MEMORANDUM

FROM: Kenneth Cox, Safety and Security Coordinator

TO: College Community

Re: 2018 Campus Safety and Security Survey

Attached to this document you will find out 2017 campus crime report as reported to the U.S. Department of Education for the 12 month period beginning October 1, 2016 – September 30, 2017. The information contained in the report is compiled in accordance with the provisions of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act and the Violence Against Women Act of 1994. As required by law, this statement and the Campus Safety and Security Survey shall be distributed to all students and employees.

This report includes statistics for the previous two years concerning reported crimes that occurred on campus; in certain off-campus buildings or property owned or controlled by Trenholm State Community College; and on public property within, or immediately adjacent to and accessible from either campus. The report is compiled from local college sources and from data obtained from the Montgomery Police Department.

Trenholm State Community College continues to maintain a safe environment for students, faculty and staff. The year reported in this report show a decrease in overall crime and continues not to have any felony or hate crimes. The only reportable incident in the reported year was due to a traffic stop adjacent to the college that did not involve any students, faculty or staff.

Providing a safe environment for learning is the responsibility of all employees and it is everyone's duty to "say something if you see something".
