

## Dual Enrollment at Trenholm State

INSTITUTIONAL RESEARCHERS:

*Bridging the Gap Between Data and Decisions*

According to the Alabama Community College System (ACCS) website, dual enrollment allows students to receive both high school and college credit for certain career/technical education courses taken through an ACCS institution, such as Trenholm, while enrolled in high school. Dual enrollment credit is available to students attending, public, private, parochial or church/religious schools pursuant to [§16-28-1](#) of Code of Alabama 1975, or who are receiving instruction from a home school/private tutor pursuant to [§16-28-5](#) of the Code of Alabama. Dual enrollment credit in career-technical education is awarded under State Board of Education Policy [801.03](#) and [801.04](#). Scholarship opportunities may be available to students that meet the eligibility requirements to participate in the dual enrollment program.

At Trenholm State, we currently offer **10 majors** at **nine dual enrollment sites** throughout our service region. The programs currently offered are CIS, Graphic Design, Construction Welding, Medical Assisting, Industrial Maintenance, Culinary Arts, Machine Tool, Automotive Service, Office Administration, and Automotive Manufacturing.
