

Net Price Indicator

INSTITUTIONAL RESEARCHERS:
Bridging the Gap Between Data and Decisions

The National Center for Education Statistics requires Colleges to publish the average net price for full-time beginning students. Below is Trenholm State's average net price for full-time beginning students.

Full-time beginning undergraduate students who paid in-state tuition rate and were awarded grant or scholarship aid from federal, state, or local governments, of the institution.			
	2012-2013	2013-2014	2014-2015
AVERAGE NET PRICE	\$6,728	\$7,584	\$7,118
Full-time beginning undergraduate students who paid the in-state or in-district tuition rate and were awarded Title IV aid by income.			
AVERAGE NET PRICE BY INCOME	2012-2013	2013-2014	2014-2015
\$0 – \$30,000	\$6,602	\$6,660	\$7,017
\$30,001 – \$48,000	\$6,612	\$6,950	—
\$48,001 – \$75,000	\$7,946	\$8,131	—
\$75,001 – \$110,000	\$6,255	—	—
\$110,001 and more	—	—	—

NOTES:

Average net price is generated by subtracting the average amount of federal, state/local government, or institutional grant or scholarship aid from the total cost of attendance. Total cost of attendance is the sum of published tuition and required fees (lower of in-district or in-state), books and supplies, and the weighted average for room and board and other expenses.

Beginning students are those who are entering postsecondary education for the first time.

Title IV aid to students includes grant aid, work study aid, and loan aid. These include: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Academic Competitiveness Grant (ACG), National Science and Mathematics Access to Retain Talent Grant (National SMART Grant), Teacher Education Assistance for College and Higher Education (TEACH) Grant, Federal Work-Study, Federal Perkins Loan, Subsidized Direct or FFEL Stafford Loan, and Unsubsidized Direct or FFEL Stafford Loan. For those Title IV recipients, net price is reported by income category and includes students who received federal aid even if none of that aid was provided in the form of grants. While Title IV status defines the cohort of student for which the data are reported, the definition of net price remains the same – total cost of attendance minus grant aid.
