Job placement rate		91%	100%	100%	100%	100%

Benchmarks:

- 80% of students will pass the Physics (SPI) national certification exam.
- 80% of students will pass the Abdomen national certification exam.
- 80% of students will pass the OB/GYN national certification exam.
- 80% of students seeking employment in the field will become gainfully employed in the field.
- 80% of students entering the program will complete the program.

Pass rates reflect combined averages from two (2) nationally recognized testing bodies (ARRT & ARDMS). Pass rate reporting, analysis, and assessment is based on calculations defined by the Joint Review Committee on Education in Diagnostic Medical Sonography ([JRC-DMS](#)). Program accreditation is issued by [CAAHEP](#) on recommendation by the JRC-DMS.
