

Instructions for Accessing the Library off Campus for Distance Education Students

Accessing the Web site

From the Trenholm State homepage (<http://www.trenholmstate.edu/>), choose “Current Students” then “Library” from the drop down menu.

The Library’s direct link is: <http://www.trenholmstate.edu/academics/college-library.cms>

Books

To search for books, magazines, e-Books, DVD’s, and juvenile books in the library click on the “Online Catalog” link on the Library’s homepage.

[Online Catalog](#)

Journal Articles

To search for academic journals, magazines, peer reviewed journals, trade journals, and e-Books, select “Online Databases” for a full list of online databases, or select “Databases by Program” to identify databases specific to each program, or select “Database Tutorials” for a brief review of many of our databases.
