

## 2022–2023 Statement of Educational Purpose

Your 2022-2023 Free Application for Federal Student Aid (FAFSA) was selected for a process called verification. The Department of Education requires completion of verification before awarding any Federal Student Aid. You must submit any required documents to verify that you provided correct information on the FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must submit this completed form and other required documents to the Office of Financial Aid as soon as possible to ensure your financial aid will not be delayed.
