CONTINUING EDUCATION

Vision
The vision of the Continuing Education Division at Trenholm State Community College is to provide the administrative management and coordination for non-credit and community-based programs for the College.

Mission Statement
The mission of the Continuing Education Division is to promote and coordinate the College’s outreach and lifelong learning opportunities through non-credit offerings that will enhance the quality of life for individuals of all ages.

Purpose
To extend the resources of Trenholm State Community College and provide programs and services with an emphasis on upgrading work skills, work-related training, or personal development in response to business, industry, and community needs.

Non-Credit Continuing Education courses are:
- Offered during the day, evening, online, and weekends
- Offered in many different time spans, from a few hours to six weeks
- Open to all age groups

ACCREDITATION
H. Councill Trenholm State Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate degrees. Contact the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of H. Councill Trenholm State Community College.

EQUAL OPPORTUNITY IN EDUCATION AND EMPLOYMENT
It is the official policy of the Alabama Community College System and H. Councill Trenholm State Community College that no person shall, on the grounds of race, color, disability, sex, religion, creed, national origin, age or any other protected class as defined by federal and state law be excluded from participation in, be denied benefits of, or be subjected to discrimination under any program, activity, or employment.

Begin Your New Healthcare Career Today!

“Healthcare professionals are in great demand, creating numerous job opportunities for trained professionals.”

**EKG/Cardiovascular Technician Certification Program**
- February 3 - March 23 • June 1 - July 20
- September 21 - November 9, 2020

This comprehensive 50-hour EKG Technician Certification Program prepares students to function as EKG Technicians and to take the ASPT – Electrocardiograph (EKG) Technician exam and other national certification exams. This course will include important practice and background information on anatomy and physiology of the heart, medical disease processes, medical terminology, medical ethics, legal aspects of patient contact, electrocardiography and stress testing. Additionally, students will practice with EKG equipment and perform hands-on labs including introduction to the function and proper use of the EKG machine, the normal anatomy of the chest wall for proper lead placement, 12-lead placement and other clinical practices. (Textbooks included)

**Time:** (M/W) 6:00 p.m. - 9:30 p.m.
**Location:** Patterson Site
**Fee:** $999

**Medical Billing & Coding Certification Program**
- February 4 – April 23 • June 2 – August 20
- September 8 – December 1, 2020

This combined 80-hour billing and coding course offers the skills needed to solve insurance billing problems. Students will learn how to find the services and codes using manuals (CPT, ICD-10 and HCPCS). Students who complete this course could be qualified to sit for the American Academy of Professional Coders (AAPC) - Certified Professional Coder Exam (CPC or CPC-H Apprentice); the American Health Information Association (AHIMA) Certified Coding Associate (CCA) exam; and/or other national certification exams. (Textbooks included)

**Time:** (TU/TH) 6:00 p.m. - 9:30 p.m.
**Location:** Patterson Site
**Fee:** $1,799

**Pharmacy Technician Certification Program**
- February 3 - March 23 • June 1 - July 20
- September 21 - November 9, 2020

This comprehensive 50-hour program will prepare students to work as a Pharmacy Technician in a retail or other pharmacy setting and to take the Pharmacy Technician Certification Board’s (PTCB) exam. Course content includes pharmacy medical terminology, the history of pharmacy, the pharmacy practice in multiple environments, pharmacy calculations and measurements, prescription reading and interpretation, and drug definitions by generic and brand names. Through classroom lecture and hands-on labs, students will review dosage calculations, drug classifications, the “top 200 drugs,” I.V. flow rates, sterile compounding, dose conversions, aseptic technique, handling of sterile products, total parental nutrition (TPN), prescription dispensing, inventory control and billing and reimbursement. (Textbooks included)

**Time:** (M/W) 6:00 p.m. - 9:30 p.m.
**Location:** Patterson Site
**Fee:** $999

**Phlebotomy Technician Certification Program**
- February 4 - May 5 • June 2 - September 1
- September 8 - December 10, 2020

This 90-hour Phlebotomy Technician Program prepares professionals to collect blood specimens from clients for the purpose of laboratory analysis. Students will become familiar with all aspects related to blood collection and develop comprehensive skills to perform venipunctures completely and safely. Classroom and lab work include terminology; anatomy and physiology; blood collection procedures; specimen hands-on practice; and training in skills and techniques to perform puncture methods. Note: There is no outside externship rotation included with this program. (Textbooks included)

**Time:** (TU/TH) 6:00 p.m. - 9:30 p.m.
**Location:** Patterson Site
**Fee:** $1,599

Job Placement Assistance • Nationally Recognized Healthcare Certifications • Veterans Benefits are accepted

- Career & Technical (CTE)
Business & Professional

Basic Grant Writing, Level I
This course is designed for those with little or no grant writing experience and those who never received formal grant writing training. Participants will receive step-by-step guidance in planning, writing, and packaging a strong grant proposal. Program participants will also receive tips on researching and selecting potential grant funding sources.

Time: (TU/TH) 6:00 – 8:15 p.m.
Fee: $179.00
Location: Trenholm Campus
Dates: Jan 21 - Feb 13
Mar 5 - May 28
July 7 - July 30
Sept 1 - Sept 24
Oct 6 - Oct 29

Basic Grant Writing, Level II
The objective of this course is to teach participants the skills and strategies involved in writing successful grants. The participants will learn to use technical writing strategies and to apply a nine-step process: brainstorming, researching, planning, drafting, consulting, revising, submitting, presenting, and reporting. Participants will have the opportunity to work on actual grant applications and become familiar with grant and professional writing terminology.

Time: (M/W) 6:00 - 8:15 p.m.
Fee: $179.00
Location: Patterson Site
Dates: Jan 27 - Feb 19
Mar 2 - Mar 25
May 4 - June 1
July 13 - Aug 5
Sept 9 - Oct 5
Oct 19 - Nov 11
Computer Technology

Introduction to Computers
This course provides very basic information regarding the components of a computer and its usage, software and multimedia applications, an overview of the uses for computer software and data storage.

Jan 27 - Feb 19 Mar 2 - Mar 25
May 4 - June 1 July 13 - Aug 5
Sept 9 - Oct 5 Oct 19 - Nov 11
Youth Leadership Institute (Ages 13-18)
This program is designed to develop “soft skills,” teach character, and relate those lessons to real-world applications. Studies have shown that more than half of the nation’s youth are leaving school without the knowledge to find and hold a job. Many know little about basic workplace demands, such as showing up on time and calling in when sick. Today, this situation continues to pose serious problems for business and industry organizational leaders. Youth Leadership Institute Training will consist of the following topics: appearance, character, attendance, teamwork, attitude, cooperation, organization, productivity, communication, respect, social skills, and much more.

Date: July 6 - July 16
Time: (M-TH) 8:00 a.m. - 12:00 p.m.
Instructor: TBA
Fee: $99.00
Location: Trenholm Campus

Basic Math (Grades 6-8)
This course is designed to introduce students to a variety of topics covered in math while improving their skills with problem solving involving all operations with integers, rational numbers, and decimals. Students will strengthen skills of adding, subtracting, multiplying, and dividing integers; adding, subtracting, multiplying, and dividing fractions and decimals; computing simple interest; and solving two-step equations and more. After successfully completing this course, the student will be able to have the basic knowledge of math required to begin prealgebra.

Date: July 6 - July 9
Time: (M-TH) 10:00 a.m. - 12:00 p.m.
Instructor: TBA
Fee: $89.00
Location: Trenholm Campus

Writing & Grammar Review (Grades 6-8)
This course is designed to enhance fundamental skills in grammar, vocabulary, composition, reading and critical thinking. It includes an emphasis on correct grammatical usage. Students will also review reference material, such as spelling hints, dictionary usage, library usage, study skills, and composition skills.

Date: July 6 - July 9
Time: (M-TH) 10:00 a.m. - 12:00 p.m.
Instructor: TBA
Fee: $89.00
Location: Trenholm Campus

Girls Exploring Technology (Ages 12 - 16)
The Girls Exploring Technology (G.E.T.) Program is designed to foster girls’ interest, confidence and skills in computer science. Girls will be encouraged to assume leadership roles in technology. Students will receive instruction on topics essential to success in the world of technology. The course spans two (2) weeks. Topics will include Introduction to Word Processing, Introduction to Excel and PowerPoint, Adobe Photoshop, Web Design, How to Build a Computer, Research on the Internet, and much more.

Date: June 1 - June 11
Time: (M - TH) 8:00 a.m. - 12:00 p.m.
Instructor: TBA
Fee: $99.00
Location: Trenholm Campus

Computer Training Just for Young People (Ages 10 - 14)
This course is designed for the student with little or no previous exposure to computers. Students will be introduced to using basic word processing skills, saving files, and loading programs. The course also includes basic keyboarding. Today everyone needs to know how to type! This course is designed to help students learn the keyboard, increase speed and accuracy and become familiar with the appropriate techniques. This class will help you develop skills that will last a lifetime.

Date: June 1 - June 11
Time: (M-TH) 8:00 a.m. - 12:00 p.m.
Instructor: TBA
Fee: $99.00
Location: Trenholm Campus

Financial Planning and Career Preparation for Teenagers (Ages 13 - 18)
The Financial Planning and Career Preparation for Teenagers Program is designed to educate youth in fundamental financial concepts and to empower them to make positive, informed decisions to reach their financial and personal goals. Topics will include budgeting, buying, spending, saving, credit, basic investing, goal setting, and career options.

Date: June 8 - June 18
Time: (M-TH) 8:00 a.m. - 12:00 p.m.
Instructor: TBA
Fee: $99.00
Location: Trenholm Campus
### MICROSOFT PUBLISHER
Get started with the basics within the Publisher environment. Learn how to create and format a brochure. Bring your flyers, brochures, and newsletters to class.

ELIGIBILITY
Admission to Continuing Education programs is open to all students unless the class is specifically designed for a limited age group. There are no educational requirements for most courses.

REQUIREMENTS FOR REGISTRATION
Register early to ensure seating in our limited enrollment classes. We advise early registration as enrollment is on a “first come, first served” basis. Tuition must be paid in full at the time of registration. Please keep your receipts for verification. Registration is incomplete until all fees are paid in full.

REGISTRATION OPTIONS
Mail: Mail the completed registration form along with your check or money order to:
Continuing Education Division
H. Councill Trenholm State Community College
Post Office Box 10048
Montgomery, AL 36108
Make checks payable to Trenholm State Community College. Postdated checks are not accepted.

Phone: You may use Discover, MasterCard or Visa to register. Please call (334) 420-4240.

Fax: Fax a completed registration form with a Visa, MasterCard, Discover, or purchase order number with billing information to (334) 420-4236.

In Person: Bring the completed registration form to the Patterson Site, Building F, Office #2, 3920 Troy Highway. Office hours are Monday - Thursday, 7:30 a.m. - 5:30 p.m., Friday, 7:30 a.m. - 11:30 a.m.

REFUNDS/CANCELLATIONS POLICY
If you withdraw for any reason before the first training, a refund minus a 5 percent administrative processing fee will be mailed. We must receive your refund request in writing at least 24 hours before the training begins. Please include your name, social security number and training name in this request. No refunds will be given after the first training. All registrations will automatically be refunded in full for training cancellations due to insufficient enrollment. The Continuing Education Office reserves the right to cancel any training that does not have a minimum of ten (10) registrants. Information will include the date, time and location of the training. Every effort is made to notify registrants of training cancellations by phone or email prior to the start of training.

For more information, please visit our website at http://www.trenholmstate.edu/workforce-development/continuing-education/.

NON-SUFFICIENT FUND CHECK POLICY
If your check is returned because of insufficient funds in your account, there is a $30.00 fee. The check will be submitted to the proper authorities for collection. You may be subject to additional fees.

For more information, please visit our website at www.trenholmstate.edu and go to Continuing Education from the main menu.
