

Friday FACTOID

Earnings and Unemployment by Educational Attainment

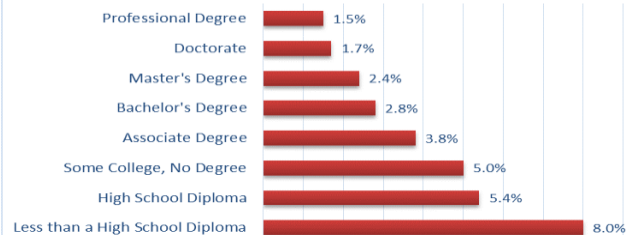

INSTITUTIONAL RESEARCHERS:
Bridging the Gap Between Data and Decisions

In the United States, it is proven that educational attainment leads to higher wages and lower unemployment. The charts below come from the [Bureau of Labor Statistics](#) and represent full-time workers aged 25 and above in the United States. In the last year, Trenholm State awarded **403** degrees. Our students completed *178 short certificates, 50 long certificates and 175 associate degrees*, between July 1, 2015 and June 30, 2016.

Median Weekly Earnings in 2015

Unemployment Rate in 2015
