2015-16 PayScale  
College Salary Report

INSTITUTIONAL RESEARCHERS:  
*Bridging the Gap Between Data and Decisions*

PayScale did a study, [2015-2016 College Salary Report](#), which features data about the earning potential of 2-year associate degrees. An associate degree in Management Information Systems has the highest median mid-career salary on their list. I have included the top majors or similar majors that are offered at Trenholm State Community College. Be sure to check out the report to see the earnings for your major.

Rank	Major	Early Career Pay (0-5 yrs. work exp.)	Mid-Career Pay (10+ yrs of work exp.)
1	Management Info Systems	\$45,000	\$72,100
9	Diagnostic Medical Sonography	\$50,200	\$66,800
11	Computer Programming	\$42,300	\$65,300
12	Electrical Engineering	\$42,600	\$65,100
16	Nursing	\$52,200	\$64,800
22	Radiology	\$41,900	\$61,500
23	Computer Information Systems	\$39,700	\$61,400
29	Computer & Network Admin.	\$41,500	\$59,100
50	HVAC	\$36,500	\$55,600
51	Automotive & Diesel	\$36,900	\$54,800
52	Welding	\$36,700	\$54,600
