An increase in donations from the Trenholm State faculty and staff and from individuals and businesses throughout the Montgomery area in the last several months have allowed the Foundation to increase the number of scholarship offerings, the amount of some scholarships, and the number of students who benefit. Supporting Trenholm State's students, programs, faculty and staff, and its campus locations has been our mission for nearly 16 years. **Your** generosity helps us **grow!**

Scholarships

The Foundation's Board of Directors has **RELEASED** its 2018 scholarship offerings, just in time for the upcoming fall semester! The selection has expanded! The Scholarship Review Committee will **REVIEW** the submitted and completed scholarship application packets, then **SELECT and AWARD** scholarships to the best applicants, and disperse the funds in time for the fall semester.

The Board has implemented two new policies for the Scholarship Program.

1. Students who have not yet earned credit hours at Trenholm, but have enrolled to begin classes, may now apply for Foundation scholarships.
2. We now have Award Cycles. The application **deadline** for the first cycle is **Monday, July 2, 2018**.

Be sure to share this announcement with your students and the community. Scholarship details (including a revised application and new scholarship opportunities) can be found on the [Foundation's page](#), which is on the College's website, under the College Information and Alumni tabs. Wow! The Monthly Payroll Donor roster has grown over the past several months! **THANK YOU** for contributing to the mission of the Trenholm State Foundation. It is here to support Trenholm State: its students, faculty, staff, and projects. While many have retired from your ranks, others have stepped-up to show their support. We greatly appreciate your monthly gifts.
