CAPABILITIES STATEMENT

DR. KEMBA K. CHAMBERS, PRESIDENT

OVERVIEW

H. Councill Trenholm State Community College (Trenholm State) is a comprehensive two-year community college located in Montgomery, Alabama. The Historically Black Community College (HBCC) provides associate transfer degrees, as well as associate degrees and certificates that lead to the workforce. In addition, the college provides adult learning opportunities; civic, social cultural, and personal development; business and industry training; and support of economic development for the central Alabama region. Trenholm State is part of the Alabama Community College System (ACCS), a statewide system of postsecondary colleges governed by the Alabama Community College System Board of Trustees. The College operates two campuses, the Patterson Site and the Trenholm Campus, adult education and dual enrollment sites, and provides additional educational and training services for Montgomery and the surrounding area. For more information, please visit: <https://www.trenholmstate.edu/>
