliance with the Satisfactory Academic Progress (SAP) Policy, the student’s financial aid status will be reversed.

Federal and State Refund Policies

Federal Refund Policy

Financial Aid recipients who are awarded Federal Student Aid (FSA) funds and completely withdraw, dropout or otherwise fail to complete the semester will be subject to the Return of Title IV Funds Refund Policy (R2T4). The term “Title IV Funds” refers to the Federal Student Aid (FSA) Programs authorized under the Higher Education Act of 1965, as amended (Title IV, HEA Program) which includes Federal Pell Grant and Federal Supplemental Educational Opportunity Grant (FSEOG).

The percentage of Title IV aid earned is found by dividing the number of calendar days completed by the student, at the time of withdrawal, by the number of calendar days in the semester. If more than 60% of the semester is completed, the student is considered to have earned

100% of the Title IV aid disbursed. The amount of Title IV aid earned is found by multiplying the amount of aid disbursed for the semester by the percentage of Title IV aid earned. If the amount earned is less than the amount of aid disbursed, the difference must be returned to the appropriate Title IV Program. If the student earned more than what was disbursed, a late disbursement may be due to the student. If the amount earned equals the amount disbursed, no further action is required.

The responsibility to return amounts unearned to the Financial Aid Programs may be shared by both the College and the student. The College is required to return, to the Department of Education, the lesser of the total amount of unearned Title IV funds or an amount equal to the student’s institutional charges multiplied by the percentage of Title IV aid unearned, no later than 45 days after it is determined that the student withdrew. If the College returns less than the amount of unearned aid, the student must return the difference. If the student is required to return unearned aid, this is considered an overpayment and the amount is reduced by 50%.

Within 45 days of determining the student’s date of withdrawal, the College will send notification to the student of any overpayment. After receiving the written notification, the student is permitted 45 days to make satisfactory payment arrangements with the United States Department of Education. While the overpayment is due, the student will remain eligible for financial aid for 45 days.

State Refund Policy

The State Refund Policy applies if a student attends the College and receives Federal, State or Federal Tuition Assistance aid and the withdrawal date is before or during the first three weeks of the term. The refund is calculated as follows:

Partial Withdrawal

Students who do not completely withdraw from the college but drop a class during the regular drop/add period will be refunded the difference in the tuition paid and the tuition rate applicable to the reduced number of hours, including fees appropriate to the classes dropped. There is no refund due to a student who partially withdraws after the official drop/add period. The last day to drop/add is published as part of the College calendar and conforms to the guidelines issued from the Alabama Community College Office.

Complete Withdrawal

Students who officially or unofficially withdraw from all classes for which they are registered before the first day of class for the semester/term will be refunded the total amount of tuition and other refundable fees. The “first day of class” is the first day classes are offered within any term configuration, including, but not limited to, full terms, split terms, mini-terms and weekend terms. Students who officially or unofficially withdraw completely on or after the first day of class, but prior to the end of the third week of class will be refunded according to the withdrawal date, as follows:

Complete Withdrawal before the 100% refund

official first day of class	
Complete Withdrawal during first week	75% refund
Complete Withdrawal during second week	50% refund
Complete Withdrawal during third week	25% refund
Complete Withdrawal after the end of the third week	NO REFUND

An administrative fee not to exceed 5% of tuition and other refundable institutional charges shall be assessed for each withdrawal within the period beginning the first day of class and ending at the end of the third week of class. The first official day of class is indicated on the College calendar as the day that classes begin. There is only one first day of class. This day may not be the first day on which all classes begin. The calendar also indicates the last day to drop/add. For calculating refunds during the fall and spring sixteen-week terms, a “week” is defined as seven calendar days, i.e. the first day of class running seven calendar days (inclusive of Saturday and Sunday). Refunds of shorter than sixteen weeks, such as summer terms, mini-terms, split terms and weekend terms, will reflect a prorated week based on the number of days in the term.

Example: Classes begin June 14, student withdraws June 17.
 Fourth day = 75% Refund due.

Tuition/fees paid:	\$648.00
	<u> x .75</u>
	\$486.00
Administrative Fee:	<u> - 32.40</u>
Round to nearest dollar	\$453.60
Refund amount:	\$454.00

Revision and Cancellation of Financial Aid

The College reserves the right to review, revise or cancel a financial aid award at any time due to changes in financial or academic status or the student’s failure to comply with applicable Federal and/or State laws and/or Regulations or College policies. In addition, a financial aid award is subject to revision should the annual allocation of funds from the Federal government be reduced below the anticipated funding level for a program(s) or should budget limitations be placed upon funds which are intended for student financial aid purposes. In addition, students cannot receive need-based assistance in excess of their determined financial need.
