

Mandatory Testing

On June 29, Governor Kay Ivey announced 'Testing for Alabama' an initiative focused on coronavirus re-entry testing for the state's public college students. In cooperation with this initiative, your participation in this program will be mandatory as you plan to reside on campus for the fall semester. You should receive an email from GuideSafe™ Testing will be sent to your college email. This test will be made available to you at no charge. For any questions please contact [INSERT CONTACT INFORMATION]

Optional Testing

On June 29, Governor Kay Ivey announced 'Testing for Alabama' an initiative focused on coronavirus re-entry testing for the state's public college students. In cooperation with this initiative, COVID-19 testing will be made available to you prior to returning to class this fall. COVID-19 testing will only be required for those individuals who reside on campus but is available to you at no charge. You should receive an email from GuideSafe™ Testing will be sent to your college email. For any questions please contact [INSERT CONTACT INFORMATION].
