

Total Headcount Comparisons for Fall and Spring Semesters

INSTITUTIONAL RESEARCHERS:
Bridging the Gap Between Data and Decisions

There are 1,750* students enrolled for spring semester 2018, which include 751 full-time and 999 part-time students. For spring 2018, we have a FTE of 1,074.7. Spring enrollment is typically lower than fall enrollment at most institutions; however, at Trenholm State that is not always the case as evidenced in the table below.
